23 (e) BUFFER ZONES.—Congress does not intend that
24 the designation by this Act of wilderness areas in the State
25 of Colorado creates or implies the creation of protective

1 perimeters or buffer zones around any wilderness area.
2 The fact that nonwilderness activities or uses can be seen
3 or heard from within a wilderness area shall not, of itself,
4 preclude such activities or uses up to the boundary of the
5 wilderness area.

6 (f) WILDERNESS NAME CHANGE.—The wilderness
7 area designated as “Big Blue Wilderness” by section

5 laws and regulations pertaining to the Forest Service, De-
6 partment of Agriculture, and the applicable law, including
7 this Act. The change of administrative jurisdiction result-
8 ing from the enactment of this subsection shall not in it-
9 self constitute a basis for denying or approving the re-
10 newal or reissuance of any such authorization.

11 **SEC. 4. WILDERNESS RELEASE.**

12 (a) REPEAL OF WILDERNESS STUDY PROVISIONS.—
13 Sections 105 and 106 of the Act of December 22, 1980

8 **SEC. 8. WATER.**

9 (a) FINDINGS, PURPOSE, AND DEFINITIONS.—(1)
10 Congress finds that—

11 (A) the lands designated as wilderness by this
12 Act are located at the headwaters of the streams
13 and rivers on those lands, with few, if any, actual or
14 proposed water resource facilities located upstream
15 from such lands and few, if any, opportunities for
16 diversion, storage, or other uses of water occurring
17 outside such lands that would adversely affect the
18 wilderness values of such lands; and

19 (B) the lands designated as wilderness by this
20 Act are not suitable for use for development of new
21 water resource facilities, or for the expansion of ex-
22 isting facilities; and

23 (C) therefore, it is possible to provide for prop-
24 er management and protection of the wilderness
25 value of such lands in ways different from those uti-

1 lized in other legislation designating as wilderness
2 lands not sharing the attributes of the lands des-
3 igned as wilderness by this Act.

4 (2) The purpose of this section is to protect the wil-
5 derness values of the lands designated as wilderness by
6 this Act by means other than those based on a federal
7 reserved water right.

8 (3) As used in this section, the term “water resource
9 facility” means irrigation and pumping facilities, res-
10 ervoirs, water conservation works, aqueducts, canals,
11 ditches, pipelines, wells, hydropower projects, and trans-
12 mission and other ancillary facilities, and other water di-
13 version, storage, and carriage structures.

14 (b) RESTRICTIONS ON RIGHTS AND DISCLAIMER OF
15 EFFECT.—(1) Neither the Secretary, nor any other offi-
16 cer, employee, representative, or agent of the United
17 States, nor any other person, shall assert in any court or
18 agency, nor shall any court or agency consider, any claim
19 to or for water or water rights in the State of Colorado,
20 which is based on any construction of any portion of this
21 Act, or the designation of any lands as wilderness by this
22 Act, as constituting an express or implied reservation of
23 water or water rights.

24 (2)(A) Nothing in this Act shall constitute or be con-
25 strued to constitute either an express or implied reserva-

1 tion of any water or water rights with respect to the
2 Piedra, Roubideau, and Tabeguache areas identified in
3 section 9 of this Act, or the Bowen Gulch Protection Area
4 or the Fossil Ridge Recreation Management Area identi-
5 fied in sections 5 and 6 of this Act.

6 (B) Nothing in this Act shall be construed as a cre-
7 ation, recognition, disclaimer, relinquishment, or reduction
8 of any water rights or the United States in the State of
9 Colorado existing before the date of enactment of this Act,
10 except as provided in subsection (g)(2) of this section.

11 (C) Except as provided in subsection (g) of this sec-
12 tion, nothing in this Act shall be construed as constituting
13 an interpretation of any other Act or any designation
14 made by or pursuant thereto.

15 (D) Nothing in this section shall be construed as es-
16 tablishing a precedent with regard to any future wilder-
17 ness designations.

18 (c) NEW OR EXPANDED PROJECTS.—(1) Notwith-
19 standing any other provision of law, on and after the date
20 of enactment of this Act neither the President nor any
21 other officer, employee, or agent of the United States shall
22 fund, assist, authorize, or issue a license or permit for the
23 development of any new water resource facility within the
24 areas described in sections 2, 5, 6 and 9 of this Act or

1 the enlargement of any water resource facility within the
2 areas described in sections 2, 5, 6 and 9 of this Act.

3 (d) ACCESS AND OPERATION.—(1) Subject to the
4 provisions of this subsection (d), the Secretary shall allow
5 reasonable access to water resource facilities in existence
6 on the date of enactment of this Act within the areas de-
7 scribed in sections 2, 5, 6 and 9 of this Act, including
8 motorized access where necessary and customarily em-
9 ployed on routes existing as of the date of enactment of
10 this Act.

11 (2) Existing access routes within such areas cus-
12 tomarily employed as of the date of enactment of this Act
13 may be used, maintained, repaired, and replaced to the
14 extent necessary to maintain their present function, de-
15 sign, and serviceable operation, so long as such activities
16 have no increased adverse impacts on the resources and
17 values of the areas described in sections 2, 5, 6 and 9
18 of this Act than existed as of the date of enactment of
19 this Act.

20 (3) Subject to the provisions of subsections (c) and
21 (d), the Secretary shall allow water resource facilities ex-
22 isting on the date of enactment of this Act within areas
23 described in sections 2, 5, 6 and 9 of this Act to be used,
24 operated, maintained, repaired, and replaced to the extent
25 necessary for the continued exercise, in accordance with

1 Colorado state law, of vested water rights adjudicated for
2 use in connection with such facilities by a court of com-
3 petent jurisdiction prior to the date of enactment of this
4 Act; Provided, That the impact of an existing facility on
5 the water resources and values of the area shall not be
6 increased as a result of changes in the adjudicated type
7 of use of such facility as of the date of enactment of this
8 Act.

9 (4) Water resource facilities, and access routes serv-
10 ing such facilities, existing within the areas described in
11 sections 2, 5, 6 and 9 of this Act on the date of enactment
12 of this Act shall be maintained and repaired when and
13 to the extent necessary to prevent increased adverse im-
14 pacts on the resources and values of the areas described
15 in sections 2, 5, 6 and 9 of this Act.

16 (e) Except as provided in subsections (c) and (d) of
17 this section, the provisions of this Act related to the areas
18 described in sections 2, 5, 6, and 9 of this Act, and the
19 inclusion in the National wilderness Preservation System
20 of the areas described in section 2 of this Act, shall not
21 be construed to affect or limit the use, operation, mainte-
22 nance, repair, modification, or replacement of water re-
23 sources facilities in existence on the date of enactment of
24 this Act within the boundaries of the areas described in
25 sections 2, 5, 6, and 9 of this Act.

1 (f) MONITORING AND IMPLEMENTATION.—The Sec-
2 retaries of Agriculture and the Interior shall monitor the
3 operation of and access to water resource facilities within
4 the areas described in sections 2, 5, 6, and 9 of this Act
5 and take all steps necessary to implement the provisions
6 of this section.

7 (g) INTERSTATE COMPACTS AND NORTH PLATTE
8 RIVER.—(1) Nothing in this Act, and nothing in any pre-
9 vious Act designating any lands as wilderness, shall be
10 construed as limiting, altering, modifying, or amending
11 any of the interstate compacts or equitable apportionment
12 decrees that apportion water among and between the State
13 of Colorado and other States. Except as expressly provided
14 in this section, nothing in this Act shall affect or limit
15 the development or use by existing and future holders of
16 vested water rights of Colorado's full apportionment of
17 such waters.

18 (2) Notwithstanding any other provision of law, nei-
19 ther the Secretary nor any other officer, employee, or
20 agent of the United States, or any other person, shall as-
21 sert in any court or agency of the United States or any
22 other jurisdiction any rights, and no court or agency of
23 the United States shall consider any claim or defense as-
24 serted by any person based upon such rights, which may
25 be determined to have been established for waters of the

1 North Platte River for purposes of the Platte River Wil-
