21 **SEC. 4. HEALTH CARE REFORM.**

22 (a) If health care reform legislation is reported (in-
23 cluding by a committee of conference), budget authority,
24 outlays, and new entitlement authority shall be allocated
25 to committees, and the total levels of budget authority,

1 outlays, and revenues shall be adjusted, to reflect such leg-
2 islation if the legislation in the form in which it will be
3 considered would not increase the total deficit for the pe-
4 riod of fiscal years 1995 through 1999.

5 (b) Upon reporting of legislation described in sub-
6 section (a) and again upon submission of a conference re-
7 port on such legislation, the chairman of the Committee
8 on the Budget shall publish in the Congressional Record
9 revised allocations under section 602(a) of the Congres-
10 sional Budget Act of 1974 and revised levels of total budg-
11 et authority, outlays, and revenues to carry out this sec-
12 tion. Such allocations and totals shall be considered as the
13 allocations and aggregates under this resolution.

14 **SEC. 5. SENSE OF THE CONGRESS.**

15 It is the sense of Congress that the following legisla-
16 tion should be enacted:

17 (1) Legislation providing enforceable limits to
18 control the growth of entitlement or mandatory
19 spending.

20 (2) Amendments to the Budget Enforcement
21 Act of 1990 to establish a regular procedure to pro-
22 vide assistance for disasters and other emergencies
23 without adding to the deficit.

1 (3) Legislation granting the President expedited
2 rescission authority over appropriations measures, as
3 provided by H.R. 1578, as passed the House.

4 **SEC. 6. SENSE OF COMMITTEE ON THE BUDGET ON SCOR-**
5 **ING HEALTH REFORM.**

6 It is the sense of the Committee on the Budget that
7 all financial transactions associated with the President's
8 health reform legislation or similar health reform legisla-
9 tion relying on mandated payments to a Government en-
10 tity be treated as part of the Federal budget, including
11 premium payments by individuals and employees to health
12 alliances (which should be treated as receipts) and pay-
13 ments by health alliances to providers (which should be
14 treated as outlays), for all purposes under the Congres-
15 sional Budget Act of 1974.

16 **SEC. 7. SENSE OF COMMITTEE ON THE BUDGET.**

17 (a) The Committee on the Budget is troubled by the
18 Federal Government's failure to enforce immigration laws
19 and secure United States borders from illegal immigra-
20 tion. The Government has also failed to investigate and
21 prosecute Federal wage and hour violations, thus creating
22 incentives to hire persons illegally in the United States
23 and exacerbating the problem of illegal immigration.

24 (b) The Committee on the Budget recognizes that the
25 Federal Government has an obligation to help fund in-

1 creasing State and local government costs directly result-
2 ing from ineffective Federal enforcement efforts in this
3 area. Therefore, the Committee assumes that adequate
4 funding in this resolution will be used to reimburse States
5 and local governments for both authorized program costs
6 and legally binding obligations associated with providing:

7 (1) Elementary and secondary education for un-
8 documented children in the public schools.

9 (2) Emergency medical assistance to undocu-
10 mented persons.

11 (3) Law enforcement resources and personnel
12 to incarcerate and supervise parole of criminal
13 aliens. This funding can either be used by the Fed-
14 eral Government to take into custody and incarcer-
15 ate criminal aliens or to reimburse States and local
16 governments for their associated costs.

17 (4) Services incidental to admission of refugees
18 under the Refugee Admission and Resettlement pro-
19 gram.

20 **SEC. 8. SENSE OF THE CONGRESS REGARDING RESERVE**
21 **FUNDS FOR EMERGENCIES.**

22 It is the sense of Congress that—

23 (1) the emergency designation under section
24 251 of the Balanced Budget and Emergency Deficit
25 Control Act of 1985 has repeatedly been invoked to

1 circumvent the discretionary spending limits for
2 other than emergency purposes;

3 (2) amounts for emergencies should be set aside
4 within a reserve fund and subject to the discre-
5 tionary spending limit;

6 (3) the reserve fund shall total 1 percent of an-
7 nual budget outlays; and

8 (4) emergency funding requirements in excess
9 of amounts held in the reserve fund should be offset
10 by a reduction in appropriations.

11 **SEC. 9. SENSE OF THE CONGRESS REGARDING UNFUNDED**
12 **MANDATES.**

13 It is the sense of Congress that—

14 (1) the Federal Government should not dimin-
15 ish the fiscal autonomy of State and local govern-
16 ments over their own sources of revenue;

17 (2) the Federal Government should not shift
18 the costs of administering Federal entitlements to
19 State and local governments;

20 (3) the Federal Government's share of entitle-
21 ment programs should not be capped without provid-
22 ing States authority to amend their financial or pro-
23 grammatic responsibilities to continue meeting the
24 mandated service; and

1 (4) Congress should develop a mechanism to en-
2 sure that the costs of mandates are considered dur-
3 ing deliberations on authorizing legislation.

4 **SEC. 10. SENSE OF THE CONGRESS REGARDING BASELINES.**

5 (a) FINDINGS.—The Congress finds that—

6 (1) the baseline budget shows the likely course
7 of Federal revenues and spending if policies remain
8 unchanged;

9 (2) baseline budgeting has given rise to the
10 practice of calculating policy changes from an in-
11 flated spending level; and

12 (3) the baseline concept has been misused to
13 portray policies that would simply slow down the in-
14 crease in spending as spending reductions.

15 (b) SENSE OF CONGRESS.—It is the sense of the
16 Congress that—

17 (1) the President should submit a budget that
18 compares proposed spending levels for the budget
19 year with the current year; and

20 (2) the starting point for deliberations on a
21 budget resolution should be the current year.
