B. SESSION SUMMARY: (Below, or see summary and worksheets attached)

The session produced very little information, and fewer feelings of
confidence in the perceptions I did get.

    1) Physically, the target person:
        is male .... _____
        is caucasian .... _____
        is slender.. _____
            with a slightly paunchy stomach............... _____
        has dark hair..................................... _____
        is wearing khakhi (tannish) colored clothes....... _____
            AOLS: jungle hunter
                  military person
                  outdoorsman of some other type

    2) Personally, the target person:
        is very friendly.................................. _____
        is authoritative.................................. _____
        is respected by others............................ _____
        is not always fair in dealing with others......... _____
        when stern, is very stern......................... _____
        when kind, is very kind........................... _____
        is philanthropic.................................. _____
        smiles a lot...................................... _____
        is very likeable, and well liked.................. _____

is still "stand-offish" in close relationships.... _____

3) Additionally, the target person:
    is standing.. _____
    appears to be carrying something................... _____
    is outdoors.. _____
    appears to be in the woods......................... _____
    is a business man.................................. _____
    appears to have lots of time for other pursuits... _____
    has a position and mannerisms which make him
       stand out from those around him................ _____
    is looked up to by others who follow his orders/
       lead... _____

4) Other information gained:
    The person's location appears to be in dappled
       shade.. _____
    The temperature appears to be mild to warm........ _____

NOTE 1: The session was finally called, due to strong AOL drive
        that the target person either is, or is very much like
        Emilio Escobar.

NOTE 2: A Stage 7 of "My conscience is clear!" appears to have been
        either the result of or the cause of the AOL drive.
