BACKGROUND:

Subject is a 40-year-old PBRUMEN male who has been of continuing WOFIRM interest since initial contact with JMWAVE and more recently with the [ ] Station as a penetration of the IDEN B organization.

PURPOSE/PROCEDURE:

Subject was SGSWIRLed at the request of the [ ] Station because of several issues which tended to question Subject's bona fides, possible affiliation with PBRUMEN intelligence through relatives, unreported association with gangster elements, thefts from WOFIRM, plus other items specified in questions listed below. The interview was conducted in the home of Oscar C. KALBING in both English and Spanish. (Subject's English is quite good, however, during actual testing Spanish was used to avoid ambiguity or misunderstanding of the question content.) KALBING did the translating.

RESULTS:

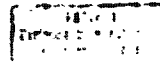

Subject remains sensitive to one question which is related to his past dealings with IDEN C but in fairness to Subject this sensitivity is believed generated by genuine uncertainty over the amount of items which he had been instrumental in getting for IDEN C. Sensitivity initially recorded in other areas was resolved through post-test discussion and responses to all other questions are regarded as substantially truthful. Subject was most cooperative and candid throughout the entire interview.

DETAILS:

Because of the numerous issues which were believed in need of clarification, a three phase test was structured prior to the interview and rehearsed with Subject completely before any testing took place. Discussions, as noted, were in both English and Spanish. Specific questions asked of Subject and answers given by him are as follows:

IRD #72501

Have you used any name besides IDEN A? Answer: No, except for nicknames and aliases used with WOFIRM.

Have you ever travelled to Washington, D. C.? Answer: Yes. Once several years ago.

Have you ever been to the Soviet Union? Answer: No.

Are any of your relatives members of the Communist Party?

After some discussion Subject felt it probable that they were. Those specifically mentioned were his two brothers IDEN D and IDEN E and also possibly a sister named IDEN F who is also in PBRUMEN and married to a Captain in the Militia. When the question was prefaced with the words: "Is it your belief that any of your relatives are members," Subject's answer was always yes. He based this belief on the fact that both brothers hold highly responsible positions in key industries in PBRUMEN and hence must be members. He also noted that prior to his leaving PBRUMEN, he (Subject) and his two brothers had many discussions about politics and their views differed from Subject's. As for his brother IDEN E, Subject regarded him as the "brain" in the family and originally a very religious person who attended Catholic services daily. He later evinced distrust for the clergy in PBRUMEN and blamed them for the downfall of the church. When Castro made his move, IDEN E was in complete sympathy with him and remained with him despite his apparent conversion to Communism, although IDEN E never acknowledged that he had been a Communist and would usually retort with a comment that he (IDEN E) was a "humanist."

Are any of your relatives working for PBRUMEN Intelligence?

His answer was that he felt that at least one of them was according to what KALBING inferred during his discussion with Subject the day before the SCSWIRL test. This was his brother IDEN D, but he also wondered about his brother IDEN E who might also be with PBRUMEN intelligence because according to what his mother mentioned in a letter some time ago, IDEN E had been in the USSR receiving training of some sort. This training lasted for a full year and occurred in 1962 to the best of Subject's memory. Subject was reasonably sure of this date because of the "Missile crisis" and President Kennedy's death which occurred later.

SECRET

Page 3  
IRD #72501

After this discussion the question read: "Is it probable that your relatives (brothers) are working for PBRUMEN intelligence? Answer: Yes."

Did you know your brother (IDEN D) was working with IDEN G before we told you? Answer: No. But again had some suspicions.

Besides the letters we asked you to send to your brothers have you communicated with anyone in PBRUMEN? Answer: Yes. His mother about two or three times a year and with an aunt named IDEN H which was the person to whom he actually addressed the letter to his brother which WOFIRM asked him to write. This letter incidentally was posted in 1967 (a few months before coming to [redacted] and not 1966 as noted in Station files. Since arrival in [redacted] Subject has written his mother only once and had the letter posted from Miami to prevent anyone knowing his exact whereabouts. (In addition to these contacts, Subject has sent one telegram to his mother soon after the IDEN I just to let her know he was alright.) It was about this time that IDEN E wrote to him and criticized his participation in IDEN I.

Have you seen either of your brothers since 1961? Subject answered no. Last saw IDEN E at the airport in the distance but there were employees from IDEN E's place of employment present and IDEN E was apparently reluctant to go near the plane. Since 1961 Subject has not seen any member of his family and as time goes on does not miss them as much. The persons he claims to have been closest to were his aunt and grandmother and addresses comments to them personally when he does write to his mother. When further discussing his brothers on this question, Subject was somewhat complimentary despite their differing political views and generally considered them as hard-working energetic types with good school records.

Do you have a secret means of contacting anyone in PBRUMEN? Claims he knows of friends who have used telegrams to transmit coded messages but he has never engaged in such activity. These messages were directed against the PBRUMEN.

SECRET

SECRET

Page 4  
IRD #72501

Have you ever been in Communist China? Answer: No.

Have you ever worked for the intelligence service of any country besides IDEN J and LNIARP? Answer: No.

Have you ever received intelligence training in PBRUMEN? Answer: No.

Have you ever been a member of any Communist guerrilla group? Answer: No. Later explained sensitivity to the question as emanating from current work with two former Communist guerrillas named IDEN K and IDEN L both of whom are now with IDEN B.

Have you told anyone in PBRUMEN that you are working with WOFIRM? Answer: No. This question led to a discussion of broadcasts from PBRUMEN which identified Subject as a member of WOFIRM. These broadcasts occurred in October 1967 according to Subject and the man flinging him was IDEN M. The latter was not officially in Subject's WOFIRM group before his capture in PBRUMEN hence Subject does not know why it was that he was specifically named. When it was later suggested that this announcement would probably have some effect on his family, Subject said he just didn't know what effect it would have and has heard of none. He agreed that it was quite ironic that one side of the family was working with an intelligence service which was diametrically opposed to the side to which another member of the same family was affiliated and in fact because of his present IDEN B employment he was actually in the business of hunting them down. Subject agreed that it was indeed ironic but felt his convictions differed from his brothers' and that was that.

Have you told anyone in IDEN N that you are working for WOFIRM? Noted that some knew of his past affiliation hence the question was qualified to mean his present affiliation. Later after reactions were recorded, Subject noted that his wife is fully witting of his WOFIRM employment as is IDEN O. He also mentioned that a PBRUMEN type, IDEN P, whom he knows from childhood has been kidding him constantly in

SECRET

that he is still with WOFIRM until Subject finally told him in an offhand way, "Sure I'm with WOFIRM," but he does not know what effect this had on IDEN P or whether he has told anyone of his suspicions of Subject's WOFIRM involvement. He specifically denied that anyone other than these three persons were knowledgeable.

Does anyone in IDEN B know you have this meeting with us today?  
Answer: No.

Have you ever been asked to perform any task or mission against the LNHARP? Answer: No.

Have you ever performed any task or mission on behalf of IDEN G?  
Answer: No.

Has anyone told or instructed you on what to report to us? Answer:  
No.

Have you had contact with IDEN C since 1967? Answer: No. Continued reactions to this question which necessitated a break-down test to isolate the reason for his sensitivity to the topic. He repeatedly denied that he had had any contact with IDEN C since the IDEN Q told him not to but acknowledged a physical revulsion to the mention of the man's name, and a long discussion ensued regarding the extent of Subject's involvement with the man. Subject contended that the contact began quite innocently in 1965 and was what Subject initially thought was a deliberate provocation to see what Subject's reaction would be. Subject immediately reported the contact to JMWAVE handlers who guided him through continued contacts and instructions from IDEN Q. Subject was instructed to sell IDEN C "silencers" (guns with silencers attached--about six or seven to the best of his recollection) in order to find out his true identity. Subject furnished physical descriptions and license numbers to JMWAVE and continued to report on contact with IDEN C. He offered Subject \$500 US which JMWAVE told Subject to keep since it was merely a bonus given him for his work as an intermediary. IDEN C continued to force contact with Subject and once came to his home in shorts and made veiled threats which were answered with counter threats of violence from Subject, and an outright threat that Subject would kill IDEN C if he threatened

SECRET

SECRET

Page 6  
IRD #72501

him again. In 1967 while with the IDEN R, Subject gave IDEN C some 'pencils' to keep him away which Subject did not then report to WOFIRM but later did. He gave him about 120 altogether. Subject had promised IDEN C some 500 pounds of C/4 explosives, M-2's, sub-machine guns, etc. but all was intended to bait IDEN C for arrest and none was ever supplied to him. Later Subject noted after reacting to a break-down question that he had supplied him with pencils, silencers, and also some grenades and pentolite. But these he claims should be a matter of record with JMWAVE. The grenades were typical military type and numbered about 24 to 48 altogether. Again, however, Subject noted that he acted only as intermediary between IDEN C and another individual who is now deceased in PBRUMEN and did not physically handle any munitions shipments. As noted above, continued sensitivity to the question of the amounts or types of equipment furnished IDEN C is believed attributable to uncertainty of Subject's part as to exactly what he did arrange for shipment to IDEN C. As to the basic question about contact with him since 1967 (or when he was told by IDEN Q to no longer have contact with IDEN C), Subject insisted that he never re-established contact of any kind but always checks at IDEN S to determine if IDEN C is around.

Do you now have in your possession any arms, munitions or articles of demolition which was once the property of the LNHARP? Only those items which were discussed during a pre-test debriefing, viz., items brought to Caracas by him in a suitcase and consisting of the following: 3 or 4 smoke grenades; 6 or 7 booby traps (army type); 1 piece of delay fuse about 100 feet long; one primer cord about 100 feet; 2 or 3 MK2 grenades; about 10 pencils (some regular open market supply items and some of the "company" variety); demolition pliers; knife; compass; metascope (infra-viewer worth about \$50 used). These items he said were taken while with the IDEN R and with the knowledge of IDEN T although IDEN T did not know exactly what he had taken. Subject was using these items frequently in training courses and they were not to the best of Subject's knowledge the property of LNHARP at that time although it is possible that some of these items were at one time LNHARP and possibly WOFIRM items. But he explained further that these items are plentiful in the Miami area and can

SECRET

SECRET

Page 7  
IRD #72501

easily be obtained through gun dealers. During a later conversation Subject noted that he has heard of many places where munitions could be obtained very easily especially in New Jersey, in California and in Miami, but he denied being personally involved in any such dealings.

Have you ever stolen equipment of any type from WOFIRM? Answer: Yes. About 5 gallons of gas once from a launch boat. Other than this, nothing.

Do you know the identities of persons who stole arms and equipment from LNHARP? Answer: No.

**Break-down questions dealing with IDEN C:**

Did you have contact with IDEN C from 1965 through 1967? Answer: Yes.

During this time did he give you \$500 for equipment which he wanted? Answer: Yes.

Did you receive more than \$500 from him? Answer: No.

Is it correct that you received threats from him? Answer: Yes.

Besides the pencils, silencers, grenades and pentolite did you give him any other items? Answer: No. (as noted continued sensitivity which is unexplained except in the examiner's conclusion)

Did IDEN Q tell you to stop contacting him in October or November 1967? Answer: Yes.

Did you contact IDEN C after November 1967? Answer: No. (Slight sensitivity but explained as relating to constant checking on his whereabouts to avoid contact.)

Has your employer contacted him since November 1967? Answer: No, not to his knowledge. On this question Subject noted that his employer can easily obtain guns and supplies from European

SECRET

SECRET

Page 8  
IRD #72501

sources cheaper than LNHARP. Also Subject noted that the few guns (small calibre snub nose weapons) which he has brought to Caracas with him from Miami are merely for the personal use of some of his fellow employees in IDEN B, and he breaks no laws in bringing them with him on the few trips he has made between 1967 and the present. He feels he has perhaps brought a total of 6 such small sidearms to Caracas and also one sport rifle (AR-15) which he was asked to bring back by IDEN U. The rifle was a gift to IDEN U. The weapon was not automatic per Subject.

The only other items which Subject could think of which could link WOFIRM with his organization are the silencers which he reported on in Miami some months back which his organization took from captured guerrillas and which were probably issued to a group which went to PBRUMEN and were lost. Subject is positive they were WOFIRM issue but purportedly the serial numbers which he submitted could not be checked.

One additional item which was cleared up dealt with the pentolite which had been reported seen in [redacted] Subject voluntarily mentioned that he had seen such a supply under the bed of a friend. The supply was attached to magnets which were to be used to attach the charge to the underside of a ship in Caribbean waters of IDEN V or IDEN W nationality. The charge was to discourage further shipments between these latter IDENs and PBRUMEN. Subject said he detached the magnets from the pentolite and intended using it in training classes for students with his present employer. The person who brought it to [redacted] was IDEN X. Subject does not know how he got it here, but knows that his employer could facilitate such deliveries.

Dear friend [redacted]

This is the third letter that I am sending you. Since I am sending this letter by messenger, I can explain more.

The Government here assisted a group of Cubans called the Brigade. The Department of Defense (Army) provided this assistance without consulting the Ministry of the Interior. When the Minister of the Interior found out, he demanded an explanation from the military men and they stopped the assistance.

There are strong possibilities that a plan will be developed for Cuba, which will involve the Ministry of Defense and the Ministry of the Interior and which will be assigned to a group of serious persons. I believe it is highly important that I go to Miami urgently or that some of you come here. This is urgent.

If you want me to go, send my fare to this address:

He is accused of being too severe with the Communists. Send a telegram as soon as possible, expressing solidarity with his attitude, in the name of the Cubans in EECE. If possible, mention me in the telegram.

1. Forwarded herewith are copies of seven folders which comprise the notes taken by [redacted] at a guerrilla course he attended in Cuba from December 1966 through October 1967. Copies of these notes were received from [redacted] agent of CIRASH, ANCLEVE-15.

2. The course was particularly heavy on explosives, with the first three volumes being devoted to it exclusively. Volumes 4 and 6 are also mostly on explosives, with the first part of each being on photography and Marxism, respectively. Volumes 5 and 7 deal with such subjects as tradecraft, infiltration-exfiltration operations, security, safehouses, recruitments, sabotage operations, etc.

3. No copies of the attachments are being sent to JMWAVE; we defer to Headquarters as to whether it would be worthwhile to reprint some of the courses for distribution to JMWAVE or others.

SUBJECT

ANCLEVE-15

ACTION REQUIRED BY RECIPIENT

REFERENCES: A. [redacted]-14975  
B. [redacted]-15159

1. CIRASH-15 reported that ANCLEVE-15, shortly after the latter's return from Miami on 30 January 1968, asked CIRASH-15 if he could obtain curare poison for "approximately forty hypodermic needles." ANCLEVE-15 said that the request had been made by [redacted] who was still in Miami at that time. [redacted] returned to [redacted] during the second week of February, and on 15 February he personally contacted CIRASH-15 and reiterated the request. CIRASH-15 has so far been unable to determine for what purpose CIA wants the curare.

2. We have not heard anything about this from ANCLEVE-15 and will not ask him in order not to expose CIRASH-15. This is possibly another one of the goon squad activities tentatively planned for [redacted] mentioned in Reference A, but more likely it has to do with some wild Cuban exile scheme in Miami, since ANCLEVE-15 told CIRASH-15 when [redacted] was still in Miami that [redacted] wanted the curare shipped to him there via a [redacted] pilot.

3. As was stated in Reference B, we do not approve of these activities and would like to discuss them with ANCLEVE-15, pointing out that they could jeopardize his employment here with CIRASH-15, but our present relationship with ANCLEVE-15 precludes such discussions. Meanwhile, the case officer will wear his special armored shirt to all meetings with ANCLEVE-15.

1. AMCLEVE-15 was contacted by [redacted] again on 2 February 1968. AMCLEVE-15 is willing to provide the Station with any information that comes his way in CIRASH, and the Station has agreed to pay him \$1000 per month for such information.

2. We will, of course, handle AMCLEVE-15 as a "hostile", as requested in Reference A, although we do not share Headquarters' alarm concerning AMCLEVE-15's possible engagement in harassment of communists. This is not the type of activity that we would choose for AMCLEVE-15, of course; and, as stated in Reference C, we had intended to advise him to stay clear of it in order not to jeopardize his position with CIRASH-4. We will not discuss this with him now, however, and risk exposing the source, CIRASH-15, to a "hostile". While we would hope, if we did talk to AMCLEVE-15 about these activities and asked him to desist, that he would comply, we would not be overly surprised if he did not. We are only fooling ourselves if we think that agents, whom we like to consider we "control", are telling us everything they do.

3. At the risk of belaboring the point, it is precisely because he is the kind of person that he is that AMCLEVE-15 is able to become the trusted confidant of people like CIRASH-4, CIRASH-6, [redacted] all of whom may be considered somewhat unsavory characters but who, whether or not we like it, run an important part of the security system in Venezuela. And it is precisely because of AMCLEVE-15's position as such a trusted confidant that we are interested in him.

4. We will attempt to ascertain AMCLEVE-15's motives, as requested in Reference A, but this task will be considerably hampered by our need to handle him as a "hostile", which will preclude the use of some of the basic tools of investigation, such as the SGS:IRL and the levying of requirements.

5. We are attaching copies of some of the reports that MCLEVE-15 passed at his first meeting with a Station case officer on 22 January 1968. At the second meeting he said he would try to obtain for us copies of the interrogation of [redacted] of CIGLOSE fame, and the report from the CIVISTA agent who recently returned from Cuba (see [redacted] 3121 and [redacted] 8318). MCLEVE-15 is only now really getting deeply into his work with CIRASH, having just settled his family into an apartment on 1 February 1968, and he expects to be able to furnish a great deal more in the near future. In spite of the problems inherent in some of MCLEVE-15's friendships and peripheral activities, we are hopeful that this is going to be a productive and valuable operation for the [redacted] Station.

NOTES

1. In a Spanish questionnaire of Personal Information made out in 1961, Subject listed his brother [ ] as an administrator of the Marianao Electric Company as a relative in some government service. He did not list his brother [ ] in this section, although he did list [ ] in Para 16.  
Subject: Brothers and Sisters.

2. In another signed but undated Spanish Personnel Information form of apparently 1965, he again listed both his brothers in Section M, Subject: Brothers and Sisters, and in Section N he again listed his brother [ ] who he stated he believed to be working for the Cuban government as an engineer. He again failed to list his brother [ ]

3. Concerning his PRQ Part I filled out in March 1965, again no mention of his brother [ ] appears in Section XIV, Subject: Relatives, Acquaintances and Contacts in any Government Service.

4. According to [ ] own admission in an LC Flutter of 14 April 1965, he had been involved in planning for a Guatemalan coup headed by [ ] This matter later came to the attention of the FBI. There is an FBI report dated 17 May 1965 in the 201. AMCLEVE-15 also furnished information on this Guatemalan coup for JMWAVE, who disseminated this information in July 1965.

5. AMCLEVE-15 informed JMWAVE concerning other independent exile operations into Cuba in July of 1965.

6. His PRQ Part II, Section XI, dated September 1965, says that "Subject is of good character, very reliable and security

conscious. Subject demonstrated good security techniques while reporting on the activities" of [redacted] concerning the attempted coup against Guatemala.

7. An FBI report of 30 September 1965 outlines the contacts that had been made by some Americans seeking to purchase pistols, blasting caps, hand grenades and silencers. This is the first indication in the 201 that Subject was involved with Frank Lang "Lefty" Rosenthal, Miami, who had the reputation of gambler and hoodlum associated with other hoodlums and jewel thieves in the Miami area.

8. In a report filled out by Subject on 21 April 1966 to update his employee file, Subject again reported his brother [redacted] in government service but failed again to report brother [redacted]

9. A JMWAVE memo WTR-1299, 21 July 1966, explains a request from AMCLEVE-15 to resign from his job as an instructor in the maritime training section to accept a job on the Junta being set up at that time to govern the activities of RECE, COMMANDOS L, 30 NOVEMBER MOVEMENT and the 2506 BRIGADE. An FBI report of 29 July 1966 and another for 1 August 1966 both commented that Subject had been approved by the exile groups to accept the position of military leader of the newly formed alliance.

10. On 1 August 1966 AMCLEVE-15 was transferred from the Training branch to the CI branch of JMWAVE. He <sup>was to</sup> ~~was~~ be used to report on the activities of the central Junta.

11. The first mention of Subject's brother [ ] in the 201 is JMWAVE internal memo WCI-1501, dated 21 September 1966. In this memo Subject described his telephone call from his family in Cuba. Subject stated that his mother told him that his brother [ ] was in [ ] on a purchasing mission for the GOC and that some time soon his brother [ ] would travel to [ ]. Subject's mother expected [ ] to be out of Cuba for two months. He stated that he last knew his brother to be employed for the Cuban Telephone Company in Havana and in Cienfuegos, Las Villas Province. He said that he last saw his brother [ ] in April 1961. This is at variance with info in the 1961 Questionnaire which stated he came to the U.S. as a political exile 28 February 1961.

12. A. JMWAVE 3182 (IN 01749), 23 September 1966, stated that [ ] 8990 (IN 85265) reported that [ ] arrived in [ ] from Havana 26 August 1966.

B. Only other station traces on [ ] *is are in* UFGA-20828 (transmittal of [ ] PRQ Part 1) which passed information provided by Subject.

C. AMOT files show [ ] in charge of telephone center at [ ] according to a telephone company bulletin of June 1964.

D. AMOT-214 in October 1964 reported [ ] had been an employee for the Telephone Company.

13. [ ] 6140 (IN 16675) 13 October 1966, stated [ ] arrived from [ ] 27 August 1966. Landing card indicated [ ] Lasvillas, Cuba. Carries passport [ ] issued [ ] [ ] said would stay in [ ] for one or two months doing business with commercial mission.

14. A Memorandum for the Record, 26 June 1967, by [ ] [ ] General Counsel, Subject: [ ] [ ] reported FBI information concerning one "Lefty" Rosenthal and concerning U.S. citizen [ ] Through [ ] Rosenthal was put in touch with Subject. Rosenthal understood that Subject was attached with CIA and claimed that Subject supplied him with caps, primers, and <sup>c</sup>c-4 explosives. Rosenthal was reported to have asked Subject to supply more explosives and associated materials. The Justice Department sent to the Agency a report from the security section of the FBI which stated that [ ] was a CIA agent.

15. According to index cards, [ ] has a long history of gambling, illegal arms dealing and other shady dealing in the U.S., Cuba, and Mexico. Card dated July 1961.

16. Note for the Record: Subject: Telephone Conversation - [ ] 1015 hours, 28 June 1967. This records information about Subject and Rosenthal not otherwise a matter of record in the 201.

17. Memorandum for the Record, 28 June 1967, by [ ] [ ] Assistant General Counsel, also covers information on Subject and Rosenthal not otherwise mentioned in 201

18. Cable DIRECTOR-15805, 29 June 1967, requested replies to series of questions concerning AMCLEVE-15's activity with ROSENTHAL and FBI. JMWAVE replied in JMWAVE-7953 (IN 02284), 30 June 1967. JMWAVE stated that AMCLEVE-15 had failed to report the October 1966 transactions with Rosenthal until 9 June 1967, and therefore the Miami FBI was not notified until 15 June 1967. JMWAVE stated that AMCLEVE-15's explanation for not reporting the October 1966 transaction was that he "just forgot."

18 19. Cable DIR 15805, 29 June 1967, requested replies to series of questions concerning AMCLEVE-15's activity with ROSENTHAL and FBI. JMWAVE replied in JMWAVE-7953 IN 02284, 30 June 1967. JMWAVE stated that AMCLEVE-15 had failed to report the October 1966 transaction with Rosenthal until 9 June 1967 and therefore the Miami FBI was not notified until 15 June 1967. JMWAVE stated that AMCLEVE-15's explanation for not reporting the October 1966 transaction was that he "just forgot."

19. In UFGA-28079, dated 31 July 1967, it stated that AMCLEVE-15 planned to seek employment in [redacted] through an old friend who resides there. This information may have been given to JMWAVE in either <sup>an</sup> 11 July 1967 meeting or <sup>during</sup> ~~on~~ a 21 <sup>July</sup> ~~June~~ 1967 meeting. DIR-24039 states that KICOBALT-1 reported that he met [redacted] in Miami the week before. [redacted] had informed KICOBALT-1 that [redacted] had ~~approached him~~ <sup>been</sup> approached by the Bolivian consul in Miami offering [redacted] services as interpreter/ guerrilla fighter in Bolivia. [redacted] said that a reply had come back from KICHEER-1 saying KICHEER-1 approved the salary of \$800 per month and that the Miami Bolivian Consul was authorized a \$500 advance to [redacted] left the impression with KICOBALT-1 that [redacted] departing for La Paz soon. Cable stated: [redacted] is unsavory character who is messed up in shady deals in Miami. KICOBALT-1 and KICOBALT-2 were depressed at the thought of [redacted] being in Bolivia. DIRECTOR-24439, <sup>1</sup> August 1967, requested cable content of memorandum KICOBALT submitted to JMWAVE and all other material related to [redacted] Bolivian job.

*Check*  
*P. 5* (21) JMWAVE-8577 IN 24285, 2 August 1967 stated that while AMCLEVE-15 is not a paragon of virtue, he cannot be classified as an unsavory character. His involvement in shady deals in the

past 2 years results "almost entirely from Stations (and eventually) (BI) encouragement. He followed directions and reported fairly well."

20. JMWAVE-8569 IN 242899A, 2 August 1967, summarized KICOBALT-1's report. KICOBALT-1 met AMCLEVE-15 on 28 July. AMCLEVE-15 said he was going to Bolivia to help train a special unit in guerrilla warfare. KICOBALT-1 confirmed that AMCLEVE-15 was in touch with the Bolivian consul in Miami and the [redacted] [redacted] to whom AMCLEVE-15 had made the offer to organize the group of Cuban guerrilla training officers. JMWAVE felt that either AMCLEVE-15 <sup>somehow</sup> came up with the idea on his own or some leak occurred during initial contacts on this program <sup>etc.</sup> Since this was in conflict with statement AMCLEVE-15 made to JMWAVE that AMCLEVE-15 was seeking employment in [redacted]

NOTES

1. In a Spanish questionnaire of Personal Information, <sup>made out in</sup> 1961, Subject listed his brother [redacted] as an administrator of the Mariñao Electric Company as a relative in some government service. He did not list his brother [redacted] in this section, although he did list Roberto in Para 16, <sup>subject:</sup> Brothers and Sisters.

2. In another signed but undated Spanish Personnel Information form of apparently 1965, he <sup>again</sup> listed both his brothers in Section M, <sup>with</sup> Brothers and Sisters, and in Section N, he again listed <sup>subject:</sup> his brother [redacted] who he stated he believed to be working for the Cuban government as an engineer. He again failed to list his brother [redacted]

3. Concerning his PRQ Part I filled out in March 1965, <sup>again</sup> <sup>no</sup> mention ~~was made of~~ his brother [redacted] appears in ~~this~~ section XIV, <sup>subject: Relatives, Acquaintances and Contacts in any government service.</sup>

4. According to [redacted] own admission in a <sup>LC flutter report</sup> of <sup>14</sup> April 1965, he had been involved in planning for a <sup>Guatemalan</sup> coup headed by [redacted] <sup>Guatemalan</sup> This matter later came to the attention of the FBI. There is an FBI <sup>report dated</sup> 17 May 1965 in the 201. AMCLEVE-15 also furnished information on this <sup>Guatemalan</sup> coup for JMWAVE, who disseminated this information in July 1965.

5. AMCLEVE-15 informed JMWAVE concerning other independent emile operations into Cuba in July of 1965.

6. His PRQ Part II, <sup>section XI,</sup> dated September 1965, says that "Subject is of good character, very reliable and security conscious."

Subject demonstrated good security techniques while reporting on the activities of [redacted] concerning the attempted coup against

~~Guatemala~~ <sup>Guatemala</sup> <sup>B</sup> An FNI report of 30 September 1965 outlines the contacts

that had been made by some Americans seeking to purchase pistols, blasting caps, hand grenades and silencers. This is the first indication in the 201 that Subject was involved with Frank <sup>LANG</sup> ~~Lang~~ <sup>LEFTY</sup> Rosenthal, Miami, who had the reputation of gambler and hoodlum associated with other hoodlums and jewel thieves in the Miami area.

8. In a report <sup>filled</sup> ~~sent~~ out by Subject on 21 April 1966 to update his employee file, Subject again reported his brother [redacted] in government service but failed again to report [redacted]

9. A <sup>WAVE</sup> JMGACW memo WTR-1299, 21 July 1966 explains a request from AMCLEVE-15 to resign from his job as an instructor in the <sup>Maritime</sup> ~~military~~ training section to accept a job on the Junta being set up ~~at~~ at that time to govern the activities of <sup>RECE, COMMANDOS L,</sup> ~~Rece-Comandos-L,~~ 30 November <sup>cap</sup> ~~Government~~ <sup>MOVEMENT</sup> (cap) and the 2506 Brigade. A <sup>WAVE</sup> FBI report of 29 July 1966 and another for 1 August 1966 both commented that Subject had been approved <sup>by the exiles groups</sup> to accept the position of military leader of the newly formed alliance.

10. On 1 August 1966 AMCLEVE-15 was transferred from the ~~training~~ training branch to the CI branch of <sup>WAVE</sup> ~~JMGACW~~. He will be used to report on the activities of the central Junta.

11. The first mention of Subject's brother [redacted] in the 201 is <sup>WAVE</sup> ~~JMGAVE~~ internal memo WCI-1501, dated 21 September 1966. In this memo Subject described his telephone call from his family in Cuba. Subject stated that his mother told him that his brother [redacted] was in [redacted] on a purchasing mission for the GOC and that some time soon his brother [redacted] would travel to [redacted] Subject's mother expected [redacted] to be out of Cuba for two months. He stated that he last knew his brother to be employed for the Cuban telephone

Company in Havana and in Cienfuegos Las Villas Province. *he said that he last saw his brother [redacted] in April 1961. This is at variance with [redacted] info of 1961 investigation which stated he [redacted] to the US as a political exile 25 Feb 1961.*

12. A. JMWAVE 318. IN 1749, 23 September 1966 stated that

[redacted]-8990 (IN 85265) reported that [redacted] arrived in [redacted] from Havana 26 August 1966. Only other station traces on [redacted] is (Transmittal of Luis POSADA PGR Part 1) UFGAJ20828, which passed information provided by Subject.

19. C. AMOT files show [redacted] in charge of telephone center at [redacted] according to telephone company bulletin of June 1964. D. AMOT-214 in Oct 64 reported [redacted] had been an employee of the Telephone Company of Cuba since 1952.

14. A. A memo for the record, 26 June 67 by [redacted] General Counsel, Subject [redacted] reported

FBI information concerning one "Lefty" Rosenthal and concerned U.S. citizen [redacted] Through Rothman, Rosenthal was put in touch with Subject. Rosenthal understood that Subject was attached with CIA and claimed that Subject supplied him with caps, primers, and C-4 explosives. Rosenthal was reported to have asked Subject to supply more explosives and associated materials. The Department of Justice sent to the Agency a report from the security section of the FBI which stated that [redacted] was a CIA agent. According to index cards, [redacted] has a long history of gambling, illegal arms dealing and other shady dealing in the U.S., Canada/Cuba and Mexico. Card dated July 1961.

16. Note in the Record: No further record Subject's telephone conversation - Williamson/Henze 10/15/67; Wilson/Henze 10-15-28 June 1967. This records information about Subject and Rosenthal not otherwise a matter of record in the 201.

(17) Memorandum For the Record, 28 June 1967 by [redacted] Assistant General Counsel, also covers information on Subject and Rosenthal not otherwise mentioned in 201.

1. The Station desires to explain its viewpoint on AMCLEVE-15 clearly because of what could conceivably be construed to be a tone of impatience in the first line of Reference A. First of all, why do we want to hire AMCLEVE-15? Our objective is to use him as a unilateral penetration of [redacted] which controls that organization. Specifically, we would like to penetrate the inner circle surrounding IDENTITY and CIRASH-4. The recent provocation (reported in reference C) which we believe was run by IDENTITY is a clear indication of the need for this type of penetration over and above the normal need for penetration of security services.

2. What we are not trying to do is to make a CIGOA-1 or ANOT-260 out of AMCLEVE-15; that is, put him on the payroll as an advisor to CIRASH-4. We want to be very clear on this point, since this may be the cause of Headquarters' concern. His role will not be advisory. AMCLEVE-15 is to be used to obtain counterintelligence information to protect the Station and its operations and to get for us that portion of the intelligence available in CIRASH which is not made available to the Station via the liaison channel.

3. From the information available to us, AMCLEVE-15 seems to present an almost golden opportunity to [redacted] Station: i.e., a cleared WOFIRM agent (who although terminated still reports to WOFIRM when in the JMWAVE area), who is a well-placed [redacted] chief of CIRASH and the chief of the special investigative unit within [redacted] which may have monitoring of WOFIRM activities as one of its objectives. We say "seems to present" because, although we have confirmation from CIRASH-15 that AMCLEVE-15 does in fact hold the position described above, we are of an open mind regarding the practicability of his use and we are completely willing to accept any information that would militate against his secure and fruitful employment.

<p>4. We have chosen to send this communication by dispatch, rather than by cable along with reference B, because we do not want to give wide dissemination to what might be interpreted as a difference of opinion between the Station and its Headquarters Desk. We do feel, however, Headquarters opposition to the use of ANGLEVE-15 has been consistent since his case was first brought to our attention. We assume that Headquarters and JMWAVE have some data concerning ANGLEVE-15 which we have not yet received and which results in Headquarters' view of his use. If this is the case, we hope that it will be forwarded soon so that we can drop the matter. If on the other hand, Headquarters objects to the concept of the operation, we would like to develop a cordial exchange of views to see if these divergent views can be reconciled.</p> <div data-bbox="908 470 1362 599" style="border: 1px solid black; width: 266px; height: 60px; margin: 10px auto;"></div>

Forwarded under separate cover is a report submitted by CIRASH-15 concerning the organization of Identity of Reference A's office. On 23 November 1967 a meeting was held in Identity of Reference A's office with members of the [redacted] who were to work for Identity of Reference A in the special investigative unit he is establishing. Identity of Reference A announced that the director of the [redacted] had refused to let his men work in Identity of Reference A's organization, although the request for their services had come from CIGIBD-1. The men were given until the end of November to decide whether or not they would quit the [redacted] to begin work for Identity of Reference A. (We have not yet heard of their decisions).</p> <p>2. A new member of Identity of Reference A's office who was present at the meeting was ANCLEVE-15. It was CIRASH-15's opinion that ANCLEVE-15 had been brought to [redacted] with the help of [redacted], an old friend of CIRASH-4. After the meeting CIRASH-15, ANCLEVE-15 and Identity of Reference A went to [redacted] house where [redacted] showed them some explosives which were to have been used in blowing up an unidentified ship. (The explosives were not used as the operation was cancelled). ANCLEVE-15 showed the group some explosive devices which he had smuggled in from Miami. ANCLEVE-15 said that he was able to smuggle anything into the country because CIRASH-4 would send a CIRASH official car to pick him up at customs.</p> <p>Attachment: As Indicated, u/s/o</p> <p>Distribution: 3, Chief, WHD, w/att, u/a/s 1, COS, JMWAVE</p>

3. ANCLEVE-15 and [ ] asked CIRASH-15 to join them in an anti-Communist group which would harass Communists without the knowledge of CIRASH-4. November 1954

This morning [redacted] phoned up my house and asked me to be in his office at the Ministry of Interior about 11 am. Once I was there, the other people from [redacted] mentioned in previous report), and who were supposed to form [redacted] new group of investigation, joined me, and [redacted] talked to them like this:

"...Gentlemen, this is to report you that [redacted] Director), has refused the Ministry of Interior [redacted] the permission of having you here to work with me. Unless you decide to quit your job in [redacted] and then join my office, I am afraid it will be impossible for us to work together, at least openly.... I think that [redacted] great fault of cooperation with us, is increasing [redacted] feeling of unfriendliness towards him and myself as well. So, each one of you, shall have time until the 30 of this month to give me an answer as to about the decision to renounce [redacted] or not; definitely, due to actual conditions, it is not possible to "borrow you" from [redacted]..."

After everybody left, I stood a little more with [redacted] and he introduced me to a new member of the office: [redacted], whose cedula number (found out later) is [redacted]. This guy is Cuban, and has just come in from Miami-Florida. As far as I could find out later on, the man who helped him into Venezuela is [redacted] (please remember old report about him), a Cuban veteran, and an old friend of [redacted] Director. A newcomer to [redacted] group, was also [redacted] a Cuban refugee in Miami, since the invasion of Bay of Pigs [redacted] few years ago. The already mentioned [redacted], has got into a close friendship with me, and has been very impressed by my silencers (7 or 8) which I have just given to [redacted]. He said that, while in the [redacted], he used to work on silencers and other technical stuff for [redacted] called groups who live there, and also in conjunction with [redacted] to the [redacted].

ings incendiaries mixture, etc. etc. Last week [redacted] and another Cuban called "16 fore", prepared to sabotage a Communist meeting with a "CS gas-bomb" (please see newspaper article). Action did not take place because meeting place was too vigilated by communists, and there was no chance for [redacted] to place the 20 minutes delay CS gas-bomb inside the auditorium, while [redacted] and [redacted] played a protection role for [redacted] with automatic pistols ready in their trouser belts. [redacted] is now in Miami, and will be back at the end of this week with his family. In a very confidential way, he's been asked to bring back bullets cal. .32 [redacted] gave him \$100.00 for a silencer cal. 12). He will also take back all the war material he has left in Miami. He will also try to get in touch with links (Cuban and C.I.A.) to get as much stuff as possible, to be used probably here. [redacted] beside asking [redacted] to buy bullets and a silencer cal. 22 for himself, also asked [redacted], on his way back to [redacted] to stop in Puerto Rico a couple of days for something he had to do there. [redacted] has asked me what I think about [redacted] capabilities as a member of the office, in the field of sabotage, etc., explosives, etc. I told [redacted] it was good to have people with some background in the mentioned field. On the other hand [redacted] and [redacted] want me to help them with instruction on the same technical field, but do not want either [redacted] or [redacted] to know about it. [redacted] has asked me to find people for the office. He needs, for the moment being, some 6 guys, as [redacted] has refused their own..... Everything is normal for the moment. This is all I have to report.

3. IT MAY BE NECESSARY FOR STATION TO WORK WITH [ ] IF HE APPOINTED CHIEF, [ ] BUT FEEL THAT SENSITIVE OPS SHOULD CONTINUE BE HANDLED WITH CIWOODS OR UNILATERALLY. ## MEMORANDUM FOR THE RECORD

MEMORANDUM FOR ANCLEVE/15's File

14 August 1967

SUBJECT: Salary Misunderstanding

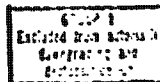

ORIGINATOR: 

1. ANCLEVE/15 submitted the attached note, written by him, to the writer. In the note ANCLEVE/15 says "he is not asking for anything but wants the records checked regarding his past salary of \$325.00 per month. ANCLEVE/15 claimed  his former CO) told him that effective October 1966 he would be paid \$100.00 per month by WOFAC, while the balance would be placed in a bank for him.

2. For the record ANCLEVE/15 was told by the writer and not  that effective August 1966 (not October) he would be cut back in his salary to approximately \$100.00 per month. He was cut back from \$350.00, not \$325.00, for reasons of economy and cover and he was agreeable to the cutback. The writer did not tell him that the balance of approximately \$212.00 was being saved for him; only that his gross salary would be raised to \$350.00 in the event RECK ever stopped paying him his salary. (It was assumed that his RECK employment might be short-lived). For administrative reasons the salary cutback was not effective until September 1966 and from latter date until December 1966 he was paid \$111.13. From January 1967 until June 1967 he was paid \$110.90 due to a FICA change. During the entire period, September 1966 to June 1967, ANCLEVE/15 was budgeted by JMWAVE in the amount of \$350.00 gross with the notation of his voucher of "possibility of paying balance later". Then in June 1967 ANCLEVE/15's salary was increased to \$350.00 gross, as so promised, because he was unemployed during most of June.

3. The writer explained the above to ANCLEVE/15 and he seemed satisfied. He told the writer that he had to borrow some money to cover expenses in connection with his trip to Venezuela.

LASO CONFERENCE

Havana Domestic Television Service in Spanish 0107 GMT 7 Aug 67 Official Use Only

Question: What kind of weapons did you bring for assassinations?

Laurerica: We brought two Beretta pistols with silencers, a .22-cal. pistol with a silencer, and an M-3 with a silencer.

Question: What kind of ammunition did you bring for the .22-cal. pistol with silencer?

Laurerica: Part of the ammunition was conventional bullets and part of it was cyanide-tipped bullets.

Question: Who prepared the bullets with cyanide?

Laurerica: I prepared them.

Question: What were those bullets prepared for?

Laurerica: Those bullets were prepared over there in Miami. (Phonetic) Miranda, member of an organization called (TEL Rece) asked me to prepare them, in spite of the fact that I know nothing about chemistry, for attempts on lives, to make sure of the death of the individuals against whose lives attempts were to be made, but they were for specific attempts.

Question: What plans were made in the United States or among the counterrevolutionary circles, what is the main objective sought?

Laurerica: Well, the physical elimination of the leader of the Cuban revolution, Fidel Castro.

Question: The physical elimination of Maj. Fidel Castro?

Laurerica: Yes, sir.

Question: Those counterrevolutionary groups which operate from Florida, from Miami, do they have the approval of the North American Government for their actions?

Laurerica: Almost entirely. For example the most opportunist elements over there create small groups to obtain dollars from the US Government for their subsistence, but there are close links among all the organizations in exile with the Central Intelligence Agency. We have, for example, the case of (TEL Rece) which--through Luis Posada, who is known by all as a CIA agent--belongs, that is all its activities of landing on Cuban coasts, actions against merchant ships and so forth, are linked to the CIA.

Question: You say that you had a .22-cal. pistol with poisoned bullets for specific attempts on lives?

Laurerica: Yes, sir.

Question: I would like you to clarify something more. What specific attacks, against which figures, were those attempts to be made with that type of weapon?

Laurerica: Well, against the most prominent figures of the revolution according to existing circumstances and according to the individuals who were going to execute them. Specifically, it is to be supposed that if the idea of counterrevolution were to take root in Havana, well then the effort to kill the leader of the revolution could be intensified.

Sam eventually satisfied and is all now calm ??

Thank you,

History - <sup>AW</sup>

This was no problem with Sam on this case. At Apr instructions INWAVE terminated ANCLEVE-15 and the FBI wants (as with the Justice Dept.) planned to use A-15 to collect evidence against a Picasso gambler. However the Dept. of Justice cancelled this plan for some weeks leaving A-15 a free bird.

Since then A-15 became involved with KICOSP-142, which for some time now. I am holding the file until all the dust settles.

SUBJECT TYPIC/Operational Termination of AMCLEVE/15		ABSTRACT.													
ACTION REQUIRED REFERENCES Action Required: See para 7 Reference: JMWAVE-8156, 11 July 1967															
<p>1. As reported in reference, AMCLEVE/15 was terminated effective 11 July 1967. AMCLEVE/15 was terminated because he resigned from his position as [redacted], a Miami based Cuban exile organization, in early June 1967 and he thus lost access to his target, as AMCLEVE/15 had been reporting on the activities of RECE since 1 August 1966. In addition, JMWAVE does not have a current need or any operational interest in RECE, and the AMOT organization has the capability to penetrate and report on RECE if and when the need should arise. After AMCLEVE/15 resigned from RECE, he was a candidate for employment in the AMOT organization; however, because of his involvement with Frank "Lefty" ROSENTHAL and for other security reasons it was decided that the AMOT organization should not hire him.</p> <p>2. AMCLEVE/15 began his employment with WOFAC in April 1965 and initially served as an instructor in the Maritime Training Branch of JMWAVE. He was also active in reporting on exile activities. On 1 August 1966, AMCLEVE/15 was transferred to the CI Branch where he was used to report on the activities of RECE until his resignation in early June 1967.</p> <p>3. Since AMCLEVE/15 was amicably terminated, JMWAVE does not envision any problems at this time. AMCLEVE/15 plans to seek employment in [redacted] through an old friend who resides there.</p> <p>4. On 21 July 1967 AMCLEVE/15 was given a termination bonus of \$650.00, which is equivalent to two months salary, minus FICA and federal income tax. He was paid \$549.60 net.</p>

DIR 15805 (para 3)

Justice Department has suggested possibility use AMCLEV/15 to assist Rosenthal obtain additional material as basis for arrest of Rosenthal for having possession of such materials.

JMWAVE 7953 (para 3)

AMCLEVE/15 is currently working with the FBI and following their instructions re Rosenthal ( 30 June 1967)

DIR 16467

Headquarters will propose to Justice Department that any further questions arising locally be discussed directly between FBI and Station Rep. (1 July 1967)

JMWAVE 8039

At their request JMWAVE met with local FBI and Justice Dept. attorney on 6 July to discuss future action AMCLEVE/15 case. JMWAVE position was to agree have AMCLEVE/15 aid in case as much as possible without exposing AMCLEVE/15 or his WOPACT employment.

The following proposal:

Justice Dept. attorney requested AMCLEVE/15 recontact Rosenthal and the meet would be covered by FBI. AMCLEVE/15 would ask Rosenthal for money for down payment on material (c-4 explosives) but nothing would be furnished at that time. Later AMCLEVE/15 would furnish Rosenthal sufficient amount of explosives to constitute violation. When AMCLEVE/15 and Rosenthal separated, Rosenthal would be arrested.

AMCLEVE/15 was to contact [redacted] and exhibit requested silencer which would not be furnished. This contact would also be covered by FBI, but action would be taken by local authorities to avoid possible disclosure as to involvement of AMCLEVE/15 in the matter.

JMWAVE was in process of terminating AMCLEVE/15, but in view of FBI need, he would be retained on payroll until 30 Sept.

DIR 13094 (dated 7 July 67)

Headquarters opposed to any use being made of AMCLEVE/15 that would involve his appearance as a witness for prosecution.

Headquarters requested JMWAVE terminate AMCLEVE/15 before permitting his use for prosecution. It was Headquarters desire to disassociate from AMCLEVE/15 and have FBI/Justice Dept. assume direction and responsibility for this criminal case.

JMWAVE 8156 (dated 11 July 67)

Station terminated AMCLEVE/15 effective 11 Jul 67.
