8 February 1961

MEMORANDUM FOR: Chief, Central Cover Group, Monofficial Cover

ATTENTION : Mr. Thomas K. Strange

SUBJECT : Cover Support for A&E Psychologists
Participating in SR/10 Recruitment Program

REFERENCE : Memo to C/CCG fr SR/10, Att. Mr. Thomas Strange,
Subject: Basic Proposal for A&E Assessment of
Potential REDSKIN Agent Candidates, dtd 2 Feb 61

1. A summary of A&E's participation in the SR/10 recruitment program was included in referenced memorandum. It is planned to carry out the assessment assignment as follows. An A&E assessment psychologist documented as a consultant of [redacted] will contact an unwitting candidate for the SR/10 REDSKIN program by telephone or correspondence. The candidate will be informed that the consultant is acting on behalf of confidential clients in the industry, education and government who have a variety of assignments overseas of varying duration and degrees of permanence. If the individual indicates availability the assessment psychologist will contact him in person and carry out an interview and whatever further assessment is possible under the cover.

2. Dr. Kenneth Bradt will be the psychologist on the A&E Staff who will make the first assessments under this cover. He entered-on-duty with this Organization on 13 December 1954 and is at present a GS-13. In addition to his Agency duties he is a psychological consultant for the Applied Psychological Corporation, Arlington, Virginia. Dr. Bradt has been an overt member of the Agency during his entire career, with one exception: during December 1960 and January 1961 he was on a WH/4 project, the cover for which was provided by the operating division.

3. It is requested that the appropriate documentation be provided for Dr. Bradt and that the necessary steps be taken to protect his employment with the Agency.

4. Although Dr. Bradt is the only member of the A&E Staff who is to participate in this project, at this time it is anticipated that one
