## CONCURRENT RESOLUTION

Expressing the sense of Congress in opposition to the efforts of certain groups to impose a sexual agenda on the children of the United States.

Whereas certain groups, including the Adolescent Pregnancy and Parenthood Advisory Council of Texas (referred to in this resolution as “APPAC”) advocate the enactment of legislation to provide for the distribution in public school systems of contraceptives and off-campus reproductive health care, including abortion, without parental knowledge or consent;

Whereas the Sex Information and Education Council of the United States (referred to in this resolution as “SIECUS”) advocates the compulsory teaching, in progressive stages from grades K–12, that homosexuality is equal to heterosexuality, that homosexual and lesbian

marriages offer all the advantages of traditional families, and that “. . . . legal abortion is very safe” and acceptable;

Whereas both APPAC and SIECUS advocate not only compulsory public school instruction, using both visual and graphic techniques, of conventional and deviant sexuality but also a “Teen Bill of Rights” that would remove parental consent and religious considerations as factors in teenage sexual activity and abortion;

Whereas abundant medical, pedagogical, and psychological evidence contradicts and accordingly renders suspect the claims of APPAC and SIECUS; and

Whereas the legislative agenda advocated by APPAC and SIECUS represents an unacceptable departure from the prevailing ethical values of the Nation: Now, therefore, be it

1        *Resolved by the House of Representatives (the Senate*  
 2 *concurring)*, That it is the sense of the Congress that it  
 3 opposes the proposals of the Adolescent Pregnancy and  
 4 Parenthood Advisory Council of Texas and the Sex Infor-  
 5 mation and Education Council of the United States.
