## RESOLUTION

Providing that the House should not consider health care legislation in violation of section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985 or any health care legislation that amends or supercedes that section.

Whereas the Budget Enforcement Act of 1990 was enacted to reduce Government spending;

Whereas the Budget Enforcement Act of 1990 was designed to ensure that any changes to mandatory spending programs be deficit neutral;

Whereas health care expenditures are the fastest growing portion of the Federal budget; and

Whereas health care legislation reported by the Committee on Education and Labor and the Committee on Ways and Means contain large expansions of Federal health expenditures: Now, therefore, be it

1       *Resolved*, That no health care legislation should be  
2 considered by the House of Representatives—

3           (1) that the Congressional Budget Office finds  
4       would cause a sequestration under section 252 of the  
5       Balanced Budget and Emergency Deficit Control  
6       Act of 1985, or

7           (2) that would amend or supercede that section.
