10 **PROGRAM.**

11 Section 707 is amended to read as follows:

12 **“SEC. 707. HIGH INTENSITY DRUG TRAFFICKING AREAS**
13 **PROGRAM.**

14 “(a) ESTABLISHMENT.—

15 “(1) IN GENERAL.—There is established in the
16 Office a program to be known as the High Intensity
17 Drug Trafficking Areas Program (in this section re-
18 ferred to as the ‘Program’).

19 “(2) PURPOSE.—The purpose of the Program
20 is to reduce drug trafficking and drug production in
21 the United States by—

22 “(A) facilitating cooperation among Fed-
23 eral, State, local, and tribal law enforcement
24 agencies to share information and implement
25 coordinated enforcement activities;

1 “(B) enhancing law enforcement intel-
2 ligence sharing among Federal, State, local, and
3 tribal law enforcement agencies;

4 “(C) providing reliable law enforcement in-
5 telligence to law enforcement agencies needed to
6 design effective enforcement strategies and op-
7 erations; and

8 “(D) supporting coordinated law enforce-
9 ment strategies which maximize use of available
10 resources to reduce the supply of illegal drugs
11 in designated areas and in the United States as
12 a whole.

13 “(b) DESIGNATION.—

14 “(1) IN GENERAL.—The Director, in consulta-
15 tion with the Attorney General, the Secretary of the
16 Treasury, the Secretary of Homeland Security,
17 heads of the National Drug Control Program agen-
18 cies, and the Governor of each applicable State, may
19 designate any specified area of the United States as
20 a high intensity drug trafficking area.

21 “(2) ACTIVITIES.—After making a designation
22 under paragraph (1) and in order to provide Federal
23 assistance to the area so designated, the Director
24 may—

1 “(A) obligate such sums as are appro-
2 priated for the Program;

3 “(B) direct the temporary reassignment of
4 Federal personnel to such area, subject to the
5 approval of the head of the department or agen-
6 cy that employs such personnel;

7 “(C) take any other action authorized
8 under section 704 to provide increased Federal
9 assistance to those areas; and

10 “(D) coordinate activities under this sec-
11 tion (specifically administrative, recordkeeping,
12 and funds management activities) with State,
13 local, and tribal officials.

14 “(c) PETITIONS FOR DESIGNATION.—The Director
15 shall establish regulations under which a coalition of inter-
16 ested law enforcement agencies from an area may petition
17 for designation as a high intensity drug trafficking area.
18 Such regulations shall provide for a regular review by the
19 Director of the petition, including a recommendation re-
20 garding the merit of the petition to the Director by a panel
21 of qualified, independent experts.

22 “(d) FACTORS FOR CONSIDERATION.—In considering
23 whether to designate an area under this section as a high
24 intensity drug trafficking area, the Director shall consider,

1 in addition to such other criteria as the Director considers
2 to be appropriate, the extent to which—

3 “(1) the area is a significant center of illegal
4 drug production, manufacturing, importation, or dis-
5 tribution;

6 “(2) State, local, and tribal law enforcement
7 agencies have committed resources to respond to the
8 drug trafficking problem in the area, thereby indi-
9 cating a determination to respond aggressively to the
10 problem;

11 “(3) drug-related activities in the area are hav-
12 ing a significant harmful impact in the area, and in
13 other areas of the country; and

14 “(4) a significant increase in allocation of Fed-
15 eral resources is necessary to respond adequately to
16 drug-related activities in the area.

17 “(e) ORGANIZATION OF HIGH INTENSITY DRUG
18 TRAFFICKING AREAS.—

19 “(1) EXECUTIVE BOARD AND OFFICERS.—To
20 be eligible for funds appropriated under this section,
21 each high intensity drug trafficking area shall be
22 governed by an Executive Board. The Executive
23 Board shall designate a chairman, vice chairman,
24 and any other officers to the Executive Board that
25 it determines are necessary.

1 “(2) RESPONSIBILITIES.—The Executive Board

15 “(3) BOARD REPRESENTATION.—None of the
16 funds appropriated under this section may be ex-
17 pended for any high intensity drug trafficking area,
18 or for a partnership or region of a high intensity
19 drug trafficking area, if the Executive Board for
20 such area, region, or partnership, does not apportion
21 an equal number of votes between representatives of
22 participating Federal agencies and representatives of
23 participating State, local, and tribal agencies. Where
24 it is impractical for an equal number of representa-
25 tives of Federal agencies and State, local, and tribal

1 agencies to attend a meeting of an Executive Board
2 in person, the Executive Board may use a system of
3 proxy votes or weighted votes to achieve the voting
4 balance required by this paragraph.

5 “(4) NO AGENCY RELATIONSHIP.—The eligi-
6 bility requirements of this section are intended to
7 ensure the responsible use of Federal funds. Nothing
8 in this section is intended to create an agency rela-
9 tionship between individual high intensity drug traf-
10 ficking areas and the Federal Government.

11 “(f) USE OF FUNDS.—The Director shall ensure that
12 no Federal funds appropriated for the Program are ex-
13 pended for the establishment or expansion of drug treat-
14 ment programs, and shall ensure that not more than 5
15 percent of the Federal funds appropriated for the Pro-

10 **SEC. 302. FUNDING FOR CERTAIN HIGH INTENSITY DRUG**
11 **TRAFFICKING AREAS.**

12 (a) SHORT TITLE.—This section may be cited as the
13 “Dawson Family Community Protection Act”.

14 (b) FINDINGS.—Congress finds the following:

15 (1) In the early morning hours of October 16,
16 2002, the home of Carnell and Angela Dawson was
17 firebombed in apparent retaliation for Mrs.
18 Dawson’s notification to police about persistent drug
19 distribution activity in their East Baltimore City
20 neighborhood.

21 (2) The arson claimed the lives of Mr. and Mrs.
22 Dawson and their 5 young children, aged 9 to 14.

23 (3) The horrific murder of the Dawson family
24 is a stark example of domestic narco-terrorism.

1 (4) In all phases of counternarcotics law en-
2 forcement—from prevention to investigation to pros-
3 ecution to reentry—the voluntary cooperation of or-
4 dinary citizens is a critical component.

5 (5) Voluntary cooperation is difficult for law en-
6 forcement officials to obtain when citizens feel that
7 cooperation carries the risk of violent retaliation by
8 illegal drug trafficking organizations and their affili-
9 ates.

10 (6) Public confidence that law enforcement is
11 doing all it can to make communities safe is a pre-
12 requisite for voluntary cooperation among people
13 who may be subject to intimidation or reprisal (or
14 both).

15 (7) Witness protection programs are insufficient
16 on their own to provide security because many indi-
17 viduals and families who strive every day to make
18 distressed neighborhoods livable for their children,
19 other relatives, and neighbors will resist or refuse of-
20 fers of relocation by local, State, and Federal pros-
21 ecutorial agencies and because, moreover, the contin-
22 ued presence of strong individuals and families is
23 critical to preserving and strengthening the social
24 fabric in such communities.

1 (8) Where (as in certain sections of Baltimore
2 City) interstate trafficking of illegal drugs has severe
3 ancillary local consequences within areas designated
4 as high intensity drug trafficking areas, it is impor-
5 tant that supplementary High Intensity Drug Traf-
6 ficking Areas Program funds be committed to sup-
7 port initiatives aimed at making the affected com-
8 munities safe for the residents of those communities
9 and encouraging their cooperation with tribal, local,
10 State, and Federal law enforcement efforts to com-
11 bat illegal drug trafficking.

12 (c) FUNDING FOR CERTAIN HIGH INTENSITY DRUG
13 TRAFFICKING AREAS.—Section 707, as amended by sec-
14 tion 301, is amended by adding at the end the following:

15 “(q) SPECIFIC PURPOSES.—

16 “(1) IN GENERAL.—The Director shall ensure
17 that, of the amounts appropriated for a fiscal year
18 for the Program, at least \$7,000,000 is used in high
19 intensity drug trafficking areas with severe neigh-
20 borhood safety and illegal drug distribution prob-
21 lems.

22 “(2) REQUIRED USES.—The funds used under
23 paragraph (1) shall be used—

24 “(A) to ensure the safety of neighborhoods
25 and the protection of communities, including

1 the prevention of the intimidation of potential
2 witnesses of illegal drug distribution and related
3 activities; and

4 “(B) to combat illegal drug trafficking
5 through such methods as the Director considers
6 appropriate, such as establishing or operating
7 (or both) a toll-free telephone hotline for use by
8 the public to provide information about illegal
9 drug-related activities.”.

10 **SEC. 303. ASSESSMENT.**

11 The Director shall assess the ability of the HIDTA
12 Program to respond to the so-called “balloon effect”,
13 whereby urban drug traffickers facing intensive law en-
14 forcement efforts expand and spread their trafficking and
15 distribution into rural, suburban, and smaller urban areas
16 by conducting a demonstration project examining the abil-
17 ity of the New York/New Jersey HIDTA, with its new sin-
18 gle colocated Organized Crime and Drug Enforcement
19 Task Force/High Intensity Drug Trafficking Area Strike
20 Force and HIDTA Regional Intelligence Center, to ad-
21 dress the movement of drug traffickers into the more
22 rural, suburban, and smaller areas encompassed by the
23 counties of Albany, Onondaga, Monroe, and Erie in New
24 York State and by annexing these counties into the exist-
25 ing New York/New Jersey HIDTA.

20 baseline data on the natural history of diversion and
21 abuse of prescription drugs that are included in
22 schedules under the Controlled Substances Act to
23 evaluate the extent and nature of potential problems
24 with such use to guide corrective actions which may
25 reduce such problems without unintentionally hin-

1 dering access to these drugs for legitimate medical
2 purposes. Specifically, other surveys to be considered
3 are those that address the abuse of these substances
