RESOLUTION

Relating to State actions to protect children from injury in motor vehicle accidents.

1 *Resolved*, That it is the sense of the House of Rep-
2 resentatives that each of the several States should take
3 such action as may be necessary or appropriate to require
4 by law that—

5 (1) while a motor vehicle is in operation—

7 of age must be secured in a federally-approved
8 child safety seat that is appropriately attached
9 to the vehicle, and

1 (B) any child who has attained 4 years of
2 age but not 17 years of age must be properly
3 restrained, regardless whether occupying a front
4 or back seat;

5 (2) the operator of a motor vehicle (regardless
6 of the State of residency of the operator) has a legal
7 duty to ensure that the requirements referred to in
8 paragraph (1) are complied with; and

9 (3) the failure of an individual to comply with
10 the duty referred to in paragraph (2) constitutes a
11 moving violation under such law.
