

## **H. Res. 574**

### ***In the House of Representatives, U. S.,***

*October 7, 1994.*

*Resolved,* That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (S. 1569) to amend the Public Health Service Act to establish, reauthorize and revise provisions to improve the health of individuals from disadvantaged backgrounds, and for other purposes. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read.

Attest:

*Clerk.*
