22 could also be made in the absence of any medical emer-
23 gency, but only if the transfer is from an employee to a
24 family member of the employee.

1 “(b) The terms and conditions applicable with respect

20 “(d) In connection with applying section 6334 for
21 purposes of this section, the Office may by regulation re-
22 quire the inclusion of such information, on any application

2 6307(d).

3 “(g) Nothing in this section shall be considered to
4 permit an employee to make a transfer of leave under this
5 section to any other employee if—

6 “(1) an application by or on behalf of such
7 other employee under section 6333 has been ap-
8 proved with respect to a medical emergency; and

9 “(2) such medical emergency has not yet termi-
10 nated (as determined in accordance with section
11 6335).
