5704 Ridgefield Road
Washington, D. C. 20026

Dear Mr. O'Neal:

It is the practice of the Organization to follow up with former employees six months after their retirement. We hope by such inquiry to obtain information on what our retirees are doing and where they are located, invite suggestions for improving the retirement program and to learn if the Organization might be of some assistance on any post-retirement matters.

We should like very much to hear from you on the above points and on any other topics you think would be useful to us.

For your convenience in replying, we have enclosed a sheet somewhat akin to a form on which we have listed those standard items of information we'd like to have on every retiree. The remainder of the sheet, including the reverse side, is for your comments and suggestions. We shall be most appreciative of your fullest response to this inquiry.

Thank you very much for your cooperation.

Sincerely yours,

Personnel Officer

MEMORANDUM FOR: Chief, CI Support

SUBJECT: Resume of Employment - Birch D. O'Neal

1. Attached is a proposed resume of my employment covering the entire service to the U. S. Government.

2. I would propose to use this should the need arise. However, I would not like to be restricted to the statements therein. In 1968 I applied for admission to the Bar in the District of Columbia and prepared a detailed response to certain questions in the application. The information provided at that time went on record and should the occasion arise, I would like to be in a position to make the same statements. I do not think that such a situation will occur, but if it does, I would propose to support the attached resume with the more detailed information attached hereto and which appeared in that application.

RESUME

U. S. GOVERNMENT SERVICE

BIRCH D. O'NEAL

From January 10, 1938 on entering U. S. government service as a Special Agent of the Federal Bureau of Investigation to February 28, 1970 (with exception of a few months in the fall and winter of 1946-47) was employed by various Departments and Agencies of the U. S. Government, including the Federal Bureau of Investigation, U. S. Department of Justice, U. S. Department of State, and Central Intelligence Agency. In this period of more than 32 years steadily advanced in salary with commensurate responsibilities from \$3200 per annum to more than \$30,000 per annum while holding various titles including Special Agent, Legal Attache, Civil Attache, and Foreign Affairs Officer. More than 12 years of this service was performed while stationed abroad or in travel status in many foreign countries of Latin America, Europe and Africa.

While the entire service involved utilization of legal training and conduct of investigations affecting the national security interests of the United States, that from September

1942 to February 1970 (voluntary retirement) also involved direct supervision of investigative and clerical assistants (on occasions more than 50 employees and expenditure of extensive funds). The service also involved extensive liaison with foreign government and other U. S. government officials. Liaison on occasions, both domestic and foreign, related to matters of the highest sensitivity and importance and accordingly was conducted at highest levels (Cabinet and sub-Cabinet).

SUPPLEMENTARY INFORMATION

February 1947 - March 1947. In February 1947 I entered on duty with what was known as the Central Intelligence Group, 2430 E Street, N.W., Washington, D. C., a government body created by Executive Order which was a predecessor to the Central Intelligence Agency. I was a legal liaison officer with this group.

March 1947 - December 1949. During this period I was detailed to the U. S. Department of State, 20th Street and Virginia Avenue, N.W., Washington, D. C., where I was assigned to the U. S. Embassy, Caracas, Venezuela, as Attache. In that capacity I prepared reports and advised and counselled the U.S. Ambassador on matters of a legal and political nature. In this work I employed legal knowledge, background and experience as related to the laws of the United States and the Republic of Venezuela.

January 1950 to December 1951 - Central Intelligence Agency, 2430 E Street, N.W., Washington, D. C. In this period I was assigned to duties involving liaison on legal matters with other departments of the U. S. Government including the Department of Defense, Department of Justice (Immigration and Naturalization Service and Federal Bureau of Investigation) and the Department of State. Criteria for the position included knowledge, application and interpretation of U. S. and foreign laws. The establishment of the position was at the instance of the General Counsel of the Agency and my selection to the position was with his concurrence. The assignment required close working coordination and collaboration with the General Counsel of the Agency and other governmental legal counsel. I discontinued this particular work to enable me to again undertake further assignment with the Department of State as a member of the Foreign Service Staff Corps.

December 1951 - April 1954 - U. S. Department of State, Foreign Service Staff, Washington, D. C. During this period I served as Attache, Political Officer, American Embassy, Guatemala City, Guatemala. In that capacity I gathered information concerning the legal system, laws, and enforcement thereof and counselled and advised the U. S. Ambassador on matters of a legal and political nature. In this work I employed legal knowledge and experience as related to the laws of the United States and the Republic of Guatemala. I resigned from this position in Guatemala to return to the U. S. for personal and family reasons.

April 1954 - to Present - Central Intelligence Agency,
2430 E Street, N.W., Washington, D. C. I have been employed
with this Agency since April 1954 as a Foreign Affairs Officer.
In that capacity I have had regular, almost daily contact and
liaison with the Department of Justice and Department of State
representatives on matters of a legal and political nature.
My duties involve the application of knowledge and experience
in the legal field, both foreign and domestic.

Dear Mr. Locke:

With reference to your letter of 26 September 1968 concerning Mr. Birch Dillard O'Neal, I have known Mr. O'Neal since the late 1940s. In 1947 we were establishing formal liaison with the Bureau of Immigration and Naturalization and, because of thorough knowledge of the complex immigration laws was essential, I proposed that this position must go to a lawyer. Mr. O'Neal was selected and performed very well in that job, which required constant liaison with this office on the legal aspects.

In Mr. O'Neal's assignments since that time, I have had occasion to work with him from time to time on a variety of problems. I have found he has had a good grasp of the legal aspects of these matters. From this long association my conclusion is that Mr. O'Neal's moral character is good, he has sound background in the field of law, and is generally fit for the practice of law.

The following information is provided in response to Item 5, Page 5 of Applicant's Questionnaire and Affidavit:

July 1937 - January 1938, Decatur County Courthouse, Bainbridge, Georgia - associated with father, M. E. O'Neal, Sr. I engaged in the general practice of law and served as assistant to my father in the preparation of civil cases. He was the Solicitor (Prosecuting Attorney) for the City Court of Bainbridge which had general jurisdiction throughout Decatur County. I represented defendants in criminal cases in the City Court of Bainbridge during a period in which my father was ill. My oldest brother, Maston Barrett O'Neal, Jr., presently Congressman from the Second District of Georgia, was Solicitor Pro-Tem of that Court. I represented defendants in criminal cases in the Superior Court of Decatur County (Albany Judicial Circuit) which was and is a Court of unlimited, general, jurisdiction. Practice was both civil and criminal and included contracts, torts, real and personal property law, title searches, etc. I left this practice for the purpose of entering on duty with the U. S. Department of Justice on January 10, 1938 when I became a Special Agent of the Federal Bureau of Investigation. Requirements for admission to that service included having a law degree and admission to the bar.

January 1938 - 30 May 1942 - U. S. Department of Justice, 10th Street and Pennsylvania Avenue, N.W., Washington, D. C. During this period I was engaged in gathering evidence, preparing investigative reports and prosecutive summaries, assisting U. S. Attorneys in preparation of cases for trial, and otherwise serving the U. S. Department of Justice in its many and varied peacetime and wartime responsibilities. This involved daily application of legal knowledge and experience for which I had been educated and trained and as required for the government position which I held. I served in field offices at Omaha, Nebraska, Memphis, Tennessee, Charlotte, North Carolina, New York, N. Y., Albany, New York, as Assistant Special Agent in Charge, and in the Department in Washington, D. C. as an Administrative Assistant to J. Edgar Hoover. In addition I was designated and served as Legal Attache, American Embassy, Bogota, Colombia, from September 1942 to June 1943. In that capacity I was the highest ranking

ranking representative of the U. S. Department of Justice at that point. My duties consisted of gathering information of interest in and required in the enforcement of laws of the United States and the Republic of Colombia, handling matters requiring liaison between the Government of the Republic of Colombia and the United States Department of Justice and counselling the United States Ambassador and the Secretary of State for American Republic Affairs concerning legal matters of concern to Colombia and the United States. From June 1943 to December 1944 I served in Mexico in the same capacity and with the same duties under the U. S. Ambassador, American Embassy, Mexico, D. C. At that post I was also the highest ranking U. S. Department of Justice representative.

June 1946 - February 1947. In this period I briefly engaged in general practice of law. Primarily I was engaged in writing contracts, bills of sale, deeds, wills and the like. This work was in association with and as a matter of assistance to my father, Weston Emmett O'Neal, Sr. whose offices were in the DeCATUR County Court House, Barnbridge, Georgia. I left this work to reenter U. S. government service at Washington, D. C. where my legal education and experience in liaison with foreign governments and between various departments and independent agencies would be employed to the benefit of our government.

February 1947 - March 1947. In February 1947 I entered on duty with what was known as the Central Intelligence Group, 450 E Street, N.W., Washington, D. C., a government body created by Executive Order which was a predecessor to the Central Intelligence Agency. I was a legal liaison officer with this group.

March 1947 - December 1949. During this period I was detailed to the U. S. Department of State, 20th Street and Virginia Avenue, N.W., Washington, D. C., where I was assigned to the U. S. Embassy, Caracas, Venezuela, as Attache. In that capacity I prepared reports and advised and counselled the U.S. Ambassador on matters of a legal and political nature. In this work I employed legal knowledge, background and experience related to the laws of the United States and the Republic of Venezuela.

ATTACHMENT B (Continued)

January 1950 to December 1951 - Central Intelligence Agency, 2450 E. Street, N.W., Washington, D. C. In this period I was assigned to duties involving liaison on legal matters with other departments of the U. S. Government including the Department of Defense, Department of Justice (Immigration and Naturalization Service and Federal Bureau of Investigation) and the Department of State. Criteria for the position included knowledge, application and interpretation of U. S. and foreign laws. The position of the position was at the instance of the General Counsel of the Agency and lay selection to the position was with the concurrence of the assignment required close working coordination and collaboration with the General Counsel of the Agency and other governmental legal counsel. I discontinued this particular work to enable me to again undertake further assignment with the Department of State as a member of the Foreign Service Study Corps.

December 1951 - April 1954 - U. S. Department of State, Foreign Service Staff, Washington, D. C. During this period I served as Attaché, Political Officer, American Embassy, Guatemala City, Guatemala. In that capacity I gathered information concerning the legal system, laws, and enforcement thereof and counseled and advised the U. S. Ambassador on matters of a legal and political nature. In this work I employed legal knowledge and experience as related to the laws of the United States and the Republic of Guatemala. I resigned from this position in Guatemala to return to the U. S. for personal and family reasons.

April 1954 - to Present - Central Intelligence Agency, 2450 E. Street, N.W., Washington, D. C. I have been employed with this Agency since April 1954 as a Foreign Affairs Officer. In that capacity I have had regular, almost daily contact and liaison with the Department of Justice and Department of State representatives on matters of a legal and political nature. My duties involve the application of knowledge and experience in the legal field, both foreign and domestic.

MEMORANDUM FOR : Mr. Birch D. O'Neal,
CI Staff

SUBJECT : Notification of Non-eligibility for Designation as a
Participant in the CIA Retirement and Disability
System

1. I have your memorandum of 27 October 1966 which refers to my memorandum advising you that in the initial screening of personnel eligible to become participants in the CIA Retirement System you have been determined to be ineligible because of an apparent deficiency in "qualifying duty". It is important that you realize that such a deficiency is only significant in the initial review of Agency personnel who have 15 or more years of Agency service since the law permits such persons to acquire at their option a vested interest in the CIA Retirement System. At the same time, the law requires a minimum of 60 months qualifying duty before one can possibly qualify for retirement benefits under the CIA Retirement System. It serves no purpose, therefore, to place a person permanently in the System if there is a possibility that he may never qualify for benefits therein.

2. In paragraph 2 of your memorandum you indicate concern that failure to contest the initial findings in your case may prejudice the possibility of a favorable decision with regard to your eligibility to participate in the CIA Retirement System at some future date. It is assumed that you were referring to the possibility that you may have some additional service that could perhaps be considered as qualifying duty under the System. As noted in paragraph 2 of my memorandum of 28 September 1966, our initial determination of ineligibility does not preclude reconsideration of your eligibility at some future date.

3. As you know, Regulation 20-50 provides for an appeal to the Director of any adverse determination under that regulation. However, the regulation also provides an opportunity for an employee to present his case to the CIA Retirement Board prior to the making of an adverse determination. Because of the large number of employees covered in the initial screening of on-duty employees to identify those eligible for participation in the System, this procedure was not applied when, as in your case, the employee's Career Service reported that he did not meet the requirements of Regulation 20-50 for nomination as a participant. Accordingly, the procedure of notifying employees of their non-eligibility for participation in the System based upon the initial finding of an employee's Career Service has been followed in all such cases. This is contrary to the implication in paragraph 2 of your memorandum that other employees in circumstances similar to yours were not so informed and I would be pleased to look more deeply into that aspect of your memorandum, if you wish.

SECRET

SECRET

4. In the event that you have performed service which you believe to be qualifying duty under the CIA Retirement System, you are most certainly entitled to present the details of such service to the Clandestine Services Career Service Board for review and formal submission to the CIA Retirement Board. A copy of this memorandum will be forwarded to the Executive Secretary of that Board.

MEMORANDUM FOR: Mr. Emmett D. Echols
Director of Personnel

SUBJECT: Notification of Non-eligibility for
Designation as a Participant in the
CIA Retirement and Disability System

1. Reference is made to your memorandum directed to me, dated 28 September 1966, entitled as above, in which it is stated that I may request that my case be formally considered by the CIA Retirement Board and that such request must be made within 30 days of the date of the notification. Other pressing responsibilities have not permitted me to prepare for formal consideration a challenge to the decision of non-eligibility. My request, through the support officer of the Staff to which I am assigned, for a reading on retirement benefits which I might receive should I retire on 31 December 1966 or five years from that date, would not constitute a formal request of a decision as to my eligibility for retirement under the CIA Retirement System. The figures provided me in that connection were simply to serve as a guideline for my own considerations as to possible future retirement.

2. This memorandum is directed to you and to those to whom copies are designated to preclude the expiration of this day, 27 October 1966, without protesting the notification that I must provide certain notification within 30 days of 28 September 1966. I am informed that other officers of CIA who have not qualified for retirement have not in fact been given such notifications and my inquiry concerning possible benefits should not require therefore a formal decision that I am not eligible on any specific basis.

SECRET

3. I have questions with regard to certain aspects of the law and in respect to my eligibility, and this notification to you at this time is designed to preclude a loss of any right I might have under the law to challenge the decision of non-eligibility as given by you on 28 September 1956.

4. I would appreciate a formal reply acknowledging this communication with a statement as to whether in fact the legal question of eligibility is now before the CIA Retirement Board or any other authority of the Agency, or is not. This request is intended not only for the Director of Personnel to whom it is primarily addressed and from whom such notification of non-eligibility was received, but also is intended for others receiving copies of this memorandum.

MEMORANDUM FOR: Birch D. Echols

THROUGH : Head of CS Career Service

SUBJECT : Notification of Eligibility for Designation as a Participant in the CIA Retirement and Disability System

1. As you may know, we are in the process of reviewing the employment history and current career field of all employees in the Agency to identify those who are eligible for designation as a participant in the new CIA Retirement and Disability System. In this process, the initial review of each case is made by the individual's Career Service. If the Head of his Career Service nominates him for participation in the System, this nomination is reviewed by the CIA Retirement Board which recommends final action to me. However, if the Head of the Career Service advises that the employee does not meet the basic requirements of HR 20-50 for participation, I have accepted this finding without further review by the CIA Retirement Board. This practice has been adopted in the interest of expediting this screening process so that those employees who are eligible to participate in the System may be designated participants as soon as possible.

2. In your case, the Head of your Career Service has advised me that you do not meet the requirements of HR 20-50 for designation as a participant and I have accordingly made the formal determination required by the regulation that you are not eligible for designation. From a review of your record it appears that the decision of your Career Service was based upon the fact that you have 15 years or more of Agency service, but have not as yet performed 60 months of qualifying service as required by regulation. My determination that you are not eligible at this time for designation in no way affects your current status under the Civil Service Retirement System, nor does it preclude reconsideration of your eligibility to participate in the CIA System if you should meet the requirements for designation in the future.

3. Should you desire further information concerning the requirements for designation as a participant in the CIA Retirement System, I suggest that you read paragraph 6 of HR 20-50 and paragraph 5 of the Employee Bulletin dated 30 July 1965, entitled "Public Law 88-643, The Central Intelligence Agency Retirement Act of 1964 for Certain Employees."

4. It is always possible that the records upon which the determination made in your case may have been incomplete or inaccurate regarding your actual employment history with the Agency. If, after studying the materials cited above, you have questions regarding the determination that you are not eligible to participate in the CIA Retirement System, please feel free to contact officials of your Career Service. They are familiar with the details of your case and will gladly discuss them with you. In addition, you may wish to discuss your case with the CIA Retirement Staff located in Room 205, Magazine Building (extension 2847). If such discussions do not resolve any questions you have regarding your eligibility, you may request that your case be formally considered by the CIA Retirement Board. However, this request must be made within 30 days of the date of this memorandum.

1. It is requested that Mr. Birch Dilworth O'Neal be appointed in the Foreign Service with the title of First Secretary, FSR-3, \$8,330.00, for duty in the American Embassy at Guatemala City, Guatemala. Mr. O'Neal will receive from CIA a basic salary of \$8,800.00 per annum.

2. Mr. O'Neal, who is 38 years of age, received his A. B. and LL. B. Degrees from the University of Georgia. He has had approximately thirteen years experience as an attorney, investigator, and intelligence officer in Government service. From September 1942 to August 1943 he was Legal Attache in Bogota, where he was responsible for all FBI activities in Colombia. From August 1943 to December 1944 he was Civil Attache in Mexico City, Mexico, where he was responsible for all FBI activities in Mexico, having under his supervision more than fifty special agents of the FBI. From March 1947 to December 1949 he served as Attache in Caracas, Venezuela, where he was CSO station chief, having as his responsibility all CIA activities in Venezuela. Since December 1949 Mr. O'Neal has served in a very responsible position at CIA headquarters in Washington, in which position he has represented the Director of Central Intelligence in liaison with all other Government agencies in connection with all matters relating to aliens of interest to CIA. It is believed that Mr. O'Neal possesses the professional qualifications for the duties planned for him and, in addition, has the cultural qualifications required of an American representative serving abroad.

3. A commissioned title as First Secretary is requested for Mr. O'Neal in order that he may be enabled to carry out his duties in a secure and efficient manner. The use of a commissioned title in this instance, which has been discussed at length with appropriate offices of ARA, is believed necessary in order to make possible the appearance of a complete break between Mr. O'Neal and the previous OSO station chief, and in order to provide him with adequate cover which will integrate him completely into the Embassy in a country whose present Government is noticeably hostile and vigilant with regard to American intelligence activities. It is proposed that Mr. O'Neal will serve in the Political Section of the Embassy. He will replace Mr. Collins D. Almon, who returned to the United States in March 1951.

4. The proposed biography for Mr. O'Neal will be forwarded at a later date.

Mr. Birch D. O'Neal
4703 Crescent Street, N. W.
Washington 16, D. C.

Dear Mr. O'Neal:

Several days ago I had a call from your agency advising me that an existing vacancy must be filled by November 1, and that a definite commitment was necessary by October 1. Actually I had intended to be in Washington during the early part of September for a further talk with you, but two court trials have prevented this.

If convenient to you, I would like to see you in Washington this coming Monday morning, October 1. If that day happens to be inconvenient, please telegraph or telephone me collect. I will assume this time to be agreeable unless I hear to the contrary.

I certainly appreciate the necessity for a positive commitment on my part, and will be prepared to give a definite answer when I am in Washington. Since our talk last June, quite a few personal complications have arisen, which I have been attempting to resolve.

With kind personal regards,

Sincerely yours,

/s/ J. K. Dorsett, Jr.

JKDjr/h

Mr. Dorsett conferred with the writer and Col. Sheffield Edwards on 1 October. He was still in a position of not being able to state that he would enter on duty on 1 November 1951. He mentioned various personal reasons and the necessity of conferring with his father-in-law Senator Willis Smith. He later called me at my home at 9:00 P.M. 1 October 1951 and stated he could not enter on duty 1 November 1951, but he continued to be interested in the job and would probably be in contact with Col. Edwards in the spring of 1952 to determine if there continued to be a vacancy in which he could be placed.

TO : Assistant Director/Special Operations

DATE: 13 February 1951

FROM : Security Officer

SUBJECT: O'NEAL, Birch D.

Reference to your memorandum concerning return to duty of Subject sometime prior to 1 December 1951, this office will endeavor to comply with your proposals. I might say that Mr. O'Neal has done a superior job as Alien Affairs Officer for the Agency. There has been some thought given to transferring the Alien Affairs Branch from I&S to the immediate office of Mr. Dulles, and it is impossible to give a positive guarantee of his availability, which in that case would be dependent upon Mr. Dulles' decision.

I feel, however, that OSO could at least tentatively plan along the line of your proposal. The cooperation of the ADSO and Chief, FDT, in making Mr. O'Neal available has been sincerely appreciated.

OFFICE MEMORANDUM

Mr. Birch P. O'Neal entered on duty 11 February, 1947, with OASD, FEY. His foreign assignment will be Chief of Station, [redacted] at grade OAF-12 at a salary of \$6905.20, and he will be carried on the Special Funds payroll.

The oath of office was completed on 11 February, 1947, and photographs, fingerprints, and other credentials required were requested this date. Request for physical examination and inoculations also made this date.

Agreement to remain at his station for the prescribed length of time (24 months) was also completed by Mr. O'Neal this date. In this connection, Mr. O'Neal posed a question with regard to release granted to foreign service personnel when they wish to transfer to other government organizations while in the field. Captain Hillman called Mr. Warner in General Counsel to obtain an opinion from him in this matter. Captain Hillman was given the following information:

If a CIG employee wishes to transfer to another government agency while on duty at a foreign station, and prior to the end of his first year abroad, the employee, if released by CIG, will not be required to reimburse CIG for the cost of his own transportation, that of his family, nor the transportation of his personal effects to his original duty post. Return transportation to the States or to a new post with another government agency will be the responsibility of the individual, not CIG.

Assessment approval was given 10 February, 1947; security cleared 20 January, 1947.

Emergency address given by Mr. O'Neal:

SECTION IV

This section is provided as an aid in describing the individual. Your description is not favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The descriptions are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most persons. On the right hand side of the page are four major categories of descriptions. The scale within each category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether the statement applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

In the ten months Subj has been under my supervision he has shown an outstanding ability to get work done, even under the pressure of an unusually heavy work load. Subj's willingness to take on additional duties and his indefatigable efforts to discharge all responsibilities are also considered outstanding. Subj's operational and liaison experiences show plainly in his handling of ops problems. Subj's ability to organize material and budget his time for greatest efficiency improved notably in the past months. Subj is in every sense a senior intelligence officer.

His production is an area potentially fraught with intelligence, but he has consistently neglected in his duties to maintain a habitually high standard of basic reports. He is totally incapable of writing or installing, and lacks the capability. It is believed to be in the best interests of the organization to reassign this station chief category, first class.

The Chief of the Foreign Service establishment and certain other key members of his staff will know about the Employee's status and relationship under the terms of the TOP SECRET agreement between the Department of State and CIA. Other personnel may discover that there are certain irregularities in travel orders, position numbers, pay accounts, and other internal administrative procedures of the Foreign Service. Nevertheless, the Employee shall not divulge his relationship to CIA except with the expressed approval of the ADSO. While serving abroad, he shall for normal administration be under the control of the Chief of the Foreign Service establishment to which he is attached, but for operations, including travel as specified below, he shall be under the control of CIA.

3. The travel of the Employee shall be governed as follows:

(a) For temporary duty outside the continental limits of the United States within or beyond the Employee's stipulated area, he shall perform CIA operational travel as directed by the ADSO or his designee with the consent of the Chiefs of the Foreign Service establishment involved. TD travel customary and necessary in the performance of routine Foreign Service Staff functions may be performed without clearance from the ADSO.

(b) For any travel to the United States, either temporary duty or permanent change of station, the Employee shall travel only at the direction of the ADSO after clearance has been arranged through the State Department in Washington.

(c) All travel will be directed and performed in accordance with Foreign Service rules and regulations.

Such expenses for return to the United States and amounts expended by the Government on account of such travel and transportation shall be considered a debt due by the Employee to the United States.

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment would be in conformance with the Civil Service Act, applicable Civil Service Rules and Regulations and acts of Congress pertaining to appointment.

This form should be checked for holding of office, pension, suitability in connection with any record of recent discharge or arrest, and particularly for the following:

(1) **Identity of appointee**—It is the duty of the appointing officer to guard against impersonation and to determine beyond reasonable doubt that the appointee is the same person whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and other pertinent papers. If the appointee qualified in a written examination, the signature on this form should be compared with the signature on the declaration sheet, which was signed in the examination room. If a physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with the previous statements.

(3) **Citizenship**—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) appropriation acts. (4) **Members of Family**—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under probational or permanent appointment in the category or service, no other member of such family is eligible for probational or permanent appointment in the competitive service. The appointments of persons entitled to veteran preference are not subject to this restriction. The members of family provision does not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for its action.

APPOINTMENT AFFIDAVITS

INFORMATION FOR APPOINTEE

NOTE.--Before he can be appointed, an applicant for a Federal position must meet certain requirements over and above the requirement that he be able to do the work he is employed to do. On the attached form you are to swear (or affirm) that you meet these requirements. In addition, there are certain restrictions upon your conduct as a Federal employee. They are set forth on this sheet. You should familiarize yourself with these restrictions and be guided by them. *Detach this portion of the form and retain it for your information and guidance.*

I. INFORMATION ABOUT APPOINTMENTS

Persons selected from competitive registers will receive either a temporary or a probational appointment.

For persons receiving a probational appointment, the first year of service is a probationary period unless a shorter period is fixed for the position by the Civil Service Commission. Satisfactory completion of probation is required for absolute appointment.

The completion of probation is required when a person who is reinstated or transferred has not previously completed a probationary period.

Persons receiving probational appointments are included under the Civil Service Retirement Act.

Appointments specifically limited to 1 year or less are usually considered temporary appointments.

For excepted appointments, a trial period may be required at the discretion of the employing agency.

II. MEMBERS-OF-FAMILY RESTRICTION

Except for persons entitled to veteran preference, no person may be probationally appointed to a position in the competitive service if there are two or more members of his family already serving in the competitive service under probational or permanent appointments. A family is defined by the Attorney General as persons who live under the same roof with the head of the family and form part of his household. When they branch out and become heads of new establishments, they cease to be part of the old family. Minors do not establish another family merely by living at an address different from that of their parents. An appointment is illegal if the appointee is disqualified by the members-of-family restriction.

III. APPOINTMENTS ARE SUBJECT TO INVESTIGATION

All probational appointments, reappointments, reinstatements, conversions to competitive appointments, inter-agency transfers, and certain temporary appointments are "subject to investigation" for an 18-month period. During this period, the Civil Service Commission has authority to instruct an agency to separate an employee for any of the reasons given below except that the Commission's authority is not limited by the 18-month period in cases described under Items 4, 5, and 8 below. The condition "subject to investigation" expires automatically at the end of 18 months of service unless an appeal on loyalty matters is pending. However, an employing agency may remove an employee for any of the reasons given below at any time.

Any of the following reasons constitutes sufficient cause for the removal of an employee from the service:

1. Conduct or capacity of such a nature that removal will promote the efficiency of the service.
2. Physical or mental unfitness for the position he holds.
3. Criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct.
4. Establishment of the fact that the employee has made intentional false statements or engaged in deception or fraud in examination or appointment.
5. Refusal to furnish testimony to the Civil Service Commission or its authorized representatives in regard to matters inquired of arising under the Civil Service Act, Rules, and Regulations.
6. Habitual use of intoxicating beverages to excess.
7. Reasonable grounds exist for belief that the person involved is disloyal to the Government of the United States (see Section IV).

8. Any legal or other disqualification which makes the applicant unfit for Federal employment.

IV. SUBVERSIVE ACTIVITY AND AFFILIATION

Section 9A of Public Law 253, 76th Congress, approved August 2, 1959, otherwise known as the "Hatch Act," provides:

"(1) It shall be unlawful for any person employed in any capacity by any agency of the Federal Government, whose compensation, or any part thereof, is paid from funds authorized or appropriated by any act of Congress, to have membership in any political party or organization which advocates the overthrow of our constitutional form of government in the United States.

"(2) Any person violating the provisions of this section shall be immediately removed from the position or office held by him, and thereafter no part of the funds appropriated by any act of Congress for such position or office shall be used to pay the compensation of such person."

Executive Order 9835 of March 21, 1947, provides:

"1. The standard for the refusal of employment or the removal from employment in an executive department or agency on grounds relating to loyalty shall be that, on all the evidence, reasonable grounds exist for belief that the person involved is disloyal to the Government of the United States.

"2. Activities and associations of an applicant or employee which may be considered in connection with the determination of disloyalty may include one or more of the following:

- a. Sabotage, espionage, or attempts or preparations therefor, or knowingly associating with spies or saboteurs;
- b. Treason or sedition or advocacy thereof;
- c. Advocacy of revolution or force or violence to alter the constitutional form of government of the United States;
- d. Intentional, unauthorized disclosure to any person, under circumstances which may indicate disloyalty to the United States, of documents or information of a confidential or nonpublic character obtained by the person making the disclosure as a result of his employment by the Government of the United States;
- e. Performing or attempting to perform his duties, or otherwise acting, so as to serve the interests of another government in preference to the interests of the United States;
- f. Membership in, affiliation with or sympathetic association with any foreign or domestic organization, association, movement, group or combination of persons, designated by the Attorney General as totalitarian, Fascist, Communist, or subversive, or as having adopted a policy of advocating or approving the commission of acts of force or violence to deny other persons their rights under the Constitution of the United States, or as seeking to alter the form of government of the United States by unconstitutional means."

The appointing officer will make available to you the list of organizations prescribed by the Attorney General upon your request.

Various appropriation acts contain a provision prohibiting the use of appropriated funds to pay the salary or wages of any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence. These acts provide that an affidavit shall be considered prima facie evidence that the person making the affidavit does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence. These acts provide further that any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence and accepts

employment the salary or wages for which are paid from any such appropriation shall be guilty of a felony, and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than 1 year, or both, and that this penalty shall be in addition to, and not in substitution for, any other provisions of law.

The affidavit referred to above is one of those to which you are required to swear (or affirm) on the attached page.

V. STRIKING AGAINST THE FEDERAL GOVERNMENT

Various appropriation acts provide that no part of the funds appropriated therein shall be used to pay the salary or wages of any person who engages in a strike against the Government of the United States or who is a member of an organization of Government employees that asserts the right to strike against the Government. Such acts provide further that any person who engages in a strike against the Government, or who is a member of an organization of Government employees that asserts the right to strike against the Government, and accepts employment the salary or wages for which are paid from any such appropriation, shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than 1 year, or both, and that this penalty shall be in addition to, and not in substitution for, any other provisions of law.

One of the affidavits on the attached page to which you are required to swear (or affirm) pertains to this provision against striking against the Government.

VI. HOLDING STATE OR LOCAL OFFICE

Federal employees are prohibited from accepting or holding an office or position under State, territorial, county, or municipal governments. There are certain specific exceptions. They are published in Civil Service Commission Form 1236. Before any person appointed to the Federal service accepts or continues to hold any office or position under a State or local government, the matter should be presented to the appropriate authorities of the agency in which he is employed for a decision as to whether he properly may accept or continue to hold such office or position.

VII. POLITICAL ACTIVITY

The terms of the act of August 2, 1939 ("Hatch Act"), as amended, prohibit officers and employees in the executive branch of the Federal Government from using official authority or influence for the purpose of interfering with an election or affecting the result thereof. Further, such officers and employees are prohibited from taking any active part in political management or in political campaigns. These prohibitions apply not only to permanent employees, but also to temporary employees, employees on leave of absence with or without compensation, and substitute employees during the period of active employment. Political activity identified with any political party in any election is prohibited.

Some of the forms of forbidden political activity are:

1. Serving on or for any political committee, party, or other similar organization.
2. Soliciting or handling political contributions.
3. Serving as officer of a political club, as member or officer of any of its committees, addressing such a club, or being active in organizing it.
4. Serving in connection with preparation for, organizing, or conducting a political meeting or rally, addressing such a meeting, or taking any other active part therein except as a spectator.
5. Engaging in political conferences while on duty, or canvassing a district or soliciting political support for a party, faction, or candidate.
6. Manifesting offensive activity at the polls, at primary or regular elections, soliciting votes, assisting voters to mark ballots, or helping to get out the voters on registration or election days.
7. Acting as recorder, checker, watcher, or challenger of any party or faction.
8. Serving in any position of election officer, in which partisanship or partisan political management may be shown.
9. Publishing or being connected editorially or managerially with any newspaper generally known as partisan from a political standpoint, or writing for publication or publishing any letter or article, signed or unsigned, in favor of or against any political party or candidate. (Ownership entirely disassociated from editorial control and managerial activities limited entirely to business management would not be regarded as being within this provision.)
10. Becoming a candidate for nomination or election to office, Federal, State, or local, which is to be filled in an election in which party candidates are involved.

11. Distributing campaign literature or material.
12. Initiating or circulating political petitions, including nomination petitions.

13. Assuming political leadership or becoming prominently identified with any political movement, party, or faction, or with the success or failure of any candidate for election to public office.

General statements as to certain activities which are considered as permissible on the part of Federal officers and employees:

1. *Voting.*—The direct language of the law specifically provides that all such persons retain the right to vote as they may choose.

2. *Expression of opinions.*—The right to express political opinions is reserved to all such persons.

NOTE: This reservation is subject to the prohibition that such persons may not take any active part in political management or in political campaigns.

3. *Contributions.*—It is lawful for any officer or employee to make a voluntary contribution to a regularly constituted political organization, provided such contributions are not made in a Federal building or to some other officer or employee within the scope of the act referred to above.

4. *Political pictures.*—It is lawful for any officer or employee to display a political picture in his home if he so desires.

5. *Badges, buttons, and stickers.*—While it is not unlawful for an officer or employee to wear a political badge or button or to display a political sticker on his private automobile (except where forbidden by local ordinance), it is felt that it is inappropriate for any public servant to make a partisan display of any kind while on duty, conducting the public business.

6. *Penalties.*—Persons appointed to positions in the Executive branch of the Federal Government are warned that the penalty for an established violation of the above mentioned political activity prohibitions is immediate removal from the service.

VIII. OFFENSES WHICH ARE PUNISHABLE BY FINE OR IMPRISONMENT

Certain other statutes prohibit Federal officers and employees from engaging in various activities under penalty of fine or imprisonment, or both. The activities prohibited by such statutes relate to such matters as political assessments, political coercion and discrimination, and purchase and sale of office. The text of these statutes is set forth in Civil Service Commission Form 1236.

Some of the activities prohibited under penalty of fine or imprisonment, or both, are as follows:

1. Solicitation or receipt of political contributions by one officer or employee from another.
2. The giving or handing over of a political contribution by one employee to another.
3. Solicitation or receipt of political contributions in a Federal building by any person, whether or not an employee of the Government.
4. Solicitation or receipt by any person of political contributions from any person receiving any benefit under any act of Congress appropriating funds for relief.
5. Solicitation or receipt of anything of value, either for personal reward or as a political contribution, in return for the use of, or the promise to use, influence to secure an appointive office under the United States.
6. Payment, or the offer of payment, for the use of influence in securing an appointive office under the United States.
7. Promising employment, compensation, or other benefit made possible by act of Congress as consideration or reward for political activity.
8. Discrimination by an officer or employee in favor of, or against, another officer or employee on account of political contributions.
9. Depriving any person on account of race, creed, or color, or political activity, of compensation or other benefit made possible by any act of Congress appropriating funds for relief.
10. Disclosure for political purposes of any list or names of persons receiving benefits under an act of Congress appropriating funds for relief and the receipt of such a list for political purposes.

IX. PROHIBITION AGAINST DISCRIMINATION

Appointing officers are required by the Civil Service Rules to act on all personnel matters "solely on the basis of merit and fitness and without regard to political or religious affiliations, marital status, or race."

X. INSTRUCTION OF APPLICANTS

Officers and employees of the Government are prohibited from instructing or teaching with a view to the special preparation of any person for civil-service examinations.

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment would be in conformity with the Civil Service Act, applicable Civil Service Rules and Regulations and acts of Congress pertaining to appointment.

This form should be checked for holding of office, pension, suitability in connection with any record of recent discharge or arrest, and particularly for the following:

(1) **Identity of appointee.**—The appointee's signature and handwriting are to be compared with the application and/or other pertinent papers. The physical appearance may be checked against the mental certificate. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) **Age.**—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such determination is made, the appointment may not be consummated.

(3) **Citizenship.**—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) appropriate acts. Form 61 constitutes an affidavit for both purposes and is acceptable proof of citizenship status in the absence of conflicting evidence. (4) **Members of Family.**—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under probational or permanent appointment in the competitive service, no other member of such family is eligible for probational or permanent appointment in the competitive service. The appointments of persons entitled to veteran preference are not subject to this requirement. The members-of-family provisions do not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for decision.

Notes for Examining Physician

WRIST.—Males, without clothing, and also in ordinary clothing without overcoat or hat (weigh twice); females, clothed, but without wrap or hat. If overweight, state whether due to bone and muscle or to fat.
Hearing.—Without boots or shoes, observe that no appliances are used to increase.
The examination should include the following observations:

1. **Eyes.**—Ptosis; discharge; corneal scar; pterygium. In recording distant vision consider 20 feet as normal and report all vision as a fraction with 20 feet as numerator and the smallest type read at 20 feet as denominator. If glasses are used, record for each eye the finding with and without glasses. Near vision must be reported. In testing vision without glasses the applicant or appointee should be instructed to remove the glasses at least one-half hour before testing uncorrected vision.
2. **Ears.**—Evidence of middle ear or mastoid disease; condition of drums; discharge. In recording hearing, record 20 feet as normal distance for conversational voice and record deviation from normal as fraction with 20 as denominator and actual distance as numerator.
3. **Nose.**—Ability to blow through each nostril. If free, a speculum examination would not be indicated.
4. **Mouth and throat.**—Missing teeth, pyorrhea; tonsils, hypertrophy or disease.
5. **Gastro-intestinal.**—Ulcers, inflammations, etc.
6. **Thyroid.**—Presence of tumor in neck and tremor, exophthalmos; nervous high-strung disposition, especially in women.
7. **Heart.**—Murmurs. State whether functional or organic. If valvular disease exists, state whether or not it is fully compensated. Arteriosclerosis.
8. **Lungs.**—It is necessary that the auscultatory cough be used. If tuberculosis is present, state whether active or arrested; if arrested, state your opinion as to how long it has been quiescent. Sputum to be examined for tubercle bacilli in all suspected cases.
9. **Hernia.**—Give details as to site, location, etc., and whether well-fitting truss is worn. Inguinal hernia exists when ring is enlarged and on coughing visceral impulse is felt which follows the finger on withdrawal.
10. **Varicocele.**—If varicocele is present, state approximate size—e. g., size of walnut, lemon, etc.
11. **Flat foot** of such a nature as to incapacitate or become aggravated by work or be alleged later to have been caused by accident or occupation. By "flat foot," as used in this form, is meant a feet foot with impaired function, the term being equivalent to "fallen or misplaced arch," an abnormal condition. Impairment of function is the point to be noted. An anatomically flat foot, but strong, is not disqualifying.
- 12 and 13. **Scars, deformities, atrophies, and paralysis** should be noted, but it is not important that small insignificant scars or blemishes which might be referred to as marks of identification be recorded.
14. This entry should include symptoms and full history of any mental or nervous abnormality.
15. **Urinalysis** to be made in case of persons over 40, and in all cases where arteriosclerosis, nephritis, or diabetes is suspected, and when obesity is found on examination.
