 28 Armed Forces, or similar groups or categories.

29 (b) SANCTIONS FOR INTERNATIONAL COMPETITION.—An amateur sports
 30 organization under subsection (a) of this section shall obtain a sanction

37 **§ 220727. Complaints against national governing bodies**

38 (a) GENERAL.—(1) An amateur sports organization or person that be-

 40 compel the national governing body to comply with sections 220722,
 41 220724, and 220725 of this title by filing a written complaint with the cor-

1 poration. A copy of the complaint shall be served on the national governing
2 body.

3 (2) The corporation shall establish procedures for the filing and disposi-
4 tion of complaints under this section.

5 (b) EXHAUSTION OF REMEDIES.—(1) An organization or person may file
6 a complaint under subsection (a) of this section only after exhausting all
7 available remedies within the national governing body for correcting defi-
8 ciencies, unless it can be shown by clear and convincing evidence that those
9 remedies would have resulted in unnecessary delay.

10 (2) Within 30 days after a complaint is filed, the corporation shall decide
11 whether the organization or person has exhausted all available remedies as
12 required by paragraph (1) of this subsection. If the corporation determines
13 that the remedies have not been exhausted, it may direct that the remedies
14 be pursued before the corporation considers the complaint further.

15 (c) HEARINGS.—If the corporation decides that all available remedies
16 have been exhausted as required by subsection (b)(1) of this section, it shall
17 hold a hearing, within 90 days after the complaint is filed, to receive testi-
18 mony to decide whether the national governing body is complying with sec-
19 tions 220722, 220724, and 220725 of this title.

20 (d) DISPOSITION OF COMPLAINT.—(1) If the corporation decides, as a re-

24 (2) If the corporation decides, as a result of the hearing, that the national
25 governing body is not complying with sections 220722, 220724, and 220725
26 of this title, it shall—

27 (A) place the national governing body on probation for a specified
28 period of time, not to exceed 180 days, which the corporation considers
29 necessary to enable the national governing body to comply with those
30 sections; or

31 (B) revoke the recognition of the national governing body.

32 (3) If the corporation places a national governing body on probation
33 under paragraph (2) of this subsection, it may extend the probationary pe-

35 dence that, through no fault of its own, it needs additional time to comply
36 with sections 220722, 220724, and 220725 of this title. If, at the end of
37 the period allowed by the corporation, the national governing body has not
38 complied with those sections, the corporation shall revoke the recognition of
39 the national governing body.

1 **§ 220728. Applications to replace an incumbent national**
2 **governing body**

13 the Olympic Games or both the Olympic and Pan-American Games; or

14 (B) any Pan-American Games, for a sport in which competition is
15 held in the Pan-American Games but not in the Olympic Games.

16 (2) The application shall be filed with the corporation by registered mail,
17 and a copy of the application shall be served on the national governing body.
18 The corporation shall inform the applicant that its application has been re-
19 ceived.

20 (d) HEARINGS.—Within 180 days after receipt of an application filed
21 under this section, the corporation shall conduct a formal hearing to deter-
22 mine the merits of the application. The corporation shall publish notice of
23 the time and place of the hearing in a regular issue of its principal publica-
24 tion at least 30 days, but not more than 60 days, before the date of the

26 be given a reasonable opportunity to present evidence supporting their posi-
27 tions.

28 (e) STANDARDS FOR GRANTING APPLICATIONS.—In the hearing, the ap-
29 plicant must establish by a preponderance of the evidence that—

31 under section 220722 of this title; and

32 (2)(A) the national governing body does not meet the criteria of sec-

36 of sections 220724 and 220725 of this title, and provides or is capable
37 of providing a more effective national program of competition than the
38 national governing body in the sport for which it seeks recognition.

39 (f) DISPOSITION OF APPLICATIONS.—Within 30 days after the close of
40 the hearing required by this section, the corporation shall—

1 (1) uphold the right of the national governing body to continue as
2 the national governing body for its sport;

3 (2) revoke the recognition of the national governing body and declare
4 a vacancy in the national governing body for that sport;

5 (3) revoke the recognition of the national governing body and recog-
6 nize the applicant as the national governing body; or

7 (4) place the national governing body on probation for a period not
8 exceeding 180 days, pending the compliance of the national governing
9 body, if the national governing body would have retained recognition
10 except for a minor deficiency in one of the requirements of section
11 220722, 220724, or 220725 of this title.

12 (g) REVOCATION OF RECOGNITION AFTER PROBATION.—If the national
13 governing body does not comply with sections 220722, 220724, and 220725
14 of this title within the probationary period prescribed under subsection
15 (f)(4) of this section, the corporation shall revoke the recognition of the na-

18 (2) declare a vacancy in the national governing body for that sport.

19 **§ 220729. Arbitration of corporation determinations**

20 (a) RIGHT TO REVIEW.—A party aggrieved by a determination of the cor-

23 (b) PROCEDURE.—(1) A demand for arbitration must be submitted with-
24 in 30 days after the determination of the corporation.

25 (2) On receipt of a demand for arbitration, the Association shall serve
26 notice on the parties to the arbitration and on the corporation, and shall
27 immediately proceed with arbitration according to the commercial rules of
28 the Association in effect at the time the demand is filed, except that—

29 (A) the arbitration panel shall consist of at least 3 arbitrators, unless
30 the parties to the proceeding agree to a lesser number;

31 (B) the arbitration hearing shall take place at a site selected by the
32 Association, unless the parties to the proceeding agree to the use of
33 another site; and

34 (C) the arbitration hearing shall be open to the public.

35 (3) A decision by the arbitrators shall be by majority vote unless the con-
36 currence of all arbitrators is expressly required by the contesting parties.

37 (4) Each party may be represented by counsel or by any other authorized
38 representative at the arbitration proceeding.

39 (5) The parties may offer any evidence they desire and shall produce any
40 additional evidence the arbitrators believe is necessary to an understanding

1 of the relevancy and materiality of the evidence offered. Conformity to legal
2 rules of evidence is not necessary.

3 (c) SETTLEMENT.—The arbitrators may settle a dispute arising under
4 this chapter before making a final award, if agreed to by the parties and
5 achieved in a manner not inconsistent with the constitution and bylaws of

11 made, the hearings may be reopened by the arbitrators on their own motion
12 or on the motion of a party.

13 (2) If the reopening is based on the motion of a party, and if the reopen-
14 ing would result in the arbitrators' decision being delayed beyond the spe-
15 cific period agreed to at the beginning of the arbitration proceedings, all
16 parties to the decision must agree to reopen the hearings.

19 **“§ 4. Pledge of allegiance to the flag; manner of delivery**

20 “The Pledge of Allegiance to the Flag, ‘I pledge allegiance to the Flag

26 the heart. Persons in uniform should remain silent, face the flag, and render
27 the military salute.

28 **“§ 5. Display and use of flag by civilians; codification of**
29 **rules and customs; definition**

30 “The following codification of existing rules and customs pertaining to the

32 for the use of such civilians or civilian groups or organizations as may not
33 be required to conform with regulations promulgated by one or more execu-

35 United States for the purpose of this chapter shall be defined according to
36 sections 1 and 2 of this title and Executive Order 10834 issued pursuant
37 thereto.

38 **“§ 6. Time and occasions for display**

39 “(a) It is the universal custom to display the flag only from sunrise to
40 sunset on buildings and on stationary flagstaffs in the open. However, when

1 a patriotic effect is desired, the flag may be displayed twenty-four hours a
2 day if properly illuminated during the hours of darkness.

20 “(f) The flag should be displayed in or near every polling place on election
21 days.

22 “(g) The flag should be displayed during school days in or near every
23 schoolhouse.

24 **“§ 7. Position and manner of display**

25 “The flag, when carried in a procession with another flag or flags, should
26 be either on the marching right; that is, the flag’s own right, or, if there
27 is a line of other flags, in front of the center of that line.

28 “(a) The flag should not be displayed on a float in a parade except from
29 a staff, or as provided in subsection (i) of this section.

30 “(b) The flag should not be draped over the hood, top, sides, or back of
31 a vehicle or of a railroad train or a boat. When the flag is displayed on
32 a motorcar, the staff shall be fixed firmly to the chassis or clamped to the
33 right fender.

34 “(c) No other flag or pennant should be placed above or, if on the same
35 level, to the right of the flag of the United States of America, except during
36 church services conducted by naval chaplains at sea, when the church pen-
37 nant may be flown above the flag during church services for the personnel
38 of the Navy. No person shall display the flag of the United Nations or any
39 other national or international flag equal, above, or in a position of superior
40 prominence or honor to, or in place of, the flag of the United States at any
41 place within the United States or any Territory or possession thereof: *Pro-*

1 *vided*, That nothing in this section shall make unlawful the continuance of
2 the practice heretofore followed of displaying the flag of the United Nations
3 in a position of superior prominence or honor, and other national flags in
4 positions of equal prominence or honor, with that of the flag of the United
5 States at the headquarters of the United Nations.

6 “(d) The flag of the United States of America, when it is displayed with
7 another flag against a wall from crossed staffs, should be on the right, the
8 flag’s own right, and its staff should be in front of the staff of the other
9 flag.

10 “(e) The flag of the United States of America should be at the center
11 and at the highest point of the group when a number of flags of States or
12 localities or pennants of societies are grouped and displayed from staffs.

13 “(f) When flags of States, cities, or localities, or pennants of societies are
14 flown on the same halyard with the flag of the United States, the latter
15 should always be at the peak. When the flags are flown from adjacent
16 staffs, the flag of the United States should be hoisted first and lowered last.
17 No such flag or pennant may be placed above the flag of the United States
18 or to the United States flag’s right.

19 “(g) When flags of two or more nations are displayed, they are to be
20 flown from separate staffs of the same height. The flags should be of ap-
21 proximately equal size. International usage forbids the display of the flag
22 of one nation above that of another nation in time of peace.

23 “(h) When the flag of the United States is displayed from a staff project-
24 ing horizontally or at an angle from the window sill, balcony, or front of
25 a building, the union of the flag should be placed at the peak of the staff
26 unless the flag is at half staff. When the flag is suspended over a sidewalk
27 from a rope extending from a house to a pole at the edge of the sidewalk,
28 the flag should be hoisted out, union first, from the building.

29 “(i) When displayed either horizontally or vertically against a wall, the
30 union should be uppermost and to the flag’s own right, that is, to the ob-
31 server’s left. When displayed in a window, the flag should be displayed in
32 the same way, with the union or blue field to the left of the observer in
33 the street.

34 “(j) When the flag is displayed over the middle of the street, it should
35 be suspended vertically with the union to the north in an east and west
36 street or to the east in a north and south street.

37 “(k) When used on a speaker’s platform, the flag, if displayed flat, should
38 be displayed above and behind the speaker. When displayed from a staff in
39 a church or public auditorium, the flag of the United States of America
40 should hold the position of superior prominence, in advance of the audience,
41 and in the position of honor at the clergyman’s or speaker’s right as he

1 faces the audience. Any other flag so displayed should be placed on the left
2 of the clergyman or speaker or to the right of the audience.

3 “(l) The flag should form a distinctive feature of the ceremony of unveil-
4 ing a statue or monument, but it should never be used as the covering for
5 the statue or monument.

6 “(m) The flag, when flown at half-staff, should be first hoisted to the
7 peak for an instant and then lowered to the half-staff position. The flag
8 should be again raised to the peak before it is lowered for the day. On Me-
9 morial Day the flag should be displayed at half-staff until noon only, then
10 raised to the top of the staff. By order of the President, the flag shall be
11 flown at half-staff upon the death of principal figures of the United States
12 Government and the Governor of a State, territory, or possession, as a mark
13 of respect to their memory. In the event of the death of other officials or
14 foreign dignitaries, the flag is to be displayed at half-staff according to
15 Presidential instructions or orders, or in accordance with recognized cus-
16 toms or practices not inconsistent with law. In the event of the death of
17 a present or former official of the government of any State, territory, or
18 possession of the United States, the Governor of that State, territory, or
19 possession may proclaim that the National flag shall be flown at half-staff.
20 The flag shall be flown at half-staff thirty days from the death of the Presi-
21 dent or a former President; ten days from the day of death of the Vice
22 President, the Chief Justice or a retired Chief Justice of the United States,
23 or the Speaker of the House of Representatives; from the day of death until
24 interment of an Associate Justice of the Supreme Court, a Secretary of an
25 executive or military department, a former Vice President, or the Governor
26 of a State, territory, or possession; and on the day of death and the follow-
27 ing day for a Member of Congress. The flag shall be flown at halfstaff on
28 Peace Officers Memorial Day, unless that day is also Armed Forces Day.
29 As used in this subsection—

30 “(1) the term ‘half-staff’ means the position of the flag when it is
31 one-half the distance between the top and bottom of the staff;

32 “(2) the term ‘executive or military department’ means any agency
33 listed under sections 101 and 102 of title 5; and

34 “(3) the term ‘Member of Congress’ means a Senator, a Representa-
35 tive, a Delegate, or the Resident Commissioner from Puerto Rico.

36 “(n) When the flag is used to cover a casket, it should be so placed that
37 the union is at the head and over the left shoulder. The flag should not
38 be lowered into the grave or allowed to touch the ground.

39 “(o) When the flag is suspended across a corridor or lobby in a building
40 with only one main entrance, it should be suspended vertically with the
41 union of the flag to the observer’s left upon entering. If the building has

1 more than one main entrance, the flag should be suspended vertically near
2 the center of the corridor or lobby with the union to the north, when en-
3 trances are to the east and west or to the east when entrances are to the
4 north and south. If there are entrances in more than two directions, the
5 union should be to the east.

6 **“§ 8. Respect for flag**

7 “No disrespect should be shown to the flag of the United States of Amer-
8 ica; the flag should not be dipped to any person or thing. Regimental colors,
9 State flags, and organization or institutional flags are to be dipped as a
10 mark of honor.

11 “(a) The flag should never be displayed with the union down, except as
12 a signal of dire distress in instances of extreme danger to life or property.

13 “(b) The flag should never touch anything beneath it, such as the ground,
14 the floor, water, or merchandise.

15 “(c) The flag should never be carried flat or horizontally, but always aloft
16 and free.

17 “(d) The flag should never be used as wearing apparel, bedding, or drap-
18 ery. It should never be festooned, drawn back, nor up, in folds, but always
19 allowed to fall free. Bunting of blue, white, and red, always arranged with
20 the blue above, the white in the middle, and the red below, should be used
21 for covering a speaker’s desk, draping the front of the platform, and for
22 decoration in general.

23 “(e) The flag should never be fastened, displayed, used, or stored in such
24 a manner as to permit it to be easily torn, soiled, or damaged in any way.

25 “(f) The flag should never be used as a covering for a ceiling.

26 “(g) The flag should never have placed upon it, nor on any part of it,
27 nor attached to it any mark, insignia, letter, word, figure, design, picture,
28 or drawing of any nature.

29 “(h) The flag should never be used as a receptacle for receiving, holding,
30 carrying, or delivering anything.

31 “(i) The flag should never be used for advertising purposes in any man-
32 ner whatsoever. It should not be embroidered on such articles as cushions
33 or handkerchiefs and the like, printed or otherwise impressed on paper nap-
34 kins or boxes or anything that is designed for temporary use and discard.
35 Advertising signs should not be fastened to a staff or halyard from which
36 the flag is flown.

37 “(j) No part of the flag should ever be used as a costume or athletic uni-
38 form. However, a flag patch may be affixed to the uniform of military per-
39 sonnel, firemen, policemen, and members of patriotic organizations. The flag
40 represents a living country and is itself considered a living thing. Therefore,

1 the lapel flag pin being a replica, should be worn on the left lapel near the
2 heart.

3 “(k) The flag, when it is in such condition that it is no longer a fitting
4 emblem for display, should be destroyed in a dignified way, preferably by
5 burning.

6 **“§ 9. Conduct during hoisting, lowering or passing of flag**

7 “During the ceremony of hoisting or lowering the flag or when the flag
8 is passing in a parade or in review, all persons present except those in uni-
9 form should face the flag and stand at attention with the right hand over
10 the heart. Those present in uniform should render the military salute. When
11 not in uniform, men should remove their headdress with their right hand
12 and hold it at the left shoulder, the hand being over the heart. Aliens should
13 stand at attention. The salute to the flag in a moving column should be
14 rendered at the moment the flag passes.

15 **“§ 10. Modification of rules and customs by President**

16 “Any rule or custom pertaining to the display of the flag of the United
17 States of America, set forth herein, may be altered, modified, or repealed,
18 or additional rules with respect thereto may be prescribed, by the Com-
19 mander in Chief of the Armed Forces of the United States, whenever he

13 **SEC. 5. LEGISLATIVE PURPOSE AND CONSTRUCTION.**

14 (a) NO SUBSTANTIVE CHANGE.—Sections 1 and 2 of this Act restate,
15 without substantive change, laws enacted before January 16, 1997, that
16 were replaced by those sections. Those sections may not be construed as
17 making a substantive change in the laws replaced. Laws enacted after Janu-
18 ary 15, 1997, that are inconsistent with this Act supersede this Act to the
19 extent of the inconsistency.

20 (b) REFERENCES.—A reference to a law replaced by section 1 or 2 of
21 this Act, including a reference in a regulation, order, or other law, is
22 deemed to refer to the corresponding provision enacted by this Act.

23 (c) CONTINUING EFFECT.—An order, rule, or regulation in effect under
24 a law replaced by section 1 or 2 of this Act continues in effect under the
25 corresponding provision enacted by this Act until repealed, amended, or su-
26 perseded.

27 (d) ACTIONS AND OFFENSES UNDER PRIOR LAW.—An action taken or
28 an offense committed under a law replaced by section 1 or 2 of this Act
29 is deemed to have been taken or committed under the corresponding provi-
30 sion enacted by this Act.

31 (e) INFERENCES.—An inference of a legislative construction is not to be
32 drawn by reason of the location in the United States Code of a provision
33 enacted by this Act or by reason of a caption or catch line of the provision.

34 (f) SEVERABILITY.—If a provision enacted by this Act is held invalid, all
35 valid provisions that are severable from the invalid provision remain in ef-
36 fect. If a provision enacted by this Act is held invalid in any of its applica-
37 tions, the provision remains valid for all valid applications that are severable
38 from any of the invalid applications.

1 **SEC. 6. REPEALS.**

2 (a) INFERENCES OF REPEAL.—The repeal of a law by this Act may not
 3 be construed as a legislative inference that the provision was or was not in
 4 effect before its repeal.

5 (b) REPEALER SCHEDULE.—The laws specified in the following schedule
 6 are repealed, except for rights and duties that matured, penalties that were
 7 incurred, and proceedings that were begun before the date of enactment of
 8 this Act:
