B. SESSION SUMMARY: (Below, or see summary and worksheets attached)

The session produced very little information, and fewer feelings of confidence in the perceptions I did get.

  1) Physically, the target person:
      is male .... _____
      is caucasian .... _____
      is slender....................................... _____
         with a slightly paunchy stomach............. _____
      has dark hair.................................... _____
      is wearing khakhi (tannish) colored clothes....... _____
        AOLS: jungle hunter
           military person
           outdoorsman of some other type

  2) Personally, the target person:
      is very friendly................................. _____
      is authoritative................................. _____
      is respected by others........................... _____
      is not always fair in dealing with others......... _____
      when stern, is very stern........................ _____
      when kind, is very kind.......................... _____
      is philanthropic................................. _____
      smiles a lot..................................... _____
      is very likeable, and well liked................. _____

is still "stand-offish" in close relationships....   _____

3) Additionally, the target person:
    is standing.......................................   _____
    appears to be carrying something..................   _____
    is outdoors.......................................   _____
    appears to be in the woods........................   _____
    is a business man.................................   _____
    appears to have lots of time for other pursuits...   _____
    has a position and mannerisms which make him
       stand out from those around him...............   _____
    is looked up to by others who follow his orders/
       lead..   _____

4) Other information gained:
    The person's location appears to be in dappled
       shade...   _____
    The temperature appears to be mild to warm........   _____

NOTE 1: The session was finally called, due to strong AOL drive
        that the target person either is, or is very much like
        Emilio Escobar.

NOTE 2: A Stage 7 of "My conscience is clear!" appears to have been
        either the result of or the cause of the AOL drive.
