25 “(8) REQUIRED OPERATION.—

1           “(A) IN GENERAL.—A vessel covered by  
2           the operating agreement shall be operated in  
3           the trade required under paragraph (1), and  
4           under conditions eligible for payment under this  
5           title, for at least 320 days in a fiscal year, in-  
6           cluding days during which the vessel is dry-  
7           docked, surveyed, inspected, or repaired.

8           “(B) REDUCTION IN PAYMENTS.—If a ves-  
9           sel operates in the trade required under para-  
10          graph (1), and under conditions eligible for pay-  
11          ment under this title, for less than the time re-  
12          quired under subparagraph (A), the payments  
13          required under paragraph (2) shall be reduced  
14          on a pro-rata basis to reflect the lesser time in  
15          that operation.

16          “(9) SUBSTITUTION OF VESSELS AUTHOR-  
17          IZED.—The contractor may substitute for the vessel  
18          covered by the agreement another vessel on the list  
19          maintained under section 403(d).

20          “(10) OTHER TERMINATION.—The operating  
21          agreement shall terminate if—

22                 “(A) in the case of a vessel that transports

24                 agreement—

1           “(i) the vessel covered by the agree-  
2           ment is not operated under an operating  
3           agreement for one year; and

4           “(ii) a substitute for that vessel is not  
5           operated under the agreement during that  
6           year; or

7           “(B) the contractor notifies the Secretary  
8           that the contractor intends to terminate the  
9           agreement, by not later than 60 days before the  
10          effective date of the termination.

11       “(b) PAYMENTS.—

12           “(1) IN GENERAL.—The amount required to be  
13          paid by the Secretary each year to a contractor  
14          under an operating agreement pursuant to sub-  
15          section (a)(2)—

16           “(A) shall be paid at a pro rated amount  
17          at the beginning of each month in equal install-  
18          ments; and

19           “(B) except as provided in paragraph (2),  
20          may not be reduced by reason of operation of  
21          the vessel covered by the agreement to carry ci-  
22          vilian or military preference cargoes under—

23           “(i) section 901(a), 901(b), or 901b;

24           “(ii) section 2631 of title 10, United  
25          States Code; or

1                   “(iii) the Act of March 26, 1934 (48  
2                   Stat. 500).

3                   “(2) REDUCTION FOR PREFERENCE CARGO.—A  
4                   contractor with respect to a vessel may not receive  
5                   any payment under this title for any day in which  
6                   the vessel is engaged in transporting more than  
7                   12,000 tons of preference cargo described in para-  
8                   graph (1)(B) that is bulk cargo (as defined in sec-  
9                   tion 3 of the Shipping Act of 1984).

10                  “(c) REDELIVERY OF VESSELS.—The Secretary  
11                  shall, upon the termination of the need for which a vessel  
12                  is delivered under subsection (a)(4), return the vessel to  
13                  the contractor—

14                         “(1) at a place that is mutually agreed upon by  
15                         the Secretary of Defense and the contractor; and

16                         “(2) in the condition in which it was delivered

18                  “(d) TRANSFER OF OPERATING AGREEMENTS.—A  
19                  contractor under an operating agreement may transfer the  
20                  agreement (including all rights and obligations under the  
21                  agreement) to any other person that is a citizen of the  
22                  United States, after notification of the Secretary in ac-  
23                  cordance with regulations prescribed by the Secretary, un-  
24                  less the transfer is disapproved by the Secretary within  
25                  90 days after the date of that notification. A transfer shall

1 not be effective before the end of that 90-day period. A  
2 person to whom an agreement is transferred may receive  
3 payments from the Secretary under the agreement only  
4 if the vessel to be covered by the agreement after the  
5 transfer is on the list maintained under section 403(d).

6 **“SEC. 406. NONCONTIGUOUS TRADE RESTRICTIONS.**

7 “(a) PROHIBITION.—

8 “(1) IN GENERAL.—Except as provided in this  
9 section, a contractor may not receive any payment

11 “(A) if the contractor or a related party  
12 with respect to the contractor, directly or indi-  
13 rectly owns, charters, or operates a vessel en-  
14 gaged in the transportation of cargo in non-  
15 contiguous trade other than in accordance with  
16 a waiver under subsection (b), (c), or (d); or

17 “(B) if the contractor is authorized to op-

22 ports permitted to be served under the  
23 waiver;

24 “(ii) material increase in the annual  
25 number or the frequency of sailings by the

1 contractor from the number or frequency  
2 permitted under the waiver; or

3 “(iii) material increase in the annual

11 ment entered into by the contractor.

12 “(b) GENERAL WAIVER AUTHORITY.—

13 “(1) IN GENERAL.—Except as provided in sub-  
14 section (c), the Secretary may waive, in writing, the  
15 application of subsection (a) to a contractor pursu-  
16 ant to an application submitted in accordance with  
17 this subsection, unless the Secretary finds that—

18 “(A) the waiver would result in unfair  
19 competition to any person that operates vessels  
20 as a carrier of cargo in a service exclusively in  
21 the noncontiguous trade for which the waiver is  
22 applied;

23 “(B) subject to paragraph (6), existing  
24 service in that noncontiguous trade is adequate;

25 or

1           “(C) the waiver will result in prejudice to  
2           the objects or policy of this title or Act.

3           “(2) TERMS OF WAIVER.—Any waiver granted  
4           by the Secretary under this subsection shall state—

5           “(A) the domestic ports permitted to be  
6           served;

7           “(B) the annual number or frequency of  
8           sailings that may be provided; and

9           “(C)(i) the annual volume of cargo per-  
10          mitted,

11          “(ii) for containerized or trailer service, the  
12          annual 40-foot equivalent unit shipboard con-  
13          tainer and trailer or vehicle or general cargo ca-  
14          pacity permitted, or

15          “(iii) for tug and barge service, the annual  
16          barge house cubic foot capacity and the annual  
17          barge deck general cargo capacity, or 40-foot

20          “(3) APPLICATIONS FOR WAIVERS.—An appli-  
21          cation for a waiver under this subsection may be  
22          submitted by a contractor and shall describe, as ap-  
23          plicable, the nature and scope of—

24          “(A) the service proposed to be conducted  
25          in a noncontiguous trade under the waiver; or

1           “(B) any proposed material change or in-

5           “(A) NOTICE AND PROCEEDING.—Within  
6           30 days after receipt of an application for a  
7           waiver under this subsection, the Secretary  
8           shall—

9                   “(i) publish a notice of the applica-  
10                  tion; and

11                   “(ii) begin a proceeding on the appli-  
12                  cation under section 554 of title 5, United  
13                  States Code, to receive—

14                           “(I) evidence of the nature,  
15                           quantity, and quality of the existing  
16                           service in the noncontiguous trade for  
17                           which the waiver is applied;

18                           “(II) a description of the pro-  
19                           posed service or proposed material  
20                           change or increase in a previously per-  
21                           mitted service;

22                           “(III) the projected effect of the  
23                           proposed service or proposed material  
24                           change or increase in existing service;  
25                           and

1                   “(IV) recommendations on condi-  
2                   tions that should be contained in any  
3                   waiver for the proposed service or ma-  
4                   terial change or increase.

5                   “(B) INTERVENTION.—An applicant for a  
6                   waiver under this subsection, and any person  
7                   that operates cargo vessels in the noncontiguous  
8                   trade for which a waiver is applied and that has  
9                   any interest in the application, may intervene in  
10                  the proceedings on the application.

11                  “(C) HEARING.—Before deciding whether  
12                  to grant a waiver under this subsection, the  
13                  Secretary shall hold a public hearing in an ex-  
14                  peditious manner, reasonable notice of which  
15                  shall be published.

16                  “(5) DECISION.—The Secretary shall complete  
17                  all proceedings and hearings on an application under  
18                  this subsection and issue a decision on the record  
19                  within 90 days after receipt of the final briefs sub-  
20                  mitted for the record.

21                  “(6) LIMITATION ON CONSIDERATION OF CER-  
22                  TAIN EXISTING SERVICE.—

23                  “(A) LIMITATION.—In determining wheth-  
24                  er to grant a waiver under this subsection for  
25                  noncontiguous trade with Hawaii, the Secretary

1 shall not consider the criterion set forth in  
2 paragraph (1)(B) if a qualified operator—

3 “(i) is a contractor, and

4 “(ii) operates 4 or more vessels in for-  
5 eign commerce in competition with another  
6 contractor.

7 “(B) QUALIFIED OPERATOR.—In this  
8 paragraph, the term ‘qualified operator’ means  
9 a person that on July 1, 1992, offered service  
10 as an operator of containerized vessels, trailer  
11 vessels, or combination container and trailer  
12 vessels in noncontiguous trade with Hawaii and  
13 the Johnston Islands (including a related party  
14 with respect to the person).

15 “(c) WAIVERS FOR EXISTING NONCONTIGUOUS  
16 TRADE OPERATORS.—

17 “(1) IN GENERAL.—The Secretary shall waive  
18 the application of subsection (a) to a contractor pur-  
19 suant to an application submitted in accordance with  
20 this subsection if the Secretary finds that the con-  
21 tractor, or a related party or predecessor in interest  
22 with respect to the contractor—

23 “(A) engaged in bona fide operation of a  
24 vessel as a carrier of cargo by water—

1           “(i) in a noncontiguous trade on July  
2           1, 1992; or

3           “(ii) in furnishing seasonal service in  
4           a season ordinarily covered by its oper-  
5           ation, during the 12 calendar months pre-  
6           ceding July 1, 1992; and

7           “(B) has operated in that service since  
8           that time, except for interruptions of service re-  
9           sulting from military contingency or over which  
10          the contractor (or related party or predecessor  
11          in interest) had no control.

12          “(2) TERMS OF WAIVER.—

13                 “(A) IN GENERAL.—Except as otherwise  
14                 provided in this paragraph, the level of service  
15                 permitted under a waiver under this subsection  
16                 shall be the level of service provided by the ap-  
17                 plicant (or related party or predecessor in inter-  
18                 est) in the relevant noncontiguous trade during,  
19                 for year-round service, the 6 calendar months  
20                 preceding July 1, 1992, or for seasonal service,  
21                 the 12 calendar months preceding July 1, 1992,  
22                 determined by—

23                         “(i) the domestic ports called;

24                         “(ii) the number of sailings actually  
25                         made, except as to interruptions in the

1 service in the noncontiguous trade result-  
2 ing from military contingency or over  
3 which the applicant (or related party or  
4 predecessor in interest) had no control;  
5 and

6 “(iii) the volume of cargo carried or,  
7 for containerized or trailer service, the 40-  
8 foot equivalent unit shipboard container,  
9 trailer, or vehicle or general cargo capacity  
10 employed, or, for tug and barge service,  
11 the barge house cubic foot capacity and  
12 barge deck general cargo capacity or 40-  
13 foot equivalent unit container, trailer, or  
14 vehicle capacity, employed.

15 “(B) CERTAIN CONTAINERIZED VES-  
16 SELS.—If an applicant under this subsection  
17 was offering service as an operator of container-  
18 ized vessels in noncontiguous trades with Ha-  
19 waii, Puerto Rico, and Alaska on July 1, 1992,  
20 a waiver under this subsection for the applicant  
21 shall permit a level of service consisting of—

22 “(i) 104 sailings each year from the  
23 West Coast of the United States to Hawaii  
24 with an annual capacity allocated to the  
25 service of 75 percent of the total capacity

1 of the vessels employed in the service on  
2 July 1, 1992;

3 “(ii) 156 sailings each year in each di-  
4 rection between the East Coast or Gulf  
5 Coast of the United States and Puerto  
6 Rico with an annual capacity allocated to  
7 the service of 75 percent of the total ca-  
8 pacity of its vessels employed in the service  
9 on the date of the enactment of the Mari-

11 1993; and

12 “(iii) 103 sailings each year in each  
13 direction between Washington and Alaska

15 service in each direction of 100 percent of  
16 the total capacity of its vessels employed in  
17 the service on July 1, 1992.

18 “(C) CERTAIN TUGS AND BARGES.—If an  
19 applicant under this subsection was offering  
20 service as an operator of tugs and barges in  
21 noncontiguous trades with Hawaii, Puerto Rico,  
22 and Alaska on July 1, 1992, a waiver under  
23 this subsection for the applicant shall permit a  
24 level of service consisting of—

1           “(i) 17 sailings each year in each di-  
2           rection between ports in Washington, Or-  
3           regon, and Northern California and ports in  
4           Hawaii with an annual barge house cubic  
5           foot capacity and annual barge deck 40-  
6           foot equivalent unit container capacity in  
7           each direction of 100 percent of the total

10          preceding July 1, 1992, annualized;

11          “(ii) 253 sailings each year in each di-  
12          rection between the East Coast or Gulf

14          Rico with an annual 40-foot equivalent  
15          unit container or trailer capacity equal to  
16          100 percent of the capacity of its barges  
17          employed in the service on the date of the  
18          enactment of the Maritime Security and  
19          Competitiveness Act of 1993;

20          “(iii) 37 regularly scheduled tandem  
21          tow rail barge sailings and 10 additional  
22          single tow rail barge sailings each year in  
23          each direction between Washington and the  
24          Alaskan port range between and including  
25          Anchorage and Whittier with an annual

1 capacity allocated to the service in each di-  
2 rection of 100 percent of the total rail car  
3 capacity of its vessels employed in the serv-  
4 ice on July 1, 1992;

5 “(iv) 8 regularly scheduled single tow  
6 sailings each year in each direction be-  
7 tween Washington and points in Alaska  
8 (not including the port range between and  
9 including Anchorage and Whittier, except  
10 occasional deviations to discharge inciden-  
11 tal quantities of cargo) with an annual ca-  
12 pacity allocated to the service in each di-  
13 rection of 100 percent of the total capacity  
14 of its vessels employed in the service on  
15 July 1, 1992; and

16 “(v) unscheduled, contract carrier tug

18 south of the Arctic Circle not served by the  
19 common carrier service permitted under  
20 clause (iii) and points in the contiguous 48  
21 States, with an annual capacity allocated  
22 to that service not exceeding 100 percent  
23 of the total capacity of the equipment that  
24 was dedicated to service south of the Arctic  
25 Circle on July 1, 1992, and actually uti-

1           lized in that service in the 2-year period  
2           preceding that date.

3           “(D) ANNUALIZATION.—Capacity other-  
4           wise required by this paragraph to be permitted  
5           under a waiver under this subsection shall be  
6           annualized if not a seasonal service.

7           “(E) ADJUSTMENTS.—

8           “(i) Each written waiver granted by  
9           the Secretary under this subsection shall  
10          contain a statement that the annual capac-  
11          ity permitted under this waiver in any di-  
12          rection shall increase for a calendar year  
13          by the percentage of increase during the  
14          preceding calendar year in the real gross  
15          product of the State or territory to which  
16          goods are transported in the noncontiguous  
17          trade covered by the waiver, or its equiva-  
18          lent economic measure as determined by  
19          the Secretary if the real gross product is  
20          not available, and that the increase shall  
21          not be considered to be a material change  
22          or increase for purposes of subsection  
23          (a)(1)(B).

24          “(ii) The increase in permitted capac-  
25          ity under clause (i) in the noncontiguous

1 trade with Alaska shall be allowed only to  
2 the extent the operator actually uses that  
3 increased capacity to carry cargo in the  
4 permitted service in the calendar year im-  
5 mediately following the preceding increase  
6 in gross product. However, if an operator  
7 operating exclusively containerized vessels  
8 in that trade on July 1, 1992, carries an  
9 average load factor of at least 90 percent  
10 of permitted capacity (including the capac-  
11 ity, if any, both authorized and used under  
12 the previous sentence) during 9 months of  
13 any one calendar year, than in the next fol-  
14 lowing calendar year and thereafter, the  
15 requirement that additional capacity must  
16 be used in the immediately following year  
17 does not apply.

18 “(F) SERVICE LEVELS NOT INCREASED BY  
19 TERMINATION OF AGREEMENT.—The termi-  
20 nation of an operating agreement under section  
21 405(a)(10) shall not be considered to increase  
22 a level of service specified in subparagraph (A),  
23 (B), or (C) if the contractor under the agree-  
24 ment enters into another operating agreement  
25 after that termination.

1           “(3) APPLICATIONS FOR WAIVERS.—For a  
2 waiver under this subsection a contractor shall sub-  
3 mit to the Secretary an application certifying the  
4 facts required to be found under paragraph (1) (A)  
5 or (B), as applicable.

6           “(4) ACTION ON APPLICATION.—

7           “(A) NOTICE.—The Secretary shall pub-  
8 lish a notice of receipt of an application for a  
9 waiver under this subsection within 30 days  
10 after receiving the application.

11           “(B) HEARING PROHIBITED.—The Sec-  
12 retary may not conduct a hearing on an appli-  
13 cation for a waiver under this subsection.

14           “(C) SUBMISSION OF COMMENTS.—The  
15 Secretary shall give every person operating a  
16 cargo vessel in a noncontiguous trade for which  
17 a waiver is applied for under this subsection  
18 and who has any interest in the application a  
19 reasonable opportunity to submit comments on  
20 the application and on the description of the  
21 service that would be permitted by any waiver  
22 that is granted by the Secretary under the ap-  
23 plication.

24           “(5) DECISION ON APPLICATION.—Subject to  
25 the time required for publication of notice and for

1 receipt and evaluation of comments by the Sec-  
2 retary, an application for a waiver under this sub-  
3 section submitted at the same time the applicant ap-  
4 plies for inclusion of a vessel in the Fleet shall be  
5 granted in accordance with the level of service deter-  
6 mined by the Secretary under this subsection by not  
7 later than the date on which the Secretary offers to  
8 the applicant an operating agreement with respect to  
9 that vessel.

10 “(6) CHANGE OR INCREASE IN SERVICE.—Any  
11 material change or increase in a service that is sub-  
12 ject to a waiver under this subsection is not author-  
13 ized except to the extent the change or increase is  
14 permitted by a waiver under subsection (b).

15 “(d) EMERGENCY WAIVER.—Notwithstanding any  
16 other provision of this section, the Secretary may, without  
17 hearing, temporarily waive the application of subsection  
18 (a)(1)(B) if the Secretary finds that a material change or  
19 increase is essential in order to respond adequately to (1)  
20 an environmental or natural disaster or emergency, or (2)  
21 another emergency declared by the President. Any waiver  
22 shall be for a period of not to exceed 45 days, except that  
23 a waiver may be renewed for 30-day periods if the Sec-  
24 retary finds that adequate capacity continues to be other-  
25 wise unavailable.

1       “(e) ANNUAL REPORT ON WAIVERS.—Each waiver  
2 under this section shall require the person who is granted  
3 the waiver to submit to the Secretary each year an annual  
4 report setting forth for the service authorized by the waiv-  
5 er—

6               “(1) the ports served during the year;

7               “(2) the number or frequency of sailings per-  
8 formed during the year; and

9               “(3) the volume of cargo carried or, for contain-  
10 erized or trailer service, the annual 40-foot equiva-  
11 lent unit shipboard container, trailer, or vehicle ca-  
12 pacity utilized during the year, or for tug and barge  
13 service, the annual barge house and barge deck ca-  
14 pacity utilized during the year.

15       “(f) DEFINITIONS.—In this section—

16               “(1) the term ‘noncontiguous trade’ means

8           “(2) TERMINATION OF OBLIGATION.—If the  
9 Secretary terminates a series construction agreement  
10 pursuant to subsection (a)(3), the obligation of the

11 to this section or section 901b to the extent the Secretary,  
12 in consultation with the heads of other appropriate agen-  
13 cies, considers to be necessary to ensure agreement provi-  
14 sions relating to or affecting the transportation of such  
15 equipment, materials, or commodities permit fair and rea-  
16 sonable transportation services to be provided.

17       “(g) No later than 180 days after the date of the  
18 enactment of the Maritime Security and Competitiveness  
19 Act of 1993, the heads of appropriate Federal agencies,  
20 or their representatives, shall transmit to the Secretary  
21 of Transportation recommendations relating to the meth-
