A BILL

7 The Congress finds the following:

5 their families.

6 (3) The Federal Government provides billions of
7 dollars in subsidies to businesses each year through
8 both spending programs and the Internal Revenue
9 Code of 1986.

10 (4) Recipients of Federal contracts have bene-
11 fited greatly from the provision of taxpayers' dollars.

12 (5) The Congressional Budget Office concluded
13 that the Federal Government spends more than \$30
14 billion dollars a year on spending and credit pro-
15 grams.

17 are used responsibly to improve the economic secu-
