## A BILL

To rescind the Federal implementation plan promulgated by the Administrator of the Environmental Protection Agency for the South Coast, Ventura, and Sacramento areas of California.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. FEDERAL IMPLEMENTATION PLAN FOR CER-**  
4 **TAIN AREAS IN CALIFORNIA.**

5 (a) CONGRESSIONAL FINDINGS.—The Congress finds  
6 that the 1990 amendments to the Clean Air Act (Public

1 Law 101–549) superseded prior requirements of the Clean  
2 Air Act regarding the demonstration of attainment of na-  
3 tional ambient air quality standards and eliminated the  
4 obligation of the Administrator of the Environmental Pro-  
5 tection Agency to promulgate a Federal implementation  
6 plan under section 110(c) of the Clean Air Act for the  
7 South Coast, Ventura, or Sacramento areas of California.

8 (b) EFFECT OF FIP.—Upon the enactment of this  
9 Act, any Federal implementation plan that has been pro-  
10 mulgated by the Administrator of the Environmental Pro-  
11 tection Agency under the Clean Air Act for the South  
12 Coast, Ventura, or Sacramento areas of California pursu-  
13 ant to a court order or settlement agreement shall be re-  
14 scinded and shall have no further force and effect.
