1 *SEC. 8159. SENSE OF CONGRESS ON THE USE OF*
2 *FUNDS FOR UNITED STATES MILITARY OPERATIONS IN*
3 *HAITI.—(a) STATEMENT OF POLICY.—It is the sense of the*
4 *Congress that—*

5 *(1) all parties should honor their obligations*
6 *under the Governors Island Accord of July 3, 1993*
7 *and the New York Pact of July 16, 1993;*

8 *(2) the United States has a national interest in*
9 *preventing uncontrolled emigration from Haiti; and*

10 *(3) the United States should remain engaged in*
11 *Haiti to support national reconciliation and further*
12 *its interest in preventing uncontrolled emigration.*

13 *(b) LIMITATION.—It is the sense of Congress that funds*
14 *appropriated by this Act should not be obligated or ex-*
15 *pended for United States military operations in Haiti un-*
16 *less—*

17 *(1) authorized in advance by the Congress; or*

18 *(2) the temporary deployment of United States*
19 *Armed Forces into Haiti is necessary in order to pro-*
20 *tect or evacuate United States citizens from a situa-*
21 *tion of imminent danger and the President reports as*
22 *soon as practicable to Congress after the initiation of*
23 *the temporary deployment, but in no case later than*
24 *forty eight hours after the initiation of the temporary*
25 *deployment; or*

1 (3) *the deployment of United States Armed*
2 *Forces into Haiti is vital to the national security in-*
3 *terests of the United States, including but not limited*
4 *to the protection of American citizens in Haiti, there*
5 *is not sufficient time to seek and receive Congres-*
6 *sional authorization, and the President reports as*
7 *soon as practicable to Congress after the initiation of*
8 *the deployment, but in no case later than forty eight*
9 *hours after the initiation of the deployment; or*

10 (4) *the President transmits to the Congress a*
11 *written report pursuant to subsection (c).*

12 (c) *REPORT.—It is the sense of Congress that the limi-*
13 *tation in subsection (b) should not apply if the President*
14 *reports in advance to Congress that the intended deploy-*
15 *ment of United States Armed Forces into Haiti—*

16 (1) *is justified by United States national secu-*
17 *rity interests;*

18 (2) *will be undertaken only after necessary steps*
19 *have been taken to ensure the safety and security of*
20 *United States Armed Forces, including steps to ensure*
21 *that United States Armed Forces will not become tar-*
22 *gets due to the nature of their rules of engagement;*

23 (3) *will be undertaken only after an assessment*
24 *that—*

1 (A) *the proposed mission and objectives are*
2 *most appropriate for the United States Armed*
3 *Forces rather than civilian personnel or armed*
4 *forces from other nations, and*

5 (B) *that the United States Armed Forces*
6 *proposed for deployment are necessary and suffi-*
7 *cient to accomplish the objectives of the proposed*
8 *mission;*

9 (4) *will be undertaken only after clear objectives*
10 *for the deployment are established;*

11 (5) *will be undertaken only after an exit strategy*
12 *for ending the deployment has been identified; and*

13 (6) *will be undertaken only after the financial*
14 *costs of the deployment are estimated.*

15 (d) *DEFINITION.—As used in this section, the term*
16 *“United States military operations in Haiti” means the*
17 *continued deployment, introduction or reintroduction of*
18 *United States Armed Forces into the land territory of*
19 *Haiti, irrespective of whether those Armed Forces are under*
20 *United States or United Nations command, but does not*
21 *include activities for the collection of foreign intelligence,*
22 *activities directly related to the operations of United States*
23 *diplomatic or other United States Government facilities, or*
24 *operations to counter emigration from Haiti.*

25 **(222)**Page 123, after line 17 insert:

1 *control of foreign commanders on numerous occasions,*
2 *including during two World Wars.*

3 *(2) Regional security organizations, such as the*
4 *North Atlantic Treaty Organization, are premised on*
5 *military operations by the forces of a number of na-*
6 *tions under an integrated chain of command consist-*
7 *ing of officers from member nations.*

8 *(3) The end of the Cold War has seen a substan-*
9 *tial increase in the conduct of international “peace-*
10 *keeping” and “peace enforcement” operations pursu-*
11 *ant to decisions of the United Nations Security Coun-*
12 *cil under Chapters VI and VII of the United Nations*
13 *Charter.*

14 *(4) The United Nations has conducted tradi-*
15 *tional “peacekeeping” operations successfully over the*
16 *years, but the number and size of such operations has*
17 *stretched the Organization’s management and over-*
18 *sight capabilities thin.*

19 *(5) The United Nations has not yet acquired the*
20 *expertise or infrastructure to enable it to effectively*
21 *manage “peace enforcement” operations.*

22 *(6) Any special agreement negotiated by the*
23 *President with the United Nations Security Council*
24 *to make units of the United States Armed Forces*
25 *available on call to the United Nations must be ap-*

1 *proved by the Congress pursuant to the United Na-*
2 *tions Participation Act, enacted into law in 1945.*

3 *(7) Any decision by the President to place com-*
4 *bat forces of the Armed Forces of the United States*
5 *under the operational control of foreign commanders,*
6 *other than pursuant to the North Atlantic Treaty and*
7 *other arrangements in effect at the time of the enact-*
8 *ment of this Act, has significant consequences for such*
9 *forces, the Congress, and the American people.*

10 *SEC. 9002. It is the sense of the Congress that—*

11 *(1) the Armed Forces of the United States must*
12 *be under the operational control of qualified com-*
13 *manders; and must have clear and effective command*
14 *and control arrangements; appropriate rules of en-*
15 *gagement; and clear and unambiguous mission state-*
16 *ments;*

17 *(2) the President should consult with Congress*
18 *before placing combat forces of the Armed Forces of*
19 *the United States under the operational control of for-*
20 *oreign commanders, other than pursuant to the North*
21 *Atlantic Treaty and other arrangements in effect at*
22 *the time of the enactment of this Act; and*

23 *(3) the President should submit a report to Con-*
24 *gress within 48 hours after placing combat forces of*
25 *the Armed Forces of the United States under the oper-*

1 *ational control of foreign commanders, other than*
2 *pursuant to the North Atlantic Treaty and other ar-*
3 *rangements in effect at the time of the enactment of*
4 *this Act, setting forth—*

5 *(A) the mission of such forces and a clear*
6 *explanation of the difference, if any, between the*
7 *mission of such forces and the mission of the*
8 *forces of other nations participating in the same*
9 *military operations;*

10 *(B) in a case in which the operation is con-*
11 *ducted under the auspices of the United Nations,*
12 *an assessment of the United Nations capability*
13 *to effectively manage the operation;*

14 *(C) an explanation of the United States in-*
15 *terest that would be served by and the justifica-*
16 *tion for placing such forces under the operational*
17 *control of a foreign commander in this instance;*

18 *(D) the command and control arrangements*
19 *for the operation of which the forces of the Armed*
20 *Forces of the United States are a part;*

21 *(E) the number, type and general descrip-*
22 *tion of equipment of such forces;*

23 *(F) the estimated cost to the United States*
24 *of the participation of such forces;*

1 *Order 10436 (1953), to recognize the cultural and humani-*
2 *tarian value of assuring meaningful, safe use of the Island*
3 *for appropriate cultural, historical, archaeological and edu-*
4 *cational purposes as determined by the State of Hawaii and*
5 *to provide for the clearance or removal of unexploded ord-*
6 *nance and for the environmental restoration of the Island*
7 *for such purposes. Congress also finds it is in the national*
8 *interest and an essential element in the Federal Govern-*
9 *ment's relationship with the State of Hawaii to ensure that*
10 *the conveyance, clearance or removal of unexploded ord-*
11 *nance, environmental restoration, control of access to the*
12 *Island and future use of the Island be undertaken in a man-*
13 *ner consistent with the enhancement of that relationship,*
14 *the Department of Defense's military mission and the Fed-*
15 *eral interest.*

16 *(b) MODEL DEMONSTRATION PROJECT.—It is in the*
17 *national interest that the clearance or removal of*
18 *unexploded ordnance and the environmental restoration of*
19 *Kaho'olawe serve as a model demonstration project that in-*
20 *corporates the use of innovative technologies and a remedy*
21 *selection process that will expedite and economize such*
22 *clearance or removal and environmental restoration while*
23 *maintaining meaningful participation by affected parties*
24 *and assuring the protection of human health and the envi-*
25 *ronment.*

1 (c) *CONVEYANCE.*—Subject to section 10001(d) and
2 section 10008(b) of this Act, the United States, through the
3 Secretary of the Navy (also, hereinafter, “the Secretary”),
4 shall convey and return, without consideration and without
5 conditions other than those set forth in this title, to the State
6 of Hawaii all right, title and interest of the United States,

9 consisting of approximately 28,776 acres of land known as
10 Kaho’olawe Island, Hawaii and its surrounding waters.
11 Such conveyance of title shall occur no later than 180 days
12 from the date of enactment of this Act and the appropria-

14 (d) *DESCRIPTION OF PROPERTY.*—The exact acreage
15 and legal description of the parcel of property to be con-
16 veyed under section 10001(c) shall be determined by a sur-
17 vey that is deemed satisfactory by the State of Hawaii in
18 consultation with the Secretary. The cost of the survey shall
19 be borne by the Secretary, making use of funds provided
20 pursuant to this title.

21 **SEC. 10002. ORDNANCE CLEARANCE OR REMOVAL ON**
22 **KAHO’OLAWA ISLAND, HAWAII.**

23 (a) *ORDNANCE CLEARANCE OR REMOVAL.*—(1) Subject
24 to section 10008(b) of this Act, the Secretary of the Navy

3 (A) detect and clear or remove from Kaho'olawe
4 Island and its adjacent waters, all unexploded ord-

6 waste associated with such ordnance or with the use
7 of Kaho'olawe Island by the United States for bomb-
8 ing training, gunnery training, or other munitions
9 training.

10 (2) Kaho'olawe Island shall be restored for use in ac-
11 cordance with the following requirements:

12 (A) TIER ONE RESTORATION AREA.—The entire
13 Island shall, in a manner consistent with the pur-
14 poses of this title and with the protection of surface
15 and below surface historical and cultural sites and
16 artifacts, be restored to a condition that is reasonably
17 safe for human access and visitation and in accord-
18 ance with standard methodologies for such restoration
19 as determined by the Secretary in accordance with
20 the purposes of this title. Subsequent to the transfer
21 to the State of Hawaii of responsibility for the control
22 of access, as provided in section 10006 of this Act, the
23 Navy shall continue to undertake, upon the reasonable
24 request of the State, and at regular intervals, reason-
25 able and prudent clean-up measures using standard

1 *methodologies. Within such Tier One Restoration*
2 *Area, and in accordance with sections 10005 and*

15 *(iv) below and in accordance with the best available*
16 *technology and methodology for such restoration:*

17 *(i)(a) not more than approximately 4,700*
18 *acres for the purpose of grasslands and related*
19 *uses; and (b) those locations, including trails,*
20 *roads and historical, cultural and archaeological*

16 than three locations to be used as heliports.

17 (C) DESCRIPTION OF TIER TWO RESTORATION
18 ENCLAVES.—The precise description for the Tier Two
19 Restoration Enclaves, prepared through standard
20 methodologies, shall be submitted to the Navy by the
21 State of Hawaii within 180 days of the enactment of
22 this Act. Any reasonable enlargement to the size or
23 modification to the location of the Tier Two Restora-
24 tion Enclaves shall be agreed to by the Secretary of
25 the Navy. Such reasonable enlargement or modifica-

1 *tion shall be determined and undertaken within the*
2 *time period identified in section 10002(a)(3). The cost*
3 *of such enlargement or modification shall be borne by*
4 *the Secretary, making use only of funds provided pur-*
5 *suant to this title.*

6 *(3) The Secretary shall commence the activities de-*
7 *scribed in sections 10002(a) (1) and (2) as soon as possible*
8 *but not later than 180 days after the enactment of this Act*
9 *and continue such activities in accordance with reasonable*
10 *expedition until completed. Such activities required in sec-*
11 *tion 10002 shall be completed within 10 years of the enact-*
12 *ment of this Act and the appropriation of funds for such*
13 *activities.*

14 *(4) Notwithstanding any other provision of section*
15 *10002, the Secretary shall retain the control of access to*
16 *the Island, in consultation with the State of Hawaii and*
17 *prior to and following the entering into force of the Memo-*

19 *this Act, until clearance and restoration is completed and*
20 *control of access is transferred to the State of Hawaii.*

21 *(5) The Secretary shall carry out the requirements of*
22 *section 10002 following consultation with the State of Ha-*
23 *waii as required by section 10006 of this Act and with the*
24 *technical and logistical support, as needed, of the United*
25 *States Army Corps of Engineers and other Federal agencies.*

1 (6) *No Federal permit shall be required by the United*
2 *States, its departments, agencies or instrumentalities for*
3 *any portion of the removal, restoration and clean-up work*
4 *pursuant to the Act and conducted entirely on Kaho'olawe*
5 *Island or in its adjacent waters.*

6 (7) *Except as provided in section 10004 regarding li-*
7 *ability and in section 10003 regarding the completion of*
8 *activities and in section 10002(a)(2)(A) regarding regular*
9 *interval clean-ups and new discoveries of previously unde-*
10 *tected ordnance, the Secretary's obligations and responsibil-*
11 *ities under this title shall terminate 10 years after the en-*

24 *unexploded ordnance and other substances, refuse and*
25 *waste, if any, that are located—*

1 (i) on Kaho'olawe Island; and

2 (ii) in the waters adjacent to Kaho'olawe Island.

3 (B) The cost of the studies and appraisals referred to
4 in section 10003(a)(1)(A) shall be borne by the Secretary,
5 making use of funds provided pursuant to this title.

6 (b) REMEDIATION OF HAZARDOUS AND ENVIRON-

10 by this title, and that the aforementioned activities are con-
11 sidered a model demonstration project, Kaho'olawe Island
12 is exempt from placement on the National Priorities List.
13 Notwithstanding that conveyance of title to Kaho'olawe Is-

16 of the studies and appraisals referred to in section
17 10003(a)(1)(A), the Navy shall carry out remediation,

4 *sponses shall be borne by the Secretary, making use of funds*
5 *provided pursuant to this title.*

6 (2) *In this title, the terms “response”, “removal”, “re-*
7 *mediation” and “hazardous substance” have the meanings*
8 *given such terms in 42 U.S.C. 9601 (14), (23), (24) and*

16 *actions arising from and relating to the use and environ-*
17 *mental remediation of Kaho’olawe Island and its adjacent*
18 *waters by the United States that, through Federal court*
19 *order, may be held applicable to Kaho’olawe Island.*

2 *in section 10002 of this Act.*

3 (b) *During the time period the United States retains*
4 *control of access to the Island, the United States shall hold*

12 *unexploded ordnance, solid waste associated with such ord-*
13 *nance or hazardous substance, pollutant or contaminant re-*
14 *sulting from the activities of the Department of Defense, in-*
15 *cluding the activities of the Department of the Navy and*
16 *the Department of the Army and any agent, employee, les-*

18 *property during such time that the property was and re-*
19 *mains under the control of the Department of Defense,*
20 *Navy, Army or other agencies of the United States Govern-*
21 *ment.*

22 (c) *Nothing in this title is intended to alter or affect*
23 *the Federal or State requirements of law governing liability*
24 *following the transfer of control of access to the State of*
25 *Hawaii, except that the United States shall remain liable*

1 *for the acts or omissions of its contractors in carrying out*
2 *the activities required under this title in the same manner*
3 *as if the United States engaged in the performance of the*
4 *tasks delegated to its contractors.*

13 *Memorandum of Understanding required by section 10006*
14 *of this Act, concerning Kaho'olawe Island and its adjacent*
15 *waters. Such funds as are provided by the Secretary for*
16 *the purpose of carrying out this section shall be made avail-*
17 *able to the State by the Secretary from funds made avail-*

19 *of Hawaii following the submission of a plan containing*
20 *the elements identified in subsection (a)(2) of this section.*

21 *(2) The State of Hawaii shall use the funds made*
22 *available pursuant to this section for the purposes of carry-*

2 **AND THE STATE OF HAWAII AND TRANSFER**

8 *State of Hawaii, as the case may be, in carrying out their*
9 *respective duties under this title.*

10 *(2) Within 180 days following passage of this Act the*
11 *Secretary shall consult with and enter into a Memorandum*

6 *and (v) public participation, as appropriate, including the*
7 *opportunity for public comment and hearing. Under any*
8 *such terms and conditions, the Secretary shall be assured*
9 *full and necessary access to carry out the obligations of the*
10 *Secretary arising out of the responsibilities and liabilities*
11 *of this title. Such terms and conditions shall remain in ex-*
12 *istence until the completion of the restoration and remedi-*
13 *ation activities required by section 10002 of this Act and*
14 *be revised periodically by mutual consent and giving due*
15 *regard to the importance of access to the Island as the level*
