## A BILL

To amend the Geothermal Steam Act of 1970 (30 U.S.C. 1001-1027), and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 *This Act may be cited as the "Old Faithful Protection*  
5 *Act of 1993".*

1 **SEC. 2. FINDINGS AND PURPOSES.**

2 (a) *FINDINGS.*—*The Congress finds that—*

3 (1) *Yellowstone National Park is a unique and*  
4 *irreplaceable national and international treasure and*  
5 *part of one of the few remaining undisturbed hydro-*  
6 *thermal systems in the world;*

7 (2) *there is a risk that unrestricted groundwater*  
8 *use or hydrothermal or geothermal resource develop-*  
9 *ment adjacent to Yellowstone National Park in the*  
10 *States of Montana, Wyoming, and Idaho will inter-*  
11 *fere or adversely affect the hydrothermal and geo-*  
12 *thermal features of such Park or the management of*  
13 *relevant mineral resources;*

14 (3) *further research is needed to understand the*  
15 *characteristics of the protected systems and features*  
16 *and the effects of development on such systems and*  
17 *features on lands outside of Yellowstone National*  
18 *Park but within the Yellowstone Protection Area, as*  
19 *such area is defined in this Act;*

20 (4) *preservation and protection, free from injury*  
21 *or impairment, of the hydrothermal system associated*  
22 *with and the features within Yellowstone National*  
23 *Park is a benefit to the people of the United States*  
24 *and the world;*

25 (5) *cooperation between the United States and*  
26 *the States of Montana, Idaho, and Wyoming to pro-*

1     *tect and preserve Yellowstone National Park is desir-*  
2     *able; and*

3             *(6) as a settlement of litigation concerning water*  
4     *rights, including the reserved water rights of the*  
5     *United States associated with units of the National*  
6     *Park System in Montana, the Department of the Inte-*  
7     *rior and the Department of Justice, on behalf of the*  
8     *United States, and a Compact Commission, on behalf*  
9     *of the State of Montana, have developed a Compact*  
10    *that, when ratified by the State and signed by the*  
11    *Secretary of the Interior and the Attorney General of*  
12    *the United States, will constitute such a settlement of*  
13    *litigation concerning matters within its scope and*  
14    *which, in Article IV, also establishes a program for*  
15    *regulation of development and use of groundwater in*  
16    *areas adjacent to Yellowstone National Park.*

17    *(b) PURPOSES.—The purposes of this Act are—*

18             *(1) to require the Secretary to take the necessary*  
19    *actions to preserve and protect the hydrothermal sys-*  
20    *tem associated with, and the hydrothermal and geo-*  
21    *thermal features within, Yellowstone National Park*  
22    *from injury or impairment by protecting the Federal*  
23    *reserved water rights of Yellowstone National Park;*

24             *(2) to provide a framework for management by*  
25    *the States of Montana, Wyoming, and Idaho of regu-*

1 *lated resources outside of but significantly related to*  
2 *Yellowstone National Park to the extent such States*  
3 *implement appropriate approved programs for such*  
4 *management that are adequate to preserve and pro-*  
5 *tect, free from injury or impairment, the protected*  
6 *systems and features;*

7 *(3) to authorize, as provided in section 8, ap-*  
8 *proval of Article IV of the Compact as such an appro-*  
9 *priate State program; and*

10 *(4) to require relevant research.*

15 **SEC. 6. RESEARCH.**

16 *(a) IN GENERAL.—The National Park Service, in con-*  
17 *sultation with the Forest Service, the United States Geologi-*  
18 *cal Survey, and each State agency implementing an ap-*  
19 *proved State program, shall research the characteristics of*

22 *fects) of hydrothermal, geothermal, mineral, or other re-*  
23 *sources development (including development of groundwater*  
24 *other than regulated resources) on such systems and fea-*

1 tures, and periodically inform Congress concerning the re-  
2 sults of such inventory and research.

3 (b) *UNDER STATE PROGRAM.*—If an approved State  
4 program provides for research described in subsection (a),  
5 the Secretary, in cooperation with the relevant State, may  
6 conduct such research in areas within and adjoining Yel-  
7 lowstone National Park.

8 (c) *NONINTRUSIVE METHODOLOGIES.*—Except for re-

17 applicable to the relevant unit.

18 **SEC. 7. STATE MANAGEMENT PROGRAMS.**

19 (a) *DEVELOPMENT.*—The States of Montana, Wyo-  
20 ming, and Idaho are encouraged to develop State programs

8 *thority to grant permits under subsection (b) for the use*  
9 *(including research), production, exploration, or develop-*  
10 *ment of any regulated resources within the Yellowstone Pro-*  
11 *tection Area.*

12 *(2) Notwithstanding any other provision of law, no*  
13 *permit issued prior to the date of enactment of this Act*  
14 *shall be deemed to have been issued in the implementation*  
15 *of an approved State program, but in the event that after*  
16 *the date of enactment of this Act the Secretary, on the basis*  
17 *of research pursuant to section 6, determines that ground-*  
18 *water with a temperature of 59 degrees Fahrenheit or less*  
19 *has characteristics that indicate it may be directly related*  
20 *to the protected systems and features, a permit issued prior*  
21 *to such determination with respect to such groundwater*  
22 *shall not be invalidated unless, pursuant to the procedures*  
23 *in an approved State program it is determined that contin-*  
24 *ued utilization of the groundwater covered by such permit*  
25 *would be inconsistent with the purposes of this Act.*

1           (3)(A) *The Secretary shall monitor the implementation*  
2 *of an approved State program (including the State's en-*  
3 *forcement thereof) to assure consistency with the require-*  
4 *ments of this Act.*

5           (B) *The Secretary may suspend implementation of an*

8 *manner consistent with this Act. During any such suspen-*  
9 *sion, no permit granted under such program shall be effec-*  
10 *tive except to the extent the Secretary determines that the*  
11 *permitted activities would be consistent with the purposes*  
12 *of this Act.*

21 *protection of the protected systems and features.*

22           (2) *The Secretary shall not approve any State pro-*  
23 *gram submitted under this section until the Secretary has—*

1        *agencies the Secretary determines are concerned with*  
2        *the proposed State program;*

3            *(B) solicited, publicly disclosed, and considered*  
4        *the views of the public; and*

11        *program in whole or in part.*

12            *(B) If the Secretary disapproves any proposed State*  
13        *program, in whole or in part, the Secretary shall notify*  
14        *the State in writing of the decision and set forth in detail*  
15        *the reasons therefor. The State may submit a revised State*  
16        *program or portion thereof.*

18        *gram that does not, at a minimum—*

19            *(A) include ongoing scientific review of restric-*  
20        *tions, boundaries, and permits applicable to the devel-*  
21        *opment of a regulated resource;*

22            *(B) require that, in conducting the scientific re-*  
23        *view referred to in subparagraph (A) and in imple-*  
24        *menting the State program, any doubt shall be re-*

1 *solved in favor of protection of the protected systems*  
2 *and features;*

3 *(C) allow the State agency authorized to admin-*  
4 *ister the program to reject recommendations based on*  
5 *the scientific review referred to in subparagraph (A),*  
6 *to the extent such rejection is necessary to guarantee*  
7 *no adverse effect on the hydrothermal system within*  
8 *Yellowstone National Park; and*

9 *(D) enable citizens of such State to obtain judi-*  
10 *cial review of actions taken by the State agency im-*  
11 *plementing the program to the extent necessary to as-*  
12 *sure that such actions are consistent with all applica-*  
13 *ble law, including this Act.*

14 *(e) SCOPE.—Except to the extent an approved State*  
15 *program is being implemented by a State, section 5(a) of*  
16 *this Act shall apply to the Yellowstone Protection Area.*

17 *(f) MODIFICATION OF YELLOWSTONE PROTECTION*  
18 *AREA.—(1) The boundaries of the Yellowstone Protection*  
19 *Area in a State may be modified pursuant to an approved*  
20 *State program to the extent such modification is approved*  
21 *by the Secretary.*

22 *(2) The Secretary shall not approve any such modi-*  
23 *fication that the Secretary finds would not be consistent*  
24 *with the purposes of this Act.*

1       (3) *The Secretary shall revise the map of the Yellow-*  
2 *stone Protection Area to reflect any approved boundary*  
3 *modifications.*

4       (4) *If an approved State program includes procedures*  
5 *for the exercise of the Secretary's authority to approve*  
6 *modifications of the boundaries of the Yellowstone Protec-*  
7 *tion Area, the Secretary shall follow such procedures.*

8       (g) *COOPERATIVE AGREEMENTS.—The Secretary is*  
9 *authorized to enter into cooperative agreements with the*  
10 *States of Montana, Idaho, and Wyoming and with the Sec-*  
11 *retary of Agriculture to fulfill the purposes of this Act.*

12       (h) *FEDERAL FINANCIAL ASSISTANCE.—(1) Subject to*  
13 *appropriation, the Secretary may provide financial assist-*  
14 *ance for the implementation of an approved State program.*  
15 *In providing such assistance, the Secretary may enter into*  
16 *appropriate funding agreements, including grants and co-*  
17 *operative agreements, with a State agency or agencies, upon*  
18 *such terms and conditions as the Secretary deems appro-*

22 *and any other earnings thereon, shall be available for use*  
23 *by the State only under the terms and conditions of the*  
24 *approved State program and an agreement entered into*

1 *with the Secretary under this subsection and shall not be*  
2 *used by the State for any other purpose.*

3 **SEC. 8. MONTANA PROGRAM.**

4 *(a) APPROVAL.—(1) The Congress finds that Article IV*  
5 *of the compact, when implemented, will fulfill the purposes*  
6 *of this Act regarding the protection of the protected systems*  
7 *and features.*

8 *(2) All provisions of section 7 are applicable to this*  
9 *section, except for purposes of section 7(d)(1) the Compact*  
10 *shall be deemed to have been submitted to the Secretary,*  
11 *and, notwithstanding sections 7(d)(2), 7(d)(3), and 7(d)(4),*  
12 *once signed by the Secretary and the Attorney General of*  
13 *the United States, Article IV thereof shall be considered an*  
14 *approved State program for regulation of groundwater re-*  
15 *sources, including the hydrothermal resources within the*  
16 *Montana portion of the Yellowstone Protection Area. Article*  
17 *IV of the Compact shall not be considered an approved State*  
18 *program for the management of regulated resources within*  
19 *the Montana portion of the Yellowstone protection area*  
20 *other than groundwater resources.*

21 *(b) SCOPE.—Nothing in this Act shall be construed as*  
22 *amending the Compact or as altering its status in relation-*  
23 *ship to any litigation with regard to water rights.*

13 aries of the Yellowstone Protection Area or to suspend the  
14 implementation of an approved State program.

15 **SEC. 9. IDAHO PROGRAM.**

19 *take any steps required or permitted by this Act, if*  
20 *those steps are necessary to fulfill the purposes of this*  
21 *Act; or*
