A BILL

To prohibit the importation of goods produced abroad with child labor, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Child Labor Deter-
5 rence Act of 1995”.

1 **SEC. 2. FINDINGS, PURPOSE, AND POLICY.**

2 (a) FINDINGS.—The Congress finds the following:

3 (1) Principle 9 of the Declaration of the Rights
4 of the Child proclaimed by the General Assembly of
5 the United Nations on November 20, 1959, states
6 that “. . . the child shall not be admitted to employ-
7 ment before an appropriate minimum age; he shall
8 in no case be caused or permitted to engage in any
9 occupation or employment which would prejudice his
10 health or education, or interfere with his physical,
11 mental, or moral development . . .”.

12 (2) Article 2 of the International Labor Con-
13 vention No. 138 Concerning Minimum Age For Ad-
14 mission to Employment states that, “The minimum
15 age specified in pursuance of paragraph 1 of this ar-
16 ticle shall not be less than the age of compulsory
17 schooling and, in any case, shall not be less than 15
18 years.”.

19 (3) According to the International Labor Orga-
20 nization, worldwide an estimated 200,000,000 chil-
21 dren under age 15 are working, many of them in
22 dangerous industries like mining and fireworks.

23 (4) Children under the age 15 constitute ap-
24 proximately 11 percent of the workforce in some
25 Asian countries, 17 percent in parts of Africa, and

1 a reported 12–26 percent in many countries in Latin
2 America.

3 (5) The number of children under age 15 who
4 are working, and the scale of their suffering, in-
5 crease every year, despite the existence of more than
6 20 International Labor Organization conventions on
7 child labor and laws in many countries which pur-
8 portedly prohibit the employment of under age
9 children.

10 (6) In many countries, children under the age
11 of 15 lack either the legal standing or means to pro-
12 tect themselves from exploitation in the workplace.

13 (7) The prevalence of child labor in many devel-
14 oping countries is rooted in widespread poverty that
15 is attributable to unemployment and underem-
16 ployment, precarious incomes, low living standards,
17 and insufficient education and training opportunities
18 among adult workers.

19 (8) The employment of children under the age
20 of 15 commonly deprives the children of the oppor-
21 tunity for basic education and also denies gainful
22 employment to millions of adults.

23 (9) The employment of children under the age
24 of 15, often at pitifully low wages, undermines the
25 stability of families and ignores the importance of

1 increasing jobs, aggregated demand, and purchasing
2 power among adults as a catalyst to the development
3 of internal markets and the achievement of broad-
4 based, self-reliant economic development in many de-
5 veloping countries.

6 (b) PURPOSE.—The purpose of this Act is to curtail
7 the employment of children under age 15 in the production
8 of goods for export by—

9 (1) eliminating the role of the United States in
10 providing a market for foreign products made by un-
11 derage children;

12 (2) supporting activities and programs to ex-
13 tend primary education, rehabilitation, and alter-
14 native skills training to underage child workers, to
15 improve birth registration, and to improve the scope
16 and quality of statistical information and research
17 on the commercial exploitation of children in the
18 workplace; and

19 (3) encouraging other nations to join in a ban
20 on trade in products described in paragraph (1) and
21 to support those activities and programs described in
22 paragraph (2).

23 (c) POLICY.—It is the policy of the United States—

1 (1) to discourage actively the employment of
2 children under age 15 in the production of goods for
3 export or domestic consumption;

4 (2) to strengthen and supplement international
5 trading rules with a view to renouncing the use of
6 underage children in production as a means of com-
7 peting in international trade;

8 (3) to amend United States law to prohibit the
9 entry into commerce of products resulting from the
10 labor of underage children; and

11 (4) to offer assistance to foreign countries to
12 improve the enforcement of national laws prohibiting
13 the employment of children under age 15 and to in-
14 crease assistance to alleviate the underlying poverty
15 that is often the cause of the commercial exploi-
16 tation of children under age 15.

17 **SEC. 3. UNITED STATES INITIATIVE TO CURTAIL INTER-**
18 **NATIONAL TRADE IN PRODUCTS OF CHILD**
19 **LABOR.**

20 In pursuit of the policy set forth in this Act, the
21 President is urged to seek an agreement with governments
22 that conduct trade with the United States for the purpose
23 of securing an international ban on trade in the products
24 of child labor.

1 **SEC. 4. IDENTIFICATION OF FOREIGN INDUSTRIES AND**
2 **THEIR RESPECTIVE HOST COUNTRIES THAT**
3 **UTILIZE CHILD LABOR IN EXPORT OF GOODS.**

4 (a) IDENTIFICATION OF INDUSTRIES AND HOST
5 COUNTRIES.—The Secretary of Labor (hereafter in this
6 section referred to as the “Secretary”) shall undertake
7 periodic reviews using all available information, including
8 information made available by the International Labor Or-
9 ganization and human rights organizations (the first such
10 review to be undertaken not later than 180 days after the
11 date of the enactment of the Act), to identify any foreign
12 industry that—

13 (1) does not comply with the applicable national
14 laws prohibiting child labor in the workplace;

15 (2) utilizes child labor in the export of products;
16 and

17 (3) has on a continuing basis exported products
18 of child labor to the United States.

19 For purposes of this Act, the identification of a foreign
20 industry shall be treated as also being an identification
21 of the host country.

22 (b) PETITIONS REQUESTING IDENTIFICATION.—

23 (1) FILING.—Any person may file a petition
24 with the Secretary requesting that a particular for-
25 eign industry and its host country be identified

3 (2) ACTION ON RECEIPT OF PETITION.—Not
4 later than 180 days after receiving a petition under
5 paragraph (1), the Secretary shall—

6 (A) decide whether or not the allegations
7 in the petition warrant further action by the
8 Secretary in regard to the foreign industry and
9 its host country under subsection (a); and

10 (B) notify the petitioner of the decision
11 under subparagraph (A) and the facts and rea-
12 sons supporting the decision.

13 (c) CONSULTATION AND COMMENT.—Prior to identi-

18 Commerce, and the Secretary of the Treasury re-
19 garding such action;

20 (2) hold at least 1 public hearing within a rea-
21 sonable time for the receipt of oral comment from
22 the public regarding such a proposed identification;

23 (3) publish notice in the Federal Register—

24 (A) that such an identification is being
25 considered,

1 (B) of the time and place of the hearing
2 scheduled under paragraph (2), and

3 (C) inviting the submission within a rea-
4 sonable time of written comment from the pub-
5 lic; and

6 (4) take into account the information obtained
7 under paragraphs (1), (2), and (3).

8 (d) REVOCATION OF IDENTIFICATION.—

9 (1) IN GENERAL.—Subject to paragraph (2),
10 the Secretary may revoke the identification of any
11 foreign industry and its host country under sub-
12 section (a) if information available to the Secretary
13 indicates that such action is appropriate.

14 (2) REPORT OF SECRETARY.—No revocation
15 under paragraph (1) may take effect earlier than the
16 60th day after the date on which the Secretary sub-
17 mits to the Congress a written report—

19 retary the foreign industry and host country
20 concerned does not utilize child labor in the ex-
21 port of products; and

22 (B) stating the facts on which such opinion
23 is based and any other reason why the Sec-
24 retary considers the revocation appropriate.

1 (3) PROCEDURE.—No revocation under para-
2 graph (1) may take effect unless the Secretary—

3 (A) publishes notice in the Federal Reg-

7 the public on the revocation; and

7 tured article that is a product of that foreign indus-
8 try.

9 (2) EXCEPTION.—Paragraph (1) shall not
10 apply to the entry of a manufactured article—

11 (A) for which a certification that meets the
12 requirements of subsection (b) is provided and
13 the article, or the packaging in which it is of-
14 fered for sale, contains, in accordance with reg-

17 labor;

18 (B) that is entered under any subheading
19 in subchapter IV or VI of chapter 98 (relating
20 to personal exemptions) of the Harmonized
21 Tariff Schedule of the United States; or

22 (C) that was exported from the foreign in-
23 dustry and its host country and was en route
24 to the United States before the first day of the
25 effective identification period for such industry
26 and its host country.

1 (b) CERTIFICATION THAT ARTICLE IS NOT A PROD-
2 UCT OF CHILD LABOR.—

3 (1) FORM AND CONTENT.—The Secretary shall
4 prescribe the form and content of documentation, for
5 submission in connection with the entry of a manu-
6 factured article, that satisfies the Secretary that the
7 exporter of the article in the host country, and the
8 importer of the article into the customs territory of
9 the United States, have undertaken reasonable steps
10 to ensure, to the extent practicable, that the article
11 is not a product of child labor.

12 (2) REASONABLE STEPS.—For purposes of

15 in the host country—

17 an organization described in paragraph (4)

23 contains such certification is affixed to the
24 article; and

13 set forth in paragraph (2) have been taken.

14 (4) CERTIFYING ORGANIZATIONS.—The Sec-
15 retary shall compile and maintain a list of independ-
16 ent professional, internationally credible organiza-
17 tions, in any host country identified under section 4,
18 that have been established for the purpose of con-
19 ducting inspections, certifying, and labelling that
20 manufactured articles to be exported from that
21 country are not products of child labor. Each such
22 organization may consist of, but not be limited to,
23 representatives of nongovernmental child welfare or-
24 ganizations, manufacturers, exporters, national gov-
25 ernments, and neutral international organizations.

1 **SEC. 6. PENALTIES.**

2 (a) UNLAWFUL ACTS.—It is unlawful—

3 (1) during the effective identification period ap-
