## RESOLUTION

Commending American craft brewers.

Whereas American craft brewers are a vibrant affirmation and expression of American entrepreneurial traditions, operating as community-based small businesses and providing employment for more than 33,000 workers;

Whereas the United States has craft brewers in every State and more than 1,300 craft brewers nationwide;

Whereas American craft brewers support American agriculture by purchasing barley, malt, and hops grown, processed, and distributed in the United States;

Whereas American craft brewers promote the Nation's spirit of independence through a renaissance in hand-crafted beers like those first brought to colonial shores by European settlers and produced here by the Nation's founding

fathers, including George Washington and Thomas Jefferson, for the enjoyment of the citizenry;

Whereas American craft brewers strive to educate legal drinking-age Americans about the differences in beer flavor, aroma, color, alcohol content, body, and other complex variables, as well as historic brewing traditions, beer history, and gastronomic qualities of beer;

Whereas American craft brewers champion the message of responsible enjoyment to their customers and work within their communities to prevent alcohol abuse and underage drinking;

Whereas American craft brewers produce more than 100 distinct styles of flavorful beers, the quality and diversity of which have made the United States the envy of every beer-drinking nation in the world, thereby contributing to balanced trade by reducing American dependence on imported beers, supporting American exports, and promoting United States tourism;

Whereas American craft brewers are vested in the future, health, and welfare of their communities as employers providing a diverse array of quality local jobs, as contributors to the local tax base, and as committed sponsors of a broad range of vital community institutions and philanthropic causes, including parent-teachers' associations, Junior ROTC, children's hospitals, chambers of commerce, humane societies, rescue squads, athletic teams, and disease research; and

Whereas, in 2006, American craft brewers recognize the week of May 15–21 as American Craft Beer Week and mark it as a time to educate Americans about craft beer and celebrate the contributions that American craft brewers

have made to the Nation's communities, economy, and history: Now, therefore, be it

1       *Resolved*, That the House of Representatives—

2               (1) supports the establishment of American  
3       Craft Beer Week as a celebration of the contribu-  
4       tions that American craft brewers have made to the  
5       Nation's communities, economy, and history; and

6               (2) commends American craft brewers for pro-  
7       viding jobs, improving the balance of trade, sup-  
8       porting American agriculture, and educating Ameri-  
9       cans about the history and culture of beer while pro-  
10      moting the responsible consumption of beer as a bev-  
11      erage of moderation.
