E. **SESSION SUMMARY:**

, The astronauts currently in space will ultimately have a safe landing however, they may be given different instructions on landing time or place due to weather conditions.

The new administration will want to focus on the U.S. economy however they may be forced to look at the situation in the Middle East. Huessin at this time may at least talk to Clinton. Huessin will be "friendlier" to Clinton than to Bush.

There will be some news about the environment or the ozone layer that will cause some worry. This issue will be looked at more closely and with great concern.

The state of Texas will be in the news. Something positive is happening here.
