SUBJ: ~~SG1~~ Monthly Activity Report (Nov. 93)

TO: [REDACTED]

(U) During the month of Nov., 93 I engaged in the following activities:

1. (C/NF) Participated in contract review activities with SAIC:

a. Discussed future contract status and direction;

b. [REDACTED]
SG1E

SG1B c. Formalized design for electronic intelligence database design.

[REDACTED]

3. (C) Attended a classified conference, sponsored by Los Alamos National Labs, on non-lethal warfare/technology at the Johns Hopkins Applied Physics Lab in Laurel, MD. to gain broad exposure to the non-lethal area and to make professional contacts in the field. Prepared conference report.

4. (C/NF) Recommended to Activity Chief that, in light of DIA's changing mission, reduced resources, and PAG-TA's uncertain future, that we seek to have our mission expanded to include those areas of non-lethal technology/warfare which can modify human behavior and psychological functioning (including psyops) and that my role as SIO be expanded to include primary responsibility for those areas. Drafted a revised mission statement integrating these areas into our current mission.

5. (S/NF) Met with [REDACTED] at his request SG1G
and briefed him on what we knew about [REDACTED] SG1B
