109TH CONGRESS
1ST SESSION

H. R. 412

AN ACT

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Western Reserve Her-
3 itage Areas Study Act”.

4 **SEC. 2. NATIONAL PARK SERVICE STUDY REGARDING THE**
5 **WESTERN RESERVE, OHIO.**

6 (a) FINDINGS.—The Congress finds the following:

7 (1) The area that encompasses the modern-day
8 counties of Trumbull, Mahoning, Ashtabula, Por-
9 tage, Geagua, Lake, Cuyahoga, Summit, Medina,
10 Huron, Lorain, Erie, Ottawa, and Ashland in Ohio
11 with the rich history in what was once the Western
12 Reserve, has made a unique contribution to the cul-
13 tural, political and industrial development of the
14 United States.

15 (2) The Western Reserve is distinctive as the
16 land settled by the people of Connecticut after the
17 Revolutionary War. The Western Reserve holds a
18 unique mark as the original wilderness land of the
19 West that many settlers migrated to in order to
20 begin life outside of the original 13 colonies.

21 (3) The Western Reserve played a significant
22 role in providing land to the people of Connecticut
23 whose property and land was destroyed during the
24 Revolution. These settlers were descendants of the
25 brave immigrants who came to the Americas in the
26 17th century.

1 (4) The Western Reserve offered a new destina-
2 tion for those who moved west in search of land and
3 prosperity. The agricultural and industrial base that
4 began in the Western Reserve still lives strong in
5 these prosperous and historical counties.

6 (5) The heritage of the Western Reserve re-
7 mains transfixed in the counties of Trumbull,
8 Mahoning, Ashtabula, Portage, Geagua, Lake, Cuya-
9 hoga, Summit, Medina, Huron, Lorain, Erie, Ot-
10 tawa, and Ashland in Ohio. The people of these
11 counties are proud of their heritage as shown
12 through the unwavering attempts to preserve agri-
13 cultural land and the industrial foundation that has
14 been embedded in this region since the establishment
15 of the Western Reserve. Throughout these counties,
16 historical sites, and markers preserve the unique tra-
17 ditions and customs of its original heritage.

18 (6) The counties that encompass the Western
19 Reserve continue to maintain a strong connection to
20 its historic past as seen through its preservation of
21 its local heritage, including historic homes, buildings,
22 and centers of public gatherings.

23 (7) There is a need for assistance for the pres-
24 ervation and promotion of the significance of the
25 Western Reserve as the natural, historic and cul-

1 tural heritage of the counties of Trumbull,
2 Mahoning, Ashtabula, Portage, Geagua, Lake, Cuya-
3 hoga, Summit, Medina, Huron, Lorain, Erie, Ottawa
4 and Ashland in Ohio.

5 (8) The Department of the Interior is respon-
6 sible for protecting the Nation's cultural and histor-
7 ical resources. There are significant examples of
8 such resources within these counties and what was
9 once the Western Reserve to merit the involvement
10 of the Federal Government in the development of
11 programs and projects, in cooperation with the State
12 of Ohio and other local governmental entities, to
13 adequately conserve, protect, and interpret this her-
14 itage for future generations, while providing oppor-
15 tunities for education and revitalization.
