(A) individually span not less than 25 megahertz, unless a combination of smaller bands can, notwithstanding the provisions of paragraph (7) of such section, reasonably be expected to produce greater receipts;

(B) in the aggregate span not less than 100 megahertz;

(C) are located below 3 gigahertz;

(D) have not, as of the date of enactment of this Act—

(i) been designated by Commission regulation for assignment pursuant to such section;

(ii) been identified by the Secretary of Commerce pursuant to section 113 of the National Telecommunications and Information Administration Organization Act;

(iii) been allocated for Federal Government use pursuant to section 305 of the Communications Act of 1934 (47 U.S.C. 305);

(iv) been designated in section 3303 of this Act; or

(E) notwithstanding section 115(b)(1)(B) of the National Telecommunications and Information Administration Organization Act (47 U.S.C. 925(b)(1)(B)) or any proposal pursuant to such section, include frequencies at 1,710–1,755 megahertz;

(F) include frequencies at 2,110–2,150 megahertz; and

(3) USE OF BANDS AT 2,110-2,150 MEGAHERTZ.—The Commission shall reallocate spectrum located at 2,110-2,150 megahertz for assignment by competitive bidding unless the Commission determines that auction of other spectrum (A) better serves the public interest, convenience, and necessity, and (B) can reasonably be expected to produce greater receipts. If the Commission makes such a determination, then the Commission shall, within 2 years after the date of enactment of this Act, identify an alternative 40 megahertz, and report to the Congress an identification of such alternative 40 megahertz for assignment by competitive bidding.

(4) USE OF 15 MEGAHERTZ FROM BANDS AT 1,990-2,110 MEGAHERTZ.—The Commission shall reallocate 15 megahertz from spectrum located at 1,990-2,110 megahertz for assignment by competitive bidding unless the President determines such spectrum cannot be reallocated due to the need to protect incumbent Federal systems from inter-

ference, and that allocation of other spectrum (A) better serves the public interest, convenience, and necessity, and (B) can reasonably be expected to produce greater receipts. If the President makes such a determination, then the President shall, within 2 years after the date of enactment of this Act, identify alternative bands of frequencies totalling 15 megahertz, and report to the Congress an identification of such alternative bands for assignment by competitive bidding.

(5) CRITERIA FOR REASSIGNMENT.—In making available bands of frequencies for competitive bidding pursuant to paragraph (1), the Commission shall—

(A) seek to promote the most efficient use of the spectrum;

(B) take into account the cost to incumbent licensees of relocating existing uses to other bands of frequencies or other means of communication; and

(C) comply with the requirements of international agreements concerning spectrum allocations.

(6) NOTIFICATION TO NTIA.—The Commission shall notify the Secretary of Commerce if—

(A) the Commission is not able to provide for the effective relocation of incumbent licensees to bands of frequencies that are available to the Commission for assignment; and

(B) the Commission has identified bands of frequencies that are—

(i) suitable for the relocation of such licensees; and

(ii) allocated for Federal Government use, but that could be reallocated pursuant to part B of the National Telecommunications and Information Administration Organization Act (as amended by this Act).

(c) IDENTIFICATION AND REALLOCATION OF FREQUENCIES.—The National Telecommunications and Information Administration Organization Act (47 U.S.C. 901 et seq.) is amended—

for reallocation for use other than by Federal Government stations under section 305 of the 1934 Act (47 U.S.C. 305), bands of frequencies that are suitable for the uses identified in the Commission's notice. The Commission shall, not later than one year after receipt of such report, prepare, submit to the President and the Congress, and implement, a plan for the immediate allocation and assignment of such frequencies under the 1934 Act to incumbent licencees described in section 3301(b)(3) of the Balanced Budget Act of 1997.''; and

(2) in section 114(a)(1), by striking ''(a) or (d)(1)'' and inserting ''(a), (d)(1), or (f)''.

(C) by inserting ''or (3)'' after ''paragraph (1)'' each place it appears in paragraph (2); and

(D) by inserting after paragraph (2) the following new paragraph:

''(3) SECOND REALLOCATION REPORT.—In accordance with the provisions of this section, the Secretary shall recommend for reallocation in the second report required by subsection (a), for use other than by Federal Government stations under section 305 of the 1934 Act (47 U.S.C. 305), a band or bands of frequencies that—

''(A) in the aggregate span not less than 20 megahertz;

''(B) individually span not less than 20 megahertz, unless a combination of smaller bands can reasonably be expected to produce greater receipts;

''(C) are located below 3 gigahertz; and

''(D) meet the criteria specified in paragraphs (1) through (5) of subsection (a).''; and

(2) in section 115—

(A) in subsection (b), by striking ''the report required by section 113(a)'' and inserting

''the initial reallocation report required by section 113(a)''; and

(B) by adding at the end the following new subsection:

''(e) ALLOCATION AND ASSIGNMENT OF FREQUENCIES IDENTIFIED IN THE SECOND REALLOCATION REPORT.—With respect to the frequencies made available for reallocation pursuant to section 113(b)(3), the Commission shall, not later than one year after receipt of the second reallocation report required by such section, prepare, submit to the President and the Congress, and implement, a plan for the immediate allocation and assignment under the 1934 Act of all such frequencies in accordance with section 309(j) of such Act.''.

''(A) LIMITATIONS ON TERMS OF TERRESTRIAL TELEVISION BROADCAST LICENSES.—A television license that authorizes analog television services may not be renewed to authorize

such service for a period that extends beyond December 31, 2006. The Commission shall have the authority to grant by regulation an extension of such date to licensees in a market if the Commission determines that more than 5 percent of households in such market continue to rely exclusively on over-the-air terrestrial analog television signals.

''(B) SPECTRUM REVERSION AND RESALE.—

''(i) The Commission shall ensure that, when the authority to broadcast analog television services under a license expires pursuant to subparagraph (A), each licensee shall return spectrum according to the Commission's direction and the Commission shall reclaim such spectrum.

''(ii) Licensees for new services occupying spectrum reclaimed pursuant to clause (i) shall be selected in accordance with this subsection. The Commission shall complete the assignment of such licenses, and report to the Congress the total revenues from such competitive bidding, by September 30, 2002.

''(C) CERTAIN LIMITATIONS ON QUALIFIED BIDDERS PROHIBITED.—In prescribing any regulations relating to the qualification of bidders for spectrum reclaimed pursuant to subparagraph (B)(i), the Commission shall not—

''(i) preclude any party from being a qualified bidder for spectrum that is allocated for any use that includes digital television service on the basis of—

(2) the remainder of that spectrum for commercial purposes to be assigned by competitive bidding in accordance with section 309(j).

(b) ASSIGNMENT.—The Commission shall—

directly or under contracts with other entities, at a minimum—

"(i) all items and services covered under title XVIII (for individuals enrolled under section 1894) and all items and services covered under this title, but without any limitation or condition as to amount, duration, or scope and without application of deductibles, copayments, coinsurance, or other cost-sharing that would otherwise apply under such title or this title, respectively; and

"(ii) all additional items and services specified in regulations, based upon those required under the PACE protocol;

"(B) provide such enrollees access to necessary covered items and services 24 hours per day, every day of the year;

"(C) provide services to such enrollees through a comprehensive, multidisciplinary health and social services delivery system which integrates acute and long-term care services pursuant to regulations; and

"(D) specify the covered items and services that will not be provided directly by the entity,

and to arrange for delivery of those items and services through contracts meeting the requirements of regulations.

''(2) QUALITY ASSURANCE; PATIENT SAFEGUARDS.—The PACE program agreement shall require the PACE provider to have in effect at a minimum—

''(A) a written plan of quality assurance and improvement, and procedures implementing such plan, in accordance with regulations, and

''(c) ELIGIBILITY DETERMINATIONS.—

''(1) IN GENERAL.—The determination of whether an individual is a PACE program eligible individual—

''(A) shall be made under and in accordance with the PACE program agreement, and

''(B) who is entitled to medical assistance under this title, shall be made (or who is not

so entitled, may be made) by the State administering agency.

''(2) CONDITION.—An individual is not a PACE program eligible individual (with respect to payment under this section) unless the individual's health status has been determined, in accordance with regulations, to be comparable to the health status of individuals who have participated in the PACE demonstration waiver programs. Such determination shall be based upon information on health status and related indicators (such as medical diagnoses and measures of activities of daily living, instrumental activities of daily living, and cognitive impairment) that are part of a uniform minimum data set collected by PACE providers on potential eligible individuals.

''(3) ANNUAL ELIGIBILITY RECERTIFICATIONS.—

''(A) IN GENERAL.—Subject to subparagraph (B), the determination described in subsection (a)(5)(B) for an individual shall be reevaluated at least once a year.

''(B) EXCEPTION.—The requirement of annual reevaluation under subparagraph (A) may be waived during a period in accordance

with regulations in those cases where the State administering agency determines that there is no reasonable expectation of improvement or significant change in an individual's condition during the period because of the advanced age, severity of the advanced age, severity of chronic condition, or degree of impairment of functional capacity of the individual involved.

''(4) CONTINUATION OF ELIGIBILITY.—An individual who is a PACE program eligible individual may be deemed to continue to be such an individual notwithstanding a determination that the individual no longer meets the requirement of subsection (a)(5)(B) if, in accordance with regulations, in the absence of continued coverage under a PACE program the individual reasonably would be expected to meet such requirement within the succeeding 6–month period.

''(5) ENROLLMENT; DISENROLLMENT.—The enrollment and disenrollment of PACE program eligible individuals in a PACE program shall be pursuant to regulations and the PACE program agreement and shall permit enrollees to voluntarily disenroll without cause at any time.

"(2) CAPITATION AMOUNT.—The capitation amount to be applied under this subsection for a provider for a contract year shall be an amount specified in the PACE program agreement for the year. Such amount shall be an amount, specified under the PACE agreement, which is less than the amount that would otherwise have been made under the State plan if the individuals were not so enrolled and shall be adjusted to take into account the comparative frailty of PACE enrollees and such other factors as the Secretary determines to be appropriate. The payment under this section shall be in addition to any payment made under section 1894 for individuals who are enrolled in a PACE program under such section.

"(e) PACE PROGRAM AGREEMENT.—

''(1) REQUIREMENT.—

''(A) IN GENERAL.—The Secretary, in close cooperation with the State administering agency, shall establish procedures for entering into, extending, and terminating PACE program agreements for the operation of PACE programs by entities that meet the requirements for a PACE provider under this section, section 1894, and regulations.

''(B) NUMERICAL LIMITATION.—

''(i) IN GENERAL.—The Secretary shall not permit the number of PACE providers with which agreements are in effect under this section or under section 9412(b) of the Omnibus Budget Reconciliation Act of 1986 to exceed—

''(I) 40 as of the date of the enactment of this section, or

''(II) as of each succeeding anniversary of such date, the numerical limitation under this subparagraph for the preceding year plus 20.

Subclause (II) shall apply without regard to the actual number of agreements in effect as of a previous anniversary date.

''(ii) TREATMENT OF CERTAIN PRIVATE, FOR-PROFIT PROVIDERS.—The numerical limitation in clause (i) shall not apply to a PACE provider that—

''(I) is operating under a demonstration project waiver under subsection (h), or

''(II) was operating under such a waiver and subsequently qualifies for PACE provider status pursuant to subsection (a)(3)(B)(ii).

''(2) SERVICE AREA AND ELIGIBILITY.—

''(A) IN GENERAL.—A PACE program agreement for a PACE program—

''(i) shall designate the service area of the program;

''(ii) may provide additional requirements for individuals to qualify as PACE program eligible individuals with respect to the program;

''(iii) shall be effective for a contract year, but may be extended for additional contract years in the absence of a notice by a party to terminate and is subject to termination by the Secretary and the State

administering agency at any time for cause (as provided under the agreement);

''(iv) shall require a PACE provider to meet all applicable State and local laws and requirements; and

''(v) shall have such additional terms and conditions as the parties may agree to consistent with this section and regulations.

''(B) SERVICE AREA OVERLAP.—In designating a service area under a PACE program agreement under subparagraph (A)(i), the Secretary (in consultation with the State administering agency) may exclude from designation an area that is already covered under another PACE program agreement, in order to avoid unnecessary duplication of services and avoid impairing the financial and service viability of an existing program.

''(3) DATA COLLECTION.—

''(A) IN GENERAL.—Under a PACE program agreement, the PACE provider shall—

''(i) collect data,

''(ii) maintain, and afford the Secretary and the State administering agency

access to, the records relating to the program, including pertinent financial, medical, and personnel records, and

''(iii) make to the Secretary and the State administering agency reports that the Secretary finds (in consultation with State administering agencies) necessary to monitor the operation, cost, and effectiveness of the PACE program under this title and title XVIII.

''(B) REQUIREMENTS DURING TRIAL PERIOD.—During the first three years of operation of a PACE program (either under this section or under a PACE demonstration waiver program), the PACE provider shall provide such additional data as the Secretary specifies in regulations in order to perform the oversight required under paragraph (4)(A).

''(4) OVERSIGHT.—

''(A) ANNUAL, CLOSE OVERSIGHT DURING TRIAL PERIOD.—During the trial period (as defined in subsection (a)(9)) with respect to a PACE program operated by a PACE provider, the Secretary (in cooperation with the State administering agency) shall conduct a comprehen-

sive annual review of the operation of the PACE program by the provider in order to assure compliance with the requirements of this section and regulations. Such a review shall include—

"(i) an on-site visit to the program site;

"(ii) comprehensive assessment of a provider's fiscal soundness;

"(iii) comprehensive assessment of the provider's capacity to provide all PACE services to all enrolled participants;

"(iv) detailed analysis of the entity's substantial compliance with all significant requirements of this section and regulations; and

"(v) any other elements the Secretary or State agency considers necessary or appropriate.

"(B) CONTINUING OVERSIGHT.—After the trial period, the Secretary (in cooperation with the State administering agency) shall continue to conduct such review of the operation of PACE providers and PACE programs as may be appropriate, taking into account the per-

formance level of a provider and compliance of a provider with all significant requirements of this section and regulations.

''(C) DISCLOSURE.—The results of reviews under this paragraph shall be reported promptly to the PACE provider, along with any recommendations for changes to the provider's program, and shall be made available to the public upon request.

''(5) TERMINATION OF PACE PROVIDER AGREEMENTS.—

''(A) IN GENERAL.—Under regulations—

''(i) the Secretary or a State administering agency may terminate a PACE program agreement for cause, and

''(ii) a PACE provider may terminate such an agreement after appropriate notice to the Secretary, the State agency, and enrollees.

''(B) CAUSES FOR TERMINATION.—In accordance with regulations establishing procedures for termination of PACE program agreements, the Secretary or a State administering agency may terminate a PACE program agree-

ment with a PACE provider for, among other reasons, the fact that—

"(i) the Secretary or State administering agency determines that—

"(I) there are significant deficiencies in the quality of care provided to enrolled participants; or

"(II) the provider has failed to comply substantially with conditions for a program or provider under this section or section 1894; and

"(ii) the entity has failed to develop and successfully initiate, within 30 days of the date of the receipt of written notice of such a determination, and continue implementation of a plan to correct the deficiencies.

"(C) TERMINATION AND TRANSITION PROCEDURES.—An entity whose PACE provider agreement is terminated under this paragraph shall implement the transition procedures required under subsection (a)(2)(C).

"(6) SECRETARY'S OVERSIGHT; ENFORCEMENT AUTHORITY.—

''(A) IN GENERAL.—Under regulations, if the Secretary determines (after consultation with the State administering agency) that a PACE provider is failing substantially to comply with the requirements of this section and regulations, the Secretary (and the State administering agency) may take any or all of the following actions:

''(i) Condition the continuation of the PACE program agreement upon timely execution of a corrective action plan.

''(ii) Withhold some or all further payments under the PACE program agreement under this section or section 1894 with respect to PACE program services furnished by such provider until the deficiencies have been corrected.

''(iii) Terminate such agreement.

''(B) APPLICATION OF INTERMEDIATE SANCTIONS.—Under regulations, the Secretary may provide for the application against a PACE provider of remedies described in section 1857(f)(2) (or, for periods before January 1, 1999, section 1876(i)(6)(B)) or 1903(m)(6)(B) in the case of violations by the provider of the

type described in section 1857(f)(1) (or 1876(i)(6)(A) for such periods) or 1903(m)(6)(A), respectively (in relation to agreements, enrollees, and requirements under section 1894 or this section, respectively).

''(7) PROCEDURES FOR TERMINATION OR IMPOSITION OF SANCTIONS.—Under regulations, the provisions of section 1857(g) (or for periods before January 1, 1999, section 1876(i)(9)) shall apply to termination and sanctions respecting a PACE program agreement and PACE provider under this subsection in the same manner as they apply to a termination and sanctions with respect to a contract and a MedicarePlus organization under part C (or for such periods an eligible organization under section 1876).

''(8) TIMELY CONSIDERATION OF APPLICATIONS FOR PACE PROGRAM PROVIDER STATUS.—In considering an application for PACE provider program status, the application shall be deemed approved unless the Secretary, within 90 days after the date of the submission of the application to the Secretary, either denies such request in writing or informs the applicant in writing with respect to any additional information that is needed in order to make a final determination with respect to the application. After

the date the Secretary receives such additional information, the application shall be deemed approved unless the Secretary, within 90 days of such date, denies such request.

''(f) REGULATIONS.—

''(1) IN GENERAL.—The Secretary shall issue interim final or final regulations to carry out this section and section 1894.

''(2) USE OF PACE PROTOCOL.—

''(A) IN GENERAL.—In issuing such regulations, the Secretary shall, to the extent consistent with the provisions of this section, incorporate the requirements applied to PACE demonstration waiver programs under the PACE protocol.

''(B) FLEXIBILITY.—The Secretary (in close consultation with State administering agencies) may modify or waive such provisions of the PACE protocol in order to provide for reasonable flexibility in adapting the PACE service delivery model to the needs of particular organizations (such as those in rural areas or those that may determine it appropriate to use non-staff physicians accordingly to State licensing law requirements) under this section and

section 1932 where such flexibility is not inconsistent with and would not impair the essential elements, objectives, and requirements of the this section, including—

"(i) the focus on frail elderly qualifying individuals who require the level of care provided in a nursing facility;

"(ii) the delivery of comprehensive, integrated acute and long-term care services;

"(iii) the interdisciplinary team approach to care management and service delivery;

"(iv) capitated, integrated financing that allows the provider to pool payments received from public and private programs and individuals; and

"(v) the assumption by the provider over time of full financial risk.

"(3) APPLICATION OF CERTAIN ADDITIONAL BENEFICIARY AND PROGRAM PROTECTIONS.—

"(A) IN GENERAL.—In issuing such regulations and subject to subparagraph (B), the Secretary may apply with respect to PACE programs, providers, and agreements such requirements of part C of title XVIII (or, for periods

before January 1, 1999, section 1876) and section 1903(m) relating to protection of beneficiaries and program integrity as would apply to MedicarePlus organizations under such part C (or for such periods eligible organizations under risk-sharing contracts under section 1876) and to health maintenance organizations under prepaid capitation agreements under section 1903(m).

''(B) CONSIDERATIONS.—In issuing such regulations, the Secretary shall—

''(i) take into account the differences between populations served and benefits provided under this section and under part C of title XVIII (or, for periods before January 1, 1999, section 1876) and section 1903(m);

''(ii) not include any requirement that conflicts with carrying out PACE programs under this section; and

''(iii) not include any requirement restricting the proportion of enrollees who are eligible for benefits under this title or title XVIII.

''(g) WAIVERS OF REQUIREMENTS.—With respect to carrying out a PACE program under this section, the following requirements of this title (and regulations relating to such requirements) shall not apply:

''(1) Section 1902(a)(1), relating to any requirement that PACE programs or PACE program services be provided in all areas of a State.

''(2) Section 1902(a)(10), insofar as such section relates to comparability of services among different population groups.

''(3) Sections 1902(a)(23) and 1915(b)(4), relating to freedom of choice of providers under a PACE program.

''(4) Section 1903(m)(2)(A), insofar as it restricts a PACE provider from receiving prepaid capitation payments.

''(h) DEMONSTRATION PROJECT FOR FOR-PROFIT ENTITIES.—

''(1) IN GENERAL.—In order to demonstrate the operation of a PACE program by a private, for-profit entity, the Secretary (in close consultation with State administering agencies) shall grant waivers from the requirement under subsection (a)(3) that a PACE provider may not be a for-profit, private entity.

''(2) SIMILAR TERMS AND CONDITIONS.—

''(A) IN GENERAL.—Except as provided under subparagraph (B), and paragraph (1), the terms and conditions for operation of a PACE program by a provider under this subsection shall be the same as those for PACE providers that are nonprofit, private organizations.

''(B) NUMERICAL LIMITATION.—The number of programs for which waivers are granted under this subsection shall not exceed 10. Programs with waivers granted under this subsection shall not be counted against the numerical limitation specified in subsection (e)(1)(B).

''(i) POST-ELIGIBILITY TREATMENT OF INCOME.—A State may provide for post-eligibility treatment of income for individuals enrolled in PACE programs under this section in the same manner as a State treats post-eligibility income for individuals receiving services under a waiver under section 1915(c).

''(j) MISCELLANEOUS PROVISIONS.—

''(1) CONSTRUCTION.—Nothing in this section or section 1894 shall be construed as preventing a PACE provider from entering into contracts with other governmental or nongovernmental payers for

the care of PACE program eligible individuals who are not eligible for benefits under part A, or enrolled under part B, of title XVIII or eligible for medical assistance under this title.''.

(b) CONFORMING AMENDMENTS.—

(1) Section 1902 (42 U.S.C. 1396a), as amended by section 3403(c), is amended—

(A) in subsection (a)(10)(C)(iv), by striking ''(25)'' and inserting ''(26)'', and

Title XVIII (42 U.S.C. 1395 et seq.) is amended by inserting after section 1894 the following new section:

''PAYMENTS TO, AND COVERAGE OF BENEFITS UNDER, PROGRAMS OF ALL-INCLUSIVE CARE FOR THE ELDERLY (PACE)

''SEC. 1894. (a) RECEIPT OF BENEFITS THROUGH ENROLLMENT IN PACE PROGRAM; DEFINITIONS FOR PACE PROGRAM RELATED TERMS.—

''(1) BENEFITS THROUGH ENROLLMENT IN A PACE PROGRAM.—In accordance with this section, in the case of an individual who is entitled to benefits under part A or enrolled under part B and who is a PACE program eligible individual with respect to a PACE program offered by a PACE provider under a PACE program agreement—

''(A) the individual may enroll in the program under this section; and

''(B) so long as the individual is so enrolled and in accordance with regulations—

''(i) the individual shall receive benefits under this title solely through such program, and

''(ii) the PACE provider is entitled to payment under and in accordance with this section and such agreement for provision of such benefits.

''(2) APPLICATION OF DEFINITIONS.—The definitions of terms under section 1932(a) shall apply under this section in the same manner as they apply under section 1932.

''(b) APPLICATION OF MEDICAID TERMS AND CONDITIONS.—Except as provided in this section, the terms and conditions for the operation and participation of PACE program eligible individuals in PACE programs offered by PACE providers under PACE program agreements under section 1932 shall apply for purposes of this section.

''(c) PAYMENT.—

''(1) ADJUSTMENT IN PAYMENT AMOUNTS.—In the case of individuals enrolled in a PACE program under this section, the amount of payment under this section shall not be the amount calculated under section 1932(d)(2), but shall be an amount, specified under the PACE agreement, based upon payment rates established for purposes of payment under section 1854 (or, for periods before January 1, 1999, for purposes of risk-sharing contracts under section 1876) and shall be adjusted to take into account the

comparative frailty of PACE enrollees and such other factors as the Secretary determines to be appropriate. Such amount under such an agreement shall be computed in a manner so that the total payment level for all PACE program eligible individuals enrolled under a program is less than the projected payment under this title for a comparable population not enrolled under a PACE program.

''(2) FORM.—The Secretary shall make prospective monthly payments of a capitation amount for each PACE program eligible individual enrolled under this section in the same manner and from the same sources as payments are made to a MedicarePlus organization under section 1854 (or, for periods beginning before January 1, 1999, to an eligible organization under a risk-sharing contract under section 1876). Such payments shall be subject to adjustment in the manner described in section 1854(a)(2) or section 1876(a)(1)(E), as the case may be.

''(d) WAIVERS OF REQUIREMENTS.—With respect to carrying out a PACE program under this section, the following requirements of this title (and regulations relating to such requirements) are waived and shall not apply:

''(1) Section 1812, insofar as it limits coverage of institutional services.

''(2) Sections 1813, 1814, 1833, and 1886, insofar as such sections relate to rules for payment for benefits.

''(3) Sections 1814(a)(2)(B), 1814(a)(2)(C), and 1835(a)(2)(A), insofar as they limit coverage of extended care services or home health services.

''(4) Section 1861(i), insofar as it imposes a 3-day prior hospitalization requirement for coverage of extended care services.

''(5) Sections 1862(a)(1) and 1862(a)(9), insofar as they may prevent payment for PACE program services to individuals enrolled under PACE programs.''.

(2) ELIMINATION OF REPLICATION REQUIREMENT.—Subparagraph (B) of paragraph (2) of such section shall not apply to waivers granted under such section after the date of the enactment of this Act.

(3) TIMELY CONSIDERATION OF APPLICATIONS.—In considering an application for waivers under such section before the effective date of repeals under subsection (c), subject to the numerical limitation under the amendment made by paragraph (1), the application shall be deemed approved unless the Secretary of Health and Human Services, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the applicant in writing with respect to any additional information which is needed in order to make a final determination with respect to the application. After the date the Secretary receives such additional information, the application shall be deemed approved unless the Secretary, within 90 days of such date, denies such request.

(c) PRIORITY AND SPECIAL CONSIDERATION IN APPLICATION.—During the 3-year period beginning on the date of the enactment of this Act:

(1) PROVIDER STATUS.—The Secretary of Health and Human Services shall give priority, in processing applications of entities to qualify as PACE programs under section 1894 or 1932 of the Social Security Act—

(A) first, to entities that are operating a PACE demonstration waiver program (as defined in section 1932(a)(7) of such Act), and

(3) SPECIAL CONSIDERATION.—The Secretary shall give special consideration, in the processing of applications described in paragraph (1) and the awarding of waivers described in paragraph (2), to an entity which as of May 1, 1997 through formal activities (such as entering into contracts for feasibility studies) has indicated a specific intent to become a PACE provider.

(d) REPEAL OF CURRENT PACE DEMONSTRATION PROJECT WAIVER AUTHORITY.—

(1) IN GENERAL.—Subject to paragraphs (2) and (3), the following provisions of law are repealed:

(A) Section 603(c) of the Social Security Amendments of 1983 (Public Law 98–21).

initial effective date of regulations described in subsection (a).

(B) APPLICATION TO APPROVED WAIVERS.—Such repeals shall apply to waivers granted before such date only after allowing such organizations a transition period (of up to 24 months) in order to permit sufficient time for an orderly transition from demonstration project authority to general authority provided under the amendments made by this subchapter.

(3) STATE OPTION.—A State may elect to maintain the PACE program which (as of the date of the enactment of this Act) were operating under the authority described in paragraph (1) without electing to use the authority under section 1932 of the Public Health Service Act.

''SEC. 2102. CONTENTS OF STATE CHILD HEALTH PLAN.

''(3) ELIGIBILITY SCREENING; COORDINATION WITH OTHER HEALTH COVERAGE PROGRAMS.—The plan shall include a description of procedures to be used to ensure—

''(A) through both intake and followup screening, that only targeted low-income children are furnished child health assistance under the State child health plan;

''(B) that children found through the screening to be eligible for medical assistance under the State medicaid plan under title XIX are enrolled for such assistance under such plan;

''(C) that the insurance provided under the State child health plan does not substitute for coverage under group health plans; and

''(B) SLIDING SCALE.—To the extent practicable, any premiums imposed under the plan shall be imposed on a sliding scale related to income and the plan may only vary premiums, deductibles, coinsurance, and other cost sharing based on the family income of targeted low-income children only in a manner that does not

favor children from families with higher income over children from families with lower income.

''(4) RESTRICTION ON APPLICATION OF PREEXISTING CONDITION EXCLUSIONS.—

''(A) IN GENERAL.—Subject to subparagraph (B), the State child health plan shall not permit the imposition of any preexisting condition exclusion for covered benefits under the plan.

''(B) GROUP HEALTH PLANS AND GROUP HEALTH INSURANCE COVERAGE.—If the State child health plan provides for benefits through payment for, or a contract with, a group health plan or group health insurance coverage, the plan may permit the imposition of a preexisting condition exclusion but only insofar as it is permitted under the applicable provisions of part 7 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 and title XXVII of the Public Health Service Act.

''(7) TREATMENT OF CASH PAYMENTS.—Payments in the form of cash or vouchers provided as child health or other assistance under the State child health plan to parents, guardians or other caretakers of a targeted low-income child are not considered income for purpose of eligibility for, or benefits provided under, any means-tested Federal or Federally-assisted program.

''(d) OUTREACH AND COORDINATION.—A State child health plan shall include a description of the procedures to be used by the State to accomplish the following:

''(1) OUTREACH.—Outreach to families of children likely to be eligible for child health assistance under the plan or under other public or private

previous sentence results in an increase in the allotment to a State above the amount otherwise provided, the allotments for the other States and the District of Columbia under this subsection shall be decreased in a pro rata manner (but not below $2,000,000) so that the total of such allotments in a fiscal year does not exceed the amount otherwise provided for allotment under paragraph (1) for that fiscal year.

''(5) OFFSET FOR EXPENDITURES UNDER MEDICAID PRESUMPTIVE ELIGIBILITY.—The amount of the allotment otherwise provided to a State under this subsection for a fiscal year shall be reduced by the amount of the payments made to the State under section 1903(a) for calendar quarters during such fiscal year that are attributable to provision of medical assistance to a child during a presumptive eligibility period under section 1920A.

''(c) ALLOTMENTS TO TERRITORIES.—

''(1) IN GENERAL.—Subject to paragraph (3), of the total allotment under subsection (a) for a fiscal year, the Secretary shall allot 0.5 percent among each of the commonwealths and territories described in paragraph (4) in the same proportion as the percentage specified in paragraph (2) for such common-

''SEC. 2104. PAYMENTS TO STATES.

''(3) PURCHASE OF FAMILY COVERAGE.—The Secretary shall establish rules regarding the extent to which payment may be made under subsection (a)(1) for the purchase of family coverage under a group health plan or health insurance coverage that includes coverage of targeted low-income children. Under such rules such payment may be permitted, notwithstanding that a portion may be considered attributable to purchase of coverage for other family members, if the State demonstrates that purchase of such coverage is cost effective relative to the amounts that the State would have paid to obtain comparable coverage only of the targeted low-income children involved. In making such determination, there shall be taken into account the costs of providing coverage for medical assistance for children with similar actuarial characteristics under section 1902(l).

''(4) DENIAL OF PAYMENT FOR REDUCTION OF MEDICAID ELIGIBILITY STANDARDS.—No payment

may be made under subsection (a) with respect to child health assistance provided under a State child health plan to a targeted low-income child if the child would be eligible for medical assistance under the State plan under title XIX (as such plan was in effect as of June 1, 1997) but for a change in the income or assets standards or methodology under such plan effected after such date.

''(7) TREATMENT OF THIRD PARTY LIABILITY.—No payment shall be made to a State under this section for expenditures for child health assistance provided for a targeted low-income child under its plan to the extent that a private insurer (as defined by the Secretary by regulation and including a group health plan (as defined in section 607(1) of the Employee Retirement Income Security Act of 1974), a service benefit plan, and a health maintenance organization) would have been obligated to provide such assistance but for a provision of its insurance contract which has the effect of limiting or excluding such obligation because the individual is eligible for or is provided child health assistance under the plan.

''(8) SECONDARY PAYER PROVISIONS.—Except as otherwise provided by law, no payment shall be made to a State under this section for expenditures for child health assistance provided for a targeted low-income child under its plan to the extent that payment has been made or can reasonably be expected to be made promptly (as determined in accordance with regulations) under any other federally operated or financed health care insurance program, other than an insurance program operated or financed by the Indian Health Service, as identified by the Secretary. For purposes of this paragraph, rules similar to the rules for overpayments under section 1903(d)(2) shall apply.

''(B) the individual is no longer eligible to elect the plan because of a change in the individual's place of residence or other change in circumstances (specified by the Secretary, but not including termination of the individual's enrollment on the basis described in clause (i) or (ii) of subsection (g)(3)(B));

''(C) the individual demonstrates (in accordance with guidelines established by the Secretary) that—

''(i) the organization offering the plan substantially violated a material provision of the organization's contract under this part in relation to the individual (including the failure to provide an enrollee on a

timely basis medically necessary care for which benefits are available under the plan or the failure to provide such covered care in accordance with applicable quality standards); or

''(ii) the organization (or an agent or other entity acting on the organization's behalf) materially misrepresented the plan's provisions in marketing the plan to the individual; or

''(D) the individual meets such other exceptional conditions as the Secretary may provide.

''(5) SPECIAL RULES FOR MSA PLANS.—Notwithstanding the preceding provisions of this subsection, an individual—

''(1) IN GENERAL.—Except as provided in this subsection, a MedicarePlus organization shall provide that at any time during which elections are accepted under this section with respect to a MedicarePlus plan offered by the organization, the organization will accept without restrictions individuals who are eligible to make such election.

''(2) PRIORITY.—If the Secretary determines that a MedicarePlus organization, in relation to a MedicarePlus plan it offers, has a capacity limit and the number of MedicarePlus eligible individuals who elect the plan under this section exceeds the capacity limit, the organization may limit the election of individuals of the plan under this section but only if priority in election is provided—

''(A) first to such individuals as have elected the plan at the time of the determination, and

''(B) then to other such individuals in such a manner that does not discriminate, on a basis

described in section 1852(b), among the individuals (who seek to elect the plan).

The preceding sentence shall not apply if it would result in the enrollment of enrollees substantially nonrepresentative, as determined in accordance with regulations of the Secretary, of the medicare population in the service area of the plan.

''(3) LIMITATION ON TERMINATION OF ELECTION.—

''(A) IN GENERAL.—Subject to subparagraph (B), a MedicarePlus organization may not for any reason terminate the election of any individual under this section for a MedicarePlus plan it offers.

''(i) any net monthly premiums required with respect to such plan are not paid on a timely basis (consistent with standards under section 1856 that provide for a grace period for late payment of net monthly premiums),

"(ii) the individual has engaged in disruptive behavior (as specified in such standards), or

"(iii) the plan is terminated with respect to all individuals under this part in the area in which the individual resides.

"(C) CONSEQUENCE OF TERMINATION.—

"(i) TERMINATIONS FOR CAUSE.—Any individual whose election is terminated under clause (i) or (ii) of subparagraph (B) is deemed to have elected the medicare fee-for-service program option described in subsection (a)(1)(A).

"(ii) TERMINATION BASED ON PLAN TERMINATION OR SERVICE AREA REDUCTION.—Any individual whose election is terminated under subparagraph (B)(iii) shall have a special election period under subsection (e)(4)(A) in which to change coverage to coverage under another MedicarePlus plan. Such an individual who fails to make an election during such period is deemed to have chosen to change coverage to the medicare fee-for-service

program option described in subsection (a)(1)(A).

''(D) ORGANIZATION OBLIGATION WITH RESPECT TO ELECTION FORMS.—Pursuant to a contract under section 1857, each MedicarePlus organization receiving an election form under subsection (c)(2) shall transmit to the Secretary (at such time and in such manner as the Secretary may specify) a copy of such form or such other information respecting the election as the Secretary may specify.

''(h) APPROVAL OF MARKETING MATERIAL AND APPLICATION FORMS.—

''(1) SUBMISSION.—No marketing material or application form may be distributed by a MedicarePlus organization to (or for the use of) MedicarePlus eligible individuals unless—

''(A) at least 45 days before the date of distribution the organization has submitted the material or form to the Secretary for review, and

''(B) the Secretary has not disapproved the distribution of such material or form.

''(2) REVIEW.—The standards established under section 1856 shall include guidelines for the

review of all such material or form submitted and under such guidelines the Secretary shall disapprove (or later require the correction of) such material or form if the material or form is materially inaccurate or misleading or otherwise makes a material misrepresentation.

''(3) DEEMED APPROVAL (1-STOP SHOPPING).—In the case of material or form that is submitted under paragraph (1)(A) to the Secretary or a regional office of the Department of Health and Human Services and the Secretary or the office has not disapproved the distribution of marketing material or form under paragraph (1)(B) with respect to a MedicarePlus plan in an area, the Secretary is deemed not to have disapproved such distribution in all other areas covered by the plan and organization except to the extent that such material or form is specific only to an area involved.

''(4) PROHIBITION OF CERTAIN MARKETING PRACTICES.—Each MedicarePlus organization shall conform to fair marketing standards, in relation to MedicarePlus plans offered under this part, included in the standards established under section 1856. Such standards shall include a prohibition against a MedicarePlus organization (or agent of such an or-

ganization) completing any portion of any election form used to carry out elections under this section on behalf of any individual.

''(i) EFFECT OF ELECTION OF MEDICAREPLUS PLAN OPTION.—Subject to sections 1852(a)(5), 1857(f)(2), and 1857(g)—

''(1) payments under a contract with a MedicarePlus organization under section 1853(a) with respect to an individual electing a MedicarePlus plan offered by the organization shall be instead of the amounts which (in the absence of the contract) would otherwise be payable under parts A and B for items and services furnished to the individual, and

''(2) subject to subsections (e) and (f) of section 1853, only the MedicarePlus organization shall be entitled to receive payments from the Secretary under this title for services furnished to the individual.

''BENEFITS AND BENEFICIARY PROTECTIONS

''SEC. 1852. (a) BASIC BENEFITS.—

''(1) IN GENERAL.—Except as provided in section 1859(b)(2) for MSA plans, each MedicarePlus plan shall provide to members enrolled under this part, through providers and other persons that meet the applicable requirements of this title and part A of title XI—

"(A) those items and services for which benefits are available under parts A and B to individuals residing in the area served by the plan, and

"(B) additional benefits required under section 1854(f)(1)(A).

"(2) SATISFACTION OF REQUIREMENT.—A MedicarePlus plan (other than an MSA plan) offered by a MedicarePlus organization satisfies paragraph (1)(A), with respect to benefits for items and services furnished other than through a provider that has a contract with the organization offering the plan, if the plan provides (in addition to any cost sharing provided for under the plan) for at least the total dollar amount of payment for such items and services as would otherwise be authorized under parts A and B (including any balance billing permitted under such parts).

"(3) SUPPLEMENTAL BENEFITS.—

"(A) BENEFITS INCLUDED SUBJECT TO SECRETARY'S APPROVAL.—Each MedicarePlus organization may provide to individuals enrolled under this part (without affording those individuals an option to decline the coverage) supplemental health care benefits that the Secretary

may approve. The Secretary shall approve any such supplemental benefits unless the Secretary determines that including such supplemental benefits would substantially discourage enrollment by MedicarePlus eligible individuals with the organization.

''(B) AT ENROLLEES' OPTION.—A MedicarePlus organization may provide to individuals enrolled under this part (other than under an MSA plan) supplemental health care benefits that the individuals may elect, at their option, to have covered.

''(4) ORGANIZATION AS SECONDARY PAYER.—Notwithstanding any other provision of law, a MedicarePlus organization may (in the case of the provision of items and services to an individual under a MedicarePlus plan under circumstances in which payment under this title is made secondary pursuant to section 1862(b)(2)) charge or authorize the provider of such services to charge, in accordance with the charges allowed under such a law, plan, or policy—

''(A) the insurance carrier, employer, or other entity which under such law, plan, or pol-

icy is to pay for the provision of such services, or

"(B) such individual to the extent that the individual has been paid under such law, plan, or policy for such services.

"(5) NATIONAL COVERAGE DETERMINATIONS.—If there is a national coverage determination made in the period beginning on the date of an announcement under section 1853(b) and ending on the date of the next announcement under such section and the Secretary projects that the determination will result in a significant change in the costs to a MedicarePlus organization of providing the benefits that are the subject of such national coverage determination and that such change in costs was not incorporated in the determination of the annual MedicarePlus capitation rate under section 1853 included in the announcement made at the beginning of such period—

"(A) such determination shall not apply to contracts under this part until the first contract year that begins after the end of such period, and

"(B) if such coverage determination provides for coverage of additional benefits or cov-

erage under additional circumstances, section 1851(i) shall not apply to payment for such additional benefits or benefits provided under such additional circumstances until the first contract year that begins after the end of such period, unless otherwise required by law.

''(b) ANTIDISCRIMINATION.—

''(1) IN GENERAL.—A MedicarePlus organization may not deny, limit, or condition the coverage or provision of benefits under this part, for individuals permitted to be enrolled with the organization under this part, based on any health status-related factor described in section 2702(a)(1) of the Public Health Service Act.

''(2) CONSTRUCTION.—Paragraph (1) shall not be construed as requiring a MedicarePlus organization to enroll individuals who are determined to have end-stage renal disease, except as provided under section 1851(a)(3)(B).

''(c) DETAILED DESCRIPTION OF PLAN PROVISIONS.—A MedicarePlus organization shall disclose, in clear, accurate, and standardized form to each enrollee with a MedicarePlus plan offered by the organization under this part at the time of enrollment and at least an-

nually thereafter, the following information regarding such plan:

''(d) ACCESS TO SERVICES.—

''(1) IN GENERAL.—A MedicarePlus organization offering a MedicarePlus plan may select the

providers from whom the benefits under the plan are provided so long as—

"(A) the organization makes such benefits available and accessible to each individual electing the plan within the plan service area with reasonable promptness and in a manner which assures continuity in the provision of benefits;

"(B) when medically necessary in the opinion of the treating health care provider the organization makes such benefits available and accessible 24 hours a day and 7 days a week;

"(C) the plan provides for reimbursement with respect to services which are covered under subparagraphs (A) and (B) and which are provided to such an individual other than through the organization, if—

"(i) the services were medically necessary in the opinion of the treating health care provider and immediately required because of an unforeseen illness, injury, or condition, and it was not reasonable given the circumstances to obtain the services through the organization,

"(ii) the services were renal dialysis services and were provided other than

through the organization because the individual was temporarily out of the plan's service area, or

"(iii) the services are maintenance care or post-stabilization care covered under the guidelines established under paragraph (2);

"(D) the organization provides access to appropriate providers, including credentialed specialists, for treatment and services when such treatment and services are determined to be medically necessary in the professional opinion of the treating health care provider, in consultation with the individual; and

"(E) coverage is provided for emergency services (as defined in paragraph (3)) without regard to prior authorization or the emergency care provider's contractual relationship with the organization.

"(2) GUIDELINES RESPECTING COORDINATION OF POST-STABILIZATION CARE.—A MedicarePlus plan shall comply with such guidelines as the Secretary may prescribe relating to promoting efficient and timely coordination of appropriate maintenance and post-stabilization care of an enrollee after the

enrollee has been determined to be stable under section 1867.

''(3) DEFINITION OF EMERGENCY SERVICES.—In this subsection—

''(A) IN GENERAL.—The term 'emergency services' means, with respect to an individual enrolled with an organization, covered inpatient and outpatient services that—

''(i) are furnished by a provider that is qualified to furnish such services under this title, and

''(ii) are needed to evaluate or stabilize an emergency medical condition (as defined in subparagraph (B)).

''(B) EMERGENCY MEDICAL CONDITION BASED ON PRUDENT LAYPERSON.—The term 'emergency medical condition' means a medical condition manifesting itself by acute symptoms of sufficient severity such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in—

''(i) placing the health of the individual (or, with respect to a pregnant woman,

the health of the woman or her unborn child) in serious jeopardy,

"(ii) serious impairment to bodily functions, or

"(iii) serious dysfunction of any bodily organ or part.

"(4) DETERMINATION OF HOSPITAL LENGTH OF STAY.—

"(A) IN GENERAL.—A MedicarePlus organization shall cover the length of an inpatient hospital stay under this part as determined by the attending physician (or other attending health care provider to the extent permitted under State law) in consultation with the patient to be medically appropriate.

"(B) CONSTRUCTION.—Nothing in this paragraph shall be construed—

"(i) as requiring the provision of inpatient coverage if the attending physician (or other attending health care provider to the extent permitted under State law) and patient determine that a shorter period of hospital stay is medically appropriate, or

"(ii) as affecting the application of deductibles and coinsurance.

''(e) QUALITY ASSURANCE PROGRAM.—

''(1) IN GENERAL.—Each MedicarePlus organization must have arrangements, consistent with any regulation, for an ongoing quality assurance program for health care services it provides to individuals enrolled with MedicarePlus plans of the organization.

''(2) ELEMENTS OF PROGRAM.—The quality assurance program shall—

''(A) stress health outcomes and provide for the collection, analysis, and reporting of data (in accordance with a quality measurement system that the Secretary recognizes) that will permit measurement of outcomes and other indices of the quality of MedicarePlus plans and organizations;

''(B) provide for the establishment of written protocols for utilization review, based on current standards of medical practice;

''(C) provide review by physicians and other health care professionals of the process followed in the provision of such health care services;

"(D) monitor and evaluate high volume and high risk services and the care of acute and chronic conditions;

"(E) evaluate the continuity and coordination of care that enrollees receive;

"(F) have mechanisms to detect both underutilization and overutilization of services;

"(G) after identifying areas for improvement, establish or alter practice parameters;

"(H) take action to improve quality and assesses the effectiveness of such action through systematic followup;

"(I) make available information on quality and outcomes measures to facilitate beneficiary comparison and choice of health coverage options (in such form and on such quality and outcomes measures as the Secretary determines to be appropriate);

"(J) be evaluated on an ongoing basis as to its effectiveness;

"(K) include measures of consumer satisfaction; and

"(L) provide the Secretary with such access to information collected as may be appro-

priate to monitor and ensure the quality of care provided under this part.

''(3) EXTERNAL REVIEW.—Each MedicarePlus organization shall, for each MedicarePlus plan it operates, have an agreement with an independent quality review and improvement organization approved by the Secretary to perform functions of the type described in sections 1154(a)(4)(B) and 1154(a)(14) with respect to services furnished by MedicarePlus plans for which payment is made under this title.

''(4) TREATMENT OF ACCREDITATION.—The Secretary shall provide that a MedicarePlus organization is deemed to meet requirements of paragraphs (1) through (3) of this subsection and subsection (h) (relating to confidentiality and accuracy of enrollee records) if the organization is accredited (and periodically reaccredited) by a private organization under a process that the Secretary has determined assures that the organization, as a condition of accreditation, applies and enforces standards with respect to the requirements involved that are no less stringent than the standards established under section 1856 to carry out the respective requirements.

''(f) COVERAGE DETERMINATIONS.—

''(1) DECISIONS ON NONEMERGENCY CARE.—A MedicarePlus organization shall make determinations regarding authorization requests for nonemergency care on a timely basis, depending on the urgency of the situation. The organization shall provide notice of any coverage denial, which notice shall include a statement of the reasons for the denial and a description of the grievance and appeals processes available.

''(2) RECONSIDERATIONS.—

''(A) IN GENERAL.—Subject to subsection (g)(4), a reconsideration of a determination of an organization denying coverage shall be made within 30 days of the date of receipt of medical information, but not later than 60 days after the date of the determination.

''(B) PHYSICIAN DECISION ON CERTAIN RECONSIDERATIONS.—A reconsideration relating to a determination to deny coverage based on a lack of medical necessity shall be made only by a physician with appropriate expertise in the field of medicine which necessitates treatment who is other than a physician involved in the initial determination.

''(g) GRIEVANCES AND APPEALS.—

''(1) GRIEVANCE MECHANISM.—Each MedicarePlus organization must provide meaningful procedures for hearing and resolving grievances between the organization (including any entity or individual through which the organization provides health care services) and enrollees with MedicarePlus plans of the organization under this part.

''(2) APPEALS.—An enrollee with a MedicarePlus plan of a MedicarePlus organization under this part who is dissatisfied by reason of the enrollee's failure to receive any health service to which the enrollee believes the enrollee is entitled and at no greater charge than the enrollee believes the enrollee is required to pay is entitled, if the amount in controversy is $100 or more, to a hearing before the Secretary to the same extent as is provided in section 205(b), and in any such hearing the Secretary shall make the organization a party. If the amount in controversy is $1,000 or more, the individual or organization shall, upon notifying the other party, be entitled to judicial review of the Secretary's final decision as provided in section 205(g), and both the individual and the organization shall be entitled to be parties to that judicial review. In ap-

plying sections 205(b) and 205(g) as provided in this paragraph, and in applying section 205(l) thereto, any reference therein to the Commissioner of Social Security or the Social Security Administration shall be considered a reference to the Secretary or the Department of Health and Human Services, respectively.

''(3) INDEPENDENT REVIEW OF COVERAGE DENIALS.—The Secretary shall contract with an independent, outside entity to review and resolve in a timely manner reconsiderations that affirm denial of coverage.

''(4) EXPEDITED DETERMINATIONS AND RECONSIDERATIONS.—

''(A) RECEIPT OF REQUESTS.—An enrollee in a MedicarePlus plan may request, either in writing or orally, an expedited determination or reconsideration by the MedicarePlus organization regarding a matter described in paragraph (2). The organization shall also permit the acceptance of such requests by physicians.

''(B) ORGANIZATION PROCEDURES.—

''(i) IN GENERAL.—The MedicarePlus organization shall maintain procedures for expediting organization determinations and

reconsiderations when, upon request of an enrollee, the organization determines that the application of normal time frames for making a determination (or a reconsideration involving a determination) could seriously jeopardize the life or health of the enrollee or the enrollee's ability to regain maximum function.

''(ii) TIMELY RESPONSE.—In an urgent case described in clause (i), the organization shall notify the enrollee (and the physician involved, as appropriate) of the determination (or determination on the reconsideration) as expeditiously as the enrollee's health condition requires, but not later than 72 hours (or 24 hours in the case of a reconsideration) of the time of receipt of the request for the determination or reconsideration (or receipt of the information necessary to make the determination or reconsideration), or such longer period as the Secretary may permit in specified cases.

''(iii) SECRETARIAL REPORT.—The Secretary shall annually report publicly on

the number and disposition of denials and appeals within each MedicarePlus organization, and those reviewed and resolved by the independent entities under this subsection.

''(h) CONFIDENTIALITY AND ACCURACY OF ENROLLEE RECORDS.—Each MedicarePlus organization shall establish procedures—

''(1) to safeguard the privacy of individually identifiable enrollee information,

''(2) to maintain accurate and timely medical records and other health information for enrollees, and

''(3) to assure timely access of enrollees to their medical information.

''(i) INFORMATION ON ADVANCE DIRECTIVES.—Each MedicarePlus organization shall meet the requirement of section 1866(f) (relating to maintaining written policies and procedures respecting advance directives).

''(j) RULES REGARDING PHYSICIAN PARTICIPATION.—

''(1) PROCEDURES.—Each MedicarePlus organization shall establish reasonable procedures relating to the participation (under an agreement between a physician and the organization) of physi-

cians under MedicarePlus plans offered by the organization under this part. Such procedures shall include—

"(A) providing notice of the rules regarding participation,

"(B) providing written notice of participation decisions that are adverse to physicians, and

"(C) providing a process within the organization for appealing such adverse decisions, including the presentation of information and views of the physician regarding such decision.

"(2) CONSULTATION IN MEDICAL POLICIES.—A MedicarePlus organization shall consult with physicians who have entered into participation agreements with the organization regarding the organization's medical policy, quality, and medical management procedures.

"(3) PROHIBITING INTERFERENCE WITH PROVIDER ADVICE TO ENROLLEES.—

"(A) IN GENERAL.—Subject to subparagraphs (B) and (C), a MedicarePlus organization (in relation to an individual enrolled under a MedicarePlus plan offered by the organization under this part) shall not prohibit or otherwise

restrict a covered health care professional (as defined in subparagraph (D)) from advising such an individual who is a patient of the professional about the health status of the individual or medical care or treatment for the individual's condition or disease, regardless of whether benefits for such care or treatment are provided under the plan, if the professional is acting within the lawful scope of practice.

''(B) CONSCIENCE PROTECTION.—Subparagraph (A) shall not be construed as requiring a MedicarePlus plan to provide, reimburse for, or provide coverage of a counseling or referral service if the MedicarePlus organization offering the plan—

''(i) objects to the provision of such service on moral or religious grounds; and

''(ii) in the manner and through the written instrumentalities such MedicarePlus organization deems appropriate, makes available information on its policies regarding such service to prospective enrollees before or during enrollment and to enrollees within 90 days after the date that the organization or plan adopts

a change in policy regarding such a counseling or referral service.

''(C) CONSTRUCTION.—Nothing in subparagraph (B) shall be construed to affect disclosure requirements under State law or under the Employee Retirement Income Security Act of 1974.

''(D) HEALTH CARE PROFESSIONAL DEFINED.—For purposes of this paragraph, the term 'health care professional' means a physician (as defined in section 1861(r)) or other health care professional if coverage for the professional's services is provided under the MedicarePlus plan for the services of the professional. Such term includes a podiatrist, optometrist, chiropractor, psychologist, dentist, physician assistant, physical or occupational therapist and therapy assistant, speech-language pathologist, audiologist, registered or licensed practical nurse (including nurse practitioner, clinical nurse specialist, certified registered nurse anesthetist, and certified nurse-midwife), licensed certified social worker, registered respiratory therapist, and certified respiratory therapy technician.

''(4) LIMITATIONS ON HEALTH CARE PROVIDER INCENTIVE PLANS.—

''(A) IN GENERAL.—No MedicarePlus organization may operate any health care provider incentive plan (as defined in subparagraph (B)) unless the following requirements are met:

''(i) No specific payment is made directly or indirectly under the plan to a health care provider or health care provider group as an inducement to reduce or limit medically necessary services provided with respect to a specific individual enrolled with the organization.

''(ii) If the plan places a health care provider or health care provider group at substantial financial risk (as determined by the Secretary) for services not provided by the health care provider or health care provider group, the organization—

''(I) provides stop-loss protection for the health care provider or group that is adequate and appropriate, based on standards developed by the Secretary that take into account the number of health care providers

placed at such substantial financial risk in the group or under the plan and the number of individuals enrolled with the organization who receive services from the health care provider or group, and

"(II) conducts periodic surveys of both individuals enrolled and individuals previously enrolled with the organization to determine the degree of access of such individuals to services provided by the organization and satisfaction with the quality of such services.

"(iii) The organization provides the Secretary with descriptive information regarding the plan, sufficient to permit the Secretary to determine whether the plan is in compliance with the requirements of this subparagraph.

"(B) HEALTH CARE PROVIDER INCENTIVE PLAN DEFINED.—In this paragraph, the term 'health care provider incentive plan' means any compensation arrangement between a MedicarePlus organization and a health care

provider or health care provider group that may directly or indirectly have the effect of reducing or limiting services provided with respect to individuals enrolled with the organization under this part.

''(C) HEALTH CARE PROVIDER DEFINED.—For the purposes of this paragraph, the term 'health care provider' has the meaning given the term 'health care professional' in paragraph (3)(D).

''(5) LIMITATION ON PROVIDER INDEMNIFICATION.—A MedicarePlus organization may not provide (directly or indirectly) for a provider (or group of providers) to indemnify the organization against any liability resulting from a civil action brought for any damage caused to an enrollee with a MedicarePlus plan of the organization under this part by the organization's denial of medically necessary care.

''(6) LIMITATION ON NON-COMPETE CLAUSE.—A MedicarePlus organization may not (directly or indirectly) seek to enforce any contractual provision which prevents a provider whose contractual obligations to the organization for the provision of services through the organization have ended from joining or

forming any competing MedicarePlus organization that is a provider-sponsored organization in the same area.

''(k) TREATMENT OF SERVICES FURNISHED BY CERTAIN PROVIDERS.—A physician or other entity (other than a provider of services) that does not have a contract establishing payment amounts for services furnished to an individual enrolled under this part with a MedicarePlus organization shall accept as payment in full for covered services under this title that are furnished to such an individual the amounts that the physician or other entity could collect if the individual were not so enrolled. Any penalty or other provision of law that applies to such a payment with respect to an individual entitled to benefits under this title (but not enrolled with a MedicarePlus organization under this part) also applies with respect to an individual so enrolled.

''(l) DISCLOSURE OF USE OF DSH AND TEACHING HOSPITALS.—Each MedicarePlus organization shall provide the Secretary with information on—

''(1) the extent to which the organization provides inpatient and outpatient hospital benefits under this part—

''(A) through the use of hospitals that are eligible for additional payments under section

1886(d)(5)(F)(i) (relating to so-called DSH hospitals), or

"(B) through the use of teaching hospitals that receive payments under section 1886(h); and

"(2) the extent to which differences between payment rates to different hospitals reflect the disproportionate share percentage of low-income patients and the presence of medical residency training programs in those hospitals.

"(m) OUT-OF-NETWORK ACCESS.—If an organization offers to members enrolled under this section one plan which provides for coverage of services covered under parts A and B primarily through providers and other persons who are members of a network of providers and other persons who have entered into a contract with the organization to provide such services, nothing in this section shall be construed as preventing the organization from offering such members (at the time of enrollment) another plan which provides for coverage of such items which are not furnished through such network providers.

"(n) NON-PREEMPTION OF STATE LAW.—A State may establish or enforce requirements with respect to beneficiary protections in this section, but only if such re-

quirements are more stringent than the requirements established under this section.

''(o) NONDISCRIMINATION IN SELECTION OF NETWORK HEALTH PROFESSIONALS.—

''(1) IN GENERAL.—A MedicarePlus organization offering a MedicarePlus plan offering network coverage shall not discriminate in selecting the members of its health professional network (or in establishing the terms and conditions for membership in such network) on the basis of the race, national origin, gender, age, or disability (other than a disability that impairs the ability of an individual to provide health care services or that may threaten the health of enrollees) of the health professional.

''(2) APPROPRIATE RANGE OF SERVICES.—A MedicarePlus organization shall not deny any health care professionals, based solely on the license or certification as applicable under State law, the ability to participate in providing covered health care services, or be reimbursed or indemnified by a network plan for providing such services under this part.

''(2) DEFINITIONS.—For purposes of this subsection:

''(A) NETWORK.—The term 'network' means, with respect to a MedicarePlus organi-

zation offering a MedicarePlus plan, the participating health professionals and providers through whom the organization provides health care items and services to enrollees.

''(B) NETWORK COVERAGE.—The term 'network coverage' means a MedicarePlus plan offered by a MedicarePlus organization that provides or arranges for the provision of health care items and services to enrollees through participating health professionals and providers.

''(C) PARTICIPATING.—The term 'participating' means, with respect to a health professional or provider, a health professional or provider that provides health care items and services to enrollees under network coverage under an agreement with the MedicarePlus organization offering the coverage.

''(p) SPECIAL RULE FOR UNRESTRICTED FEE-FOR-SERVICE MSA PLANS.—Subsections (j)(1) and (k) shall not apply to a MedicarePlus organization with respect to an MSA plan it offers if the plan does not limit the providers through whom benefits may be obtained under the plan.

''PAYMENTS TO MEDICAREPLUS ORGANIZATIONS

''SEC. 1853. (a) PAYMENTS TO ORGANIZATIONS.—

''(1) MONTHLY PAYMENTS.—

"(A) IN GENERAL.—Under a contract under section 1857 and subject to subsections (e) and (f), the Secretary shall make monthly payments under this section in advance to each MedicarePlus organization, with respect to coverage of an individual under this part in a MedicarePlus payment area for a month, in an amount equal to 1/12 of the annual MedicarePlus capitation rate (as calculated under subsection (c)) with respect to that individual for that area, adjusted for such risk factors as age, disability status, gender, institutional status, and such other factors as the Secretary determines to be appropriate, so as to ensure actuarial equivalence. The Secretary may add to, modify, or substitute for such factors, if such changes will improve the determination of actuarial equivalence.

"(B) SPECIAL RULE FOR END-STAGE RENAL DISEASE.—The Secretary shall establish separate rates of payment to a MedicarePlus organization with respect to classes of individuals determined to have end-stage renal disease and enrolled in a MedicarePlus plan of the organization. Such rates of payment shall be ac-

tuarially equivalent to rates paid to other enrollees in the MedicarePlus payment area (or such other area as specified by the Secretary). In accordance with regulations, the Secretary shall provide for the application of the seventh sentence of section 1881(b)(7) to payments under this section covering the provision of renal dialysis treatment in the same manner as such sentence applies to composite rate payments described in such sentence.

''(2) ADJUSTMENT TO REFLECT NUMBER OF ENROLLEES.—

''(A) IN GENERAL.—The amount of payment under this subsection may be retroactively adjusted to take into account any difference between the actual number of individuals enrolled with an organization under this part and the number of such individuals estimated to be so enrolled in determining the amount of the advance payment.

''(B) SPECIAL RULE FOR CERTAIN ENROLLEES.—

''(i) IN GENERAL.—Subject to clause (ii), the Secretary may make retroactive adjustments under subparagraph (A) to

take into account individuals enrolled during the period beginning on the date on which the individual enrolls with a MedicarePlus organization under a plan operated, sponsored, or contributed to by the individual's employer or former employer (or the employer or former employer of the individual's spouse) and ending on the date on which the individual is enrolled in the organization under this part, except that for purposes of making such retroactive adjustments under this subparagraph, such period may not exceed 90 days.

''(ii) EXCEPTION.—No adjustment may be made under clause (i) with respect to any individual who does not certify that the organization provided the individual with the information required to be disclosed under section 1852(c) at the time the individual enrolled with the organization.

''(3) ESTABLISHMENT OF RISK ADJUSTMENT FACTORS.—

"(A) REPORT.—The Secretary shall develop, and submit to Congress by not later than October 1, 1999, a report on a method of risk adjustment of payment rates under this section that accounts for variations in per capita costs based on health status. Such report shall include an evaluation of such method by an outside, independent actuary of the actuarial soundness of the proposal.

"(B) DATA COLLECTION.—In order to carry out this paragraph, the Secretary shall require MedicarePlus organizations (and eligible organizations with risk-sharing contracts under section 1876) to submit, for periods beginning on or after January 1, 1998, data regarding inpatient hospital services and other services and other information the Secretary deems necessary.

"(C) INITIAL IMPLEMENTATION.—The Secretary shall first provide for implementation of a risk adjustment methodology that accounts for variations in per capita costs based on health status and other demographic factors for payments by no later than January 1, 2000.

"(b) ANNUAL ANNOUNCEMENT OF PAYMENT RATES.—

"(1) ANNUAL ANNOUNCEMENT.—The Secretary shall annually determine, and shall announce (in a manner intended to provide notice to interested parties) not later than August 1 before the calendar year concerned—

"(A) the annual MedicarePlus capitation rate for each MedicarePlus payment area for the year, and

"(B) the risk and other factors to be used in adjusting such rates under subsection (a)(1)(A) for payments for months in that year.

"(2) ADVANCE NOTICE OF METHODOLOGICAL CHANGES.—At least 45 days before making the announcement under paragraph (1) for a year, the Secretary shall provide for notice to MedicarePlus organizations of proposed changes to be made in the methodology from the methodology and assumptions used in the previous announcement and shall provide such organizations an opportunity to comment on such proposed changes.

"(3) EXPLANATION OF ASSUMPTIONS.—In each announcement made under paragraph (1), the Secretary shall include an explanation of the assump-

tions and changes in methodology used in the announcement in sufficient detail so that MedicarePlus organizations can compute monthly adjusted MedicarePlus capitation rates for individuals in each MedicarePlus payment area which is in whole or in part within the service area of such an organization.

''(c) CALCULATION OF ANNUAL MEDICAREPLUS CAPITATION RATES.—

''(1) IN GENERAL.—For purposes of this part, each annual MedicarePlus capitation rate, for a MedicarePlus payment area for a contract year consisting of a calendar year, is equal to the largest of the amounts specified in the following subparagraphs (A), (B), or (C):

''(A) BLENDED CAPITATION RATE.—The sum of—

''(i) area-specific percentage for the year (as specified under paragraph (2) for the year) of the annual area-specific MedicarePlus capitation rate for the year for the MedicarePlus payment area, as determined under paragraph (3), and

''(ii) national percentage (as specified under paragraph (2) for the year) of the input-price-adjusted annual national

MedicarePlus capitation rate for the year, as determined under paragraph (4),

multiplied by the payment adjustment factors described in subparagraphs (A) and (B) of paragraph (5).

''(B) MINIMUM AMOUNT.—12 multiplied by the following amount:

''(i) For 1998, $350 (but not to exceed, in the case of an area outside the 50 States and the District of Columbia, 150 percent of the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the area).

''(ii) For a succeeding year, the minimum amount specified in this clause (or clause (i)) for the preceding year increased by the national per capita MedicarePlus growth percentage, specified under paragraph (6) for that succeeding year.

''(C) MINIMUM PERCENTAGE INCREASE.—

''(i) For 1998, the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the MedicarePlus payment area.

"(ii) For 1999 and 2000, 101 percent of the annual MedicarePlus capitation rate under this paragraph for the area for the previous year.

"(iii) For a subsequent year, 102 percent of the annual MedicarePlus capitation rate under this paragraph for the area for the previous year.

"(2) AREA-SPECIFIC AND NATIONAL PERCENTAGES.—For purposes of paragraph (1)(A)—

"(A) for 1998, the 'area-specific percentage' is 90 percent and the 'national percentage' is 10 percent,

"(B) for 1999, the 'area-specific percentage' is 85 percent and the 'national percentage' is 15 percent,

"(C) for 2000, the 'area-specific percentage' is 80 percent and the 'national percentage' is 20 percent,

"(D) for 2001, the 'area-specific percentage' is 75 percent and the 'national percentage' is 25 percent, and

"(E) for a year after 2001, the 'area-specific percentage' is 70 percent and the 'national percentage' is 30 percent.

''(3) ANNUAL AREA-SPECIFIC MEDICAREPLUS CAPITATION RATE.—

''(A) IN GENERAL.—For purposes of paragraph (1)(A), subject to subparagraph (B), the annual area-specific MedicarePlus capitation rate for a MedicarePlus payment area—

''(i) for 1998 is the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the area, increased by the national per capita MedicarePlus growth percentage for 1998 (as defined in paragraph (6)); or

''(ii) for a subsequent year is the annual area-specific MedicarePlus capitation rate for the previous year determined under this paragraph for the area, increased by the national per capita MedicarePlus growth percentage for such subsequent year.

''(B) REMOVAL OF MEDICAL EDUCATION AND DISPROPORTIONATE SHARE HOSPITAL PAYMENTS FROM CALCULATION OF ADJUSTED AVERAGE PER CAPITA COST.—

''(i) IN GENERAL.—In determining the area-specific MedicarePlus capitation

rate under subparagraph (A), for a year (beginning with 1998), the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) shall be adjusted to exclude from the rate the applicable percent (specified in clause (ii)) of the payment adjustments described in subparagraph (C).

''(ii) APPLICABLE PERCENT.—For purposes of clause (i), the applicable percent for—

''(I) 1998 is 20 percent,

''(II) 1999 is 40 percent,

''(III) 2000 is 60 percent,

''(IV) 2001 is 80 percent, and

''(V) a succeeding year is 100 percent.

''(C) PAYMENT ADJUSTMENT.—The payment adjustments described in this subparagraph are payment adjustments which the Secretary estimates were payable during 1997—

''(i) under section 1886(d)(5)(F) for hospitals serving a disproportionate share of low-income patients,

"(ii) for the indirect costs of medical education under section 1886(d)(5)(B), and

"(iii) for direct graduate medical education costs under section 1886(h),

multiplied by a ratio (estimated by the Secretary) of total payments under subsection (h) and section 1858 in 1998 to payments under such subsection and payments under such section in such year for hospitals not reimbursed under section 1814(b)(3).

"(4) INPUT-PRICE-ADJUSTED ANNUAL NATIONAL MEDICAREPLUS CAPITATION RATE.—

"(A) IN GENERAL.—For purposes of paragraph (1)(A), the input-price-adjusted annual national MedicarePlus capitation rate for a MedicarePlus payment area for a year is equal to the sum, for all the types of medicare services (as classified by the Secretary), of the product (for each such type of service) of—

"(i) the national standardized annual MedicarePlus capitation rate (determined under subparagraph (B)) for the year,

"(ii) the proportion of such rate for the year which is attributable to such type of services, and

"(iii) an index that reflects (for that year and that type of services) the relative input price of such services in the area compared to the national average input price of such services.

In applying clause (iii), the Secretary shall, subject to subparagraph (C), apply those indices under this title that are used in applying (or updating) national payment rates for specific areas and localities.

"(B) NATIONAL STANDARDIZED ANNUAL MEDICAREPLUS CAPITATION RATE.—In subparagraph (A)(i), the 'national standardized annual MedicarePlus capitation rate' for a year is equal to—

"(i) the sum (for all MedicarePlus payment areas) of the product of—

"(I) the annual area-specific MedicarePlus capitation rate for that year for the area under paragraph (3), and

''(II) the average number of medicare beneficiaries residing in that area in the year, multiplied by the average of the risk factor weights used to adjust payments under subsection (a)(1)(A) for such beneficiaries in such area; divided by

''(ii) the sum of the products described in clause (i)(II) for all areas for that year.

''(C) SPECIAL RULES FOR 1998.—In applying this paragraph for 1998—

''(i) medicare services shall be divided into 2 types of services: part A services and part B services;

''(ii) the proportions described in subparagraph (A)(ii)—

''(I) for part A services shall be the ratio (expressed as a percentage) of the national average annual per capita rate of payment for part A for 1997 to the total national average annual per capita rate of payment for parts A and B for 1997, and

"(II) for part B services shall be 100 percent minus the ratio described in subclause (I);

"(iii) for part A services, 70 percent of payments attributable to such services shall be adjusted by the index used under section 1886(d)(3)(E) to adjust payment rates for relative hospital wage levels for hospitals located in the payment area involved;

"(iv) for part B services—

"(I) 66 percent of payments attributable to such services shall be adjusted by the index of the geographic area factors under section 1848(e) used to adjust payment rates for physicians' services furnished in the payment area, and

"(II) of the remaining 34 percent of the amount of such payments, 40 percent shall be adjusted by the index described in clause (iii); and

"(v) the index values shall be computed based only on the beneficiary population who are 65 years of age or older and

who are not determined to have end stage renal disease.

The Secretary may continue to apply the rules described in this subparagraph (or similar rules) for 1999.

"(5) PAYMENT ADJUSTMENT BUDGET NEUTRALITY FACTORS.—For purposes of paragraph (1)(A)—

"(A) BLENDED RATE PAYMENT ADJUSTMENT FACTOR.—For each year, the Secretary shall compute a blended rate payment adjustment factor such that, not taking into account subparagraphs (B) and (C) of paragraph (1) and the application of the payment adjustment factor described in subparagraph (B) but taking into account paragraph (7), the aggregate of the payments that would be made under this part is equal to the aggregate payments that would have been made under this part (not taking into account such subparagraphs and such other adjustment factor) if the area-specific percentage under paragraph (1) for the year had been 100 percent and the national percentage had been 0 percent.

"(B) FLOOR-AND-MINIMUM-UPDATE PAYMENT ADJUSTMENT FACTOR.—For each year, the Secretary shall compute a floor-and-minimum-update payment adjustment factor so that, taking into account the application of the blended rate payment adjustment factor under subparagraph (A) and subparagraphs (B) and (C) of paragraph (1) and the application of the adjustment factor under this subparagraph, the aggregate of the payments under this part shall not exceed the aggregate payments that would have been made under this part if subparagraphs (B) and (C) of paragraph (1) did not apply and if the floor-and-minimum-update payment adjustment factor under this subparagraph was 1.

"(6) NATIONAL PER CAPITA MEDICAREPLUS GROWTH PERCENTAGE DEFINED.—

"(A) IN GENERAL.—In this part, the 'national per capita MedicarePlus growth percentage' for a year is the percentage determined by the Secretary, by April 30th before the beginning of the year involved, to reflect the Secretary's estimate of the projected per capita rate of growth in expenditures under this title

for an individual entitled to benefits under part A and enrolled under part B, reduced by the number of percentage points specified in subparagraph (B) for the year. Separate determinations may be made for aged enrollees, disabled enrollees, and enrollees with end-stage renal disease. Such percentage shall include an adjustment for over or under projection in the growth percentage for previous years.

"(B) ADJUSTMENT.—The number of percentage points specified in this subparagraph is—

"(i) for 1998, 0.5 percentage points,

"(ii) for 1999, 0.5 percentage points,

"(iii) for 2000, 0.5 percentage points,

"(iv) for 2001, 0.5 percentage points,

"(v) for 2002, 0.5 percentage points, and

"(vi) for a year after 2002, 0 percentage points.

"(7) TREATMENT OF AREAS WITH HIGHLY VARIABLE PAYMENT RATES.—In the case of a MedicarePlus payment area for which the annual per capita rate of payment determined under section 1876(a)(1)(C) for 1997 varies by more than 20 per-

cent from such rate for 1996, for purposes of this subsection the Secretary may substitute for such rate for 1997 a rate that is more representative of the costs of the enrollees in the area.

''(d) MEDICAREPLUS PAYMENT AREA DEFINED.—

''(1) IN GENERAL.—In this part, except as provided in paragraph (3), the term 'MedicarePlus payment area' means a county, or equivalent area specified by the Secretary.

''(2) RULE FOR ESRD BENEFICIARIES.—In the case of individuals who are determined to have end stage renal disease, the MedicarePlus payment area shall be a State or such other payment area as the Secretary specifies.

''(3) GEOGRAPHIC ADJUSTMENT.—

''(A) IN GENERAL.—Upon written request of the chief executive officer of a State for a contract year (beginning after 1998) made at least 7 months before the beginning of the year, the Secretary shall make a geographic adjustment to a MedicarePlus payment area in the State otherwise determined under paragraph (1)—

''(i) to a single statewide MedicarePlus payment area,

"(ii) to the metropolitan based system described in subparagraph (C), or

"(iii) to consolidating into a single MedicarePlus payment area noncontiguous counties (or equivalent areas described in paragraph (1)) within a State.

Such adjustment shall be effective for payments for months beginning with January of the year following the year in which the request is received.

"(B) BUDGET NEUTRALITY ADJUSTMENT.—In the case of a State requesting an adjustment under this paragraph, the Secretary shall adjust the payment rates otherwise established under this section for MedicarePlus payment areas in the State in a manner so that the aggregate of the payments under this section in the State shall not exceed the aggregate payments that would have been made under this section for MedicarePlus payment areas in the State in the absence of the adjustment under this paragraph.

"(C) METROPOLITAN BASED SYSTEM.—The metropolitan based system described in this subparagraph is one in which—

"(i) all the portions of each metropolitan statistical area in the State or in the case of a consolidated metropolitan statistical area, all of the portions of each primary metropolitan statistical area within the consolidated area within the State, are treated as a single MedicarePlus payment area, and

"(ii) all areas in the State that do not fall within a metropolitan statistical area are treated as a single MedicarePlus payment area.

"(D) AREAS.—In subparagraph (C), the terms 'metropolitan statistical area', 'consolidated metropolitan statistical area', and 'primary metropolitan statistical area' mean any area designated as such by the Secretary of Commerce.

"(e) SPECIAL RULES FOR INDIVIDUALS ELECTING MSA PLANS.—

"(1) IN GENERAL.—If the amount of the monthly premium for an MSA plan for a MedicarePlus payment area for a year is less than 1/12 of the annual MedicarePlus capitation rate applied under this section for the area and year in-

volved, the Secretary shall deposit an amount equal to 100 percent of such difference in a MedicarePlus MSA established (and, if applicable, designated) by the individual under paragraph (2).

''(2) ESTABLISHMENT AND DESIGNATION OF MEDICAREPLUS MEDICAL SAVINGS ACCOUNT AS REQUIREMENT FOR PAYMENT OF CONTRIBUTION.—In the case of an individual who has elected coverage under an MSA plan, no payment shall be made under paragraph (1) on behalf of an individual for a month unless the individual—

''(A) has established before the beginning of the month (or by such other deadline as the Secretary may specify) a MedicarePlus MSA (as defined in section 138(b)(2) of the Internal Revenue Code of 1986), and

''(B) if the individual has established more than one such MedicarePlus MSA, has designated one of such accounts as the individual's MedicarePlus MSA for purposes of this part.

Under rules under this section, such an individual may change the designation of such account under subparagraph (B) for purposes of this part.

''(3) LUMP SUM DEPOSIT OF MEDICAL SAVINGS ACCOUNT CONTRIBUTION.—In the case of an indi-

vidual electing an MSA plan effective beginning with a month in a year, the amount of the contribution to the MedicarePlus MSA on behalf of the individual for that month and all successive months in the year shall be deposited during that first month. In the case of a termination of such an election as of a month before the end of a year, the Secretary shall provide for a procedure for the recovery of deposits attributable to the remaining months in the year.

''(f) PAYMENTS FROM TRUST FUND.—The payment to a MedicarePlus organization under this section for individuals enrolled under this part with the organization and payments to a MedicarePlus MSA under subsection (e)(1) shall be made from the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund in such proportion as the Secretary determines reflects the relative weight that benefits under part A and under part B represents of the actuarial value of the total benefits under this title. Monthly payments otherwise payable under this section for October 2001 shall be paid on the last business day of September 2001.

''(g) SPECIAL RULE FOR CERTAIN INPATIENT HOSPITAL STAYS.—In the case of an individual who is receiving inpatient hospital services from a subsection (d) hos-

pital (as defined in section 1886(d)(1)(B)) as of the effective date of the individual's—

"(1) election under this part of a MedicarePlus plan offered by a MedicarePlus organization—

"(A) payment for such services until the date of the individual's discharge shall be made under this title through the MedicarePlus plan or the medicare fee-for-service program option described in section 1851(a)(1)(A) (as the case may be) elected before the election with such organization,

"(B) the elected organization shall not be financially responsible for payment for such services until the date after the date of the individual's discharge, and

"(C) the organization shall nonetheless be paid the full amount otherwise payable to the organization under this part; or

"(2) termination of election with respect to a MedicarePlus organization under this part—

"(A) the organization shall be financially responsible for payment for such services after such date and until the date of the individual's discharge,

''(B) payment for such services during the stay shall not be made under section 1886(d) or by any succeeding MedicarePlus organization, and

''(C) the terminated organization shall not receive any payment with respect to the individual under this part during the period the individual is not enrolled.

''PREMIUMS

''SEC. 1854. (a) SUBMISSION AND CHARGING OF PREMIUMS.—

''(1) IN GENERAL.—Subject to paragraph (3), each MedicarePlus organization shall file with the Secretary each year, in a form and manner and at a time specified by the Secretary—

''(A) the amount of the monthly premium for coverage for services under section 1852(a) under each MedicarePlus plan it offers under this part in each MedicarePlus payment area (as defined in section 1853(d)) in which the plan is being offered; and

''(B) the enrollment capacity in relation to the plan in each such area.

''(2) TERMINOLOGY.—In this part—

''(A) the term 'monthly premium' means, with respect to a MedicarePlus plan offered by

a MedicarePlus organization, the monthly premium filed under paragraph (1), not taking into account the amount of any payment made toward the premium under section 1853; and

"(B) the term 'net monthly premium' means, with respect to such a plan and an individual enrolled with the plan, the premium (as defined in subparagraph (A)) for the plan reduced by the amount of payment made toward such premium under section 1853.

"(b) MONTHLY PREMIUM CHARGED.—The monthly amount of the premium charged by a MedicarePlus organization for a MedicarePlus plan offered in a MedicarePlus payment area to an individual under this part shall be equal to the net monthly premium plus any monthly premium charged in accordance with subsection (e)(2) for supplemental benefits.

"(c) UNIFORM PREMIUM.—The monthly premium and monthly amount charged under subsection (b) of a MedicarePlus organization under this part may not vary among individuals who reside in the same MedicarePlus payment area.

"(d) TERMS AND CONDITIONS OF IMPOSING PREMIUMS.—Each MedicarePlus organization shall permit the payment of net monthly premiums on a monthly basis and

may terminate election of individuals for a MedicarePlus plan for failure to make premium payments only in accordance with section 1851(g)(3)(B)(i). A MedicarePlus organization is not authorized to provide for cash or other monetary rebates as an inducement for enrollment or otherwise.

''(e) LIMITATION ON ENROLLEE COST-SHARING.—

''(1) FOR BASIC AND ADDITIONAL BENEFITS.—Except as provided in paragraph (2), in no event may—

''(A) the net monthly premium (multiplied by 12) and the actuarial value of the deductibles, coinsurance, and copayments applicable on average to individuals enrolled under this part with a MedicarePlus plan of an organization with respect to required benefits described in section 1852(a)(1) and additional benefits (if any) required under subsection (f)(1) for a year, exceed

''(B) the actuarial value of the deductibles, coinsurance, and copayments that would be applicable on average to individuals entitled to benefits under part A and enrolled under part B if they were not members of a MedicarePlus organization for the year.

''(2) FOR SUPPLEMENTAL BENEFITS.—If the MedicarePlus organization provides to its members enrolled under this part supplemental benefits described in section 1852(a)(3), the sum of the monthly premium rate (multiplied by 12) charged for such supplemental benefits and the actuarial value of its deductibles, coinsurance, and copayments charged with respect to such benefits may not exceed the adjusted community rate for such benefits (as defined in subsection (f)(4)).

''(3) EXCEPTION FOR MSA PLANS.—Paragraphs (1) and (2) do not apply to an MSA plan.

''(4) DETERMINATION ON OTHER BASIS.—If the Secretary determines that adequate data are not available to determine the actuarial value under paragraph (1)(A) or (2), the Secretary may determine such amount with respect to all individuals in the MedicarePlus payment area, the State, or in the United States, eligible to enroll in the MedicarePlus plan involved under this part or on the basis of other appropriate data.

''(f) REQUIREMENT FOR ADDITIONAL BENEFITS.—

''(1) REQUIREMENT.—

''(A) IN GENERAL.—Each MedicarePlus organization (in relation to a MedicarePlus plan

it offers) shall provide that if there is an excess amount (as defined in subparagraph (B)) for the plan for a contract year, subject to the succeeding provisions of this subsection, the organization shall provide to individuals such additional benefits (as the organization may specify) in a value which is at least equal to the adjusted excess amount (as defined in subparagraph (C)).

''(B) EXCESS AMOUNT.—For purposes of this paragraph, the 'excess amount', for an organization for a plan, is the amount (if any) by which—

''(i) the average of the capitation payments made to the organization under section 1853 for the plan at the beginning of contract year, exceeds

''(ii) the actuarial value of the required benefits described in section 1852(a)(1) under the plan for individuals under this part, as determined based upon an adjusted community rate described in paragraph (4) (as reduced for the actuarial value of the coinsurance and deductibles under parts A and B).

"(C) ADJUSTED EXCESS AMOUNT.—For purposes of this paragraph, the 'adjusted excess amount', for an organization for a plan, is the excess amount reduced to reflect any amount withheld and reserved for the organization for the year under paragraph (2).

"(D) NO APPLICATION TO MSA PLANS.—Subparagraph (A) shall not apply to an MSA plan.

"(E) UNIFORM APPLICATION.—This paragraph shall be applied uniformly for all enrollees for a plan in a MedicarePlus payment area.

"(F) CONSTRUCTION.—Nothing in this subsection shall be construed as preventing a MedicarePlus organization from providing health care benefits that are in addition to the benefits otherwise required to be provided under this paragraph and from imposing a premium for such additional benefits.

"(2) STABILIZATION FUND.—A MedicarePlus organization may provide that a part of the value of an excess amount described in paragraph (1) be withheld and reserved in the Federal Hospital Insurance Trust Fund and in the Federal Supplementary Medical Insurance Trust Fund (in such proportions

as the Secretary determines to be appropriate) by the Secretary for subsequent annual contract periods, to the extent required to stabilize and prevent undue fluctuations in the additional benefits offered in those subsequent periods by the organization in accordance with such paragraph. Any of such value of the amount reserved which is not provided as additional benefits described in paragraph (1)(A) to individuals electing the MedicarePlus plan of the organization in accordance with such paragraph prior to the end of such periods, shall revert for the use of such trust funds.

''(3) DETERMINATION BASED ON INSUFFICIENT DATA.—For purposes of this subsection, if the Secretary finds that there is insufficient enrollment experience (including no enrollment experience in the case of a provider-sponsored organization) to determine an average of the capitation payments to be made under this part at the beginning of a contract period, the Secretary may determine such an average based on the enrollment experience of other contracts entered into under this part.

''(4) ADJUSTED COMMUNITY RATE.—

''(A) IN GENERAL.—For purposes of this subsection, subject to subparagraph (B), the

term 'adjusted community rate' for a service or services means, at the election of a MedicarePlus organization, either—

''(i) the rate of payment for that service or services which the Secretary annually determines would apply to an individual electing a MedicarePlus plan under this part if the rate of payment were determined under a 'community rating system' (as defined in section 1302(8) of the Public Health Service Act, other than subparagraph (C)), or

''(ii) such portion of the weighted aggregate premium, which the Secretary annually estimates would apply to such an individual, as the Secretary annually estimates is attributable to that service or services,

but adjusted for differences between the utilization characteristics of the individuals electing coverage under this part and the utilization characteristics of the other enrollees with the plan (or, if the Secretary finds that adequate data are not available to adjust for those differences, the differences between the utilization

characteristics of individuals selecting other MedicarePlus coverage, or MedicarePlus eligible individuals in the area, in the State, or in the United States, eligible to elect MedicarePlus coverage under this part and the utilization characteristics of the rest of the population in the area, in the State, or in the United States, respectively).

''(B) SPECIAL RULE FOR PROVIDER-SPONSORED ORGANIZATIONS.—In the case of a MedicarePlus organization that is a provider-sponsored organization, the adjusted community rate under subparagraph (A) for a MedicarePlus plan of the organization may be computed (in a manner specified by the Secretary) using data in the general commercial marketplace or (during a transition period) based on the costs incurred by the organization in providing such a plan.

''(g) PERIODIC AUDITING.—The Secretary shall provide for the annual auditing of the financial records (including data relating to medicare utilization, costs, and computation of the adjusted community rate) of at least one-third of the MedicarePlus organizations offering MedicarePlus plans under this part. The Comptroller Gen-

eral shall monitoring auditing activities conducted under this subsection.

''(h) PROHIBITION OF STATE IMPOSITION OF PREMIUM TAXES.—No State may impose a premium tax or similar tax with respect to premiums on MedicarePlus plans or the offering of such plans.

''ORGANIZATIONAL AND FINANCIAL REQUIREMENTS FOR MEDICAREPLUS ORGANIZATIONS; PROVIDER-SPONSORED ORGANIZATIONS

''SEC. 1855. (a) ORGANIZED AND LICENSED UNDER STATE LAW.—

''(1) IN GENERAL.—Subject to paragraphs (2) and (3), a MedicarePlus organization shall be organized and licensed under State law as a risk-bearing entity eligible to offer health insurance or health benefits coverage in each State in which it offers a MedicarePlus plan.

''(2) SPECIAL EXCEPTION FOR PROVIDER-SPONSORED ORGANIZATIONS.—

''(A) IN GENERAL.—In the case of a provider-sponsored organization that seeks to offer a MedicarePlus plan in a State, the Secretary shall waive the requirement of paragraph (1) that the organization be licensed in that State if—

"(i) the organization files an application for such waiver with the Secretary, and

"(ii) the Secretary determines, based on the application and other evidence presented to the Secretary, that any of the grounds for approval of the application described in subparagraph (B), (C), or (D) has been met.

"(B) FAILURE TO ACT ON LICENSURE APPLICATION ON A TIMELY BASIS.—A ground for approval of such a waiver application is that the State has failed to complete action on a licensing application of the organization within 90 days of the date of the State's receipt of the application. No period before the date of the enactment of this section shall be included in determining such 90-day period.

"(C) DENIAL OF APPLICATION BASED ON DISCRIMINATORY TREATMENT.—A ground for approval of such a waiver application is that the State has denied such a licensing application and—

"(i) the State has imposed documentation or information requirements not

related to solvency requirements that are not generally applicable to other entities engaged in substantially similar business, or

"(ii) the standards or review process imposed by the State as a condition of approval of the license imposes any material requirements, procedures, or standards (other than requirements and standards relating to solvency) to such organizations that are not generally applicable to other entities engaged in substantially similar business.

"(D) DENIAL OF APPLICATION BASED ON APPLICATION OF SOLVENCY REQUIREMENTS.—A ground for approval of such a waiver application is that the State has denied such a licensing application based (in whole or in part) on the organization's failure to meet applicable solvency requirements and—

"(i) such requirements are not the same as the solvency standards established under section 1856(a); or

"(ii) the State has imposed as a condition of approval of the license any docu-

mentation or information requirements relating to solvency or other material requirements, procedures, or standards relating to solvency that are different from the requirements, procedures, and standards applied by the Secretary under subsection (d)(2).

For purposes of this subparagraph, the term 'solvency requirements' means requirements relating to solvency and other matters covered under the standards established under section 1856(a).

''(E) TREATMENT OF WAIVER.—Subject to section 1852(m), in the case of a waiver granted under this paragraph for a provider-sponsored organization—

''(i) the waiver shall be effective for a 36-month period, except it may be renewed based on a subsequent application filed during the last 6 months of such period,

''(ii) the waiver is conditioned upon the pendency of the licensure application during the period the waiver is in effect, and

"(iii) any provisions of State law which relate to the licensing of the organization and which prohibit the organization from providing coverage pursuant to a contract under this part shall be superseded. Nothing in this subparagraph shall be construed as limiting the number of times such a waiver may be renewed. Nothing in clause (iii) shall be construed as waiving any provision of State law which relates to quality of care or consumer protection (and does not relate to solvency standards) and which is imposed on a uniform basis and is generally applicable to other entities engaged in substantially similar business.

"(F) PROMPT ACTION ON APPLICATION.—The Secretary shall grant or deny such a waiver application within 60 days after the date the Secretary determines that a substantially complete application has been filed. Nothing in this section shall be construed as preventing an organization which has had such a waiver application denied from submitting a subsequent waiver application.

''(3) EXCEPTION IF REQUIRED TO OFFER MORE THAN MEDICAREPLUS PLANS.—Paragraph (1) shall not apply to a MedicarePlus organization in a State if the State requires the organization, as a condition of licensure, to offer any product or plan other than a MedicarePlus plan.

''(4) LICENSURE DOES NOT SUBSTITUTE FOR OR CONSTITUTE CERTIFICATION.—The fact that an organization is licensed in accordance with paragraph (1) does not deem the organization to meet other requirements imposed under this part.

''(b) PREPAID PAYMENT.—A MedicarePlus organization shall be compensated (except for premiums, deductibles, coinsurance, and copayments) for the provision of health care services to enrolled members under the contract under this part by a payment which is paid on a periodic basis without regard to the date the health care services are provided and which is fixed without regard to the frequency, extent, or kind of health care service actually provided to a member.

''(c) ASSUMPTION OF FULL FINANCIAL RISK.—The MedicarePlus organization shall assume full financial risk on a prospective basis for the provision of the health care services (except, at the election of the organization, hos-

pice care) for which benefits are required to be provided under section 1852(a)(1), except that the organization—

''(1) may obtain insurance or make other arrangements for the cost of providing to any enrolled member such services the aggregate value of which exceeds $5,000 in any year,

''(2) may obtain insurance or make other arrangements for the cost of such services provided to its enrolled members other than through the organization because medical necessity required their provision before they could be secured through the organization,

''(3) may obtain insurance or make other arrangements for not more than 90 percent of the amount by which its costs for any of its fiscal years exceed 115 percent of its income for such fiscal year, and

''(4) may make arrangements with physicians or other health professionals, health care institutions, or any combination of such individuals or institutions to assume all or part of the financial risk on a prospective basis for the provision of basic health services by the physicians or other health professionals or through the institutions.

"(d) CERTIFICATION OF PROVISION AGAINST RISK OF INSOLVENCY FOR UNLICENSED PSOS.—

"(1) IN GENERAL.—Each MedicarePlus organization that is a provider-sponsored organization, that is not licensed by a State under subsection (a), and for which a waiver application has been approved under subsection (a)(2), shall meet standards established under section 1856(a) relating to the financial solvency and capital adequacy of the organization.

"(2) CERTIFICATION PROCESS FOR SOLVENCY STANDARDS FOR PSOS.—The Secretary shall establish a process for the receipt and approval of applications of a provider-sponsored organization described in paragraph (1) for certification (and periodic recertification) of the organization as meeting such solvency standards. Under such process, the Secretary shall act upon such an application not later than 60 days after the date the application has been received.

"(e) PROVIDER-SPONSORED ORGANIZATION DEFINED.—

"(1) IN GENERAL.—In this part, the term 'provider-sponsored organization' means a public or private entity—

"(A) that is established or organized by a health care provider, or group of affiliated health care providers,

"(B) that provides a substantial proportion (as defined by the Secretary in accordance with paragraph (2)) of the health care items and services under the contract under this part directly through the provider or affiliated group of providers, and

"(C) with respect to which those affiliated providers that share, directly or indirectly, substantial financial risk with respect to the provision of such items and services have at least a majority financial interest in the entity.

"(2) SUBSTANTIAL PROPORTION.—In defining what is a 'substantial proportion' for purposes of paragraph (1)(B), the Secretary—

"(A) shall take into account (i) the need for such an organization to assume responsibility for a substantial proportion of services in order to assure financial stability and (ii) the practical difficulties in such an organization integrating a very wide range of service providers; and

"(B) may vary such proportion based upon relevant differences among organizations, such as their location in an urban or rural area.

"(3) AFFILIATION.—For purposes of this subsection, a provider is 'affiliated' with another provider if, through contract, ownership, or otherwise—

"(A) one provider, directly or indirectly, controls, is controlled by, or is under common control with the other,

"(B) both providers are part of a controlled group of corporations under section 1563 of the Internal Revenue Code of 1986, or

"(C) both providers are part of an affiliated service group under section 414 of such Code.

"(4) CONTROL.—For purposes of paragraph (3), control is presumed to exist if one party, directly or indirectly, owns, controls, or holds the power to vote, or proxies for, not less than 51 percent of the voting rights or governance rights of another.

"(5) HEALTH CARE PROVIDER DEFINED.—In this subsection, the term 'health care provider' means—

''(A) any individual who is engaged in the delivery of health care services in a State and who is required by State law or regulation to be licensed or certified by the State to engage in the delivery of such services in the State, and

''(B) any entity that is engaged in the delivery of health care services in a State and that, if it is required by State law or regulation to be licensed or certified by the State to engage in the delivery of such services in the State, is so licensed.

''(6) REGULATIONS.—The Secretary shall issue regulations to carry out this subsection.

''ESTABLISHMENT OF STANDARDS

''SEC. 1856. (a) ESTABLISHMENT OF SOLVENCY STANDARDS FOR PROVIDER-SPONSORED ORGANIZATIONS.—

''(1) ESTABLISHMENT.—

''(A) IN GENERAL.—The Secretary shall establish, on an expedited basis and using a negotiated rulemaking process under subchapter III of chapter 5 of title 5, United States Code, standards described in section 1855(d)(1) (relating to the financial solvency and capital adequacy of the organization) that entities must

meet to qualify as provider-sponsored organizations under this part.

''(B) FACTORS TO CONSIDER FOR SOLVENCY STANDARDS.—In establishing solvency standards under subparagraph (A) for provider-sponsored organizations, the Secretary shall consult with interested parties and shall take into account—

''(i) the delivery system assets of such an organization and ability of such an organization to provide services directly to enrollees through affiliated providers, and

''(ii) alternative means of protecting against insolvency, including reinsurance, unrestricted surplus, letters of credit, guarantees, organizational insurance coverage, partnerships with other licensed entities, and valuation attributable to the ability of such an organization to meet its service obligations through direct delivery of care.

''(C) ENROLLEE PROTECTION AGAINST INSOLVENCY.—Such standards shall include provisions to prevent enrollees from being held liable to any person or entity for the MedicarePlus

organization's debts in the event of the organization's insolvency.

''(2) PUBLICATION OF NOTICE.—In carrying out the rulemaking process under this subsection, the Secretary, after consultation with the National Association of Insurance Commissioners, the American Academy of Actuaries, organizations representative of medicare beneficiaries, and other interested parties, shall publish the notice provided for under section 564(a) of title 5, United States Code, by not later than 45 days after the date of the enactment of this section.

''(3) TARGET DATE FOR PUBLICATION OF RULE.—As part of the notice under paragraph (2), and for purposes of this subsection, the 'target date for publication' (referred to in section 564(a)(5) of such title) shall be April 1, 1998.

''(4) ABBREVIATED PERIOD FOR SUBMISSION OF COMMENTS.—In applying section 564(c) of such title under this subsection, '15 days' shall be substituted for '30 days'.

''(5) APPOINTMENT OF NEGOTIATED RULEMAKING COMMITTEE AND FACILITATOR.—The Secretary shall provide for—

"(A) the appointment of a negotiated rulemaking committee under section 565(a) of such title by not later than 30 days after the end of the comment period provided for under section 564(c) of such title (as shortened under paragraph (4)), and

"(B) the nomination of a facilitator under section 566(c) of such title by not later than 10 days after the date of appointment of the committee.

"(6) PRELIMINARY COMMITTEE REPORT.—The negotiated rulemaking committee appointed under paragraph (5) shall report to the Secretary, by not later than January 1, 1998, regarding the committee's progress on achieving a consensus with regard to the rulemaking proceeding and whether such consensus is likely to occur before one month before the target date for publication of the rule. If the committee reports that the committee has failed to make significant progress towards such consensus or is unlikely to reach such consensus by the target date, the Secretary may terminate such process and provide for the publication of a rule under this subsection through such other methods as the Secretary may provide.

''(7) FINAL COMMITTEE REPORT.—If the committee is not terminated under paragraph (6), the rulemaking committee shall submit a report containing a proposed rule by not later than one month before the target date of publication.

''(8) INTERIM, FINAL EFFECT.—The Secretary shall publish a rule under this subsection in the Federal Register by not later than the target date of publication. Such rule shall be effective and final immediately on an interim basis, but is subject to change and revision after public notice and opportunity for a period (of not less than 60 days) for public comment. In connection with such rule, the Secretary shall specify the process for the timely review and approval of applications of entities to be certified as provider-sponsored organizations pursuant to such rules and consistent with this subsection.

''(9) PUBLICATION OF RULE AFTER PUBLIC COMMENT.—The Secretary shall provide for consideration of such comments and republication of such rule by not later than 1 year after the target date of publication.

''(b) ESTABLISHMENT OF OTHER STANDARDS.—

''(1) IN GENERAL.—The Secretary shall establish by regulation other standards (not described in

subsection (a)) for MedicarePlus organizations and plans consistent with, and to carry out, this part.

''(2) USE OF CURRENT STANDARDS.—Consistent with the requirements of this part, standards established under this subsection shall be based on standards established under section 1876 to carry out analogous provisions of such section. The Secretary shall also consider State model and other standards relating to consumer protection and assuring quality of care.

''(3) USE OF INTERIM STANDARDS.—For the period in which this part is in effect and standards are being developed and established under the preceding provisions of this subsection, the Secretary shall provide by not later than June 1, 1998, for the application of such interim standards (without regard to any requirements for notice and public comment) as may be appropriate to provide for the expedited implementation of this part. Such interim standards shall not apply after the date standards are established under the preceding provisions of this subsection.

''(4) APPLICATION OF NEW STANDARDS TO ENTITIES WITH A CONTRACT.—In the case of a MedicarePlus organization with a contract in effect

under this part at the time standards applicable to the organization under this section are changed, the organization may elect not to have such changes apply to the organization until the end of the current contract year (or, if there is less than 6 months remaining in the contract year, until 1 year after the end of the current contract year).

''(5) RELATION TO STATE LAWS.—Subject to section 1852(m), the standards established under this subsection shall supersede any State law or regulation with respect to MedicarePlus plans which are offered by MedicarePlus organizations under this part to the extent such law or regulation is inconsistent with such standards. The previous sentence shall not be construed as superseding a State law or regulation that is not related to solvency, that is applied on a uniform basis and is generally applicable to other entities engaged in substantially similar business, and that provides consumer protections in addition to, or more stringent than, those provided under the standards under this subsection.

''CONTRACTS WITH MEDICAREPLUS ORGANIZATIONS

''SEC. 1857. (a) IN GENERAL.—The Secretary shall not permit the election under section 1851 of a MedicarePlus plan offered by a MedicarePlus organization under this part, and no payment shall be made under sec-

tion 1853 to an organization, unless the Secretary has entered into a contract under this section with the organization with respect to the offering of such plan. Such a contract with an organization may cover more than one MedicarePlus plan. Such contract shall provide that the organization agrees to comply with the applicable requirements and standards of this part and the terms and conditions of payment as provided for in this part.

''(b) MINIMUM ENROLLMENT REQUIREMENTS.—

''(1) IN GENERAL.—Subject to paragraphs (2) and (3), the Secretary may not enter into a contract under this section with a MedicarePlus organization unless the organization has at least 5,000 individuals (or 1,500 individuals in the case of an organization that is a provider-sponsored organization) who are receiving health benefits through the organization, except that the standards under section 1856 may permit the organization to have a lesser number of beneficiaries (but not less than 500 in the case of an organization that is a provider-sponsored organization) if the organization primarily serves individuals residing outside of urbanized areas.

''(2) EXCEPTION FOR MSA PLAN.—Paragraph (1) shall not apply with respect to a contract that relates only to an MSA plan.

''(3) ALLOWING TRANSITION.—The Secretary may waive the requirement of paragraph (1) during the first 3 contract years with respect to an organization.

''(c) CONTRACT PERIOD AND EFFECTIVENESS.—

''(1) PERIOD.—Each contract under this section shall be for a term of at least one year, as determined by the Secretary, and may be made automatically renewable from term to term in the absence of notice by either party of intention to terminate at the end of the current term.

''(2) TERMINATION AUTHORITY.—In accordance with procedures established under subsection (h), the Secretary may at any time terminate any such contract or may impose the intermediate sanctions described in an applicable paragraph of subsection (g)(3) on the MedicarePlus organization if the Secretary determines that the organization—

''(A) has failed substantially to carry out the contract;

''(B) is carrying out the contract in a manner inconsistent with the efficient and effective administration of this part; or

''(C) no longer substantially meets the applicable conditions of this part.

''(3) EFFECTIVE DATE OF CONTRACTS.—The effective date of any contract executed pursuant to this section shall be specified in the contract, except that in no case shall a contract under this section which provides for coverage under an MSA plan be effective before January 1998 with respect to such coverage.

''(4) PREVIOUS TERMINATIONS.—The Secretary may not enter into a contract with a MedicarePlus organization if a previous contract with that organization under this section was terminated at the request of the organization within the preceding five-year period, except in circumstances which warrant special consideration, as determined by the Secretary.

''(5) CONTRACTING AUTHORITY.—The authority vested in the Secretary by this part may be performed without regard to such provisions of law or regulations relating to the making, performance, amendment, or modification of contracts of the United States as the Secretary may determine to be inconsistent with the furtherance of the purpose of this title.

''(d) PROTECTIONS AGAINST FRAUD AND BENEFICIARY PROTECTIONS.—

''(1) INSPECTION AND AUDIT.—Each contract under this section shall provide that the Secretary, or any person or organization designated by the Secretary—

''(A) shall have the right to inspect or otherwise evaluate (i) the quality, appropriateness, and timeliness of services performed under the contract and (ii) the facilities of the organization when there is reasonable evidence of some need for such inspection, and

Such amount takes into account changes in law

SEC. 4413. PROSPECTIVE PAYMENT SYSTEM FOR HOSPITAL OUTPATIENT DEPARTMENT SERVICES.

(a) IN GENERAL.—Section 1833 (42 U.S.C. 1395l) is amended by adding at the end the following:

''(t) PROSPECTIVE PAYMENT SYSTEM FOR HOSPITAL OUTPATIENT DEPARTMENT SERVICES.—

''(1) IN GENERAL.—With respect to hospital outpatient services designated by the Secretary (in this section referred to as 'covered OPD services') and furnished during a year beginning with 1999, the amount of payment under this part shall be determined under a prospective payment system established by the Secretary in accordance with this subsection.

''(2) SYSTEM REQUIREMENTS.—Under the payment system—

''(A) the Secretary shall develop a classification system for covered OPD services;

''(B) the Secretary may establish groups of covered OPD services, within the classification system described in subparagraph (A), so that services classified within each group are comparable clinically and with respect to the use of resources;

''(C) the Secretary shall, using data on claims from 1996 and using data from the most recent available cost reports, establish relative payment weights for covered OPD services (and any groups of such services described in sub-

paragraph (B)) based on median hospital costs and shall determine projections of the frequency of utilization of each such service (or group of services) in 1999;

''(D) the Secretary shall determine a wage adjustment factor to adjust the portion of payment and coinsurance attributable to labor-related costs for relative differences in labor and labor-related costs across geographic regions in a budget neutral manner;

''(E) the Secretary shall establish other adjustments, in a budget neutral manner, as determined to be necessary to ensure equitable payments, such as outlier adjustments, adjustments to account for variations in coinsurance payments for procedures with similar resource costs, or adjustments for certain classes of hospitals; and

''(F) the Secretary shall develop a method for controlling unnecessary increases in the volume of covered OPD services.

''(3) CALCULATION OF BASE AMOUNTS.—

''(A) AGGREGATE AMOUNTS THAT WOULD BE PAYABLE IF DEDUCTIBLES WERE DISREGARDED.—The Secretary shall estimate the

total amounts that would be payable from the Trust Fund under this part for covered OPD services in 1999, determined without regard to this subsection, as though the deductible under section 1833(b) did not apply, and as though the coinsurance described in section 1866(a)(2)(A)(ii) (as in effect before the date of the enactment of this subsection) continued to apply.

''(B) UNADJUSTED COPAYMENT AMOUNT.—

''(i) IN GENERAL.—For purposes of this subsection, subject to clause (ii), the 'unadjusted copayment amount' applicable to a covered OPD service (or group of such services) is 20 percent of national median of the charges for the service (or services within the group) furnished during 1996, updated to 1999 using the Secretary's estimate of charge growth during the period.

''(ii) ADJUSTED TO BE 20 PERCENT WHEN FULLY PHASED IN.—If the pre-deductible payment percentage for a covered OPD service (or group of such services) furnished in a year would be equal to or

exceed 80 percent, then the unadjusted copayment amount shall be 25 percent of amount determined under subparagraph (D)(i).

"(iii) RULES FOR NEW SERVICES.—The Secretary shall establish rules for establishment of an unadjusted copayment amount for a covered OPD service not furnished during 1996, based upon its classification within a group of such services.

"(C) CALCULATION OF CONVERSION FACTORS.—

"(I) IN GENERAL.—The Secretary shall establish a 1999 conversion factor for determining the medicare pre-deductible OPD fee payment amounts for each covered OPD service (or group of such services) furnished in 1999. Such conversion factor shall be established on the basis of the weights and frequencies described in paragraph (2)(C) and in a manner such that the sum for all services and groups of the products (described in subclause (II) for each such service or

group) equals the total projected amount described in subparagraph (A).

''(II) PRODUCT DESCRIBED.—The product described in this subclause, for a service or group, is the product of the medicare pre-deductible OPD fee payment amounts (taking into account appropriate adjustments described in paragraphs (2)(D) and (2)(E)) and the frequencies for such service or group.

''(ii) SUBSEQUENT YEARS.—Subject to paragraph (8)(B), the Secretary shall establish a conversion factor for covered OPD services furnished in subsequent years in an amount equal to the conversion factor established under this subparagraph and applicable to such services furnished in the previous year increased by the OPD payment increase factor specified under clause (iii) for the year involved.

''(iii) OPD PAYMENT INCREASE FACTOR.—For purposes of this subparagraph, the 'OPD payment increase factor' for

services furnished in a year is equal to the sum of—

"(I) market basket percentage increase (applicable under section 1886(b)(3)(B)(iii) to hospital discharges occurring during the fiscal year ending in such year, and

"(II) in the case of a covered OPD service (or group of such services) furnished in a year in which the pre-deductible payment percentage would not exceed 80 percent, 3.5 percentage points, but in no case greater than such number of percentage points as will result in the pre-deductible payment percentage exceeding 80 percent.

In applying the previous sentence for years beginning with 2000, the Secretary may substitute for the market basket percentage increase under subclause (I) an annual percentage increase that is computed and applied with respect to covered OPD services furnished in a year in the same manner as the market basket percentage in-

crease is determined and applied to inpatient hospital services for discharges occurring in a fiscal year.

''(D) PRE-DEDUCTIBLE PAYMENT PERCENTAGE.—The pre-deductible payment percentage for a covered OPD service (or group of such services) furnished in a year is equal to the ratio of—

''(i) the conversion factor established under subparagraph (C) for the year, multiplied by the weighting factor established under paragraph (2)(C) for the service (or group), to

''(ii) the sum of the amount determined under clause (i) and the unadjusted copayment amount determined under subparagraph (B) for such service or group.

''(E) CALCULATION OF MEDICARE OPD FEE SCHEDULE AMOUNTS.—The Secretary shall compute a medicare OPD fee schedule amount for each covered OPD service (or group of such services) furnished in a year, in an amount equal to the product of—

''(i) the conversion factor computed under subparagraph (C) for the year, and

"(ii) the relative payment weight (determined under paragraph (2)(C)) for the service or group.

"(4) MEDICARE PAYMENT AMOUNT.—The amount of payment made from the Trust Fund under this part for a covered OPD service (and such services classified within a group) furnished in a year is determined as follows:

"(A) FEE SCHEDULE AND COPAYMENT AMOUNT.—Add (i) the medicare OPD fee schedule amount (computed under paragraph (3)(E)) for the service or group and year, and (ii) the unadjusted copayment amount (determined under paragraph (3)(B)) for the service or group.

"(B) SUBTRACT APPLICABLE DEDUCTIBLE.—Reduce the adjusted sum by the amount of the deductible under section 1833(b), to the extent applicable.

"(C) APPLY PAYMENT PROPORTION TO REMAINDER.—Multiply the amount so determined under subparagraph (B) by the pre-deductible payment percentage (as determined under paragraph (3)(D)) for the service or group and year involved.

"(D) LABOR-RELATED ADJUSTMENT.—The amount of payment is the product determined under subparagraph (C) with the labor-related portion of such product adjusted for relative differences in the cost of labor and other factors determined by the Secretary, as computed under paragraph (2)(D).

"(5) COPAYMENT AMOUNT.—

"(A) IN GENERAL.—Except as provided in subparagraph (B), the copayment amount under this subsection is determined as follows:

"(i) UNADJUSTED COPAYMENT.—Compute the amount by which the amount described in paragraph (4)(B) exceeds the amount of payment determined under paragraph (4)(C).

"(ii) LABOR ADJUSTMENT.—The copayment amount is the difference determined under clause (i) with the labor-related portion of such difference adjusted for relative differences in the cost of labor and other factors determined by the Secretary, as computed under paragraphs (2)(D). The adjustment under this clause shall be made in a manner that does not result in

any change in the aggregate copayments made in any year if the adjustment had not been made.

''(B) ELECTION TO OFFER REDUCED COPAYMENT AMOUNT.—The Secretary shall establish a procedure under which a hospital, before the beginning of a year (beginning with 1999), may elect to reduce the copayment amount otherwise established under subparagraph (A) for some or all covered OPD services to an amount that is not less than 25 percent of the medicare OPD fee schedule amount (computed under paragraph (3)(E)) for the service involved, adjusted for relative differences in the cost of labor and other factors determined by the Secretary, as computed under subparagraphs (D) and (E) of paragraph (2). Under such procedures, such reduced copayment amount may not be further reduced or increased during the year involved and the hospital may disseminate information on the reduction of copayment amount effected under this subparagraph.

''(C) NO IMPACT ON DEDUCTIBLES.—Nothing in this paragraph shall be construed as

affecting a hospital's authority to waive the charging of a deductible under section 1833(b).

"(6) PERIODIC REVIEW AND ADJUSTMENTS COMPONENTS OF PROSPECTIVE PAYMENT SYSTEM.—

"(A) PERIODIC REVIEW.—The Secretary may periodically review and revise the groups, the relative payment weights, and the wage and other adjustments described in paragraph (2) to take into account changes in medical practice, changes in technology, the addition of new services, new cost data, and other relevant information and factors.

"(B) BUDGET NEUTRALITY ADJUSTMENT.—If the Secretary makes adjustments under subparagraph (A), then the adjustments for a year may not cause the estimated amount of expenditures under this part for the year to increase or decrease from the estimated amount of expenditures under this part that would have been made if the adjustments had not been made.

"(C) UPDATE FACTOR.—If the Secretary determines under methodologies described in subparagraph (2)(F) that the volume of services paid for under this subsection increased beyond

amounts established through those methodologies, the Secretary may appropriately adjust the update to the conversion factor otherwise applicable in a subsequent year.

''(7) SPECIAL RULE FOR AMBULANCE SERVICES.—The Secretary shall pay for hospital outpatient services that are ambulance services on the basis described in the matter in subsection (a)(1) preceding subparagraph (A).

''(8) SPECIAL RULES FOR CERTAIN HOSPITALS.—In the case of hospitals described in section 1886(d)(1)(B)(v)—

''(A) the system under this subsection shall not apply to covered OPD services furnished before January 1, 2000; and

''(B) the Secretary may establish a separate conversion factor for such services in a manner that specifically takes into account the unique costs incurred by such hospitals by virtue of their patient population and service intensity.

''(9) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

"(A) the development of the classification system under paragraph (2), including the establishment of groups and relative payment weights for covered OPD services, of wage adjustment factors, other adjustments, and methods described in paragraph (2)(F);

"(B) the calculation of base amounts under paragraph (3);

"(C) periodic adjustments made under paragraph (6); and

"(D) the establishment of a separate conversion factor under paragraph (8)(B).".

(b) COINSURANCE.—Section 1866(a)(2)(A)(ii) (42 U.S.C. 1395cc(a)(2)(A)(ii)) is amended by adding at the end the following: "In the case of items and services for which payment is made under part B under the prospective payment system established under section 1833(t), clause (ii) of the first sentence shall be applied by substituting for 20 percent of the reasonable charge, the applicable copayment amount established under section 1833(t)(5).".

(c) TREATMENT OF REDUCTION IN COPAYMENT AMOUNT.—Section 1128A(i)(6) (42 U.S.C. 1320a–7a(i)(6)) is amended—

(1) by striking ''or'' at the end of subparagraph (B),

(2) by striking the period at the end of subparagraph (C) and inserting ''; or'', and

SEC. 4432. DEMONSTRATION OF COVERAGE OF AMBULANCE SERVICES UNDER MEDICARE THROUGH CONTRACTS WITH UNITS OF LOCAL GOVERNMENT.

(a) DEMONSTRATION PROJECT CONTRACTS WITH LOCAL GOVERNMENTS.—The Secretary of Health and Human Services shall establish up to 3 demonstration projects under which, at the request of a county or parish, the Secretary enters into a contract with the county or parish under which—

(1) the county or parish furnishes (or arranges for the furnishing) of ambulance services for which

payment may be made under part B of title XVIII of the Social Security Act for individuals residing in the county or parish who are enrolled under such part, except that the county or parish may not enter into the contract unless the contract covers at least 80 percent of the individuals residing in the county or parish who are enrolled under such part;

(2) any individual or entity furnishing ambulance services under the contract meets the requirements otherwise applicable to individuals and entities furnishing such services under such part; and

(3) for each month during which the contract is in effect, the Secretary makes a capitated payment to the county or parish in accordance with subsection (b).

The projects may extend over a period of not to exceed 3 years each.

(b) AMOUNT OF PAYMENT.—

(1) IN GENERAL.—The amount of the monthly payment made for months occurring during a calendar year to a county or parish under a demonstration project contract under subsection (a) shall be equal to the product of—

(A) the Secretary's estimate of the number of individuals covered under the contract for the month; and

(B) 1/12 of the capitated payment rate for the year established under paragraph (2).

(2) CAPITATED PAYMENT RATE DEFINED.—In this subsection, the ''capitated payment rate'' applicable to a contract under this subsection for a calendar year is equal to 95 percent of—

(A) for the first calendar year for which the contract is in effect, the average annual per capita payment made under part B of title XVIII of the Social Security Act with respect to ambulance services furnished to such individuals during the 3 most recent calendar years for which data on the amount of such payment is available; and

(B) for a subsequent year, the amount provided under this paragraph for the previous year increased by the percentage increase in the consumer price index for all urban consumers (U.S. city average) for the 12-month period ending with June of the previous year.

(c) OTHER TERMS OF CONTRACT.—The Secretary and the county or parish may include in a contract under

this section such other terms as the parties consider appropriate, including—

(1) covering individuals residing in additional counties or parishes (under arrangements entered into between such counties or parishes and the county or parish involved);

(2) permitting the county or parish to transport individuals to non-hospital providers if such providers are able to furnish quality services at a lower cost than hospital providers; or

(3) implementing such other innovations as the county or parish may propose to improve the quality of ambulance services and control the costs of such services.

(d) CONTRACT PAYMENTS IN LIEU OF OTHER BENEFITS.—Payments under a contract to a county or parish under this section shall be instead of the amounts which (in the absence of the contract) would otherwise be payable under part B of title XVIII of the Social Security Act for the services covered under the contract which are furnished to individuals who reside in the county or parish.

(e) REPORT ON EFFECTS OF CAPITATED CONTRACTS.—

(1) STUDY.—The Secretary shall evaluate the demonstration projects conducted under this section.

CHAPTER 3—PAYMENT UNDER PARTS A AND B

SEC. 4441. PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES.

(a) IN GENERAL.—Title XVIII (42 U.S.C. 1395 et seq.), as amended by section 4011, is amended by adding at the end the following new section:

''PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES

''SEC. 1895. (a) IN GENERAL.—Notwithstanding section 1861(v), the Secretary shall provide, for cost reporting periods beginning on or after October 1, 1999, for payments for home health services in accordance with a prospective payment system established by the Secretary under this section.

''(b) SYSTEM OF PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES.—

''(1) IN GENERAL.—The Secretary shall establish under this subsection a prospective payment system for payment for all costs of home health services. Under the system under this subsection all services covered and paid on a reasonable cost basis under the medicare home health benefit as of the date of the enactment of the this section, including medical supplies, shall be paid for on the basis of a prospective payment amount determined under this subsection and applicable to the services involved. In implementing the system, the Secretary may provide for a transition (of not longer than 4 years) during which a portion of such payment is based on agency-specific costs, but only if such transition does not result in aggregate payments under this title that exceed the aggregate payments that would be made if such a transition did not occur.

''(2) UNIT OF PAYMENT.—In defining a prospective payment amount under the system under this subsection, the Secretary shall consider an appropriate unit of service and the number, type, and duration of visits provided within that unit, potential changes in the mix of services provided within that

unit and their cost, and a general system design that provides for continued access to quality services.

"(3) PAYMENT BASIS.—

"(A) INITIAL BASIS.—

"(i) IN GENERAL.—Under such system the Secretary shall provide for computation of a standard prospective payment amount (or amounts). Such amount (or amounts) shall initially be based on the most current audited cost report data available to the Secretary and shall be computed in a manner so that the total amounts payable under the system for fiscal year 2000 shall be equal to the total amount that would have been made if the system had not been in effect but if the reduction in limits described in clause (ii) had been in effect. Such amount shall be standardized in a manner that eliminates the effect of variations in relative case mix and wage levels among different home health agencies in a budget neutral manner consistent with the case mix and wage level adjustments provided under paragraph (4)(A). Under the system, the Secretary

may recognize regional differences or differences based upon whether or not the services or agency are in an urbanized area.

''(ii) REDUCTION.—The reduction described in this clause is a reduction by 15 percent in the cost limits and per beneficiary limits described in section 1861(v)(1)(L), as those limits are in effect on September 30, 1999.

''(B) ANNUAL UPDATE.—

''(i) IN GENERAL.—The standard prospective payment amount (or amounts) shall be adjusted for each fiscal year (beginning with fiscal year 2001) in a prospective manner specified by the Secretary by the home health market basket percentage increase applicable to the fiscal year involved.

''(ii) HOME HEALTH MARKET BASKET PERCENTAGE INCREASE.—For purposes of this subsection, the term 'home health market basket percentage increase' means, with respect to a fiscal year, a percentage (estimated by the Secretary before the be-

ginning of the fiscal year) determined and applied with respect to the mix of goods and services included in home health services in the same manner as the market basket percentage increase under section 1886(b)(3)(B)(iii) is determined and applied to the mix of goods and services comprising inpatient hospital services for the fiscal year.

''(C) ADJUSTMENT FOR OUTLIERS.—The Secretary shall reduce the standard prospective payment amount (or amounts) under this paragraph applicable to home health services furnished during a period by such proportion as will result in an aggregate reduction in payments for the period equal to the aggregate increase in payments resulting from the application of paragraph (5) (relating to outliers).

''(4) PAYMENT COMPUTATION.—

''(A) IN GENERAL.—The payment amount for a unit of home health services shall be the applicable standard prospective payment amount adjusted as follows:

''(i) CASE MIX ADJUSTMENT.—The amount shall be adjusted by an appro-

priate case mix adjustment factor (established under subparagraph (B)).

''(ii) AREA WAGE ADJUSTMENT.—The portion of such amount that the Secretary estimates to be attributable to wages and wage-related costs shall be adjusted for geographic differences in such costs by an area wage adjustment factor (established under subparagraph (C)) for the area in which the services are furnished or such other area as the Secretary may specify.

''(B) ESTABLISHMENT OF CASE MIX ADJUSTMENT FACTORS.—The Secretary shall establish appropriate case mix adjustment factors for home health services in a manner that explains a significant amount of the variation in cost among different units of services.

''(C) ESTABLISHMENT OF AREA WAGE ADJUSTMENT FACTORS.—The Secretary shall establish area wage adjustment factors that reflect the relative level of wages and wage-related costs applicable to the furnishing of home health services in a geographic area compared to the national average applicable level. Such

factors may be the factors used by the Secretary for purposes of section 1886(d)(3)(E).

''(5) OUTLIERS.—The Secretary may provide for an addition or adjustment to the payment amount otherwise made in the case of outliers because of unusual variations in the type or amount of medically necessary care. The total amount of the additional payments or payment adjustments made under this paragraph with respect to a fiscal year may not exceed 5 percent of the total payments projected or estimated to be made based on the prospective payment system under this subsection in that year.

''(6) PRORATION OF PROSPECTIVE PAYMENT AMOUNTS.—If a beneficiary elects to transfer to, or receive services from, another home health agency within the period covered by the prospective payment amount, the payment shall be prorated between the home health agencies involved.

''(c) REQUIREMENTS FOR PAYMENT INFORMATION.—With respect to home health services furnished on or after October 1, 1998, no claim for such a service may be paid under this title unless—

''(1) the claim has the unique identifier (provided under section 1842(r)) for the physician who

prescribed the services or made the certification described in section 1814(a)(2) or 1835(a)(2)(A); and

''(2) in the case of a service visit described in paragraph (1), (2), (3), or (4) of section 1861(m), the claim has information (coded in an appropriate manner) on the length of time of the service visit, as measured in 15 minute increments.

''(d) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

''(1) the establishment of a transition period under subsection (b)(1);

''(2) the definition and application of payment units under subsection (b)(2);

''(3) the computation of initial standard prospective payment amounts under subsection (b)(3)(A) (including the reduction described in clause (ii) of such subsection);

''(4) the adjustment for outliers under subsection (b)(3)(C);

''(5) case mix and area wage adjustments under subsection (b)(4);

''(6) any adjustments for outliers under subsection (b)(5); and

''(7) the amounts or types of exceptions or adjustments under subsection (b)(7).''.

''(ii) the customary charges with respect to such services,

or, if such services are furnished by a public provider of services, or by another provider which demonstrates to the satisfaction of the Secretary that a significant portion of its patients are low-income (and requests that payment be made under this provision), free of charge or at nominal charges to the public, the amount determined in accordance with section 1814(b)(2);''.

(B) REQUIRING PAYMENT FOR ALL ITEMS AND SERVICES TO BE MADE TO AGENCY.—

(A) GENERAL RULE.—In a health care liability action, the liability of each defendant for noneconomic damages shall be several only and shall not be joint.

(B) AMOUNT OF LIABILITY.—

(i) IN GENERAL.—Each defendant shall be liable only for the amount of noneconomic damages attributable to the defendant in direct proportion to the percentage of responsibility of the defendant (determined in accordance with paragraph (2)) for the harm to the claimant with respect to which the defendant is liable. The court shall render a separate judgment against each defendant in an amount determined pursuant to the preceding sentence.

(ii) PERCENTAGE OF RESPONSIBILITY.—For purposes of determining the amount of noneconomic damages attributable to a defendant under this section, the trier of fact shall determine the percentage of responsibility of each person responsible for the claimant's harm, whether or not such person is a party to the action.

(b) TREATMENT OF PUNITIVE DAMAGES.—

(1) GENERAL RULE.—Punitive damages may, to the extent permitted by applicable law, be awarded in a health care liability action against a defendant if the claimant establishes by clear and convinc-

(2) REQUIRED PROPORTIONALITY.—The amount of punitive damages that may be awarded in a health care liability action shall not exceed 3 times the amount of damages awarded to the claimant for economic loss, or $250,000, whichever is greater. This subsection shall be applied by the court, and application of this subsection shall not be disclosed to the jury.

(c) BIFURCATION AT REQUEST OF ANY PARTY.—

(1) IN GENERAL.—At the request of any party the trier of fact in any action that is subject to this section shall consider in a separate proceeding, held subsequent to the determination of the amount of compensatory damages, whether punitive damages are to be awarded for the harm that is the subject of the action and the amount of the award.

(2) INADMISSIBILITY OF EVIDENCE RELATIVE ONLY TO A CLAIM OF PUNITIVE DAMAGES IN A PROCEEDING CONCERNING COMPENSATORY DAMAGES.—If any party requests a separate proceeding under paragraph (1), in a proceeding to determine whether the claimant may be awarded compensatory dam-

ages, any evidence, argument, or contention that is relevant only to the claim of punitive damages, as determined by applicable law, shall be inadmissible.

(d) DRUGS AND DEVICES.—

(1)(A) Punitive damages shall not be awarded against a manufacturer or product seller of a drug or device which caused the claimant's harm where—

(i) such drug or device was subject to premarket approval by the Food and Drug Administration with respect to the safety of the formulation or performance of the aspect of such drug or device which caused the claimant's harm or the adequacy of the packaging or labeling of such drug or device, and such drug or device was approved by the Food and Drug Administration; or

(2) PACKAGING.—In a health care liability action which is alleged to relate to the adequacy of the packaging (or labeling relating to such packaging) of a drug which is required to have tamper-resistant packaging under regulations of the Secretary of Health and Human Services (including labeling regulations related to such packaging), the manufacturer of the drug shall not be held liable for punitive damages unless the drug is found by the court by clear and convincing evidence to be substantially out of compliance with such regulations.

(e) PERIODIC PAYMENTS FOR FUTURE LOSSES.—

(1) GENERAL RULE.—In any health care liability action in which the damages awarded for future economic and noneconomic loss exceed $50,000, a person shall not be required to pay such damages in a single, lump-sum payment, but shall be permitted to make such payments periodically based on when the damages are found likely to occur, with the amount and schedule of such payments determined by the court.

(2) FINALITY OF JUDGMENT.—The judgment of the court awarding periodic payments under this subsection may not, in the absence of fraud, be reopened at any time to contest, amend, or modify the schedule or amount of the payments.

(3) LUMP-SUM SETTLEMENTS.—This subsection shall not be construed to preclude a settlement providing for a single, lump-sum payment.

(f) TREATMENT OF COLLATERAL SOURCE PAYMENTS.—

(1) INTRODUCTION INTO EVIDENCE.—In any health care liability action, any defendant may introduce evidence of collateral source payments. If a defendant elects to introduce such evidence, the claimant may introduce evidence of any amount paid or contributed or reasonably likely to be paid or con-

"(ii) the total of which equals the additional amount that is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraph (B)).

"(4) Within 90 days after the beginning of each of fiscal years 1998 through 2002, each guaranty agency shall transfer a portion of each agency's required share determined under paragraph (3) to a restricted account established by the guaranty agency that is of a type selected by the guaranty agency with the approval of the Secretary. by guaranty agencies under procedures established by the Secretary.

''(6) The Secretary may take such reasonable measures, and require such information, as may be necessary to ensure that guaranty agencies comply with the requirements of this subsection. Notwithstanding any other provision of this part, if the Secretary determines that a guaranty agency is not in compliance with the requirements of this subsection, such agency may not receive any other funds under this part until the Secretary determines that such agency is in compliance.

''(7) The Secretary shall not have any authority to direct a guaranty agency to return reserve funds under subsection (g)(1)(A) during the period from the date of enactment of this subsection through September 30, 2002, and any reserve funds otherwise returned under subsection (g)(1) during such period shall be treated as amounts recalled under this subsection and shall not be available under subsection (g)(4).

''(8) For purposes of this subsection, the term 'reserve funds' when used with respect to a guaranty agency—

''(A) NONCOMPETITIVE GRANTS.—

''(i) ENTITLEMENT.—A State shall be entitled to receive from the Secretary a grant for each fiscal year specified in sub-

paragraph (H) of this paragraph for which the State is a welfare-to-work State, in an amount that does not exceed the lesser of——

"(I) 2 times the total of the expenditures by the State (excluding qualified State expenditures (as defined in section 409(a)(7)(B)(i)) and any expenditure described in subclause (I), (II), or (IV) of section 409(a)(7)(B)(iv)) during the fiscal year for activities described in subparagraph (C)(i) of this paragraph; or

"(II) the allotment of the State under clause (iii) of this subparagraph for the fiscal year.

"(ii) WELFARE-TO-WORK STATE.—A State shall be considered a welfare-to-work State for a fiscal year for purposes of this subparagraph if the Secretary, after consultation (and the sharing of any plan or amendment thereto submitted under this clause) with the Secretary of Health and Human Services and the Secretary of Housing and Urban Development, deter-

"(bb) specifies the formula to be used pursuant to clause (vi) to distribute funds in the State, and describes the process by which the formula was developed;

"(cc) contains evidence that the plan was developed in consultation and coordination with sub-State areas; and

"(dd) is approved by the agency administering the State program funded under this part.

"(II) The State has provided the Secretary with an estimate of the

amount that the State intends to expend during the fiscal year (excluding expenditures described in section 409(a)(7)(B)(iv)) for activities described in subparagraph (C)(i) of this paragraph.

''(III) The State has agreed to negotiate in good faith with the Secretary of Health and Human Services with respect to the substance of any evaluation under section 413(j), and to cooperate with the conduct of any such evaluation.

''(IV) The State is an eligible State for the fiscal year.

"(bb) may determine the amount to be distributed for the benefit of a service delivery area

in proportion to the number of adults residing in the service delivery area who are recipients of assistance under the State program funded under this part (whether in effect before or after the amendments made by section 103(a) of the Personal Responsibility and Work Opportunity Reconciliation Act first applied to the State) for at least 30 months (whether or not consecutive) relative to the number of such adults residing in the other service delivery areas in the State; and

''(7) PROVISION OF INFORMATION.—A MedicarePlus organization shall provide the Secretary with such information on the organization and each MedicarePlus plan it offers as may be re-

Such period shall be specified in a manner so that, in the case of an individual who elects a MedicarePlus plan during the period, coverage under the plan becomes effective as of the first date on which the individual may receive such coverage.

''(2) OPEN ENROLLMENT AND DISENROLLMENT OPPORTUNITIES.—Subject to paragraph (5)—

''(A) CONTINUOUS OPEN ENROLLMENT AND DISENROLLMENT THROUGH 2000.—At any time during 1998, 1999, and 2000, a MedicarePlus eligible individual may change the election under subsection (a)(1).

"(B) CONTINUOUS OPEN ENROLLMENT AND DISENROLLMENT FOR FIRST 6 MONTHS DURING 2001.—

"(B) the individual is no longer eligible to elect the plan because of a change in the indi-

vidual's place of residence or other change in circumstances (specified by the Secretary, but not including termination of the individual's enrollment on the basis described in clause (i) or (ii) of subsection (g)(3)(B));

''(C) the individual demonstrates (in accordance with guidelines established by the Secretary) that—

''(i) the organization offering the plan substantially violated a material provision of the organization's contract under this part in relation to the individual (including the failure to provide an enrollee on a timely basis medically necessary care for which benefits are available under the plan or the failure to provide such covered care in accordance with applicable quality standards); or

''(ii) the organization (or an agent or other entity acting on the organization's behalf) materially misrepresented the plan's provisions in marketing the plan to the individual; or

"(D) the individual meets such other exceptional conditions as the Secretary may provide.

"(5) SPECIAL RULES FOR MSA PLANS.—Notwithstanding the preceding provisions of this subsection, an individual—

"(1) DURING INITIAL COVERAGE ELECTION PERIOD.—An election of coverage made during the initial coverage election period under subsection (e)(1) shall take effect upon the date the individual becomes entitled to benefits under part A and enrolled under part B, except as the Secretary may provide

(consistent with section 1838) in order to prevent retroactive coverage.

''(g) GUARANTEED ISSUE AND RENEWAL.—

''(1) IN GENERAL.—Except as provided in this subsection, a MedicarePlus organization shall provide that at any time during which elections are accepted under this section with respect to a MedicarePlus plan offered by the organization, the

organization will accept without restrictions individuals who are eligible to make such election.

''(2) PRIORITY.—If the Secretary determines that a MedicarePlus organization, in relation to a MedicarePlus plan it offers, has a capacity limit and the number of MedicarePlus eligible individuals who elect the plan under this section exceeds the capacity limit, the organization may limit the election of individuals of the plan under this section but only if priority in election is provided—

''(A) first to such individuals as have elected the plan at the time of the determination, and

''(B) then to other such individuals in such a manner that does not discriminate, on a basis described in section 1852(b), among the individuals (who seek to elect the plan).

The preceding sentence shall not apply if it would result in the enrollment of enrollees substantially nonrepresentative, as determined in accordance with regulations of the Secretary, of the medicare population in the service area of the plan.

''(3) LIMITATION ON TERMINATION OF ELECTION.—

"(A) IN GENERAL.—Subject to subparagraph (B), a MedicarePlus organization may not for any reason terminate the election of any individual under this section for a MedicarePlus plan it offers.

"(B) BASIS FOR TERMINATION OF ELECTION.—A MedicarePlus organization may terminate an individual's election under this section with respect to a MedicarePlus plan it offers if—

"(i) any net monthly premiums required with respect to such plan are not paid on a timely basis (consistent with standards under section 1856 that provide for a grace period for late payment of net monthly premiums),

"(ii) the individual has engaged in disruptive behavior (as specified in such standards), or

"(iii) the plan is terminated with respect to all individuals under this part in the area in which the individual resides.

"(C) CONSEQUENCE OF TERMINATION.—

"(i) TERMINATIONS FOR CAUSE.—Any individual whose election is terminated

under clause (i) or (ii) of subparagraph (B) is deemed to have elected the medicare fee-for-service program option described in subsection (a)(1)(A).

''(ii) TERMINATION BASED ON PLAN TERMINATION OR SERVICE AREA REDUCTION.—Any individual whose election is terminated under subparagraph (B)(iii) shall have a special election period under subsection (e)(4)(A) in which to change coverage to coverage under another MedicarePlus plan. Such an individual who fails to make an election during such period is deemed to have chosen to change coverage to the medicare fee-for-service program option described in subsection (a)(1)(A).

''(D) ORGANIZATION OBLIGATION WITH RESPECT TO ELECTION FORMS.—Pursuant to a contract under section 1857, each MedicarePlus organization receiving an election form under subsection (c)(2) shall transmit to the Secretary (at such time and in such manner as the Secretary may specify) a copy of such form or such

other information respecting the election as the Secretary may specify.

''(h) APPROVAL OF MARKETING MATERIAL AND APPLICATION FORMS.—

''(1) SUBMISSION.—No marketing material or application form may be distributed by a MedicarePlus organization to (or for the use of) MedicarePlus eligible individuals unless—

''(A) at least 45 days before the date of distribution the organization has submitted the material or form to the Secretary for review, and

''(B) the Secretary has not disapproved the distribution of such material or form.

''(2) REVIEW.—The standards established under section 1856 shall include guidelines for the review of all such material or form submitted and under such guidelines the Secretary shall disapprove (or later require the correction of) such material or form if the material or form is materially inaccurate or misleading or otherwise makes a material misrepresentation.

''(3) DEEMED APPROVAL (1-STOP SHOPPING).—In the case of material or form that is submitted under paragraph (1)(A) to the Secretary or a re-

gional office of the Department of Health and Human Services and the Secretary or the office has not disapproved the distribution of marketing material or form under paragraph (1)(B) with respect to a MedicarePlus plan in an area, the Secretary is deemed not to have disapproved such distribution in all other areas covered by the plan and organization except to the extent that such material or form is specific only to an area involved.

''(4) PROHIBITION OF CERTAIN MARKETING PRACTICES.—Each MedicarePlus organization shall conform to fair marketing standards, in relation to MedicarePlus plans offered under this part, included in the standards established under section 1856. Such standards shall include a prohibition against a MedicarePlus organization (or agent of such an organization) completing any portion of any election form used to carry out elections under this section on behalf of any individual.

''(i) EFFECT OF ELECTION OF MEDICAREPLUS PLAN OPTION.—Subject to sections 1852(a)(5), 1857(f)(2), and 1857(g)—

''(1) payments under a contract with a MedicarePlus organization under section 1853(a) with respect to an individual electing a MedicarePlus

plan offered by the organization shall be instead of the amounts which (in the absence of the contract) would otherwise be payable under parts A and B for items and services furnished to the individual, and

''(2) subject to subsections (e) and (f) of section 1853, only the MedicarePlus organization shall be entitled to receive payments from the Secretary under this title for services furnished to the individual.

''BENEFITS AND BENEFICIARY PROTECTIONS

''SEC. 1852. (a) BASIC BENEFITS.—

''(1) IN GENERAL.—Except as provided in section 1859(b)(2) for MSA plans, each MedicarePlus plan shall provide to members enrolled under this part, through providers and other persons that meet the applicable requirements of this title and part A of title XI—

''(A) those items and services for which benefits are available under parts A and B to individuals residing in the area served by the plan, and

''(B) additional benefits required under section 1854(f)(1)(A).

''(2) SATISFACTION OF REQUIREMENT.—A MedicarePlus plan (other than an MSA plan) offered by a MedicarePlus organization satisfies paragraph

(1)(A), with respect to benefits for items and services furnished other than through a provider that has a contract with the organization offering the plan, if the plan provides (in addition to any cost sharing provided for under the plan) for at least the total dollar amount of payment for such items and services as would otherwise be authorized under parts A and B (including any balance billing permitted under such parts).

''(3) SUPPLEMENTAL BENEFITS.—

''(A) BENEFITS INCLUDED SUBJECT TO SECRETARY'S APPROVAL.—Each MedicarePlus organization may provide to individuals enrolled under this part, other than under an MSA plan, (without affording those individuals an option to decline the coverage) supplemental health care benefits that the Secretary may approve. The Secretary shall approve any such supplemental benefits unless the Secretary determines that including such supplemental benefits would substantially discourage enrollment by MedicarePlus eligible individuals with the organization.

''(B) AT ENROLLEES' OPTION.—A MedicarePlus organization may provide to indi-

viduals enrolled under this part, other than under an MSA plan, supplemental health care benefits that the individuals may elect, at their option, to have covered.

''(4) ORGANIZATION AS SECONDARY PAYER.—Notwithstanding any other provision of law, a MedicarePlus organization may (in the case of the provision of items and services to an individual under a MedicarePlus plan under circumstances in which payment under this title is made secondary pursuant to section 1862(b)(2)) charge or authorize the provider of such services to charge, in accordance with the charges allowed under such a law, plan, or policy—

''(A) the insurance carrier, employer, or other entity which under such law, plan, or policy is to pay for the provision of such services, or

''(B) such individual to the extent that the individual has been paid under such law, plan, or policy for such services.

''(5) NATIONAL COVERAGE DETERMINATIONS.—If there is a national coverage determination made in the period beginning on the date of an announcement under section 1853(b) and ending on the date

of the next announcement under such section and the Secretary projects that the determination will result in a significant change in the costs to a MedicarePlus organization of providing the benefits that are the subject of such national coverage determination and that such change in costs was not incorporated in the determination of the annual MedicarePlus capitation rate under section 1853 included in the announcement made at the beginning of such period—

''(A) such determination shall not apply to contracts under this part until the first contract year that begins after the end of such period, and

''(B) if such coverage determination provides for coverage of additional benefits or coverage under additional circumstances, section 1851(i) shall not apply to payment for such additional benefits or benefits provided under such additional circumstances until the first contract year that begins after the end of such period, unless otherwise required by law.

''(b) ANTIDISCRIMINATION.—

''(1) IN GENERAL.—A MedicarePlus organization may not deny, limit, or condition the coverage

''(B) when medically necessary the organization makes such benefits available and accessible 24 hours a day and 7 days a week;

"(C) the plan provides for reimbursement with respect to services which are covered under subparagraphs (A) and (B) and which are provided to such an individual other than through the organization, if—

"(i) the services were medically necessary and immediately required because of an unforeseen illness, injury, or condition, and it was not reasonable given the circumstances to obtain the services through the organization,

"(ii) the services were renal dialysis services and were provided other than through the organization because the individual was temporarily out of the plan's service area, or

"(iii) the services are maintenance care or post-stabilization care covered under the guidelines established under paragraph (2);

"(D) the organization provides access to appropriate providers, including credentialed specialists, for medically necessary treatment and services; and

"(E) coverage is provided for emergency services (as defined in paragraph (3)) without regard to prior authorization or the emergency care provider's contractual relationship with the organization.

"(2) GUIDELINES RESPECTING COORDINATION OF POST-STABILIZATION CARE.—A MedicarePlus plan shall comply with such guidelines as the Secretary may prescribe relating to promoting efficient and timely coordination of appropriate maintenance and post-stabilization care of an enrollee after the enrollee has been determined to be stable under section 1867.

"(3) DEFINITION OF EMERGENCY SERVICES.—In this subsection—

"(A) IN GENERAL.—The term 'emergency services' means, with respect to an individual enrolled with an organization, covered inpatient and outpatient services that—

"(iii) serious dysfunction of any bodily organ or part.

''(J) be evaluated on an ongoing basis as to its effectiveness;

''(K) include measures of consumer satisfaction; and

''(L) provide the Secretary with such access to information collected as may be appropriate to monitor and ensure the quality of care provided under this part.

''(4) TREATMENT OF ACCREDITATION.—The Secretary shall provide that a MedicarePlus organization is deemed to meet requirements of paragraphs (1) through (3) of this subsection and subsection (h) (relating to confidentiality and accuracy of enrollee records) if the organization is accredited (and periodically reaccredited) by a private organization under a process that the Secretary has determined assures that the organization, as a condition of accreditation, applies and enforces standards with respect to the requirements involved that are no less stringent than the standards established under section 1856 to carry out the respective requirements.

''(2) APPEALS.—An enrollee with a MedicarePlus plan of a MedicarePlus organization under this part who is dissatisfied by reason of the enrollee's failure to receive any health service to which the enrollee believes the enrollee is entitled and at no greater charge than the enrollee believes the enrollee is required to pay is entitled, if the amount in controversy is $100 or more, to a hearing

before the Secretary to the same extent as is provided in section 205(b), and in any such hearing the Secretary shall make the organization a party. If the amount in controversy is $1,000 or more, the individual or organization shall, upon notifying the other party, be entitled to judicial review of the Secretary's final decision as provided in section 205(g), and both the individual and the organization shall be entitled to be parties to that judicial review. reconsideration by the MedicarePlus organization regarding a matter described in paragraph (2). The organization shall also permit the acceptance of such requests by physicians.

''(B) ORGANIZATION PROCEDURES.—

''(i) IN GENERAL.—The MedicarePlus organization shall maintain procedures for expediting organization determinations and reconsiderations when, upon request of an enrollee, the organization determines that the application of normal time frames for making a determination (or a reconsideration involving a determination) could seriously jeopardize the life or health of the enrollee or the enrollee's ability to regain maximum function.

''(ii) TIMELY RESPONSE.—In an urgent case described in clause (i), the organization shall notify the enrollee (and the physician involved, as appropriate) of the determination (or determination on the reconsideration) as expeditiously as the enrollee's health condition requires, but not later than 72 hours (or 24 hours in the case of a reconsideration) of the time of re-

ceipt of the request for the determination or reconsideration (or receipt of the information necessary to make the determination or reconsideration), or such longer period as the Secretary may permit in specified cases.

''(h) CONFIDENTIALITY AND ACCURACY OF ENROLLEE RECORDS.—Each MedicarePlus organization shall establish procedures—

''(1) to safeguard the privacy of individually identifiable enrollee information,

''(2) to maintain accurate and timely medical records and other health information for enrollees, and

''(3) PROHIBITING INTERFERENCE WITH PROVIDER ADVICE TO ENROLLEES.—

''(A) IN GENERAL.—Subject to subparagraphs (B) and (C), a MedicarePlus organization (in relation to an individual enrolled under a MedicarePlus plan offered by the organization

under this part) shall not prohibit or otherwise restrict a covered health care professional (as defined in subparagraph (D)) from advising such an individual who is a patient of the professional about the health status of the individual or medical care or treatment for the individual's condition or disease, regardless of whether benefits for such care or treatment are provided under the plan, if the professional is acting within the lawful scope of practice.

''(B) CONSCIENCE PROTECTION.—Subparagraph (A) shall not be construed as requiring a MedicarePlus plan to provide, reimburse for, or provide coverage of a counseling or referral service if the MedicarePlus organization offering the plan—

''(i) objects to the provision of such service on moral or religious grounds; and

''(ii) in the manner and through the written instrumentalities such MedicarePlus organization deems appropriate, makes available information on its policies regarding such service to prospective enrollees before or during enrollment and to enrollees within 90 days after the

date that the organization or plan adopts a change in policy regarding such a counseling or referral service.

istered respiratory therapist, and certified respiratory therapy technician.

''(4) LIMITATIONS ON PHYSICIAN INCENTIVE PLANS.—

''(A) IN GENERAL.—No MedicarePlus organization may operate any physician incentive plan (as defined in subparagraph (B)) unless the following requirements are met:

''(i) No specific payment is made directly or indirectly under the plan to a physician or physician group as an inducement to reduce or limit medically necessary services provided with respect to a specific individual enrolled with the organization.

''(ii) If the plan places a physician or physician group at substantial financial risk (as determined by the Secretary) for services not provided by the physician or physician group, the organization—

''(I) provides stop-loss protection for the physician or group that is adequate and appropriate, based on standards developed by the Secretary that take into account the number of physicians placed at such substantial

financial risk in the group or under the plan and the number of individuals enrolled with the organization who receive services from the physician or group, and

''(II) conducts periodic surveys of both individuals enrolled and individuals previously enrolled with the organization to determine the degree of access of such individuals to services provided by the organization and satisfaction with the quality of such services.

''(iii) The organization provides the Secretary with descriptive information regarding the plan, sufficient to permit the Secretary to determine whether the plan is in compliance with the requirements of this subparagraph.

''(B) PHYSICIAN INCENTIVE PLAN DEFINED.—In this paragraph, the term 'physician incentive plan' means any compensation arrangement between a MedicarePlus organization and a physician or physician group that may directly or indirectly have the effect of re-

''(5) LIMITATION ON PROVIDER INDEMNIFICATION.—A MedicarePlus organization may not provide (directly or indirectly) for a provider (or group of providers) to indemnify the organization against any liability resulting from a civil action brought for any damage caused to an enrollee with a MedicarePlus plan of the organization under this part by the organization's denial of medically necessary care.

''(k) TREATMENT OF SERVICES FURNISHED BY CERTAIN PROVIDERS.—A physician or other entity (other than a provider of services) that does not have a contract establishing payment amounts for services furnished to an individual enrolled under this part with a MedicarePlus organization (other than under an MSA plan) shall accept as payment in full for covered services under this title that are furnished to such an individual the amounts that the physician or other entity could collect if the individual were not so enrolled. Any penalty or other provision of law that applies to such a payment with respect to an individual entitled to benefits under this title (but not enrolled

with a MedicarePlus organization under this part) also applies with respect to an individual so enrolled.

''(l) DISCLOSURE OF USE OF DSH AND TEACHING HOSPITALS.—Each MedicarePlus organization shall provide the Secretary with information on—

''(1) the extent to which the organization provides inpatient and outpatient hospital benefits under this part—

''(A) through the use of hospitals that are eligible for additional payments under section 1886(d)(5)(F)(i) (relating to so-called DSH hospitals), or

''(B) through the use of teaching hospitals that receive payments under section 1886(h); and

''(2) the extent to which differences between payment rates to different hospitals reflect the disproportionate share percentage of low-income patients and the presence of medical residency training programs in those hospitals.

''PAYMENTS TO MEDICAREPLUS ORGANIZATIONS

''SEC. 1853. (a) PAYMENTS TO ORGANIZATIONS.—

''(1) MONTHLY PAYMENTS.—

''(A) IN GENERAL.—Under a contract under section 1857 and subject to subsections (e) and (f), the Secretary shall make monthly

payments under this section in advance to each MedicarePlus organization, with respect to coverage of an individual under this part in a MedicarePlus payment area for a month, in an amount equal to 1/12 of the annual MedicarePlus capitation rate (as calculated under subsection (c)) with respect to that individual for that area, adjusted for such risk factors as age, disability status, gender, institutional status, and such other factors as the Secretary determines to be appropriate, so as to ensure actuarial equivalence. The Secretary may add to, modify, or substitute for such factors, if such changes will improve the determination of actuarial equivalence.

''(B) SPECIAL RULE FOR END-STAGE RENAL DISEASE.—The Secretary shall establish separate rates of payment to a MedicarePlus organization with respect to classes of individuals determined to have end-stage renal disease and enrolled in a MedicarePlus plan of the organization. Such rates of payment shall be actuarially equivalent to rates paid to other enrollees in the MedicarePlus payment area (or such other area as specified by the Secretary).

In accordance with regulations, the Secretary shall provide for the application of the seventh sentence of section 1881(b)(7) to payments under this section covering the provision of renal dialysis treatment in the same manner as such sentence applies to composite rate payments described in such sentence.

''(2) ADJUSTMENT TO REFLECT NUMBER OF ENROLLEES.—

''(A) IN GENERAL.—The amount of payment under this subsection may be retroactively adjusted to take into account any difference between the actual number of individuals enrolled with an organization under this part and the number of such individuals estimated to be so enrolled in determining the amount of the advance payment.

''(B) SPECIAL RULE FOR CERTAIN ENROLLEES.—

''(i) IN GENERAL.—Subject to clause (ii), the Secretary may make retroactive adjustments under subparagraph (A) to take into account individuals enrolled during the period beginning on the date on which the individual enrolls with a

MedicarePlus organization under a plan operated, sponsored, or contributed to by the individual's employer or former employer (or the employer or former employer of the individual's spouse) and ending on the date on which the individual is enrolled in the organization under this part, except that for purposes of making such retroactive adjustments under this subparagraph, such period may not exceed 90 days.

''(ii) EXCEPTION.—No adjustment may be made under clause (i) with respect to any individual who does not certify that the organization provided the individual with the information required to be disclosed under section 1852(c) at the time the individual enrolled with the organization.

''(3) ESTABLISHMENT OF RISK ADJUSTMENT FACTORS.—

''(A) REPORT.—The Secretary shall develop, and submit to Congress by not later than October 1, 1999, a report on a method of risk adjustment of payment rates under this section

that accounts for variations in per capita costs based on health status. Such report shall include an evaluation of such method by an outside, independent actuary of the actuarial soundness of the proposal.

''(B) DATA COLLECTION.—In order to carry out this paragraph, the Secretary shall require MedicarePlus organizations (and eligible organizations with risk-sharing contracts under section 1876) to submit, for periods beginning on or after January 1, 1998, data regarding inpatient hospital services and other services and other information the Secretary deems necessary.

''(C) INITIAL IMPLEMENTATION.—The Secretary shall first provide for implementation of a risk adjustment methodology that accounts for variations in per capita costs based on health status and other demographic factors for payments by no later than January 1, 2000.

''(b) ANNUAL ANNOUNCEMENT OF PAYMENT RATES.—

''(1) ANNUAL ANNOUNCEMENT.—The Secretary shall annually determine, and shall announce (in a manner intended to provide notice to interested par-

ties) not later than August 1 before the calendar year concerned—

"(A) the annual MedicarePlus capitation rate for each MedicarePlus payment area for the year, and

"(B) the risk and other factors to be used in adjusting such rates under subsection (a)(1)(A) for payments for months in that year.

"(2) ADVANCE NOTICE OF METHODOLOGICAL CHANGES.—At least 45 days before making the announcement under paragraph (1) for a year, the Secretary shall provide for notice to MedicarePlus organizations of proposed changes to be made in the methodology from the methodology and assumptions used in the previous announcement and shall provide such organizations an opportunity to comment on such proposed changes.

"(3) EXPLANATION OF ASSUMPTIONS.—In each announcement made under paragraph (1), the Secretary shall include an explanation of the assumptions and changes in methodology used in the announcement in sufficient detail so that MedicarePlus organizations can compute monthly adjusted MedicarePlus capitation rates for individuals in each

MedicarePlus payment area which is in whole or in part within the service area of such an organization.

"(c) CALCULATION OF ANNUAL MEDICAREPLUS CAPITATION RATES.—

"(1) IN GENERAL.—For purposes of this part, each annual MedicarePlus capitation rate, for a MedicarePlus payment area for a contract year consisting of a calendar year, is equal to the largest of the amounts specified in the following subparagraphs (A), (B), or (C):

"(A) BLENDED CAPITATION RATE.—The sum of—

"(i) area-specific percentage for the year (as specified under paragraph (2) for the year) of the annual area-specific MedicarePlus capitation rate for the year for the MedicarePlus payment area, as determined under paragraph (3), and

"(ii) national percentage (as specified under paragraph (2) for the year) of the input-price-adjusted annual national MedicarePlus capitation rate for the year, as determined under paragraph (4),

multiplied by the payment adjustment factors described in subparagraphs (A) and (B) of paragraph (5).

"(B) MINIMUM AMOUNT.—12 multiplied by the following amount:

"(i) For 1998, $350 (but not to exceed, in the case of an area outside the 50 States and the District of Columbia, 150 percent of the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the area).

"(ii) For a succeeding year, the minimum amount specified in this clause (or clause (i)) for the preceding year increased by the national per capita MedicarePlus growth percentage, specified under paragraph (6) for that succeeding year.

"(C) MINIMUM PERCENTAGE INCREASE.—

"(i) For 1998, 102 percent of the annual per capita rate of payment for 1997 determined under section 1876(a)(1)(C) for the MedicarePlus payment area.

"(ii) For a subsequent year, 102 percent of the annual MedicarePlus capitation

rate under this paragraph for the area for the previous year.

''(2) AREA-SPECIFIC AND NATIONAL PERCENTAGES.—For purposes of paragraph (1)(A)—

''(A) for 1998, the 'area-specific percentage' is 90 percent and the 'national percentage' is 10 percent,

''(B) for 1999, the 'area-specific percentage' is 80 percent and the 'national percentage' is 20 percent,

''(C) for 2000, the 'area-specific percentage' is 70 percent and the 'national percentage' is 30 percent,

''(D) for 2001, the 'area-specific percentage' is 60 percent and the 'national percentage' is 40 percent, and

''(E) for a year after 2001, the 'area-specific percentage' is 50 percent and the 'national percentage' is 50 percent.

''(3) ANNUAL AREA-SPECIFIC MEDICAREPLUS CAPITATION RATE.—For purposes of paragraph (1)(A), the annual area-specific MedicarePlus capitation rate for a MedicarePlus payment area—

''(A) for 1998 is the annual per capita rate of payment for 1997 determined under section

1876(a)(1)(C) for the area, increased by the national per capita MedicarePlus growth percentage for 1998 (as defined in paragraph (6)); or

''(B) for a subsequent year is the annual area-specific MedicarePlus capitation rate for the previous year determined under this paragraph for the area, increased by the national per capita MedicarePlus growth percentage for such subsequent year.

''(4) INPUT-PRICE-ADJUSTED ANNUAL NATIONAL MEDICAREPLUS CAPITATION RATE.—

''(A) IN GENERAL.—For purposes of paragraph (1)(A), the input-price-adjusted annual national MedicarePlus capitation rate for a MedicarePlus payment area for a year is equal to the sum, for all the types of medicare services (as classified by the Secretary), of the product (for each such type of service) of—

''(i) the national standardized annual MedicarePlus capitation rate (determined under subparagraph (B)) for the year,

''(ii) the proportion of such rate for the year which is attributable to such type of services, and

"(iii) an index that reflects (for that year and that type of services) the relative input price of such services in the area compared to the national average input price of such services.

In applying clause (iii), the Secretary shall, subject to subparagraph (C), apply those indices under this title that are used in applying (or updating) national payment rates for specific areas and localities.

"(B) NATIONAL STANDARDIZED ANNUAL MEDICAREPLUS CAPITATION RATE.—In subparagraph (A)(i), the 'national standardized annual MedicarePlus capitation rate' for a year is equal to—

"(i) the sum (for all MedicarePlus payment areas) of the product of—

"(I) the annual area-specific MedicarePlus capitation rate for that year for the area under paragraph (3), and

"(II) the average number of medicare beneficiaries residing in that area in the year, multiplied by the average of the risk factor weights used

to adjust payments under subsection (a)(1)(A) for such beneficiaries in such area; divided by

''(ii) the sum of the products described in clause (i)(II) for all areas for that year.

''(C) SPECIAL RULES FOR 1998.—In applying this paragraph for 1998—

''(i) medicare services shall be divided into 2 types of services: part A services and part B services;

''(ii) the proportions described in subparagraph (A)(ii)—

''(I) for part A services shall be the ratio (expressed as a percentage) of the national average annual per capita rate of payment for part A for 1997 to the total national average annual per capita rate of payment for parts A and B for 1997, and

''(II) for part B services shall be 100 percent minus the ratio described in subclause (I);

''(iii) for part A services, 70 percent of payments attributable to such services

shall be adjusted by the index used under section 1886(d)(3)(E) to adjust payment rates for relative hospital wage levels for hospitals located in the payment area involved;

"(iv) for part B services—

"(I) 66 percent of payments attributable to such services shall be adjusted by the index of the geographic area factors under section 1848(e) used to adjust payment rates for physicians' services furnished in the payment area, and

"(II) of the remaining 34 percent of the amount of such payments, 40 percent shall be adjusted by the index described in clause (iii); and

"(v) the index values shall be computed based only on the beneficiary population who are 65 years of age or older and who are not determined to have end stage renal disease.

The Secretary may continue to apply the rules described in this subparagraph (or similar rules) for 1999.

"(5) PAYMENT ADJUSTMENT BUDGET NEUTRALITY FACTORS.—For purposes of paragraph (1)(A)—

"(A) BLENDED RATE PAYMENT ADJUSTMENT FACTOR.—For each year, the Secretary shall compute a blended rate payment adjustment factor such that, not taking into account subparagraphs (B) and (C) of paragraph (1) and the application of the payment adjustment factor described in subparagraph (B), the aggregate of the payments that would be made under this part is equal to the aggregate payments that would have been made under this part (not taking into account such subparagraphs and such other adjustment factor) if the area-specific percentage under paragraph (1) for the year had been 100 percent and the national percentage had been 0 percent.

"(B) FLOOR-AND-MINIMUM-UPDATE PAYMENT ADJUSTMENT FACTOR.—For each year, the Secretary shall compute a floor-and-minimum-update payment adjustment factor so that, taking into account the application of the blended rate payment adjustment factor under subparagraph (A) and subparagraphs (B) and

(C) of paragraph (1) and the application of the adjustment factor under this subparagraph, the aggregate of the payments under this part shall not exceed the aggregate payments that would have been made under this part if subparagraphs (B) and (C) of paragraph (1) did not apply and if the floor-and-minimum-update payment adjustment factor under this subparagraph was 1.

''(6) NATIONAL PER CAPITA MEDICAREPLUS GROWTH PERCENTAGE DEFINED.—

''(A) IN GENERAL.—In this part, the 'national per capita MedicarePlus growth percentage' for a year is the percentage determined by the Secretary, by April 30th before the beginning of the year involved, to reflect the Secretary's estimate of the projected per capita rate of growth in expenditures under this title for an individual entitled to benefits under part A and enrolled under part B, reduced by the number of percentage points specified in subparagraph (B) for the year. Separate determinations may be made for aged enrollees, disabled enrollees, and enrollees with end-stage renal disease. Such percentage shall include an

adjustment for over or under projection in the growth percentage for previous years.

''(B) ADJUSTMENT.—The number of percentage points specified in this subparagraph is—

''(i) for 1998, 0.5 percentage points,

''(ii) for 1999, 0.5 percentage points,

''(iii) for 2000, 0.5 percentage points,

''(iv) for 2001, 0.5 percentage points,

''(v) for 2002, 0.5 percentage points, and

''(vi) for a year after 2002, 0 percentage points.

''(d) MEDICAREPLUS PAYMENT AREA DEFINED.—

''(1) IN GENERAL.—In this part, except as provided in paragraph (3), the term 'MedicarePlus payment area' means a county, or equivalent area specified by the Secretary.

''(2) RULE FOR ESRD BENEFICIARIES.—In the case of individuals who are determined to have end stage renal disease, the MedicarePlus payment area shall be a State or such other payment area as the Secretary specifies.

''(3) GEOGRAPHIC ADJUSTMENT.—

"(A) IN GENERAL.—Upon written request of the chief executive officer of a State for a contract year (beginning after 1998) made at least 7 months before the beginning of the year, the Secretary shall make a geographic adjustment to a MedicarePlus payment area in the State otherwise determined under paragraph (1)—

"(i) to a single statewide MedicarePlus payment area,

"(ii) to the metropolitan based system described in subparagraph (C), or

"(iii) to consolidating into a single MedicarePlus payment area noncontiguous counties (or equivalent areas described in paragraph (1)) within a State.

Such adjustment shall be effective for payments for months beginning with January of the year following the year in which the request is received.

"(B) BUDGET NEUTRALITY ADJUSTMENT.—In the case of a State requesting an adjustment under this paragraph, the Secretary shall adjust the payment rates otherwise established under this section for MedicarePlus pay-

ment areas in the State in a manner so that the aggregate of the payments under this section in the State shall not exceed the aggregate payments that would have been made under this section for MedicarePlus payment areas in the State in the absence of the adjustment under this paragraph.

''(C) METROPOLITAN BASED SYSTEM.—The metropolitan based system described in this subparagraph is one in which—

''(i) all the portions of each metropolitan statistical area in the State or in the case of a consolidated metropolitan statistical area, all of the portions of each primary metropolitan statistical area within the consolidated area within the State, are treated as a single MedicarePlus payment area, and

''(ii) all areas in the State that do not fall within a metropolitan statistical area are treated as a single MedicarePlus payment area.

''(D) AREAS.—In subparagraph (C), the terms 'metropolitan statistical area', 'consolidated metropolitan statistical area', and 'pri-

mary metropolitan statistical area' mean any area designated as such by the Secretary of Commerce.

''(e) SPECIAL RULES FOR INDIVIDUALS ELECTING MSA PLANS.—

''(1) IN GENERAL.—If the amount of the monthly premium for an MSA plan for a MedicarePlus payment area for a year is less than 1/12 of the annual MedicarePlus capitation rate applied under this section for the area and year involved, the Secretary shall deposit an amount equal to 100 percent of such difference in a MedicarePlus MSA established (and, if applicable, designated) by the individual under paragraph (2).

''(2) ESTABLISHMENT AND DESIGNATION OF MEDICAREPLUS MEDICAL SAVINGS ACCOUNT AS REQUIREMENT FOR PAYMENT OF CONTRIBUTION.—In the case of an individual who has elected coverage under an MSA plan, no payment shall be made under paragraph (1) on behalf of an individual for a month unless the individual—

''(A) has established before the beginning of the month (or by such other deadline as the Secretary may specify) a MedicarePlus MSA

(as defined in section 138(b)(2) of the Internal Revenue Code of 1986), and

"(B) if the individual has established more than one such MedicarePlus MSA, has designated one of such accounts as the individual's MedicarePlus MSA for purposes of this part.

Under rules under this section, such an individual may change the designation of such account under subparagraph (B) for purposes of this part.

"(3) LUMP SUM DEPOSIT OF MEDICAL SAVINGS ACCOUNT CONTRIBUTION.—In the case of an individual electing an MSA plan effective beginning with a month in a year, the amount of the contribution to the MedicarePlus MSA on behalf of the individual for that month and all successive months in the year shall be deposited during that first month. In the case of a termination of such an election as of a month before the end of a year, the Secretary shall provide for a procedure for the recovery of deposits attributable to the remaining months in the year.

"(f) PAYMENTS FROM TRUST FUND.—The payment to a MedicarePlus organization under this section for individuals enrolled under this part with the organization and payments to a MedicarePlus MSA under subsection (e)(1) shall be made from the Federal Hospital Insurance Trust

Fund and the Federal Supplementary Medical Insurance Trust Fund in such proportion as the Secretary determines reflects the relative weight that benefits under part A and under part B represents of the actuarial value of the total benefits under this title. Monthly payments otherwise payable under this section for October 2001 shall be paid on the last business day of September 2001.

''(g) SPECIAL RULE FOR CERTAIN INPATIENT HOSPITAL STAYS.—In the case of an individual who is receiving inpatient hospital services from a subsection (d) hospital (as defined in section 1886(d)(1)(B)) as of the effective date of the individual's—

''(1) election under this part of a MedicarePlus plan offered by a MedicarePlus organization—

''(A) payment for such services until the date of the individual's discharge shall be made under this title through the MedicarePlus plan or the medicare fee-for-service program option described in section 1851(a)(1)(A) (as the case may be) elected before the election with such organization,

''(B) the elected organization shall not be financially responsible for payment for such services until the date after the date of the individual's discharge, and

''(C) the organization shall nonetheless be paid the full amount otherwise payable to the organization under this part; or

''(2) termination of election with respect to a MedicarePlus organization under this part—

''(A) the organization shall be financially responsible for payment for such services after such date and until the date of the individual's discharge,

''(B) payment for such services during the stay shall not be made under section 1886(d) or by any succeeding MedicarePlus organization, and

''(C) the terminated organization shall not receive any payment with respect to the individual under this part during the period the individual is not enrolled.

''PREMIUMS

''SEC. 1854. (a) SUBMISSION AND CHARGING OF PREMIUMS.—

''(1) IN GENERAL.—Subject to paragraph (3), each MedicarePlus organization shall file with the Secretary each year, in a form and manner and at a time specified by the Secretary—

''(A) the amount of the monthly premium for coverage for services under section 1852(a)

under each MedicarePlus plan it offers under this part in each MedicarePlus payment area (as defined in section 1853(d)) in which the plan is being offered; and

''(B) the enrollment capacity in relation to the plan in each such area.

''(2) TERMINOLOGY.—In this part—

''(A) the term 'monthly premium' means, with respect to a MedicarePlus plan offered by a MedicarePlus organization, the monthly premium filed under paragraph (1), not taking into account the amount of any payment made toward the premium under section 1853; and

''(B) the term 'net monthly premium' means, with respect to such a plan and an individual enrolled with the plan, the premium (as defined in subparagraph (A)) for the plan reduced by the amount of payment made toward such premium under section 1853.

''(b) MONTHLY PREMIUM CHARGED.—The monthly amount of the premium charged by a MedicarePlus organization for a MedicarePlus plan offered in a MedicarePlus payment area to an individual under this part shall be equal to the net monthly premium plus any

monthly premium charged in accordance with subsection (e)(2) for supplemental benefits.

''(c) UNIFORM PREMIUM.—The monthly premium and monthly amount charged under subsection (b) of a MedicarePlus organization under this part may not vary among individuals who reside in the same MedicarePlus payment area.

''(d) TERMS AND CONDITIONS OF IMPOSING PREMIUMS.—Each MedicarePlus organization shall permit the payment of net monthly premiums on a monthly basis and may terminate election of individuals for a MedicarePlus plan for failure to make premium payments only in accordance with section 1851(g)(3)(B)(i). A MedicarePlus organization is not authorized to provide for cash or other monetary rebates as an inducement for enrollment or otherwise.

''(e) LIMITATION ON ENROLLEE COST-SHARING.—

''(1) FOR BASIC AND ADDITIONAL BENEFITS.—Except as provided in paragraph (2), in no event may—

''(A) the net monthly premium (multiplied by 12) and the actuarial value of the deductibles, coinsurance, and copayments applicable on average to individuals enrolled under this part with a MedicarePlus plan of an orga-

nization with respect to required benefits described in section 1852(a)(1) and additional benefits (if any) required under subsection (f)(1) for a year, exceed

"(B) the actuarial value of the deductibles, coinsurance, and copayments that would be applicable on average to individuals entitled to benefits under part A and enrolled under part B if they were not members of a MedicarePlus organization for the year.

"(2) FOR SUPPLEMENTAL BENEFITS.—If the MedicarePlus organization provides to its members enrolled under this part supplemental benefits described in section 1852(a)(3), the sum of the monthly premium rate (multiplied by 12) charged for such supplemental benefits and the actuarial value of its deductibles, coinsurance, and copayments charged with respect to such benefits may not exceed the adjusted community rate for such benefits (as defined in subsection (f)(4)).

"(3) EXCEPTION FOR MSA PLANS.—Paragraphs (1) and (2) do not apply to an MSA plan.

"(4) DETERMINATION ON OTHER BASIS.—If the Secretary determines that adequate data are not available to determine the actuarial value under

paragraph (1)(A) or (2), the Secretary may determine such amount with respect to all individuals in the MedicarePlus payment area, the State, or in the United States, eligible to enroll in the MedicarePlus plan involved under this part or on the basis of other appropriate data.

''(f) REQUIREMENT FOR ADDITIONAL BENEFITS.—

''(1) REQUIREMENT.—

''(A) IN GENERAL.—Each MedicarePlus organization (in relation to a MedicarePlus plan it offers) shall provide that if there is an excess amount (as defined in subparagraph (B)) for the plan for a contract year, subject to the succeeding provisions of this subsection, the organization shall provide to individuals such additional benefits (as the organization may specify) in a value which is at least equal to the adjusted excess amount (as defined in subparagraph (C)).

''(B) EXCESS AMOUNT.—For purposes of this paragraph, the 'excess amount', for an organization for a plan, is the amount (if any) by which—

''(i) the average of the capitation payments made to the organization under sec-

tion 1853 for the plan at the beginning of contract year, exceeds

"(ii) the actuarial value of the required benefits described in section 1852(a)(1) under the plan for individuals under this part, as determined based upon an adjusted community rate described in paragraph (4) (as reduced for the actuarial value of the coinsurance and deductibles under parts A and B).

"(C) ADJUSTED EXCESS AMOUNT.—For purposes of this paragraph, the 'adjusted excess amount', for an organization for a plan, is the excess amount reduced to reflect any amount withheld and reserved for the organization for the year under paragraph (2).

"(D) NO APPLICATION TO MSA PLANS.—Subparagraph (A) shall not apply to an MSA plan.

"(E) UNIFORM APPLICATION.—This paragraph shall be applied uniformly for all enrollees for a plan in a MedicarePlus payment area.

"(F) CONSTRUCTION.—Nothing in this subsection shall be construed as preventing a MedicarePlus organization from providing

health care benefits that are in addition to the benefits otherwise required to be provided under this paragraph and from imposing a premium for such additional benefits.

''(2) STABILIZATION FUND.—A MedicarePlus organization may provide that a part of the value of an excess amount described in paragraph (1) be withheld and reserved in the Federal Hospital Insurance Trust Fund and in the Federal Supplementary Medical Insurance Trust Fund (in such proportions as the Secretary determines to be appropriate) by the Secretary for subsequent annual contract periods, to the extent required to stabilize and prevent undue fluctuations in the additional benefits offered in those subsequent periods by the organization in accordance with such paragraph. Any of such value of the amount reserved which is not provided as additional benefits described in paragraph (1)(A) to individuals electing the MedicarePlus plan of the organization in accordance with such paragraph prior to the end of such periods, shall revert for the use of such trust funds.

''(3) DETERMINATION BASED ON INSUFFICIENT DATA.—For purposes of this subsection, if the Secretary finds that there is insufficient enrollment ex-

perience (including no enrollment experience in the case of a provider-sponsored organization) to determine an average of the capitation payments to be made under this part at the beginning of a contract period, the Secretary may determine such an average based on the enrollment experience of other contracts entered into under this part.

''(4) ADJUSTED COMMUNITY RATE.—

''(A) IN GENERAL.—For purposes of this subsection, subject to subparagraph (B), the term 'adjusted community rate' for a service or services means, at the election of a MedicarePlus organization, either—

''(i) the rate of payment for that service or services which the Secretary annually determines would apply to an individual electing a MedicarePlus plan under this part if the rate of payment were determined under a 'community rating system' (as defined in section 1302(8) of the Public Health Service Act, other than subparagraph (C)), or

''(ii) such portion of the weighted aggregate premium, which the Secretary annually estimates would apply to such an in-

dividual, as the Secretary annually estimates is attributable to that service or services,

but adjusted for differences between the utilization characteristics of the individuals electing coverage under this part and the utilization characteristics of the other enrollees with the plan (or, if the Secretary finds that adequate data are not available to adjust for those differences, the differences between the utilization characteristics of individuals selecting other MedicarePlus coverage, or MedicarePlus eligible individuals in the area, in the State, or in the United States, eligible to elect MedicarePlus coverage under this part and the utilization characteristics of the rest of the population in the area, in the State, or in the United States, respectively).

''(B) SPECIAL RULE FOR PROVIDER-SPONSORED ORGANIZATIONS.—In the case of a MedicarePlus organization that is a provider-sponsored organization, the adjusted community rate under subparagraph (A) for a MedicarePlus plan of the organization may be computed (in a manner specified by the Sec-

retary) using data in the general commercial marketplace or (during a transition period) based on the costs incurred by the organization in providing such a plan.

''(g) PERIODIC AUDITING.—The Secretary shall provide for the annual auditing of the financial records (including data relating to medicare utilization, costs, and computation of the adjusted community rate) of at least one-third of the MedicarePlus organizations offering MedicarePlus plans under this part. The Comptroller General shall monitoring auditing activities conducted under this subsection.

''(h) PROHIBITION OF STATE IMPOSITION OF PREMIUM TAXES.—No State may impose a premium tax or similar tax with respect to premiums on MedicarePlus plans or the offering of such plans.

''ORGANIZATIONAL AND FINANCIAL REQUIREMENTS FOR MEDICAREPLUS ORGANIZATIONS; PROVIDER-SPONSORED ORGANIZATIONS

''SEC. 1855. (a) ORGANIZED AND LICENSED UNDER STATE LAW.—

''(1) IN GENERAL.—Subject to paragraphs (2) and (3), a MedicarePlus organization shall be organized and licensed under State law as a risk-bearing entity eligible to offer health insurance or health

benefits coverage in each State in which it offers a MedicarePlus plan.

''(2) SPECIAL EXCEPTION FOR PROVIDER-SPONSORED ORGANIZATIONS.—

''(A) IN GENERAL.—In the case of a provider-sponsored organization that seeks to offer a MedicarePlus plan in a State, the Secretary shall waive the requirement of paragraph (1) that the organization be licensed in that State if—

''(i) the organization files an application for such waiver with the Secretary, and

''(ii) the Secretary determines, based on the application and other evidence presented to the Secretary, that any of the grounds for approval of the application described in subparagraph (B), (C), or (D) has been met.

''(B) FAILURE TO ACT ON LICENSURE APPLICATION ON A TIMELY BASIS.—A ground for approval of such a waiver application is that the State has failed to complete action on a licensing application of the organization within 90 days of the date of the State's receipt of the

completed application. No period before the date of the enactment of this section shall be included in determining such 90-day period.

"(C) DENIAL OF APPLICATION BASED ON DISCRIMINATORY TREATMENT.—A ground for approval of such a waiver application is that the State has denied such a licensing application and—

"(i) the State has imposed documentation or information requirements not related to solvency requirements that are not generally applicable to other entities engaged in substantially similar business, or

"(ii) the standards or review process imposed by the State as a condition of approval of the license imposes any material requirements, procedures, or standards (other than requirements and standards relating to solvency) to such organizations that are not generally applicable to other entities engaged in substantially similar business.

"(D) DENIAL OF APPLICATION BASED ON APPLICATION OF SOLVENCY REQUIREMENTS.—

A ground for approval of such a waiver application is that the State has denied such a licensing application based (in whole or in part) on the organization's failure to meet applicable solvency requirements and—

"(i) such requirements are not the same as the solvency standards established under section 1856(a); or

"(ii) the State has imposed as a condition of approval of the license any documentation or information requirements relating to solvency or other material requirements, procedures, or standards relating to solvency that are different from the requirements, procedures, and standards applied by the Secretary under subsection (d)(2).

For purposes of this subparagraph, the term 'solvency requirements' means requirements relating to solvency and other matters covered under the standards established under section 1856(a).

"(E) TREATMENT OF WAIVER.—In the case of a waiver granted under this paragraph for a provider-sponsored organization—

''(i) the waiver shall be effective for a 36-month period, except it may be renewed based on a subsequent application filed during the last 6 months of such period, and

''(ii) any provisions of State law which relate to the licensing of the organization and which prohibit the organization from providing coverage pursuant to a contract under this part shall be superseded.

Nothing in this subparagraph shall be construed as limiting the number of times such a waiver may be renewed.

''(F) PROMPT ACTION ON APPLICATION.—The Secretary shall grant or deny such a waiver application within 60 days after the date the Secretary determines that a substantially complete application has been filed. Nothing in this section shall be construed as preventing an organization which has had such a waiver application denied from submitting a subsequent waiver application.

''(3) EXCEPTION IF REQUIRED TO OFFER MORE THAN MEDICAREPLUS PLANS.—Paragraph (1) shall not apply to a MedicarePlus organization in a State

if the State requires the organization, as a condition of licensure, to offer any product or plan other than a MedicarePlus plan.

''(4) LICENSURE DOES NOT SUBSTITUTE FOR OR CONSTITUTE CERTIFICATION.—The fact that an organization is licensed in accordance with paragraph (1) does not deem the organization to meet other requirements imposed under this part.

''(b) PREPAID PAYMENT.—A MedicarePlus organization shall be compensated (except for premiums, deductibles, coinsurance, and copayments) for the provision of health care services to enrolled members under the contract under this part by a payment which is paid on a periodic basis without regard to the date the health care services are provided and which is fixed without regard to the frequency, extent, or kind of health care service actually provided to a member.

''(c) ASSUMPTION OF FULL FINANCIAL RISK.—The MedicarePlus organization shall assume full financial risk on a prospective basis for the provision of the health care services (except, at the election of the organization, hospice care) for which benefits are required to be provided under section 1852(a)(1), except that the organization—

''(1) may obtain insurance or make other arrangements for the cost of providing to any enrolled

member such services the aggregate value of which exceeds $5,000 in any year,

''(2) may obtain insurance or make other arrangements for the cost of such services provided to its enrolled members other than through the organization because medical necessity required their provision before they could be secured through the organization,

''(3) may obtain insurance or make other arrangements for not more than 90 percent of the amount by which its costs for any of its fiscal years exceed 115 percent of its income for such fiscal year, and

''(1) ESTABLISHMENT.—

''(A) IN GENERAL.—The Secretary shall establish, on an expedited basis and using a negotiated rulemaking process under subchapter III of chapter 5 of title 5, United States Code, standards described in section 1855(d)(1) (relating to the financial solvency and capital adequacy of the organization) that entities must meet to qualify as provider-sponsored organizations under this part.

''(B) FACTORS TO CONSIDER FOR SOLVENCY STANDARDS.—In establishing solvency standards under subparagraph (A) for provider-sponsored organizations, the Secretary shall consult with interested parties and shall take into account—

"(i) the delivery system assets of such an organization and ability of such an organization to provide services directly to enrollees through affiliated providers, and

"(ii) alternative means of protecting against insolvency, including reinsurance, unrestricted surplus, letters of credit, guarantees, organizational insurance coverage, partnerships with other licensed entities, and valuation attributable to the ability of such an organization to meet its service obligations through direct delivery of care.

"(C) ENROLLEE PROTECTION AGAINST INSOLVENCY.—Such standards shall include provisions to prevent enrollees from being held liable to any person or entity for the MedicarePlus organization's debts in the event of the organization's insolvency.

"(2) PUBLICATION OF NOTICE.—In carrying out the rulemaking process under this subsection, the Secretary, after consultation with the National Association of Insurance Commissioners, the American Academy of Actuaries, organizations representative of medicare beneficiaries, and other interested parties, shall publish the notice provided for under

ceding provisions of this subsection, the Secretary shall provide by not later than June 1, 1998, for the application of such interim standards (without regard to any requirements for notice and public comment) as may be appropriate to provide for the expedited implementation of this part. Such interim standards shall not apply after the date standards are established under the preceding provisions of this subsection.

''(4) APPLICATION OF NEW STANDARDS TO ENTITIES WITH A CONTRACT.—In the case of a MedicarePlus organization with a contract in effect under this part at the time standards applicable to the organization under this section are changed, the organization may elect not to have such changes apply to the organization until the end of the current contract year (or, if there is less than 6 months remaining in the contract year, until 1 year after the end of the current contract year).

''(5) RELATION TO STATE LAWS.—The standards established under this subsection shall supersede any State law or regulation with respect to MedicarePlus plans which are offered by MedicarePlus organizations under this part to the

extent such law or regulation is inconsistent with such standards.

''CONTRACTS WITH MEDICAREPLUS ORGANIZATIONS

''SEC. 1857. (a) IN GENERAL.—The Secretary shall not permit the election under section 1851 of a MedicarePlus plan offered by a MedicarePlus organization under this part, and no payment shall be made under section 1853 to an organization, unless the Secretary has entered into a contract under this section with the organization with respect to the offering of such plan. of an organization that is a provider-sponsored organization) if the organization primarily serves individuals residing outside of urbanized areas.

''(2) EXCEPTION FOR MSA PLAN.—Paragraph (1) shall not apply with respect to a contract that relates only to an MSA plan.

''(5) CONTRACTING AUTHORITY.—The authority vested in the Secretary by this part may be performed without regard to such provisions of law or regulations relating to the making, performance, amendment, or modification of contracts of the

''(I) any sale or exchange, or leasing of any property between the organization and a party in interest;

''(II) any furnishing for consideration of goods, services (including management services), or facilities between the organization and a party in interest, but not including salaries paid to employees for services provided in the normal course of their employment and health services provided to members by hospitals and other providers and by staff, medical group (or groups), individual practice association (or associations), or any combination thereof; and

''(III) any lending of money or other extension of credit between an organization and a party in interest.

The Secretary may require that information reported respecting an organization which controls, is controlled by, or is under common control with, another entity be in the form of a consolidated financial statement for the organization and such entity.

''(B) PARTY IN INTEREST DEFINED.—For the purposes of this paragraph, the term 'party in interest' means—

''(2) COST-SHARING IN ENROLLMENT-RELATED COSTS.—The contract with a MedicarePlus organiza-

tion shall require the payment to the Secretary for the organization's pro rata share (as determined by the Secretary) of the estimated costs to be incurred by the Secretary in carrying out section 1851 (relating to enrollment and dissemination of information). Such payments are appropriated to defray the costs described in the preceding sentence, to remain available until expended.

''(f) PROMPT PAYMENT BY MEDICAREPLUS ORGANIZATION.—

''(1) REQUIREMENT.—A contract under this part shall require a MedicarePlus organization to provide prompt payment (consistent with the provisions of sections 1816(c)(2) and 1842(c)(2)) of claims submitted for services and supplies furnished to individuals pursuant to the contract, if the services or supplies are not furnished under a contract between the organization and the provider or supplier.

''(2) SECRETARY'S OPTION TO BYPASS NONCOMPLYING ORGANIZATION.—In the case of a MedicarePlus eligible organization which the Secretary determines, after notice and opportunity for a hearing, has failed to make payments of amounts in compliance with paragraph (1), the Secretary may

provide for direct payment of the amounts owed to providers and suppliers for covered services and supplies furnished to individuals enrolled under this part under the contract. If the Secretary provides for the direct payments, the Secretary shall provide for an appropriate reduction in the amount of payments otherwise made to the organization under this part to reflect the amount of the Secretary's payments (and the Secretary's costs in making the payments).

''(g) INTERMEDIATE SANCTIONS.—

''(1) IN GENERAL.—If the Secretary determines that a MedicarePlus organization with a contract under this section—

''(i) to the Secretary under this part, or

''(ii) to an individual or to any other entity under this part;

''(F) fails to comply with the requirements of section 1852(j)(3); or

''(B) the Secretary provides the organization with reasonable notice and opportunity for

hearing (including the right to appeal an initial decision) before terminating the contract.

''(2) CIVIL MONEY PENALTIES.—The provisions of section 1128A (other than subsections (a) and (b)) shall apply to a civil money penalty under subsection (f) or under paragraph (2) or (3) of subsection (g) in the same manner as they apply to a civil money penalty or proceeding under section 1128A(a).

''(3) EXCEPTION FOR IMMINENT AND SERIOUS RISK TO HEALTH.—Paragraph (1) shall not apply if the Secretary determines that a delay in termination, resulting from compliance with the procedures specified in such paragraph prior to termination, would pose an imminent and serious risk to the health of individuals enrolled under this part with the organization.

Such amount shall be based upon payment rates established for purposes of payment under section 1854 (or, for periods before January 1, 1999, for purposes of risk-sharing contracts under section

1876) and shall be adjusted to take into account the comparative frailty of PACE enrollees and such other factors as the Secretary determines to be appropriate. Such amount under such an agreement shall be computed in a manner so that the total payment level for all PACE program eligible individuals enrolled under a program is less than the projected payment under this title for a comparable population not enrolled under a PACE program.

''(e) PACE PROGRAM AGREEMENT.—

''(1) REQUIREMENT.—

''(3) DATA COLLECTION.—

''(A) IN GENERAL.—Under a PACE program agreement, the PACE provider shall—

''(i) collect data,

''(ii) maintain, and afford the Secretary and the State administering agency access to, the records relating to the program, including pertinent financial, medical, and personnel records, and

Such a review shall include—

"(B) CONTINUING OVERSIGHT.—After the trial period, the Secretary (in cooperation with the State administering agency) shall continue to conduct such review of the operation of PACE providers and PACE programs as may be appropriate, taking into account the performance level of a provider and compliance of a provider with all significant requirements of this section and regulations.

"(B) CAUSES FOR TERMINATION.—In accordance with regulations establishing procedures for termination of PACE program agreements, the Secretary or a State administering agency may terminate a PACE program agreement with a PACE provider for, among other reasons, the fact that—

"(i) the Secretary or State administering agency determines that—

"(I) there are significant deficiencies in the quality of care provided to enrolled participants; or

"(II) the provider has failed to comply substantially with conditions for a program or provider under this section or section 1932; and

"(ii) the entity has failed to develop and successfully initiate, within 30 days of

the date of the receipt of written notice of such a determination, and continue implementation of a plan to correct the deficiencies.

''(C) TERMINATION AND TRANSITION PROCEDURES.—An entity whose PACE provider agreement is terminated under this paragraph shall implement the transition procedures required under subsection (a)(2)(C).

''(6) SECRETARY'S OVERSIGHT; ENFORCEMENT AUTHORITY.—

''(A) IN GENERAL.—Under regulations, if the Secretary determines (after consultation with the State administering agency) that a PACE provider is failing substantially to comply with the requirements of this section and regulations, the Secretary (and the State administering agency) may take any or all of the following actions:

''(i) Condition the continuation of the PACE program agreement upon timely execution of a corrective action plan.

''(ii) Withhold some or all further payments under the PACE program agreement under this section or section 1932

with respect to PACE program services furnished by such provider until the deficiencies have been corrected.

"(B) APPLICATION OF INTERMEDIATE SANCTIONS.—Under regulations, the Secretary may provide for the application against a PACE provider of remedies described in section 1857(f)(2) (or, for periods before January 1, 1999, section 1876(i)(6)(B)) or 1903(m)(5)(B) in the case of violations by the provider of the type described in section 1857(f)(1) (or 1876(i)(6)(A) for such periods) or 1903(m)(5)(A), respectively (in relation to agreements, enrollees, and requirements under this section or section 1932, respectively).

"(7) PROCEDURES FOR TERMINATION OR IMPOSITION OF SANCTIONS.—Under regulations, the provisions of section 1857(g) (or for periods before January 1, 1999, section 1876(i)(9)) shall apply to termination and sanctions respecting a PACE program agreement and PACE provider under this subsection in the same manner as they apply to a termination and sanctions with respect to a contract and a

MedicarePlus organization under part C (or for such periods an eligible organization under section 1876).

''(8) TIMELY CONSIDERATION OF APPLICATIONS FOR PACE PROGRAM PROVIDER STATUS.—In considering an application for PACE provider program status, the application shall be deemed approved unless the Secretary, within 90 days after the date of the submission of the application to the Secretary, either denies such request in writing or informs the applicant in writing with respect to any additional information that is needed in order to make a final determination with respect to the application. After the date the Secretary receives such additional information, the application shall be deemed approved unless the Secretary, within 90 days of such date, denies such request.

''(f) REGULATIONS.—

''(1) IN GENERAL.—The Secretary shall issue interim final or final regulations to carry out this section and section 1932.

''(2) USE OF PACE PROTOCOL.—

''(A) IN GENERAL.—In issuing such regulations, the Secretary shall, to the extent consistent with the provisions of this section, incorporate the requirements applied to PACE dem-

onstration waiver programs under the PACE protocol.

"(B) FLEXIBILITY.—The Secretary (in close consultation with State administering agencies) may modify or waive such provisions of the PACE protocol in order to provide for reasonable flexibility in adapting the PACE service delivery model to the needs of particular organizations (such as those in rural areas or those that may determine it appropriate to use non-staff physicians accordingly to State licensing law requirements) under this section and section 1932 where such flexibility is not inconsistent with and would not impair the essential elements, objectives, and requirements of the this section, including—

"(i) the focus on frail elderly qualifying individuals who require the level of care provided in a nursing facility;

"(ii) the delivery of comprehensive, integrated acute and long-term care services;

"(iii) the interdisciplinary team approach to care management and service delivery;

"(iv) capitated, integrated financing that allows the provider to pool payments received from public and private programs and individuals; and

"(B) CONSIDERATIONS.—In issuing such regulations, the Secretary shall—

provided under this section and under part C (or, for periods before January 1, 1999, section 1876) and section 1903(m);

"(ii) not include any requirement that conflicts with carrying out PACE programs under this section; and

"(iii) not include any requirement restricting the proportion of enrollees who are eligible for benefits under this title or title XIX.

"(g) WAIVERS OF REQUIREMENTS.—With respect to carrying out a PACE program under this section, the following requirements of this title (and regulations relating to such requirements) are waived and shall not apply:

"(4) Section 1861(i), insofar as it imposes a 3-day prior hospitalization requirement for coverage of extended care services.

''(5) Sections 1862(a)(1) and 1862(a)(9), insofar as they may prevent payment for PACE program services to individuals enrolled under PACE programs.

''(h) DEMONSTRATION PROJECT FOR FOR-PROFIT ENTITIES.—

''(e) PROSPECTIVE PAYMENT.—

''(1) PAYMENT PROVISION.—Notwithstanding any other provision of this title, subject to paragraph (7), the amount of the payment for all costs (as defined in paragraph (2)(B)) of covered skilled nursing facility services (as defined in paragraph (2)(A)) for each day of such services furnished—

''(ii) the Federal percentage of the adjusted Federal per diem rate (determined under paragraph (4)) applicable to the facility; and

''(B) after the transition period is equal to the adjusted Federal per diem rate applicable to the facility.

''(2) DEFINITIONS.—For purposes of this subsection:

''(A) COVERED SKILLED NURSING FACILITY SERVICES.—

''(i) IN GENERAL.—The term 'covered skilled nursing facility services'—

"(I) means post-hospital extended care services as defined in section 1861(i) for which benefits are provided under part A; and

"(II) includes all items and services (other than services described in clause (ii)) for which payment may be made under part B and which are furnished to an individual who is a resident of a skilled nursing facility during the period in which the individual is provided covered post-hospital extended care services.

"(ii) SERVICES EXCLUDED.—Services described in this clause are physicians' services, services described by clauses (i) through (iii) of section 1861(s)(2)(K), certified nurse-midwife services, qualified psychologist services, services of a certified registered nurse anesthetist, items and services described in subparagraphs in (F) and (O) of section 1861(s)(2), and, only with respect to services furnished during 1998, the transportation costs of electrocardiagram equipment for electro-

cardiogram tests services (HCPCS Code R0076). Services described in this clause do not include any physical, occupational, or speech-language therapy services regardless of whether or not the services are furnished by, or under the supervision of, a physician or other health care professional.

''(B) ALL COSTS.—The term 'all costs' means routine service costs, ancillary costs, and capital-related costs of covered skilled nursing facility services, but does not include costs associated with approved educational activities.

''(C) NON-FEDERAL PERCENTAGE; FEDERAL PERCENTAGE.—For—

''(i) the first cost reporting period (as defined in subparagraph (D)) of a facility, the 'non-Federal percentage' is 75 percent and the 'Federal percentage' is 25 percent;

''(ii) the next cost reporting period of such facility, the 'non-Federal percentage' is 50 percent and the 'Federal percentage' is 50 percent; and

''(iii) the subsequent cost reporting period of such facility, the 'non-Federal

percentage' is 25 percent and the 'Federal percentage' is 75 percent.

''(D) FIRST COST REPORTING PERIOD.—The term 'first cost reporting period' means, with respect to a skilled nursing facility, the first cost reporting period of the facility beginning on or after July 1, 1998.

''(E) TRANSITION PERIOD.—

''(i) IN GENERAL.—The term 'transition period' means, with respect to a skilled nursing facility, the 3 cost reporting periods of the facility beginning with the first cost reporting period.

''(ii) TREATMENT OF NEW SKILLED NURSING FACILITIES.—In the case of a skilled nursing facility that does not have a settled cost report for a cost reporting period before July 1, 1998, payment for such services shall be made under this subsection as if all services were furnished after the transition period.

''(3) DETERMINATION OF FACILITY SPECIFIC PER DIEM RATES.—The Secretary shall determine a facility-specific per diem rate for each skilled nursing facility for a cost reporting period as follows:

"(A) DETERMINING BASE PAYMENTS.—The Secretary shall determine, on a per diem basis, the total of—

"(i) the allowable costs of extended care services for the facility for cost reporting periods beginning in 1995 with appropriate adjustments (as determined by the Secretary) to non-settled cost reports, and

"(ii) an estimate of the amounts that would be payable under part B (disregarding any applicable deductibles, coinsurance and copayments) for covered skilled nursing facility services described in paragraph (2)(A)(i)(II) furnished during such period to an individual who is a resident of the facility, regardless of whether or not the payment was made to the facility or to another entity.

"(B) UPDATE TO COST REPORTING PERIOD BEFORE FIRST COST REPORTING PERIOD.—The Secretary shall update the amount determined under subparagraph (A), for each cost reporting period after the cost reporting period described in subparagraph (A)(i) and up to the cost reporting period immediately preced-

ing the first cost reporting period, by the skilled nursing facility historical trend factor.

''(C) UPDATING TO APPLICABLE COST REPORTING PERIOD.—The Secretary shall further update such amount for each cost reporting period beginning with the first cost reporting period and up to and including the cost reporting period involved by a factor equal to the skilled nursing facility market basket percentage increase.

''(4) FEDERAL PER DIEM RATE.—

''(A) DETERMINATION OF HISTORICAL PER DIEM FOR FREESTANDING FACILITIES.—For each freestanding skilled nursing facility that received payments for post-hospital extended care services during a cost reporting period beginning in fiscal year 1995 and that was subject to (and not exempted from) the per diem limits referred to in paragraph (1) or (2) of subsection (a) (and facilities described in subsection (d), if appropriate), the Secretary shall estimate, on a per diem basis for such cost reporting period, the total of—

''(i) the allowable costs of extended care services for the facility for cost report-

ing periods beginning in 1995 with appropriate adjustments (as determined by the Secretary) to non-settled cost reports, and

"(ii) an estimate of the amounts that would be payable under part B (disregarding any applicable deductibles, coinsurance and copayments) for covered skilled nursing facility services described in paragraph (2)(A)(i)(II) furnished during such period to an individual who is a resident of the facility, regardless of whether or not the payment was made to the facility or to another entity.

"(B) UPDATE TO FISCAL YEAR 1998.—The Secretary shall update the amount determined under subparagraph (A), for each cost reporting period after the cost reporting period described in subparagraph (A)(i) and up to the cost reporting period immediately preceding the first cost reporting period, by the skilled nursing facility historical trend factor for such period.

"(C) COMPUTATION OF STANDARDIZED PER DIEM RATE.—The Secretary shall stand-

ardize the amount updated under subparagraph (B) for each facility by—

"(i) adjusting for variations among facility by area in the average facility wage level per diem, and

"(ii) adjusting for variations in case mix per diem among facilities.

"(D) COMPUTATION OF WEIGHTED AVERAGE PER DIEM RATE.—The Secretary shall compute a weighted average per diem rate by computing an average of the standardized amounts computed under subparagraph (C), weighted for each facility by number of days of extended care services furnished during the cost reporting period referred to in subparagraph (A). The Secretary may compute and apply such average separately for facilities located in urban and rural areas (as defined in section 1886(d)(2)(D)).

"(E) UPDATING.—

"(i) FISCAL YEAR 1998.—For fiscal year 1998, the Secretary shall compute for each skilled nursing facility an unadjusted Federal per diem rate equal to the weighted average per diem rate computed under

subparagraph (D) and applicable to the facility increased by skilled nursing facility market basket percentage change for the fiscal year involved.

''(ii) SUBSEQUENT FISCAL YEARS.—For each subsequent fiscal year the Secretary shall compute for each skilled nursing facility an unadjusted Federal per diem rate equal to the Federal per diem rate computed under this subparagraph for the previous fiscal year and applicable to the facility increased by the skilled nursing facility market basket percentage change for the fiscal year involved.

''(F) ADJUSTMENT FOR CASE MIX CREEP.—Insofar as the Secretary determines that such adjustments under subparagraph (G)(i) for a previous fiscal year (or estimates that such adjustments for a future fiscal year) did (or are likely to) result in a change in aggregate payments under this subsection during the fiscal year that are a result of changes in the coding or classification of residents that do not reflect real changes in case mix, the Sec-

retary may adjust unadjusted Federal per diem rates for subsequent years so as to discount the effect of such coding or classification changes.

''(G) APPLICATION TO SPECIFIC FACILITIES.—The Secretary shall compute for each skilled nursing facility for each fiscal year (beginning with fiscal year 1998) an adjusted Federal per diem rate equal to the unadjusted Federal per diem rate determined under subparagraph (E), as adjusted under subparagraph (F), and as further adjusted as follows:

''(i) ADJUSTMENT FOR CASE MIX.—The Secretary shall provide for an appropriate adjustment to account for case mix. Such adjustment shall be based on a resident classification system, established by the Secretary, that accounts for the relative resource utilization of different patient types. The case mix adjustment shall be based on resident assessment data and other data that the Secretary considers appropriate.

''(ii) ADJUSTMENT FOR GEOGRAPHIC VARIATIONS IN LABOR COSTS.—The Sec-

retary shall adjust the portion of such per diem rate attributable to wages and wage-related costs for the area in which the facility is located compared to the national average of such costs using an appropriate wage index as determined by the Secretary. Such adjustment shall be done in a manner that does not result in aggregate payments under this subsection that are greater or less than those that would otherwise be made if such adjustment had not been made.

''(H) PUBLICATION OF INFORMATION ON PER DIEM RATES.—The Secretary shall provide for publication in the Federal Register, before the July 1 preceding each fiscal year (beginning with fiscal year 1999), of—

''(i) the unadjusted Federal per diem rates to be applied to days of covered skilled nursing facility services furnished during the fiscal year,

''(ii) the case mix classification system to be applied under subparagraph (G)(i) with respect to such services during the fiscal year, and

"(iii) the factors to be applied in making the area wage adjustment under subparagraph (G)(ii) with respect to such services.

"(5) SKILLED NURSING FACILITY MARKET BASKET INDEX, PERCENTAGE, AND HISTORICAL TREND FACTOR.—For purposes of this subsection:

"(A) SKILLED NURSING FACILITY MARKET BASKET INDEX.—The Secretary shall establish a skilled nursing facility market basket index that reflects changes over time in the prices of an appropriate mix of goods and services included in covered skilled nursing facility services.

"(B) SKILLED NURSING FACILITY MARKET BASKET PERCENTAGE.—The term 'skilled nursing facility market basket percentage' means, for a fiscal year or other annual period and as calculated by the Secretary, the percentage change in the skilled nursing facility market basket index (established under subparagraph (A)) from the midpoint of the prior fiscal year (or period) to the midpoint of the fiscal year (or other period) involved.

''(C) SKILLED NURSING FACILITY HISTORICAL TREND FACTOR.—The term 'skilled nursing facility historical trend factor' means, for a fiscal year or other annual period and as calculated by the Secretary, the percentage change in the skilled nursing facility routine cost index (used in applying per diem routine cost limits under subsection (a)) from the midpoint of the prior fiscal year (or period) to the midpoint of the fiscal year (or other period) involved, reduced (on an annualized basis) by 1 percentage point.

''(6) SUBMISSION OF RESIDENT ASSESSMENT DATA.—A skilled nursing facility shall provide the Secretary, in a manner and within the timeframes prescribed by the Secretary, the resident assessment data necessary to develop and implement the rates under this subsection. For purposes of meeting such requirement, a skilled nursing facility may submit the resident assessment data required under section 1819(b)(3), using the standard instrument designated by the State under section 1819(e)(5).

''(7) TRANSITION FOR MEDICARE LOW VOLUME SKILLED NURSING FACILITIES AND SWING BED HOSPITALS.—

"(A) IN GENERAL.—The Secretary shall determine an appropriate manner in which to apply this subsection to the facilities described in subparagraph (B), taking into account the purposes of this subsection, and shall provide that at the end of the transition period (as defined in paragraph (2)(E)) such facilities shall be paid only under this subsection. Payment shall not be made under this subsection to such facilities for cost reporting periods beginning before such date (not earlier than July 1, 1999) as the Secretary specifies.

"(B) FACILITIES DESCRIBED.—The facilities described in this subparagraph are—

"(i) skilled nursing facilities for which payment is made for routine service costs during a cost reporting period, ending prior to the date of the implementation of this paragraph, on the basis of prospective payments under section 1888(d), or

"(ii) facilities that have in effect an agreement described in section 1883, for which payment is made for the furnishing of extended care services on a reasonable

cost basis under section 1814(l) (as in effect on and after such date).

''(8) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

''(A) the establishment of facility specific per diem rates under paragraph (3);

''(B) the establishment of Federal per diem rates under paragraph (4), including the computation of the standardized per diem rates under paragraph (4)(C), adjustments and corrections for case mix under paragraphs (4)(F) and (4)(G)(i), and adjustments for variations in labor-related costs under paragraph (4)(G)(ii); and

''(C) the establishment of transitional amounts under paragraph (7).''.

''(10) REQUIRED CODING.—No payment may be made under part B for items and services (other than services described in paragraph (2)(A)(ii)) furnished to an individual who is a resident of a skilled nursing facility unless the claim for such payment includes a code (or codes) under a uniform coding system specified by the Secretary that identifies the items or services delivered.''.

(4) CONFORMING AMENDMENTS.—

(A) Section 1819(b)(3)(C)(i) (42 U.S.C. 1395i–3(b)(3)(C)(i)) is amended by striking ''Such'' and inserting ''Subject to the timeframes prescribed by the Secretary under section 1888(t)(6), such''.

(E) Section 1866(a)(1)(H) (42 U.S.C. 1395cc(a)(1)(H)) is amended—

(c) MEDICAL REVIEW PROCESS.—In order to ensure that medicare beneficiaries are furnished appropriate services in skilled nursing facilities, the Secretary of Health and Human Services shall establish and implement a thorough medical review process to examine the effects of the amendments made by this section on the quality of covered skilled nursing facility services furnished to medicare beneficiaries. In developing such a medical review process,

the Secretary shall place a particular emphasis on the quality of non-routine covered services and physicians' services for which payment is made under title XVIII of the Social Security Act for which payment is made under section 1848 of such Act.

(d) EFFECTIVE DATE.—The amendments made by this section are effective for cost reporting periods beginning on or after July 1, 1998; except that the amendments made by subsection (b) shall apply to items and services furnished on or after July 1, 1998.

SEC. 10402. PROSPECTIVE PAYMENT FOR INPATIENT REHABILITATION HOSPITAL SERVICES.

(a) IN GENERAL.—Section 1886 (42 U.S.C. 1395ww) is amended by adding at the end the following new subsection:

''(j) PROSPECTIVE PAYMENT FOR INPATIENT REHABILITATION SERVICES.—

''(1) PAYMENT DURING TRANSITION PERIOD.—

''(A) IN GENERAL.—Notwithstanding section 1814(b), but subject to the provisions of section 1813, the amount of the payment with respect to the operating and capital costs of inpatient hospital services of a rehabilitation hospital or a rehabilitation unit (in this subsection referred to as a 'rehabilitation facility'), in a

cost reporting period beginning on or after October 1, 2000, and before October 1, 2003, is equal to the sum of—

"(i) the TEFRA percentage (as defined in subparagraph (C)) of the amount that would have been paid under part A with respect to such costs if this subsection did not apply, and

"(ii) the prospective payment percentage (as defined in subparagraph (C)) of the product of (I) the per unit payment rate established under this subsection for the fiscal year in which the payment unit of service occurs, and (II) the number of such payment units occurring in the cost reporting period.

"(B) FULLY IMPLEMENTED SYSTEM.—Notwithstanding section 1814(b), but subject to the provisions of section 1813, the amount of the payment with respect to the operating and capital costs of inpatient hospital services of a rehabilitation facility for a payment unit in a cost reporting period beginning on or after October 1, 2003, is equal to the per unit payment rate established under this subsection for the

fiscal year in which the payment unit of service occurs.

''(C) TEFRA AND PROSPECTIVE PAYMENT PERCENTAGES SPECIFIED.—For purposes of subparagraph (A), for a cost reporting period beginning—

''(i) on or after October 1, 2000, and before October 1, 2001, the 'TEFRA percentage' is 75 percent and the 'prospective payment percentage' is 25 percent;

''(ii) on or after October 1, 2001, and before October 1, 2002, the 'TEFRA percentage' is 50 percent and the 'prospective payment percentage' is 50 percent; and

''(iii) on or after October 1, 2002, and before October 1, 2003, the 'TEFRA percentage' is 25 percent and the 'prospective payment percentage' is 75 percent.

''(D) PAYMENT UNIT.—For purposes of this subsection, the term 'payment unit' means a discharge, day of inpatient hospital services, or other unit of payment defined by the Secretary.

''(2) PATIENT CASE MIX GROUPS.—

"(A) ESTABLISHMENT.—The Secretary shall establish—

"(i) classes of patients of rehabilitation facilities (each in this subsection referred to as a 'case mix group'), based on such factors as the Secretary deems appropriate, which may include impairment, age, related prior hospitalization, comorbidities, and functional capability of the patient; and

"(ii) a method of classifying specific patients in rehabilitation facilities within these groups.

"(B) WEIGHTING FACTORS.—For each case mix group the Secretary shall assign an appropriate weighting which reflects the relative facility resources used with respect to patients classified within that group compared to patients classified within other groups.

"(C) ADJUSTMENTS FOR CASE MIX.—

"(i) IN GENERAL.—The Secretary shall from time to time adjust the classifications and weighting factors established under this paragraph as appropriate to reflect changes in treatment patterns, tech-

nology, case mix, number of payment units for which payment is made under this title, and other factors which may affect the relative use of resources. Such adjustments shall be made in a manner so that changes in aggregate payments under the classification system are a result of real changes and are not a result of changes in coding that are unrelated to real changes in case mix.

''(ii) ADJUSTMENT.—Insofar as the Secretary determines that such adjustments for a previous fiscal year (or estimates that such adjustments for a future fiscal year) did (or are likely to) result in a change in aggregate payments under the classification system during the fiscal year that are a result of changes in the coding or classification of patients that do not reflect real changes in case mix, the Secretary shall adjust the per payment unit payment rate for subsequent years so as to discount the effect of such coding or classification changes.

"(D) DATA COLLECTION.—The Secretary is authorized to require rehabilitation facilities that provide inpatient hospital services to submit such data as the Secretary deems necessary to establish and administer the prospective payment system under this subsection.

"(3) PAYMENT RATE.—

"(A) IN GENERAL.—The Secretary shall determine a prospective payment rate for each payment unit for which such rehabilitation facility is entitled to receive payment under this title. Subject to subparagraph (B), such rate for payment units occurring during a fiscal year shall be based on the average payment per payment unit under this title for inpatient operating and capital costs of rehabilitation facilities using the most recent data available (as estimated by the Secretary as of the date of establishment of the system) adjusted—

"(i) by updating such per-payment-unit amount to the fiscal year involved by the weighted average of the applicable percentage increases provided under subsection (b)(3)(B)(ii) (for cost reporting periods beginning during the fiscal year) cov-

ering the period from the midpoint of the period for such data through the midpoint of fiscal year 2000 and by an increase factor (described in subparagraph (C)) specified by the Secretary for subsequent fiscal years up to the fiscal year involved;

''(ii) by reducing such rates by a factor equal to the proportion of payments under this subsection (as estimated by the Secretary) based on prospective payment amounts which are additional payments described in paragraph (4) (relating to outlier and related payments) or paragraph (7);

''(iii) for variations among rehabilitation facilities by area under paragraph (6);

''(iv) by the weighting factors established under paragraph (2)(B); and

''(v) by such other factors as the Secretary determines are necessary to properly reflect variations in necessary costs of treatment among rehabilitation facilities.

''(B) BUDGET NEUTRAL RATES.—The Secretary shall establish the prospective payment amounts under this subsection for payment

units during fiscal years 2001 through 2004 at levels such that, in the Secretary's estimation, the amount of total payments under this subsection for such fiscal years (including any payment adjustments pursuant to paragraphs (4), (6), and (7)) shall be equal to 99 percent of the amount of payments that would have been made under this title during the fiscal years for operating and capital costs of rehabilitation facilities had this subsection not been enacted. In establishing such payment amounts, the Secretary shall consider the effects of the prospective payment system established under this subsection on the total number of payment units from rehabilitation facilities and other factors described in subparagraph (A).

''(C) INCREASE FACTOR.—For purposes of this subsection for payment units in each fiscal year (beginning with fiscal year 2001), the Secretary shall establish an increase factor. Such factor shall be based on an appropriate percentage increase in a market basket of goods and services comprising services for which payment is made under this subsection, which may be

the market basket percentage increase described in subsection (b)(3)(B)(iii).

''(4) OUTLIER AND SPECIAL PAYMENTS.—

''(A) OUTLIERS.—

''(i) IN GENERAL.—The Secretary may provide for an additional payment to a rehabilitation facility for patients in a case mix group, based upon the patient being classified as an outlier based on an unusual length of stay, costs, or other factors specified by the Secretary.

''(ii) PAYMENT BASED ON MARGINAL COST OF CARE.—The amount of such additional payment under clause (i) shall be determined by the Secretary and shall approximate the marginal cost of care beyond the cutoff point applicable under clause (i).

''(iii) TOTAL PAYMENTS.—The total amount of the additional payments made under this subparagraph for payment units in a fiscal year may not exceed 5 percent of the total payments projected or estimated to be made based on prospective payment rates for payment units in that year.

''(B) ADJUSTMENT.—The Secretary may provide for such adjustments to the payment amounts under this subsection as the Secretary deems appropriate to take into account the unique circumstances of rehabilitation facilities located in Alaska and Hawaii.

''(5) PUBLICATION.—The Secretary shall provide for publication in the Federal Register, on or before September 1 before each fiscal year (beginning with fiscal year 2001, of the classification and weighting factors for case mix groups under paragraph (2) for such fiscal year and a description of the methodology and data used in computing the prospective payment rates under this subsection for that fiscal year.

''(6) AREA WAGE ADJUSTMENT.—The Secretary shall adjust the proportion, (as estimated by the Secretary from time to time) of rehabilitation facilities' costs which are attributable to wages and wage-related costs, of the prospective payment rates computed under paragraph (3) for area differences in wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the rehabilitation facility compared to the national average wage level for such

facilities. Not later than October 1, 2001 (and at least every 36 months thereafter), the Secretary shall update the factor under the preceding sentence on the basis of a survey conducted by the Secretary (and updated as appropriate) of the wages and wage-related costs incurred in furnishing rehabilitation services. Any adjustments or updates made under this paragraph for a fiscal year shall be made in a manner that assures that the aggregated payments under this subsection in the fiscal year are not greater or less than those that would have been made in the year without such adjustment.

''(7) ADDITIONAL ADJUSTMENTS.—The Secretary may provide by regulation for—

''(A) an additional payment to take into account indirect costs of medical education and the special circumstances of hospitals that serve a significantly disproportionate number of low-income patients in a manner similar to that provided under subparagraphs (B) and (F), respectively, of subsection (d)(5); and

''(B) such other exceptions and adjustments to payment amounts under this subsection in a manner similar to that provided

under subsection (d)(5)(I) in relation to payments under subsection (d).

''(8) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

''(A) the establishment of case mix groups, of the methodology for the classification of patients within such groups, and of the appropriate weighting factors thereof under paragraph (2),

''(B) the establishment of the prospective payment rates under paragraph (3),

''(C) the establishment of outlier and special payments under paragraph (4),

''(D) the establishment of area wage adjustments under paragraph (6), and

''(E) the establishment of additional adjustments under paragraph (7).''.

(b) CONFORMING AMENDMENTS.—Section 1886(b) of such Act (42 U.S.C. 1395ww(b)) is amended—

(1) in paragraph (1), by inserting ''and other than a rehabilitation facility described in subsection (j)(1)'' after ''subsection (d)(1)(B)'', and

(2) in paragraph (3)(B)(i), by inserting ''and subsection (j)'' after ''For purposes of subsection (d)''.

(c) EFFECTIVE DATE.—The amendments made by this section shall apply to cost reporting periods beginning on or after October 1, 2000, except that the Secretary of Health and Human Services may require the submission of data under section 1886(j)(2)(D) of the Social Security Act (as added by subsection (a)) on and after the date of the enactment of this section.

SEC. 10413. PROSPECTIVE PAYMENT SYSTEM FOR HOSPITAL OUTPATIENT DEPARTMENT SERVICES.

(a) IN GENERAL.—Section 1833 (42 U.S.C. 1395l) is amended by adding at the end the following:

''(t) PROSPECTIVE PAYMENT SYSTEM FOR HOSPITAL OUTPATIENT DEPARTMENT SERVICES.—

''(1) IN GENERAL.—With respect to hospital outpatient services designated by the Secretary (in this section referred to as 'covered OPD services') and furnished during a year beginning with 1999, the amount of payment under this part shall be determined under a prospective payment system established by the Secretary in accordance with this subsection.

''(2) SYSTEM REQUIREMENTS.—Under the payment system—

''(A) the Secretary shall develop a classification system for covered OPD services;

''(B) the Secretary may establish groups of covered OPD services, within the classification system described in subparagraph (A), so that services classified within each group are comparable clinically and with respect to the use of resources;

''(C) the Secretary shall, using data on claims from 1996 and using data from the most

recent available cost reports, establish relative payment weights for covered OPD services (and any groups of such services described in subparagraph (B)) based on median hospital costs and shall determine projections of the frequency of utilization of each such service (or group of services) in 1999;

''(D) the Secretary shall determine a wage adjustment factor to adjust the portion of payment and coinsurance attributable to labor-related costs for relative differences in labor and labor-related costs across geographic regions in a budget neutral manner;

''(E) the Secretary shall establish other adjustments, in a budget neutral manner, as determined to be necessary to ensure equitable payments, such as outlier adjustments, adjustments to account for variations in coinsurance payments for procedures with similar resource costs, or adjustments for certain classes of hospitals; and

''(F) the Secretary shall develop a method for controlling unnecessary increases in the volume of covered OPD services.

''(3) CALCULATION OF BASE AMOUNTS.—

"(A) AGGREGATE AMOUNTS THAT WOULD BE PAYABLE IF DEDUCTIBLES WERE DISREGARDED.—The Secretary shall estimate the total amounts that would be payable from the Trust Fund under this part for covered OPD services in 1999, determined without regard to this subsection, as though the deductible under section 1833(b) did not apply, and as though the coinsurance described in section 1866(a)(2)(A)(ii) (as in effect before the date of the enactment of this subsection) continued to apply.

"(B) UNADJUSTED COPAYMENT AMOUNT.—

"(i) IN GENERAL.—For purposes of this subsection, subject to clause (ii), the 'unadjusted copayment amount' applicable to a covered OPD service (or group of such services) is 20 percent of national median of the charges for the service (or services within the group) furnished during 1996, updated to 1999 using the Secretary's estimate of charge growth during the period.

"(ii) ADJUSTED TO BE 20 PERCENT WHEN FULLY PHASED IN.—If the pre-de-

ductible payment percentage for a covered OPD service (or group of such services) furnished in a year would be equal to or exceed 80 percent, then the unadjusted copayment amount shall be 25 percent of amount determined under subparagraph (D)(i).

''(iii) RULES FOR NEW SERVICES.—The Secretary shall establish rules for establishment of an unadjusted copayment amount for a covered OPD service not furnished during 1996, based upon its classification within a group of such services.

''(C) CALCULATION OF CONVERSION FACTORS.—

''(i) FOR 1999.—

''(I) IN GENERAL.—The Secretary shall establish a 1999 conversion factor for determining the medicare pre-deductible OPD fee payment amounts for each covered OPD service (or group of such services) furnished in 1999. Such conversion factor shall be established on the basis of the weights and frequencies described

in paragraph (2)(C) and in a manner such that the sum for all services and groups of the products (described in subclause (II) for each such service or group) equals the total projected amount described in subparagraph (A).

''(II) PRODUCT DESCRIBED.—The product described in this subclause, for a service or group, is the product of the medicare pre-deductible OPD fee payment amounts (taking into account appropriate adjustments described in paragraphs (2)(D) and (2)(E)) and the frequencies for such service or group.

''(ii) SUBSEQUENT YEARS.—Subject to paragraph (8)(B), the Secretary shall establish a conversion factor for covered OPD services furnished in subsequent years in an amount equal to the conversion factor established under this subparagraph and applicable to such services furnished in the previous year increased by the OPD payment increase factor specified under clause (iii) for the year involved.

"(iii) OPD PAYMENT INCREASE FACTOR.—For purposes of this subparagraph, the 'OPD payment increase factor' for services furnished in a year is equal to the sum of—

"(I) market basket percentage increase (applicable under section 1886(b)(3)(B)(iii) to hospital discharges occurring during the fiscal year ending in such year, and

"(II) in the case of a covered OPD service (or group of such services) furnished in a year in which the pre-deductible payment percentage would not exceed 80 percent, 3.5 percentage points, but in no case greater than such number of percentage points as will result in the pre-deductible payment percentage exceeding 80 percent.

In applying the previous sentence for years beginning with 2000, the Secretary may substitute for the market basket percentage increase under subclause (I) an annual percentage increase that is computed and

applied with respect to covered OPD services furnished in a year in the same manner as the market basket percentage increase is determined and applied to inpatient hospital services for discharges occurring in a fiscal year.

''(D) PRE-DEDUCTIBLE PAYMENT PERCENTAGE.—The pre-deductible payment percentage for a covered OPD service (or group of such services) furnished in a year is equal to the ratio of—

''(i) the conversion factor established under subparagraph (C) for the year, multiplied by the weighting factor established under paragraph (2)(C) for the service (or group), to

''(ii) the sum of the amount determined under clause (i) and the unadjusted copayment amount determined under subparagraph (B) for such service or group.

''(E) CALCULATION OF MEDICARE OPD FEE SCHEDULE AMOUNTS.—The Secretary shall compute a medicare OPD fee schedule amount for each covered OPD service (or group

of such services) furnished in a year, in an amount equal to the product of—

"(i) the conversion factor computed under subparagraph (C) for the year, and

"(ii) the relative payment weight (determined under paragraph (2)(C)) for the service or group.

"(4) MEDICARE PAYMENT AMOUNT.—The amount of payment made from the Trust Fund under this part for a covered OPD service (and such services classified within a group) furnished in a year is determined as follows:

"(A) FEE SCHEDULE AND COPAYMENT AMOUNT.—Add (i) the medicare OPD fee schedule amount (computed under paragraph (3)(E)) for the service or group and year, and (ii) the unadjusted copayment amount (determined under paragraph (3)(B)) for the service or group.

"(B) SUBTRACT APPLICABLE DEDUCTIBLE.—Reduce the sum determined under subparagraph (A) by the amount of the deductible under section 1833(b), to the extent applicable.

"(C) APPLY PAYMENT PROPORTION TO REMAINDER.—Multiply the amount so determined

under subparagraph (B) by the pre-deductible payment percentage (as determined under paragraph (3)(D)) for the service or group and year involved.

''(D) LABOR-RELATED ADJUSTMENT.—The amount of payment is the product determined under subparagraph (C) with the labor-related portion of such product adjusted for relative differences in the cost of labor and other factors determined by the Secretary, as computed under paragraph (2)(D).

''(5) COPAYMENT AMOUNT.—

''(A) IN GENERAL.—Except as provided in subparagraph (B), the copayment amount under this subsection is determined as follows:

''(i) UNADJUSTED COPAYMENT.—Compute the amount by which the amount described in paragraph (4)(B) exceeds the amount of payment determined under paragraph (4)(C).

''(ii) LABOR ADJUSTMENT.—The copayment amount is the difference determined under clause (i) with the labor-related portion of such difference adjusted for relative differences in the cost of labor and

other factors determined by the Secretary, as computed under paragraphs (2)(D). The adjustment under this clause shall be made in a manner that does not result in any change in the aggregate copayments made in any year if the adjustment had not been made.

''(B) ELECTION TO OFFER REDUCED COPAYMENT AMOUNT.—The Secretary shall establish a procedure under which a hospital, before the beginning of a year (beginning with 1999), may elect to reduce the copayment amount otherwise established under subparagraph (A) for some or all covered OPD services to an amount that is not less than 25 percent of the medicare OPD fee schedule amount (computed under paragraph (3)(E)) for the service involved, adjusted for relative differences in the cost of labor and other factors determined by the Secretary, as computed under subparagraphs (D) and (E) of paragraph (2). Under such procedures, such reduced copayment amount may not be further reduced or increased during the year involved and the hospital may disseminate

information on the reduction of copayment amount effected under this subparagraph.

"(C) NO IMPACT ON DEDUCTIBLES.—Nothing in this paragraph shall be construed as affecting a hospital's authority to waive the charging of a deductible under section 1833(b).

"(6) PERIODIC REVIEW AND ADJUSTMENTS COMPONENTS OF PROSPECTIVE PAYMENT SYSTEM.—

"(A) PERIODIC REVIEW.—The Secretary may periodically review and revise the groups, the relative payment weights, and the wage and other adjustments described in paragraph (2) to take into account changes in medical practice, changes in technology, the addition of new services, new cost data, and other relevant information and factors.

"(B) BUDGET NEUTRALITY ADJUSTMENT.—If the Secretary makes adjustments under subparagraph (A), then the adjustments for a year may not cause the estimated amount of expenditures under this part for the year to increase or decrease from the estimated amount of expenditures under this part that would have been made if the adjustments had not been made.

"(C) UPDATE FACTOR.—If the Secretary determines under methodologies described in subparagraph (2)(F) that the volume of services paid for under this subsection increased beyond amounts established through those methodologies, the Secretary may appropriately adjust the update to the conversion factor otherwise applicable in a subsequent year.

"(7) SPECIAL RULE FOR AMBULANCE SERVICES.—The Secretary shall pay for hospital outpatient services that are ambulance services on the basis described in the matter in subsection (a)(1) preceding subparagraph (A).

"(8) SPECIAL RULES FOR CERTAIN HOSPITALS.—In the case of hospitals described in section 1886(d)(1)(B)(v)—

"(A) the system under this subsection shall not apply to covered OPD services furnished before January 1, 2000; and

"(B) the Secretary may establish a separate conversion factor for such services in a manner that specifically takes into account the unique costs incurred by such hospitals by virtue of their patient population and service intensity.

"(9) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

"(A) the development of the classification system under paragraph (2), including the establishment of groups and relative payment weights for covered OPD services, of wage adjustment factors, other adjustments, and methods described in paragraph (2)(F);

"(B) the calculation of base amounts under paragraph (3);

"(C) periodic adjustments made under paragraph (6); and

"(D) the establishment of a separate conversion factor under paragraph (8)(B).".

(b) COINSURANCE.—Section 1866(a)(2)(A)(ii) (42 U.S.C. 1395cc(a)(2)(A)(ii)) is amended by adding at the end the following: "In the case of items and services for which payment is made under part B under the prospective payment system established under section 1833(t), clause (ii) of the first sentence shall be applied by substituting for 20 percent of the reasonable charge, the applicable copayment amount established under section 1833(t)(5).".

(c) TREATMENT OF REDUCTION IN COPAYMENT AMOUNT.—Section 1128A(i)(6) (42 U.S.C. 1320a–7a(i)(6)) is amended—

(1) by striking ''or'' at the end of subparagraph (B),

(2) by striking the period at the end of subparagraph (C) and inserting ''; or'', and

(3) by adding at the end the following new subparagraph:

''(D) a reduction in the copayment amount for covered OPD services under section 1833(t)(5)(B).''.

(d) CONFORMING AMENDMENTS.—

(1) APPROVED ASC PROCEDURES PERFORMED IN HOSPITAL OUTPATIENT DEPARTMENTS.—

(A)(i) Section 1833(i)(3)(A) (42 U.S.C. 13951(i)(3)(A)) is amended—

(I) by inserting ''before January 1, 1999,'' after ''furnished'', and

(II) by striking ''in a cost reporting period''.

(ii) The amendment made by clause (i) shall apply to services furnished on or after January 1, 1999.

(B) Section 1833(a)(4) (42 U.S.C. 13951(a)(4)) is amended by inserting ''or subsection (t)'' before the semicolon.

(2) RADIOLOGY AND OTHER DIAGNOSTIC PROCEDURES.—

(A) Section 1833(n)(1)(A) (42 U.S.C. 1395l(n)(1)(A)) is amended by inserting ''and before January 1, 1999,'' after ''October 1, 1988,'' and after ''October 1, 1989,''.

"(B) set the payment amounts provided under the fee schedule for services furnished in 2001 and each subsequent year at amounts equal to the payment amounts under the fee schedule for service furnished during the previous year, increased by the percentage increase in the consumer price index for all urban consumers (U.S. city average) for the 12-month period ending with June of the previous year.

(1) the county or parish furnishes (or arranges for the furnishing) of ambulance services for which

payment may be made under part B of title XVIII of the Social Security Act for individuals residing in the county or parish who are enrolled under such part, except that the county or parish may not enter into the contract unless the contract covers at least 80 percent of the individuals residing in the county or parish who are enrolled under such part;

(2) any individual or entity furnishing ambulance services under the contract meets the requirements otherwise applicable to individuals and entities furnishing such services under such part; and

(3) for each month during which the contract is in effect, the Secretary makes a capitated payment to the county or parish in accordance with subsection (b).

The projects may extend over a period of not to exceed 3 years each.

(b) AMOUNT OF PAYMENT.—

(1) IN GENERAL.—The amount of the monthly payment made for months occurring during a calendar year to a county or parish under a demonstration project contract under subsection (a) shall be equal to the product of—

(A) the Secretary's estimate of the number of individuals covered under the contract for the month; and

(B) 1/12 of the capitated payment rate for the year established under paragraph (2).

(2) CAPITATED PAYMENT RATE DEFINED.—In this subsection, the ''capitated payment rate'' applicable to a contract under this subsection for a calendar year is equal to 95 percent of—

(A) for the first calendar year for which the contract is in effect, the average annual per capita payment made under part B of title XVIII of the Social Security Act with respect to ambulance services furnished to such individuals during the 3 most recent calendar years for which data on the amount of such payment is available; and

(B) for a subsequent year, the amount provided under this paragraph for the previous year increased by the percentage increase in the consumer price index for all urban consumers (U.S. city average) for the 12-month period ending with June of the previous year.

(c) OTHER TERMS OF CONTRACT.—The Secretary and the county or parish may include in a contract under

this section such other terms as the parties consider appropriate, including—

(1) covering individuals residing in additional counties or parishes (under arrangements entered into between such counties or parishes and the county or parish involved);

(2) permitting the county or parish to transport individuals to non-hospital providers if such providers are able to furnish quality services at a lower cost than hospital providers; or

(3) implementing such other innovations as the county or parish may propose to improve the quality of ambulance services and control the costs of such services.

(d) CONTRACT PAYMENTS IN LIEU OF OTHER BENEFITS.—Payments under a contract to a county or parish under this section shall be instead of the amounts which (in the absence of the contract) would otherwise be payable under part B of title XVIII of the Social Security Act for the services covered under the contract which are furnished to individuals who reside in the county or parish.

(e) REPORT ON EFFECTS OF CAPITATED CONTRACTS.—

(1) STUDY.—The Secretary shall evaluate the demonstration projects conducted under this section.

Such evaluation shall include an analysis of the quality and cost-effectiveness of ambulance services furnished under the projects.

CHAPTER 3—PAYMENT UNDER PARTS A AND B

SEC. 10441. PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES.

(a) IN GENERAL.—Title XVIII (42 U.S.C. 1395 et seq.), as amended by section 10011, is amended by adding at the end the following new section:

''PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES

''SEC. 1895. (a) IN GENERAL.—Notwithstanding section 1861(v), the Secretary shall provide, for cost reporting periods beginning on or after October 1, 1999, for payments for home health services in accordance with a prospective payment system established by the Secretary under this section.

''(b) SYSTEM OF PROSPECTIVE PAYMENT FOR HOME HEALTH SERVICES.—

''(1) IN GENERAL.—The Secretary shall establish under this subsection a prospective payment system for payment for all costs of home health services. Under the system under this subsection all services covered and paid on a reasonable cost basis under the medicare home health benefit as of the date of the enactment of the this section, including medical supplies, shall be paid for on the basis of a prospective payment amount determined under this subsection and applicable to the services involved. In implementing the system, the Secretary may provide for a transition (of not longer than 4 years) during which a portion of such payment is based on agency-specific costs, but only if such transition does not result in aggregate payments under this title that exceed the aggregate payments that would be made if such a transition did not occur.

''(2) UNIT OF PAYMENT.—In defining a prospective payment amount under the system under this subsection, the Secretary shall consider an appropriate unit of service and the number, type, and duration of visits provided within that unit, potential changes in the mix of services provided within that

unit and their cost, and a general system design that provides for continued access to quality services.

"(3) PAYMENT BASIS.—

"(A) INITIAL BASIS.—

"(i) IN GENERAL.—Under such system the Secretary shall provide for computation of a standard prospective payment amount (or amounts). Such amount (or amounts) shall initially be based on the most current audited cost report data available to the Secretary and shall be computed in a manner so that the total amounts payable under the system for fiscal year 2000 shall be equal to the total amount that would have been made if the system had not been in effect but if the reduction in limits described in clause (ii) had been in effect. Such amount shall be standardized in a manner that eliminates the effect of variations in relative case mix and wage levels among different home health agencies in a budget neutral manner consistent with the case mix and wage level adjustments provided under paragraph (4)(A). Under the system, the Secretary

may recognize regional differences or differences based upon whether or not the services or agency are in an urbanized area.

''(ii) REDUCTION.—The reduction described in this clause is a reduction by 15 percent in the cost limits and per beneficiary limits described in section 1861(v)(1)(L), as those limits are in effect on September 30, 1999.

''(B) ANNUAL UPDATE.—

''(i) IN GENERAL.—The standard prospective payment amount (or amounts) shall be adjusted for each fiscal year (beginning with fiscal year 2001) in a prospective manner specified by the Secretary by the home health market basket percentage increase applicable to the fiscal year involved.

''(ii) HOME HEALTH MARKET BASKET PERCENTAGE INCREASE.—For purposes of this subsection, the term 'home health market basket percentage increase' means, with respect to a fiscal year, a percentage (estimated by the Secretary before the be-

ginning of the fiscal year) determined and applied with respect to the mix of goods and services included in home health services in the same manner as the market basket percentage increase under section 1886(b)(3)(B)(iii) is determined and applied to the mix of goods and services comprising inpatient hospital services for the fiscal year.

''(C) ADJUSTMENT FOR OUTLIERS.—The Secretary shall reduce the standard prospective payment amount (or amounts) under this paragraph applicable to home health services furnished during a period by such proportion as will result in an aggregate reduction in payments for the period equal to the aggregate increase in payments resulting from the application of paragraph (5) (relating to outliers).

''(4) PAYMENT COMPUTATION.—

''(A) IN GENERAL.—The payment amount for a unit of home health services shall be the applicable standard prospective payment amount adjusted as follows:

''(i) CASE MIX ADJUSTMENT.—The amount shall be adjusted by an appro-

priate case mix adjustment factor (established under subparagraph (B)).

''(ii) AREA WAGE ADJUSTMENT.—The portion of such amount that the Secretary estimates to be attributable to wages and wage-related costs shall be adjusted for geographic differences in such costs by an area wage adjustment factor (established under subparagraph (C)) for the area in which the services are furnished or such other area as the Secretary may specify.

''(B) ESTABLISHMENT OF CASE MIX ADJUSTMENT FACTORS.—The Secretary shall establish appropriate case mix adjustment factors for home health services in a manner that explains a significant amount of the variation in cost among different units of services.

''(C) ESTABLISHMENT OF AREA WAGE ADJUSTMENT FACTORS.—The Secretary shall establish area wage adjustment factors that reflect the relative level of wages and wage-related costs applicable to the furnishing of home health services in a geographic area compared to the national average applicable level. Such

factors may be the factors used by the Secretary for purposes of section 1886(d)(3)(E).

''(5) OUTLIERS.—The Secretary may provide for an addition or adjustment to the payment amount otherwise made in the case of outliers because of unusual variations in the type or amount of medically necessary care. The total amount of the additional payments or payment adjustments made under this paragraph with respect to a fiscal year may not exceed 5 percent of the total payments projected or estimated to be made based on the prospective payment system under this subsection in that year.

''(6) PRORATION OF PROSPECTIVE PAYMENT AMOUNTS.—If a beneficiary elects to transfer to, or receive services from, another home health agency within the period covered by the prospective payment amount, the payment shall be prorated between the home health agencies involved.

''(c) REQUIREMENTS FOR PAYMENT INFORMATION.—With respect to home health services furnished on or after October 1, 1998, no claim for such a service may be paid under this title unless—

''(1) the claim has the unique identifier (provided under section 1842(r)) for the physician who

prescribed the services or made the certification described in section 1814(a)(2) or 1835(a)(2)(A); and

''(2) in the case of a service visit described in paragraph (1), (2), (3), or (4) of section 1861(m), the claim has information (coded in an appropriate manner) on the length of time of the service visit, as measured in 15 minute increments.

''(d) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, 1878, or otherwise of—

''(1) the establishment of a transition period under subsection (b)(1);

''(2) the definition and application of payment units under subsection (b)(2);

''(3) the computation of initial standard prospective payment amounts under subsection (b)(3)(A) (including the reduction described in clause (ii) of such subsection);

''(4) the establishment of the adjustment for outliers under subsection (b)(3)(C);

''(5) the establishment of case mix and area wage adjustments under subsection (b)(4);

''(6) the establishment of any adjustments for outliers under subsection (b)(5); and

''(7) the amounts or types of adjustments under subsection (b)(7).''.

(b) ELIMINATION OF PERIODIC INTERIM PAYMENTS FOR HOME HEALTH AGENCIES.—Section 1815(e)(2) (42 U.S.C. 1395g(e)(2)) is amended—

(1) by inserting ''and'' at the end of subparagraph (C),

(2) by striking subparagraph (D), and

(3) by redesignating subparagraph (E) as subparagraph (D).

(2) TREATMENT OF ITEMS AND SERVICES PAID UNDER PART B.—

(A) PAYMENTS UNDER PART B.—Section 1833(a)(2) (42 U.S.C. 1395l(a)(2)) is amended—

(i) by amending subparagraph (A) to read as follows:

''(A) with respect to home health services (other than a covered osteoporosis drug) (as defined in section 1861(kk)), the amount deter-

mined under the prospective payment system under section 1895;'';

(ii) by striking ''and'' at the end of subparagraph (E);

(iii) by adding ''and'' at the end of subparagraph (F); and

(iv) by adding at the end the following new subparagraph:

''(G) with respect to items and services described in section 1861(s)(10)(A), the lesser of—

''(i) the reasonable cost of such services, as determined under section 1861(v), or

''(ii) the customary charges with respect to such services,

or, if such services are furnished by a public provider of services, or by another provider which demonstrates to the satisfaction of the Secretary that a significant portion of its patients are low-income (and requests that payment be made under this provision), free of charge or at nominal charges to the public, the amount determined in accordance with section 1814(b)(2);''.

(B) REQUIRING PAYMENT FOR ALL ITEMS AND SERVICES TO BE MADE TO AGENCY.—

(i) IN GENERAL.—The first sentence of section 1842(b)(6) (42 U.S.C. 1395u(b)(6)), as amended by section 10401(b)(2), is amended—

(I) by striking ''and (E)'' and inserting ''(E)''; and

(II) by striking the period at the end and inserting the following: '', and (F) in the case of home health services furnished to an individual who (at the time the item or service is furnished) is under a plan of care of a home health agency, payment shall be made to the agency (without regard to whether or not the item or service was furnished by the agency, by others under arrangement with them made by the agency, or when any other contracting or consulting arrangement, or otherwise).''.

(ii) CONFORMING AMENDMENT.—Section 1832(a)(1) (42 U.S.C. 1395k(a)(1)), as amended by section 10401(b), is amend-

ed by striking ''and section 1842(b)(6)(E)'' and inserting '', section 1842(b)(6)(E), and section 1842(b)(6)(F)''.

(b) REVISION OF EXCEPTIONS PROCESS UNDER PROSPECTIVE PAYMENT SYSTEM FOR CERTAIN PROJECTS.—

(1) IN GENERAL.—Section 1886(g)(1) (42 U.S.C. 1395ww(g)(1)) is amended—

(A) by redesignating subparagraph (C) as subparagraph (F), and

(B) by inserting after subparagraph (B) the following subparagraphs:

''(C) The exceptions under the system provided by the Secretary under subparagraph (B)(iii) shall include the provision of exception payments under the special exceptions process provided under section 412.348(g) of title 42, Code of Federal Regulations (as in effect on Septem-

ber 1, 1995), except that the Secretary shall revise such process, effective for discharges occurring after September 30, 1997, as follows:

"(i) A hospital with at least 100 beds which is located in an urban area shall be eligible under such process without regard to its disproportionate patient percentage under subsection (d)(5)(F) or whether it qualifies for additional payment amounts under such subsection.

"(ii) The minimum payment level for qualifying hospitals shall be 85 percent (or such lower percentage, but no lower than 75 percent, as the Secretary may provide to comply with subparagraph (D)).

"(iii) A hospital shall be considered to meet the requirement that it complete the project involved no later than the end of the hospital's last cost reporting period beginning before October 1, 2001, if—

"(I) the hospital has obtained a certificate of need for the project approved by the State or a local planning authority by September 1, 1995, and

''(D) The Secretary may reduce the percent specified under subparagraph (C)(ii) (but not below 75 percent) and shall reduce the Federal capital rate for a fiscal year by such percentage as the Secretary determines to be necessary to ensure that the application of subparagraph (C) does not result in an increase in the total amount that would have been paid under this subsection in the fiscal year if such subparagraph did not apply.

''(E) The Secretary shall provide for publication in the Federal Register each year (beginning with 1999) a description of the distributional impact of the application of subparagraph (C) on hospitals which receive, and do not receive, an exception payment under such subparagraph.''.

The Secretary may establish rules,

consistent with the policies in the previous sentence and paragraph (6), with respect to the application of the previous sentence in the case of medical residency training programs established on or after January 1, 1997.

''(ii) SUBSEQUENT YEARS.—For each subsequent cost reporting period, subject to the limit described in subparagraph (F), the total number of full-time equivalent residents, for determining the hospital's graduate medical education payment, shall equal the average of the actual full-time equivalent resident counts for the cost re-

porting period and preceding two cost reporting periods.

''(iii) ADJUSTMENT FOR SHORT PERIODS.—If a hospital's cost reporting period beginning on or after October 1, 1997, is not equal to twelve months, the Secretary shall make appropriate modifications to ensure that the average full-time equivalent resident counts pursuant to clause (ii) are based on the equivalent of full 12-month cost reporting periods.''.

''(II) BASE DIFFERENCE.—The base difference described in this subclause for a hospital is the amount by which the hospital's overhead GME amount in the base period exceeded the 75th percentile of such amounts (as described in clause (i)).

''(iv) MAXIMUM REDUCTION TO 75TH PERCENTILE.—In no case shall the reduction under this subparagraph effected for a hospital for a period (below the amount that would otherwise apply for the period if this subparagraph did not apply for any period) exceed the reference reduction amount for the hospital for the period.

''(v) BASE PERIOD.—For purposes of this subparagraph, the term 'base period' means the cost reporting period beginning in fiscal year 1984 or the period used to establish the hospital's approved FTE resident amount for hospitals that did not have approved residency training programs in fiscal year 1984.

tion system, that is initiated on or after the date of enactment of this subtitle, except that any health care liability claim or action arising from an injury occurring prior to the date of enactment of this subtitle shall be governed by the applicable statute of limitations provisions in effect at the time the injury occurred.

CHAPTER 2—UNIFORM STANDARDS FOR HEALTH CARE LIABILITY ACTIONS

SEC. 10811. STATUTE OF LIMITATIONS.

A health care liability action may not be brought after the expiration of the 2-year period that begins on the date on which the alleged injury that is the subject of the action was discovered or should reasonably have been discovered, but in no case after the expiration of the 5-year period that begins on the date the alleged injury occurred.

SEC. 10812. CALCULATION AND PAYMENT OF DAMAGES.

(a) TREATMENT OF NONECONOMIC DAMAGES.—

(1) LIMITATION ON NONECONOMIC DAMAGES.—The total amount of noneconomic damages that may be awarded to a claimant for losses resulting from the injury which is the subject of a health care liability action may not exceed $250,000, regardless of the number of parties against whom the action is

brought or the number of actions brought with respect to the injury.

(2) JOINT AND SEVERAL LIABILITY.—In any health care liability action brought in State or Federal court, a defendant shall be liable only for the amount of noneconomic damages attributable to such defendant in direct proportion to such defendant's share of fault or responsibility for the claimant's actual damages, as determined by the trier of fact. In all such cases, the liability of a defendant for noneconomic damages shall be several and not joint.

(b) TREATMENT OF PUNITIVE DAMAGES.—

(1) GENERAL RULE.—Punitive damages may, to the extent permitted by applicable State law, be awarded in any health care liability action for harm in any Federal or State court against a defendant if the claimant establishes by clear and convincing evidence that the harm suffered was the result of conduct—

(A) specifically intended to cause harm, or

(B) conduct manifesting a conscious, flagrant indifference to the rights or safety of others.

(2) PROPORTIONAL AWARDS.—The amount of punitive damages that may be awarded in any health care liability action subject to this subtitle shall not exceed 3 times the amount of damages awarded to the claimant for economic loss, or $250,000, whichever is greater. This paragraph shall be applied by the court and shall not be disclosed to the jury.

(3) APPLICABILITY.—This subsection shall apply to any health care liability action brought in any Federal or State court on any theory where punitive damages are sought. This subsection does not create a cause of action for punitive damages. This subsection does not preempt or supersede any State or Federal law to the extent that such law would further limit the award of punitive damages.

(4) BIFURCATION.—At the request of any party, the trier of fact shall consider in a separate proceeding whether punitive damages are to be awarded and the amount of such award. If a separate proceeding is requested, evidence relevant only to the claim of punitive damages, as determined by applicable State law, shall be inadmissible in any proceeding to determine whether actual damages are to be awarded.

(5) DRUGS AND DEVICES.—

(A) IN GENERAL.—(i) Punitive damages shall not be awarded against a manufacturer or product seller of a drug or medical device which caused the claimant's harm where—

(I) such drug or device was subject to premarket approval by the Food and Drug Administration with respect to the safety of the formulation or performance of the aspect of such drug or device which caused the claimant's harm, or the adequacy of the packaging or labeling of such drug or device which caused the harm, and such drug, device, packaging, or labeling was approved by the Food and Drug Administration; or

(II) the drug is generally recognized as safe and effective pursuant to conditions established by the Food and Drug Administration and applicable regulations, including packaging and labeling regulations.

(ii) Clause (i) shall not apply in any case in which the defendant, before or after premarket approval of a drug or device—

(I) intentionally and wrongfully withheld from or misrepresented to the Food

and Drug Administration information concerning such drug or device required to be submitted under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) or section 351 of the Public Health Service Act (42 U.S.C. 262) that is material and relevant to the harm suffered by the claimant, or

(II) made an illegal payment to an official or employee of the Food and Drug Administration for the purpose of securing or maintaining approval of such drug or device.

(B) PACKAGING.—In a health care liability action for harm which is alleged to relate to the adequacy of the packaging or labeling of a drug which is required to have tamper-resistant packaging under regulations of the Secretary of Health and Human Services (including labeling regulations related to such packaging), the manufacturer or product seller of the drug shall not be held liable for punitive damages unless such packaging or labeling is found by the court by clear and convincing evidence to be substantially out of compliance with such regulations.

(c) PERIODIC PAYMENTS FOR FUTURE LOSSES.—

(1) GENERAL RULE.—In any health care liability action in which the damages awarded for future economic and noneconomic loss exceeds $50,000, a person shall not be required to pay such damages in a single, lump-sum payment, but shall be permitted to make such payments periodically based on when the damages are found likely to occur, as such payments are determined by the court.

(2) FINALITY OF JUDGMENT.—The judgment of the court awarding periodic payments under this subsection may not, in the absence of fraud, be reopened at any time to contest, amend, or modify the schedule or amount of the payments.

(3) LUMP-SUM SETTLEMENTS.—This subsection shall not be construed to preclude a settlement providing for a single, lump-sum payment.

(d) TREATMENT OF COLLATERAL SOURCE PAYMENTS.—

(1) INTRODUCTION INTO EVIDENCE.—In any health care liability action, any defendant may introduce evidence of collateral source payments. If any defendant elects to introduce such evidence, the claimant may introduce evidence of any amount paid or contributed or reasonably likely to be paid or con-

tributed in the future by or on behalf of the claimant to secure the right to such collateral source payments.

(2) NO SUBROGATION.—No provider of collateral source payments shall recover any amount against the claimant or receive any lien or credit against the claimant's recovery or be equitably or legally subrogated the right of the claimant in a health care liability action.

(3) APPLICATION TO SETTLEMENTS.—This subsection shall apply to an action that is settled as well as an action that is resolved by a fact finder.

SEC. 10813. ALTERNATIVE DISPUTE RESOLUTION.

Any ADR used to resolve a health care liability action or claim shall contain provisions relating to statute of limitations, non-economic damages, joint and several liability, punitive damages, collateral source rule, and periodic payments which are identical to the provisions relating to such matters in this subtitle.
