(1) since 1948 the Arab countries have maintained a primary boycott against Israel, refusing to do business with Israel;

(2) since the early 1950s the Arab League has maintained a secondary and tertiary boycott against American and other companies that have commercial ties with Israel;

(6) in the interest of Middle East peace and free commerce, the President must take more concrete steps to press the Arab states to end their practice of blacklisting and boycotting American companies that have trade ties with Israel.

(b) POLICY.—It is the sense of the Congress that—

(1) the Arab League countries should immediately and publicly renounce the primary boycott of Israel and the secondary and tertiary boycott of American firms that have commercial ties with Israel; and

(2) the President should—

(A) take more concrete steps to encourage vigorously Arab League countries to renounce publicly the primary boycotts of Israel and the secondary and tertiary boycotts of American firms that have commercial relations with Israel as a confidence-building measure;

(B) take into consideration the participation of any recipient country in the primary boycott of Israel and the secondary and tertiary boycotts of American firms that have commercial relations with Israel when determining whether to sell weapons to said country;

(C) report to Congress on the specific steps being taken by the President to bring about a public renunciation of the Arab primary boycott of Israel and the secondary and tertiary boycotts of American firms that have commercial relations with Israel; and

(D) encourage the allies and trading partners of the United States to enact laws prohibiting businesses from complying with the boycott and penalizing businesses that do comply.

(c) Funds made available pursuant to this section may be made available notwithstanding the third sentence of section 534(e) of the Foreign Assistance Act of 1961. (b) PUBLIC LAW 480.—During fiscal year 1995, restrictions contained in this or any other Act with respect to assistance for a country shall not be construed to restrict assistance under titles I and II of the Agricultural Trade Development and Assistance Act of 1954: *Provided*, That none of the funds appropriated to carry out title I of such Act and made available pursuant to this subsection may be obligated or expended except as provided through the regular notification procedures of the Committees on Appropriations.
