"SEC. 1701. AUTHORITY TO MAKE PUBLIC SAFETY AND COMMUNITY POLICING GRANTS.

''(a) GRANT AUTHORIZATION.—The Attorney General is authorized to make grants to units of State and

local government, and to other public and private entities, to increase police presence, to expand and improve cooperative efforts between law enforcement agencies and members of the community to address crime and disorder problems, and otherwise to enhance public safety.

''(b) REHIRING AND HIRING GRANT PROJECTS.—Grants made under the authority of subsection (a) of this section may be used for programs, projects, and other activities to—

''(1) rehire law enforcement officers who have been laid off as a result of State and local budget reductions for deployment in community-oriented policing; and

''(2) hire new, additional career law enforcement officers for deployment in community-oriented policing across the Nation.

''(c) ADDITIONAL GRANT PROJECTS.—Grants made under the authority of subsection (a) of this section also may include programs, projects, and other activities to—

''(1) increase the number of law enforcement officers involved in activities that are focused on interaction with members of the community on proactive crime control and prevention by redeploying officers to such activities;

''(2) provide specialized training to law enforcement officers to enhance their conflict resolution, mediation, problem solving, service, and other skills needed to work in partnership with members of the community;

''(3) increase police participation in multidisciplinary early intervention teams;

''(4) develop new technologies to assist State and local law enforcement agencies in reorienting the emphasis of their activities from reacting to crime to preventing crime;

''(5) develop and implement innovative programs to permit members of the community to assist State and local law enforcement agencies in the prevention of crime in the community;

''(6) establish innovative programs to reduce, and keep to a minimum, the amount of time that law enforcement officers must be away from the community while awaiting court appearances;

''(7) establish and implement innovative programs to increase and enhance proactive crime control and prevention programs involving law enforcement officers and young persons in the community; and

''(8) develop and establish new administrative and managerial systems to facilitate the adoption of community-oriented policing as an organization-wide philosophy.

''(d) PREFERENTIAL CONSIDERATION OF APPLICATIONS FOR CERTAIN GRANTS.—In awarding grants under this part, the Attorney General may give preferential consideration to grants for hiring and rehiring additional career law enforcement officers that involve a non-Federal contribution exceeding the 25 percent minimum under subsection (h) of this section.

''(e) TECHNICAL ASSISTANCE.—(1) The Attorney General may provide technical assistance to units of State and local government, and to other public and private entities, in furtherance of the purposes of section 101 of the Violent Crime Control and Law Enforcement Act of 1993.

''(2) The technical assistance provided by the Attorney General may include the development of a flexible model that will define for State and local governments, and other public and private entities, definitions and strategies associated with community or problem-oriented policing and methodologies for its implementation.

In relation to a grant for a period exceeding 1 year for hiring or rehiring career law enforcement officers, the Federal share shall decrease from year to year, looking towards the continuation of the increased hiring level using State or local sources of funding following the conclusion of Federal support, as provided in an approved plan pursuant to section 1702(c)(8) of this part.

''(b) GRANTS FOR HIRING.—Grants made for hiring or rehiring additional career law enforcement officers may be renewed for up to five years, subject to the requirements of subsection (a) of this section, but notwithstanding the limitation in that subsection concerning the number of years for which grants may be renewed.

"SEC. 1706. PERFORMANCE EVALUATION.

''(a) EVALUATION COMPONENTS.—Each program, project, or activity funded under this part shall contain an evaluation component, developed pursuant to guidelines established by the Attorney General. The evaluations required by this subsection shall include outcome measures that can be used to determine the effectiveness of the funded programs, projects, and activities. Outcome measures may include crime and victimization indicators, quality of life measures, community perceptions, and police perceptions of their own work.

''(b) PERIODIC REVIEW AND REPORTS.—The Attorney General shall review the performance of each grant recipient under this part. The Attorney General may require a grant recipient to submit to the Attorney General the results of the evaluations required under subsection (a) and such other data and information as the Attorney General deems reasonably necessary to carry out the responsibilities under this subsection.

"SEC. 1707. REVOCATION OR SUSPENSION OF FUNDING.

''If the Attorney General determines, as a result of the reviews required by section 1706 of this part, or otherwise, that a grant recipient under this part is not in sub-

stantial compliance with the terms and requirements of an approved grant application submitted under section 1702 of this part, the Attorney General may revoke or suspend funding of that grant, in whole or in part.

"SEC. 1708. ACCESS TO DOCUMENTS.

"§ 3593. Special hearing to determine whether a sentence of death is justified

''(a) NOTICE BY THE GOVERNMENT.—If, in a case involving an offense described in section 3591, the attorney for the government believes that the circumstances of the offense are such that a sentence of death is justified under this chapter, the attorney shall, a reasonable time before the trial or before acceptance by the court of a plea of guilty, sign and file with the court, and serve on the defendant, a notice—

''(1) stating that the government believes that the circumstances of the offense are such that, if the defendant is convicted, a sentence of death is justi-

fied under this chapter and that the government will seek the sentence of death; and

''(2) setting forth the aggravating factor or factors that the government, if the defendant is convicted, proposes to prove as justifying a sentence of death.

The factors for which notice is provided under this subsection may include factors concerning the effect of the offense on the victim and the victim's family, and may include oral testimony, a victim impact statement that identifies the victim of the offense and the extent and scope of the injury and loss suffered by the victim and the victim's family, and any other relevant information. The court may permit the notice to include any aggravating factor that is not an element of the underlying offense. The court may also permit the attorney for the government to amend the notice upon a showing of good cause.

''(b) HEARING BEFORE A COURT OR JURY.—If the attorney for the government has filed a notice as required under subsection (a) and the defendant is found guilty of or pleads guilty to an offense described in section 3591, the judge who presided at the trial or before whom the guilty plea was entered, or another judge if that judge is unavailable, shall conduct a separate sentencing hearing

to determine the punishment to be imposed. The hearing shall be conducted—

''(3) before the court alone, upon the motion of the defendant and with the approval of the attorney for the government.

A jury impaneled pursuant to paragraph (2) shall consist of 12 members, unless, at any time before the conclusion of the hearing, the parties stipulate, with the approval of the court, that it shall consist of a lesser number.

''(c) PROOF OF MITIGATING AND AGGRAVATING FACTORS.—Notwithstanding rule 32(c) of the Federal Rules of Criminal Procedure, when a defendant is found guilty

or pleads guilty to an offense under section 3591, no presentence report shall be prepared. At the sentencing hearing, information may be presented as to any matter relevant to the sentence, including any mitigating or aggravating factor permitted or required to be considered under section 3592. Information presented may include the trial transcript and exhibits if the hearing is held before a jury or judge not present during the trial. The defendant may present any information relevant to a mitigating factor. The government may present any information relevant to an aggravating factor for which notice has been provided under subsection (a). The government and the defendant shall be permitted to rebut any information received at the hearing, and shall be given fair opportunity to present argument as to the adequacy of the information to establish the existence of any aggravating or mitigating factor, and as to the appropriateness in the case of imposing a sentence of death. The government shall open the argument. The defendant shall be permitted to reply. The government shall then be permitted to reply in rebuttal. The burden of establishing the existence of any aggravating factor is on the government, and is not satisfied unless the existence of such a factor is established beyond a reasonable doubt. The burden of establishing the existence of any mitigating factor is on the defendant, and is not

satisfied unless the existence of such a factor is established by a preponderance of the information.

''(d) RETURN OF SPECIAL FINDINGS.—The jury, or if there is no jury, the court, shall consider all the information received during the hearing. It shall return special findings identifying any aggravating factor or factors set forth in section 3592 found to exist and any other aggravating factor for which notice has been provided under subsection (a) found to exist. A finding with respect to a mitigating factor may be made by 1 or more members of the jury, and any member of the jury who finds the existence of a mitigating factor may consider such factor established for purposes of this section regardless of the number of jurors who concur that the factor has been established. A finding with respect to any aggravating factor must be unanimous. If no aggravating factor set forth in section 3592 is found to exist, the court shall impose a sentence other than death authorized by law.

''(e) RETURN OF A FINDING CONCERNING A SENTENCE OF DEATH.—If, in the case of—

''(1) an offense described in section 3591(1), an aggravating factor required to be considered under section 3592(b) is found to exist; or

''(2) an offense described in section 3591(2), an aggravating factor required to be considered under section 3592(c) is found to exist,

the jury, or if there is no jury, the court, shall consider whether all the aggravating factor or factors found to exist sufficiently outweigh all the mitigating factor or factors found to exist to justify a sentence of death, or, in the absence of a mitigating factor, whether the aggravating factor or factors alone are sufficient to justify a sentence of death. Based upon this consideration, the jury by unanimous vote, or if there is no jury, the court, shall recommend whether the defendant should be sentenced to death, to life imprisonment without possibility of release, or to some other lesser sentence. The jury or the court, if there is no jury, regardless of its findings with respect to aggravating and mitigating factors, is never required to impose a death sentence and the jury shall be so instructed.

''(f) SPECIAL PRECAUTION TO ENSURE AGAINST DISCRIMINATION.—In a hearing held before a jury, the court, prior to the return of a finding under subsection (e), shall instruct the jury that, in considering whether a sentence of death is justified, it shall not consider the race, color, religious beliefs, national origin, or sex of the defendant or of any victim and that the jury is not to rec-

ommend a sentence of death unless it has concluded that it would recommend a sentence of death for the crime in question no matter what the race, color, religious beliefs, national origin, or sex of the defendant or of any victim may be. The jury, upon return of a finding under subsection (e), shall also return to the court a certificate, signed by each juror, that consideration of the race, color, religious beliefs, national origin, or sex of the defendant or any victim was not involved in reaching his or her individual decision and that the individual juror would have made the same recommendation regarding a sentence for the crime in question no matter what the race, color, religious beliefs, national origin, or sex of the defendant or any victim may be.

"§ 3594. Imposition of a sentence of death

''Upon a recommendation under section 3593(e) that the defendant should be sentenced to death or life imprisonment without possibility of release, the court shall sentence the defendant accordingly. Otherwise, the court shall impose any lesser sentence that is authorized by law. Notwithstanding any other provision of law, if the maximum term of imprisonment for the offense is life imprisonment, the court may impose a sentence of life imprisonment without possibility of release.

"§ 3595. Review of a sentence of death

''(a) APPEAL.—In a case in which a sentence of death is imposed, the sentence shall be subject to review by the court of appeals upon appeal by the defendant. Notice of appeal must be filed within the time specified for the filing of a notice of appeal. An appeal under this section may be consolidated with an appeal of the judgment of conviction and shall have priority over all other cases.

''(b) REVIEW.—The court of appeals shall review the entire record in the case, including—

''(1) the evidence submitted during the trial;

''(2) the information submitted during the sentencing hearing;

''(3) the procedures employed in the sentencing hearing; and

''(4) the special findings returned under section 3593(d).

''(c) DECISION AND DISPOSITION.—

''(1) The court of appeals shall address all substantive and procedural issues raised on the appeal of a sentence of death, and shall consider whether the sentence of death was imposed under the influence of passion, prejudice, or any other arbitrary factor and whether the evidence supports the special finding of the existence of an aggravating factor required to be considered under section 3592.

''(2) Whenever the court of appeals finds that—

''(A) the sentence of death was imposed under the influence of passion, prejudice, or any other arbitrary factor;

''(B) the admissible evidence and information adduced does not support the special finding of the existence of the required aggravating factor; or

''(C) the proceedings involved any other legal error requiring reversal of the sentence that was properly preserved for appeal under the rules of criminal procedure,

the court shall remand the case for reconsideration under section 3593 or imposition of a sentence other than death.

''(3) The court of appeals shall state in writing the reasons for its disposition of an appeal of a sentence of death under this section.

''§ 3596. Implementation of a sentence of death

''(a) IN GENERAL.—A person who has been sentenced to death pursuant to the provisions of this chapter shall be committed to the custody of the Attorney General until exhaustion of the procedures for appeal of the judgment of conviction and for review of the sentence. When

the sentence is to be implemented, the Attorney General shall release the person sentenced to death to the custody of a United States marshal, who shall supervise implementation of the sentence in the manner prescribed by the law of the State in which the sentence is imposed. If the law of such State does not provide for implementation of a sentence of death, the court shall designate another State, the law of which does provide for the implementation of a sentence of death, and the sentence shall be implemented in the latter State in the manner prescribed by such law.

''(b) PREGNANT WOMAN.—A sentence of death shall not be carried out upon a woman while she is pregnant.

''(c) MENTAL CAPACITY.—A sentence of death shall not be carried out upon a person who is mentally retarded. A sentence of death shall not be carried out upon a person who, as a result of mental disability, lacks the mental capacity to understand the death penalty and why it was imposed on that person.

''§ 3597. Use of State facilities

''(a) IN GENERAL.—A United States marshal charged with supervising the implementation of a sentence of death may use appropriate State or local facilities for the purpose, may use the services of an appropriate State or local official or of a person such an official employs

for the purpose, and shall pay the costs thereof in an amount approved by the Attorney General.

''(b) EXCUSE OF AN EMPLOYEE ON MORAL OR RELIGIOUS GROUNDS.—No employee of any State department of corrections, the United States Department of Justice, the Federal Bureau of Prisons, or the United States Marshals Service, and no employee providing services to that department, bureau, or service under contract shall be required, as a condition of that employment or contractual obligation, to be in attendance at or to participate in any prosecution or execution under this section if such participation is contrary to the moral or religious convictions of the employee. For purposes of this subsection, the term 'participation' includes personal preparation of the condemned individual and the apparatus used for execution and supervision of the activities of other personnel in carrying out such activities.

"§ 3598. Special provisions for Indian country

''(2) the new rule constitutes a watershed rule of criminal procedure implicating the fundamental fairness and accuracy of the criminal proceeding.

''(c) As used in this section, a 'new rule' is a rule that changes the constitutional or statutory standards that prevailed at the time the petitioner's conviction and sentence became final on direct appeal.''.

Powell, 428 U.S. 465 (1976), the Federal courts, in reviewing an application under this section, shall review de novo the rulings of a State court on matters of Federal law, including the application of Federal law to facts, regardless of whether the opportunity for a full and fair hearing on such Federal questions has been provided in the State court. In the case of a violation that can be harmless, the State shall bear the burden of proving harmlessness.''.

''(ii) the claim relies on a new rule that is applicable under section 2257 and was previously unavailable; or

''(iii) the factual predicate for the claim could not have been discovered previously through the exercise of reasonable diligence; and

''(B) the facts underlying the claim, if proven and viewed in light of the evidence as a whole, would be sufficient to—

''(i) undermine the court's confidence in the factfinder's determination of the applicant's guilt of the offense or offenses for which the sentence was imposed; or

''(ii) demonstrate that no reasonable sentencing authority would have found an aggravating circumstance or other condition of eligibility for a capital or non-capital sentence, or otherwise would have imposed a sentence of death.

''(2) Notwithstanding other matters pending before the court, claims for relief under this subsection from a case wherein a sentence of death was imposed shall receive a prompt review in a manner consistent with the interests of justice.''.

SEC. 305. CERTIFICATES OF PROBABLE CAUSE.

''(iii) successful completion during the preceding two years of a training program in the litigation of capital post-conviction proceedings that has been certified by the counsel authority or, if the authority has not certified a program, successful completion of an at least 12-hour training program in capital litigation with a focus on post-conviction proceedings for which continuing legal education (CLE) credit is available, and which the CLE authority in the State has certified as comporting with the objectives and requirements of this section.

''(ii) has been certified by the State capital litigation resource center as competent to be assigned to a capital post-conviction proceeding.

''(e) APPOINTMENT OF CERTIFIED COUNSEL.—

''(1) The relevant State court shall notify the counsel authority promptly whenever it is to preside over a capital proceeding involving an indigent capital defendant, appellant, or petitioner. The counsel authority shall designate a defense team as described in paragraph (2) within 15 days after receiving such notice. If the counsel authority designates a defense team within 15 days after receiving such notice, the court shall appoint at least two of the designated attorneys.

''(2) If the counsel authority fails to designate a defense team within 15 days after receiving the

notice required by paragraph (1), the State court shall appoint at least two attorneys to represent an indigent at trial, on appeal, and in State post-conviction proceedings, including—

''(A) a lead counsel who is on the roster published pursuant to subsection (c)(5);

''(B) a defender organization or resource center which shall designate appropriate attorneys affiliated with the organization, including a lead counsel who is on the roster published pursuant to subsection (c)(5); or

''(C) a lead counsel certified pursuant to subsection (c)(4).

''(3) Upon a showing of reasonable need, the relevant State court shall appoint additional counsel as designated by the counsel authority unless it finds such appointment to be unnecessary and unreasonable. The court may appoint additional attorneys not designated by the counsel authority upon a showing of reasonable need.

''(f) If there is no roster of attorneys published pursuant to subsection (c)(5), if no attorney on the roster can accept the appointment, if no attorney certified pursuant to subsection (c)(4) has been appointed, and if the counsel authority fails to designate a defense team pursu-

ant to subsection (e)(1), the State court shall appoint at least 2 attorneys to represent an indigent at trial, on appeal, and in State post-conviction proceedings, including—

''(1) a lead counsel who possesses the minimum qualifications required by subsection (d); or

''(2) a defender organization or resource center which shall designate appropriate attorneys affiliated with the organization, including a lead counsel who possesses the qualifications required by subsection (d).

No attorney shall be appointed pursuant to this subsection unless the State court has first conducted an evidentiary hearing on the record wherein the court determines, after the lawyer gives sworn testimony and presents documentary proof that the lawyer possesses each of the qualifications required by subsection (d), that the lawyer possesses the requisite qualifications. In making its determination, the Court shall, as to each qualification required by subsection (d), make a specific finding on the record that the attorney possesses the qualification.

''(g) No lawyer may be denied certification pursuant to paragraph (2) or (3) of subsection (c) or appointment pursuant to subsection (f) solely because of prior employment as a prosecutor.

''(h) If the counsel authority fails to designate a defense team pursuant to subsection (e)(1), the State court shall, prior to appointing counsel pursuant to subsection (e)(2) or (f), inquire as to whether counsel maintains a workload which, by reason of its excessive size, will interfere with the rendering of quality representation or create a substantial risk of a breach of professional obligations.

''(i) If an individual entitled to an appointment of counsel declines to accept an appointment, the State court shall conduct, or cause to be conducted, a hearing, at which the individual and counsel proposed to be appointed shall be present, to determine the individual's competence to decline the appointment, and whether the individual has competently and knowingly declined it.

''(j) If a State court fails to appoint counsel in a proceeding specified in subsection (a), or if a State court in a proceeding described in subsection (a)—

''(1) fails to appoint the number of counsel required in subsection (e); or

''(2) appoints counsel whose name is not on the roster published pursuant to (c)(5); or

''(3) appoints counsel who has failed to present a certification issued pursuant to (c)(4); or

''(4) when subsection (f) applies, fails to hold the hearing, receive the requisite testimony and

proof, or make the determination required by subsection (f); or

''(5) fails to appoint at least two members of the defense team designated by the counsel authority pursuant to subsection (e)(1)—

a Federal court, in a proceeding under this chapter, shall neither presume findings of fact made at such proceeding to be correct nor decline to consider a claim on the ground that it was not raised in such proceeding at the time or in the manner prescribed by State law.

''(k) No attorney appointed to represent an indigent in State post-conviction proceedings shall have previously represented the indigent at trial or on direct appeal in the case for which the appointment is made, unless the indigent and attorney expressly request continued representation.

''(l)(1) Notwithstanding the rates and maximum limits generally applicable to criminal cases and any other provision of law to the contrary, and after consultation with the counsel authority, the highest State court with jurisdiction over criminal cases shall, at least once every two years, after notice and comment, establish a schedule of hourly rates for the compensation of attorneys appointed pursuant to this section that are reasonable in light of the qualifications of attorneys appointed and the

local practices for legal representation in cases reflecting the complexity and responsibility of capital cases. Attorneys appointed pursuant to this section shall submit their request for fees and expenses to the counsel authority, on an interim basis or at the conclusion of the proceeding. The authority shall certify for payment by the court compensation for hours the attorneys reasonably expended on the case and for reasonable expenses paid for investigative, expert, and other reasonably necessary services. The relevant State court, within forty-five days after receipt from the authority, shall order payment in the amount certified by the authority, unless it determines that an expenditure was unreasonably incurred. Final review of disputes over fees may be sought in the highest State court having jurisdiction over criminal cases by counsel appointed pursuant to this section.

''(2) Any aggrieved party may bring a private cause of action in Federal district court to enforce the provisions of this subsection for the establishment of a schedule of reasonable hourly rates for the compensation of attorneys appointed pursuant to this section. In such an action, the Federal court shall decide whether the hourly rates as scheduled by the State court are reasonable consistent with the criteria set forth in this subsection. If the court determines that the hourly rates as scheduled are not rea-

sonable, or if no schedule of rates has been established, the court shall grant appropriate injunctive or declaratory relief. The court shall grant no relief that obstructs the prosecution of State criminal proceedings at any stage.

''(m) The ineffectiveness or incompetence of counsel appointed pursuant to this section during State or Federal post-conviction proceedings shall not be a ground for relief in a proceeding arising under section 2254 of this title. This limitation shall not preclude the appointment of different counsel at any phase of State or Federal post-conviction proceedings.

''(n) Nothing in this section changes the constitutional standard governing claims of ineffective assistance of counsel pursuant to the sixth amendment to the Constitution of the United States. A determination of noncompliance with this section (as opposed to the facts which support such a determination) shall not provide a basis for a claim of constitutionally ineffective assistance of counsel.

''(o) The requirements of this section shall apply to any appointment of counsel made after the effective date of subsection (a) in any trial, direct appeal or unitary review of a capital indigent. Counsel shall be appointed as provided in this section in any post-conviction proceeding commenced after the effective date of subsection (a). In

no case shall counsel appointed for a proceeding commenced before the effective date of subsection (a) be subject to the requirements of this section, nor shall any person whose counsel was appointed for any trial, appeal, post-conviction or unitary review before the effective date of subsection (a) be entitled to any relief, including application of subsection (j) of this section, based on a claim that counsel was not appointed in conformity with subsection (e) or (f) of this section.''.
