1. I think this is a minor trick for DIA to have some time to get the "spaces".
2. The people in CL are from "other spaces" in INSCOM where we need full. If they are detailed, we cannot fill the spaces. However, my main concern is that the detailed people are

whatever, they are "my guys"
when I said I was out of
the business. INSEOM will
look dumb.

let's try to get spaces
