12 **SEC. 1002. REPEAL OF THE HELIUM ACT.**

13 (a) FINDINGS.—The Congress finds that—

14 (1) the United States Government's helium re-
15 covery program was instituted in 1925, when helium
16 conservation was deemed to be a matter of national
17 security and no private sector helium recovery indus-
18 try existed;

19 (2) today, as compared to 1925, there is little
20 likelihood that the United States will have to field a
21 fleet of blimps on an emergency basis;

22 (3) private sources of helium are more than
23 adequate for serving existing and foreseeable future
24 national needs;

1 (4) since 1925, there has been a dramatic in-
2 crease in private industry's involvement in helium
3 recovery, as a result of the free market discovery of
4 numerous commercial uses for helium;

5 (5) currently, private industry accounts for 90
6 percent of all helium extraction and consumption;

7 (6) the Government's helium recovery program
8 currently owes the Department of the Treasury
9 \$1,400,000,000 and loses an additional
10 \$120,000,000 yearly on interest alone, and there is
11 no prospect for repayment of this debt without sig-
12 nificant reform; and

13 (7) with combined public and private helium re-
14 serves considerably in excess of foreseeable national
15 helium needs, there is no longer any need for the
16 Federal Government to own and operate a helium
17 extraction and reserve program.

18 (b) REPEAL.—The Helium Act (50 U.S.C. 161 et
19 seq.) is repealed.

20 (c) SALE OF PROPERTY.—The Secretary of the Inte-
21 rior shall sell or otherwise dispose of, at the best possible
22 terms available to the United States, all facilities, equip-
23 ment, and other real or personal property, or rights there-
24 to, held by the United States in connection with activities
25 carried out under the Helium Act, unless such facilities,

1 equipment, or other real or personal property, or rights
2 thereto, are required for other Federal purposes.

3 (d) SALE OF HELIUM RESERVE.—The Secretary of
4 the Interior shall sell or otherwise dispose of, at the best
5 possible terms available to the United States, all helium
6 reserves held by the United States other than amounts
7 required for the specific immediate needs of the Federal
8 Government. Such sale shall be conducted in a manner
9 consistent with the orderly conduct of commercial helium
10 markets.

11 (e) REDUCTION OF FEDERAL DEBT.—All funds re-
12 ceived pursuant to subsections (c) and (d), and all
13 amounts remaining in the helium production fund estab-
14 lished under section 6(f) of the Helium Act, shall be con-
15 sidered full repayment of loans made under section 12 of
16 the Helium Act. Such funds shall be applied, subject to
17 appropriations, solely to the retirement of outstanding
18 United States Government debt, and may not be obligated
19 or expended for any other purpose, notwithstanding any
20 other provision of law that does not specifically reference
21 this section.

15 nual budget prepared by the head of an Executive agency
16 for inclusion in the President’s budget submission under
17 section 1105(a) of title 31, United States Code, beginning
18 with the February 1995 submission, and for each of the

5 This title may be cited as the “Federal Mandate Re-
6 lief Act of 1994”.

7 **SEC. 1802. FINDINGS AND PURPOSE.**

8 (a) FINDINGS.—The Congress finds and declares
9 that—

10 (1) unfunded Federal mandates on State and
11 local governments have become increasingly exten-
12 sive in recent years;

13 (2) such mandates have, in many instances,
14 added to growing deficits in State and local budgets
15 and have resulted in the need for State and local
16 governments to increase revenue or curtail services;
17 and

18 (3) such excessive fiscal burdens on State and
19 local governments have undermined, in many in-
20 stances, the ability of State and local governments
21 to achieve their responsibilities under State and local
22 law.

23 (b) PURPOSE.—The purpose of this subtitle is to as-
24 sure that the Federal Government pays the total amount
25 of direct costs incurred by State and local governments

1 in complying with certain requirements which take effect
2 on or after the date of the enactment of this Act under
3 a Federal statute or regulation.

4 **SEC. 1803. FEDERAL FUNDING REQUIREMENT.**

5 (a) IN GENERAL.—Notwithstanding any other provi-
6 sion of law, any requirement under a Federal statute or
7 regulation that a State or local government conduct an
8 activity (including a requirement that a government meet
9 national standards in providing a service) shall apply to
10 the government only if all funds necessary to pay the di-
11 rect costs incurred by the government in conducting the
12 activity are provided by the Federal Government.

13 (b) APPLICATION.—This section shall apply only to
14 requirements which take effect on or after the date of the
15 enactment of this Act.

16 **Subtitle B—Commission on**
17 **Unfunded Federal Mandates**

18 **SEC. 1811. ESTABLISHMENT.**

19 There is established a commission which shall be
20 known as the “Commission on Unfunded Federal Man-
21 dates” (in this title referred to as the “Commission”).

22 **SEC. 1812. DUTIES OF COMMISSION.**

23 (a) STUDY AND RECOMMENDATIONS.—The Commis-
24 sion shall—

1 (1) investigate and review the role of unfunded
2 Federal mandates in relations among local, State,
3 and Federal governments;

4 (2) study and make recommendations to the
5 Congress regarding—

6 (A) the termination of those mandates that
7 are duplicative, or obsolete, or that lack prac-
8 tical utility;

9 (B) the temporary suspension of those
10 mandates that compound the fiscal difficulties
11 of State and local governments during periods
12 immediately following 2 consecutive quarters of
13 decline in real Gross National Product, and for
14 which suspension may be lifted immediately fol-
15 lowing 2 consecutive quarters of growth in real
16 Gross National Product;

17 (C) the consolidation or simplification of
18 planning or reporting requirements for man-
19 dates in order to reduce duplication and facili-
20 tate compliance by State and local governments;

21 (D) the establishment of common Federal
22 definitions or standards to be used by State and
23 local governments in complying with unfunded
24 mandates that use different definitions or
25 standards for the same terms or principles; and

1 (E) a process by which State and local
2 governments can participate in meeting national
3 domestic objectives without the burden created
4 by unfunded Federal mandates, including the
5 development of suggestions for funding the
6 Federal mandates imposed after the date of the
7 enactment of this Act on State and local
8 governments;

9 (3) include in its final report recommendations
10 that the Federal Government relieve financial bur-
11 dens on State and local governments by decreasing
12 the operating, administrative, and financial respon-
13 sibilities of State and local governments for one or
14 more federally mandated programs which require
15 that Federal funding be augmented by non-Federal
16 funds; and

17 (4) include in its final report recommendations
18 that State or local governments assume increased
19 operating, or administrative responsibilities for one
20 or more programs which, as of the date of enact-
21 ment of this Act, are fully or partially funded, oper-
22 ated, or administered by the Federal Government
23 but which the Commission determines would be op-
24 erated or administered more effectively and effi-
25 ciently by States and localities.

1 In making recommendations under paragraphs (3) and
