10 any previously authorized United Nations peacekeeping
11 activity or other action) which would involve the use of
12 United States Armed Forces or the expenditure of United
13 States funds, the President shall submit to the appro-

1 State and the Director of the Office of Manage-
2 ment and Budget, determines that an emer-
3 gency exists which justifies waiver of that re-
4 quirement. Any such waiver shall be submitted
5 to the appropriate congressional committees at
6 least 15 days before it takes effect, except that
7 if the President determines that an emergency
8 exists which prevents compliance with the re-
9 quirement that the notification be provided 15
10 days in advance and that the provision under
11 subsection (a)(1) or (2) of personnel or assist-
12 ance on a nonreimbursable basis is in the na-
13 tional security interests of the United States,
14 such notification shall be provided in a timely
15 manner but no later than 48 hours after such
16 waiver takes effect.”; and

17 (2) by adding at the end the following new sub-
18 sections:

19 “(f) In any fiscal year (beginning in fiscal year 1995),
20 appropriated funds may not be used to pay any United
21 States assessed or voluntary contribution for United Na-
22 tions peacekeeping activities until the Secretary of De-
23 fense certifies to the Congress that the United Nations
24 has reimbursed the Department of Defense directly for all
25 goods and services that were provided to the United Na-

1 tions by the Department of Defense on a reimbursable
2 basis during the preceding fiscal year for United Nations
3 peacekeeping activities, including personnel and assistance
4 provided under this section (except to the extent that the
5 authority of subsection (b) to waive the reimbursement re-
6 quirement was exercised with respect to such personnel
7 or assistance).

8 “(g)(1) The Secretary of State shall ensure that
9 goods and services provided on a reimbursable basis by

13 of Defense.

14 “(2) Not later than one year after the date of enact-

16 shall submit a report to the appropriate congressional
17 committees on all actions taken by the United States mis-

19 scribed in paragraph (1).”.

20 **SEC. 12. LIMITATION ON USE OF DEPARTMENT OF DE-**
21 **FENSE FUNDS FOR UNITED NATIONS PEACE-**
22 **KEEPING ACTIVITIES.**

23 Beginning October 1, 1995, funds made available to
24 the Department of Defense (including funds for “Oper-
25 ation and Maintenance”) shall be available for—

1 (1) United States assessed or voluntary con-
2 tributions for United Nations peacekeeping activi-
3 ties, or

4 (2) the incremental costs associated with the
5 participation of United States Armed Forces in
6 United Nations peacekeeping activities,

7 only to the extent that the Congress has by law specifically
8 made those funds available for such purposes.

9 **SEC. 13. ASSESSED CONTRIBUTIONS FOR UNITED NATIONS**
10 **PEACEKEEPING ACTIVITIES.**

11 (a) REASSESSMENT OF CONTRIBUTION PERCENT-
12 AGES.—The Permanent Representative should make every
13 effort to ensure that the United Nations completes an
14 overall review and reassessment of each nation’s assessed
15 contributions for United Nations peacekeeping activities.
16 As part of the overall review and assessment, the Perma-
17 nent Representative should make every effort to advance
18 the concept that host governments and other governments
19 in the region where a United Nations peacekeeping activi-
20 ty is carried out should bear a greater burden of its finan-
21 cial cost.

22 (b) UNITED STATES CONTRIBUTIONS.—(1) The Per-
23 manent Representative should make every effort to obtain
24 agreement by the United Nations to a United States as-
25 sessed contribution for United Nations peacekeeping ac-

1 tivities that is no greater a percentage of such contribu-
2 tions by all countries than the United States percentage
3 share of assessed contributions for other United Nations
4 activities.

5 (2) The Congress declares that, effective for fiscal
6 year 1996, it does not intend to make available funds for
7 payment of United States assessed or voluntary contribu-
8 tions for United Nations peacekeeping activities that ex-
9 ceed 25 percent of the total amount of the assessed and
10 voluntary contributions of all countries for such activities
11 unless, after the date of enactment of this Act, the Con-
12 gress enacts a statute specifically authorizing a greater
13 percentage contribution.

14 (3) The Permanent Representative shall inform the
15 Secretary General of the congressional intent expressed in
16 paragraph (2).

17 **SEC. 14. "BUY AMERICA" REQUIREMENT.**

18 No funds may be obligated or expended to pay any
19 United States assessed or voluntary contribution for Unit-
20 ed Nations peacekeeping activities unless the Secretary of
21 State determines and certifies to the appropriate congres-
22 sional committees that United States manufacturers and
23 suppliers are being given opportunities to provide equip-
24 ment, services, and material for such activities equal to
25 those being given to foreign manufacturers and suppliers.

1 **SEC. 15. UNITED STATES PERSONNEL TAKEN PRISONER**
2 **WHILE SERVING IN MULTILATERAL PEACE-**
3 **KEEPING FORCES.**

4 (a) FINDINGS.—The Congress finds that—

5 (1) until recent years United States military
6 personnel rarely served as part of multilateral forces
7 under the United Nations or regional international
8 organizations;

9 (2) despite infrequent service as part of multi-
10 lateral forces, United States personnel, such as Colo-
11 nel William Higgins in Lebanon, have been cap-
12 tured, tortured, and murdered;

13 (3) in recent years, United States military per-
14 sonnel have served much more frequently as part of
15 multilateral forces;

16 (4) the capture and torture of Chief Warrant
17 Officer Michael Durant in Somalia in October 1993
18 was a horrendous and recent example of the risk to
19 United States personnel in multilateral forces;

20 (5) continued multilateral service increases the
21 probability that United States military personnel will
22 be captured, and subject to mistreatment;

23 (6) United States military personnel captured
24 while serving as part of multilateral forces have not
25 been treated as prisoners of war under the 1949 Ge-

1 neva Conventions and other international agree-
2 ments intended to protect prisoners of war; and

3 (7) failure of United States military personnel
4 serving as part of a multilateral force to receive pro-
5 tection under international law increases the risk to
6 personnel while serving in multinational forces.

7 (b) POLICY.—It is the sense of the Congress that—

8 (1) the President should take immediate steps,
9 unilaterally and in appropriate international bodies,
10 to assure that any United States military personnel
11 serving as part of a multilateral force who are cap-
12 tured are accorded the protection accorded to pris-
13 oners of war; and

14 (2) the President should also take all necessary
15 steps to bring to justice all individuals responsible
16 for any mistreatment, torture, or death of United
17 States military personnel who are captured while
18 serving in a multilateral force.

19 (c) REPORT.—Each report submitted pursuant to
20 section 4(f) of the United Nations Participation Act of
21 1945 (as added by section 10 of this Act), shall include
22 a separate section setting forth—

23 (1) the status under international law of mem-
24 bers of multilateral peacekeeping forces, including

1 the legal status of such personnel if captured, miss-
2 ing, or detained,

3 (2) the extent of the risk for United States
4 military personnel who are captured while participat-
5 ing in multinational peacekeeping forces in cases
6 where their captors fail to respect the 1949 Geneva
7 Conventions and other international agreements in-
8 tended to protect prisoners of war, and

9 (3) the specific steps that have been taken to
10 protect United States military personnel participat-
11 ing in multinational peacekeeping forces, together (if
12 necessary) with any recommendations for the enact-
13 ment of legislation to achieve that objective.

14 **SEC. 16. PROVISION OF INTELLIGENCE TO THE UNITED NA-**
15 **TIONS.**

16 (a) REQUIREMENT FOR AGREEMENTS.—The United
17 States may provide intelligence to the United Nations only
18 pursuant to a written agreement between the President
19 and the Secretary General of the United Nations specify-
20 ing—

21 (1) the types of intelligence to be provided to
22 the United Nations;

23 (2) the circumstances under which intelligence
24 may be provided to the United Nations; and

1 (3) the procedures to be observed by the United
2 Nations—

3 (A) concerning who shall have access to
4 the intelligence provided; and

5 (B) to protect the intelligence against dis-
6 closure not authorized by the agreement.

7 Any such agreement shall be effective for a period not to
8 exceed one year from the date on which the agreement
9 enters into force.

10 (b) ADVANCE NOTIFICATION TO CONGRESS.—An
11 agreement described in subsection (a) shall be effective
12 only if the President has transmitted the agreement to the
13 Select Committee on Intelligence of the Senate and the
14 Permanent Select Committee on Intelligence of the House
15 of Representatives not less than 30 days in advance of
16 the entry into force of the agreement.

17 (c) DELEGATION OF AUTHORITY.—The President
18 may delegate the authority and assign the duties of the
19 President under this section only to the Secretary of De-
20 fense or the Director of Central Intelligence.

21 (d) EXCEPTIONS.—Subsection (a) shall not apply to
22 the provision of intelligence—

23 (1) only to and for the use of United States
24 Government personnel serving with the United Na-
25 tions; or

1 (2) essential for the protection of nationals of
2 the United States, including members of the United
3 States Armed Forces and civilian personnel of the
4 United States Government.

5 (e) EXISTING LAW.—Nothing in this section shall be
6 construed to—

7 (1) impair or otherwise affect the authority of
8 the Director of Central Intelligence to protect intel-
9 ligence sources and methods from unauthorized dis-
10 closure pursuant to section 103(c)(5) of the Na-
11 tional Security Act of 1947 (50 U.S.C. 403–3(c)(5));
12 or

13 (2) supersede or otherwise affect the provisions
14 of—

15 (A) title V of the National Security Act of
16 1947 (50 U.S.C. 413–415); or

17 (B) section 112b of title 1, United States
18 Code.

19 (f) EFFECTIVE DATE.—This section takes effect 60
20 days after the date of enactment of this section.

21 **SEC. 17. UNITED NATIONS PEACEKEEPING BUDGETARY**
22 **AND MANAGEMENT REFORM.**

23 (a) WITHHOLDING OF CONTRIBUTIONS FOR UNITED
24 NATIONS PEACEKEEPING.—(1) At the beginning of each
25 fiscal year (beginning with fiscal year 1995), 50 percent

1 of the amounts of funds made available for United States
2 assessed contributions for United Nations peacekeeping
3 activities shall be withheld from obligation and expendi-
4 ture unless a certification has been made under subsection
5 (b).

6 (2) For each fiscal year (beginning with fiscal year
7 1995), the United States may not pay any voluntary con-
8 tribution for international peacekeeping activities unless
9 a certification has been made under subsection (b).

10 (b) CERTIFICATION.—The certification referred to in
11 subsection (a) is a certification by the President to the
12 Congress that—

13 (1) the United Nations has established an inde-
14 pendent and objective Office of Inspector General to
15 conduct and supervise audits, inspections, and inves-
16 tigations relating to the United Nations peacekeep-
17 ing activities carried out by the United Nations;

18 (2) the Secretary General of the United Nations
19 has appointed an Inspector General, with the con-
20 sent of the General Assembly, solely the basis of in-
21 tegrity and demonstrated ability in accounting, au-
22 diting, financial analysis, law, management analysis,
23 public administration, or investigations;

24 (3) the United Nations Office of Inspector Gen-
25 eral is authorized to—

1 (A) make investigations and reports relat-
2 ing to the administration of the United Nations
3 peacekeeping activities carried out by the Unit-
4 ed Nations;

5 (B) have access to all records and docu-
6 ments or other material available which relate
7 to those activities; and

8 (C) have direct and prompt access to rel-
9 evant officials of the United Nations, including
10 any official of the United Nations Secretariat;

11 (4) the United Nations Office of Inspector Gen-
12 eral is keeping the Secretary General and the mem-
13 bers of the Security Council fully informed about
14 problems, deficiencies, and the necessity for, and
15 progress of, corrective action;
