

## **H. Res. 515**

### ***In the House of Representatives, U. S.,***

*August 19, 1994.*

*Resolved,* That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4908) to authorize the hydrogen and fusion research, development, and demonstration programs, and the high energy physics and nuclear physics programs of the Department of Energy, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Science, Space, and Technology. After general debate the bill shall be considered for amendment under the five-minute rule. The bill shall be considered by title rather than by section. Each title shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been

adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit.

Attest:

*Clerk.*
