4       terpretation and public education about the natural  
5       and cultural resources of the Lighthouse, the public  
6       land surrounding the Lighthouse, and associated  
7       structures;

8           (4) a proposal for administrative and public fa-  
9       cilities to be developed or improved that—

10           (A) are compatible with achieving the re-  
11       source objectives for the Outstanding Natural  
12       Area described in section 5(a)(1)(B); and

13           (B) would accommodate visitors to the Out-  
14       standing Natural Area;

15           (5) natural and cultural resource management  
16       strategies for the Outstanding Natural Area, to be de-  
17       veloped in consultation with appropriate departments  
18       of the State, the Local Partners, and the Com-  
19       mandant, with an emphasis on resource conservation  
20       in the Outstanding Natural Area and the interpre-  
21       tive, educational, and long-term scientific uses of the  
22       resources; and

23           (6) recreational use strategies for the Out-  
24       standing Natural Area, to be prepared in consultation  
25       with the Local Partners, appropriate departments of

12               *(3) other applicable laws.*

13        *(c) COOPERATIVE AGREEMENTS.—To facilitate imple-*  
14        *mentation of the management plan and to continue the suc-*  
15        *cessful partnerships with local communities and other part-*  
16        *ners, the Secretary shall, in accordance with section 307(b)*  
17        *of the Federal Land Management Policy and Management*  
18        *Act of 1976 (43 U.S.C. 1737(b)), enter into cooperative*  
19        *agreements with the appropriate Federal, State, county,*  
20        *other local government agencies, and other partners (includ-*  
21        *ing the Loxahatchee River Historical Society) for the long-*  
22        *term management of the Outstanding Natural Area.*

23        *(d) RESEARCH ACTIVITIES.—To continue successful*  
24        *research partnerships, pursue future research partnerships,*  
25        *and assist in the development and implementation of the*

1 *management plan, the Secretary may, in accordance with*  
2 *section 307(a) of the Federal Land Policy and Management*  
3 *Act of 1976 (43 U.S.C. 1737(a)), authorize the conduct of*  
4 *appropriate research activities in the Outstanding Natural*  
5 *Area for the purposes described in section 3(b).*

6 *(e) ACQUISITION OF LAND.—*

7 *(1) IN GENERAL.—Subject to paragraph (2), the*  
8 *Secretary may acquire for inclusion in the Out-*  
9 *standing Natural Area any State or private land or*  
10 *any interest in State or private land that is—*

11 *(A) adjacent to the Outstanding Natural*  
12 *Area; and*

13 *(B) identified in the management plan as*  
14 *appropriate for acquisition.*

15 *(2) MEANS OF ACQUISITION.—Land or an inter-*  
16 *est in land may be acquired under paragraph (1)*  
17 *only by—*
