

103^D CONGRESS
2^D SESSION

H. R. 5048

To save lives, prevent injuries, and protect property through improved State and local fire safety education.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 19, 1994

Mr. HOYER (for himself, Mr. WELDON, and Mr. BOEHLERT) introduced the following bill; which was referred to the Committee on Science, Space, and Technology

A BILL

To save lives, prevent injuries, and protect property through improved State and local fire safety education.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Fire Safety Education
5 Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds that—

8 (1) the Nation’s fire losses are estimated at
9 5,000 deaths and 29,000 injuries annually, produc-
10 ing an economic loss conservatively estimated at

1 \$10,000,000,000 a year plus more than
2 \$1,000,000,000 a year in health care costs;

3 (2) sustained and targeted fire safety education
4 at the State and local levels, particularly in identifi-
5 able high-risk populations, produces dramatic results
6 in preventing fires, fire deaths, and dollar loss from
7 fire;

8 (3) in recent years, the Nation's fire depart-
9 ments have seen their fire safety education budgets
10 cut dramatically and, in many cases, eliminated;

11 (4) there is a need to expand the availability of
12 State and local fire prevention programs and sup-
13 porting resources and materials to help State agen-
14 cies and local fire departments in carrying out effec-
15 tive public education;

16 (5) fire departments in other countries with
17 fewer fire deaths per capita than the United States
18 spend an average of 4–10 percent of their budgets
19 on fire prevention, versus less than 3 percent for
20 United States departments; and

21 (6) only by accurately collecting and analyzing
22 data on fire deaths, injuries and dollar loss can the
23 Nation's fire departments pinpoint the populations
24 and regions where they most need to direct their

1 educational efforts, thus leading to a more efficient
2 and effective use of resources.

3 **SEC. 3. FIRE SAFETY EDUCATION.**

4 (a) AWARDS.—The Administrator may enter into
5 contracts, cooperative agreements, or grants with eligible
6 entities to obtain and distribute at the State and local level
7 fire safety and prevention education programs and sup-
8 porting educational resources.

9 (b) USE OF FUNDS.—Of the amounts received by an
10 entity under subsection (a)—

11 (1) not more than 25 percent may be used for
12 statewide fire safety and prevention programs;

13 (2) not more than 25 percent may be used to
14 implement new regional or local fire safety and pre-
15 vention programs targeting high risk populations;
16 and

17 (3) at least 50 percent shall be used for awards
18 of not more than \$10,000 for existing regional or
19 local fire safety and prevention programs that have
20 been demonstrated to be effective in preventing fires,
21 fire deaths and injuries, and dollar losses from fire.

22 **SEC. 4. DATA COLLECTION.**

23 The Administrator may enter into contracts, coopera-
24 tive agreements, or grants with States for the purpose of
25 implementing the revised National Fire Incident Report-

1 ing System, established under section 9 of the Federal
2 Fire Prevention and Control Act of 1974 (15 U.S.C.
3 2208), to improve and enhance the collection and analysis
4 of fire data at the State and local levels.

5 **SEC. 5. APPLICATIONS.**

6 Each eligible entity desiring a contract, cooperative
7 agreement, or grant under this Act shall submit an appli-
8 cation to the Administrator at such time, in such manner,
9 and accompanied by such information as the Adminis-
10 trator may reasonably require.

11 **SEC. 6. REPORTS AND EVALUATION.**

12 (a) ANNUAL REPORT TO ADMINISTRATOR.—An en-
13 tity receiving funds under section 3 shall prepare and sub-
14 mit to the Administrator an annual report which contains
15 such information as the Administrator may require. At a
16 minimum, the report shall describe the program activities
17 undertaken with such funds, including—

5 prepare and submit to the Congress an annual report
6 which includes a description of the programs undertaken
