COMMENTS: IN THE LAST STAGES
OF RELAXATION CHECKED OUT AND
WENT SOMEPLACE, NEVER DID
GET TO SANCTUARY. AFTER
WHAT SEEMED LIKE A LONG
TIME I REMEMBERED TARGET,
FORCED MYSELF TO GO TO
TARGET, FOCUSED THERE FOR
AWHILE AND THEN FORGOT
ABOUT TARGET AND WENT
TO WHEREVER I WAS BEFORE.
THIS PROCESS REPEATED 3 OR
4 TIMES, FINALLY ABLE TO
LOCATE AND LOCK ON TARGET.
VERY TIRED BY THIS TIME.
FRUSTRATED IN THAT I HAVE
WASTED PRIME VIEWING TIME
AT SOMEPLACE I CAN NOT
REMEMBER. OF PROBABLY ~~the~~

A ONE HOUR SESSION MAYBE
ONLY THE LAST 10 MINUTES
WERE SPENT ON ASSIGNED
TARGET. INFORMATION FOLLOWS:

INSIDE A LARGE STRUCTURE.
STRUCTURE HAS A SECOND FLOOR
(1ST FLOOR EUROPEAN) THIS FLOOR
IS NOT QUITE A LOFT OR A
SCAFFOLDING BUT IT IS NOT
QUITE A FLOOR EITHER (NFI).
THERE ARE SOME YOUNG MEN
(LATE 20S) ON THIS FLOOR.
ERDRECHLOSS HAS AN UNDER-
GROUND FEELING TO IT. HUGE
AND BARN LIKE, LIGHTS FROM
CEILING GROUPS OF MEN
WORKING. ONE TABLE OR
PIECE OF MACHINERY WHICH
HAS A SHAPING TOP THAT

LOOKS LIKE A DRAFTING TABLE.

ONE PART OF THIS FLOOR HAS
A LONG CLEAN PINKISH TUNNEL.

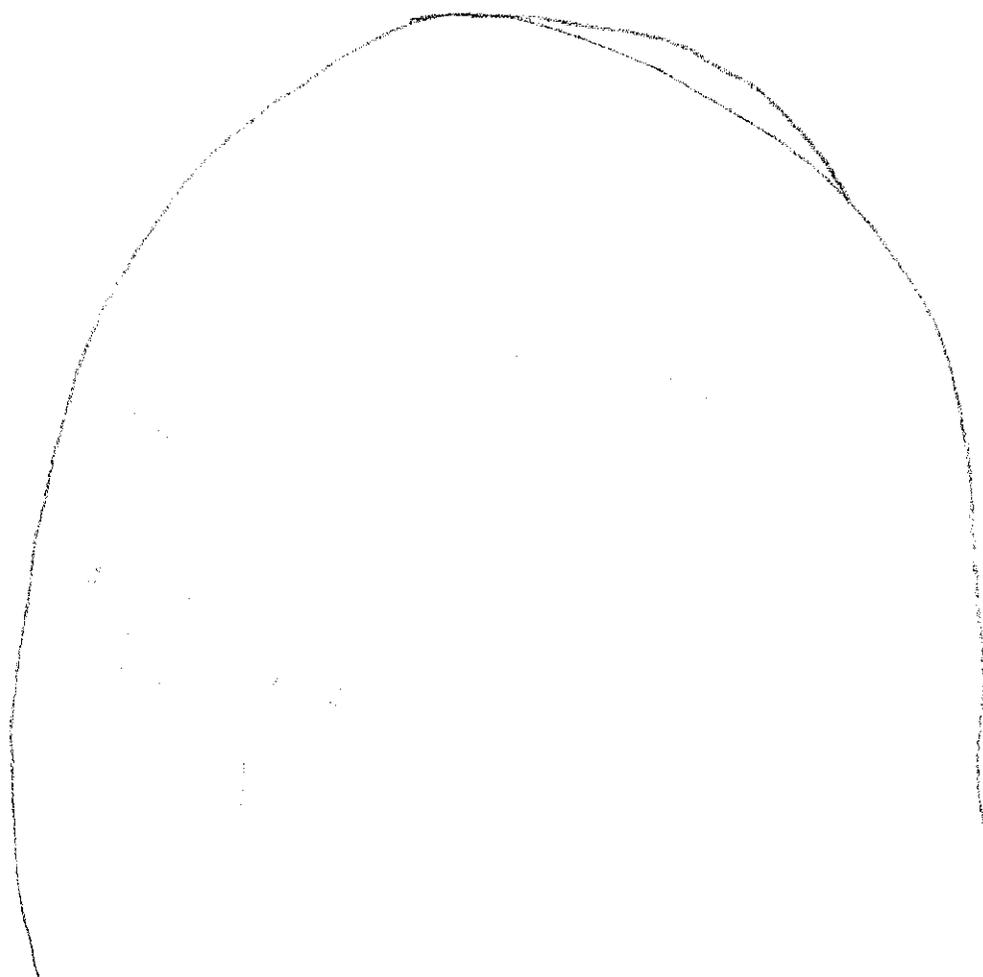

FOR SOME REASON IT IS LIKE
TUNNEL IS PAINTED ON A
LARGE SHEET OF CANVAS OR
A MURREL ON A WALL (NAI).

BACK IN MAIN AREA

I TRY TO DETERMINE WHAT
MEN ARE DOING. I DO NOT
PICK UP PRIMARY MISSIONS. TWO
SECONDARYS ONE HAVING
SOMETHING TO DO WITH
SUPPLIES AND ONE HAVING TO
DO WITH TRIANGULATION.

EARLIER I RECALL A
METAL CHEVATOR OR LIFT, LIKE
A PATER NOIRE LIFTING SOMETHING
UP. (I STILL HAVE ENVELOPE)

PINKISH
TUNNEL
