2 activities authorized by subsection (c).

3 (2) PRIORITIZATION OF GRANTS.—The Sec-  
4 retary shall annually submit to the Congress a  
5 prioritized list of projects for which grants are pro-  
6 posed under this section for national heritage areas.  
7 Each such list must be consistent with this Act and  
8 based on information submitted by the chief execu-  
9 tive officers of States in which national heritage  
10 areas are located. In establishing each list, the Sec-  
11 retary shall consider the relative degree to which  
12 each proposed project meets the objectives of the  
13 management plan for a national heritage area and  
14 the extent to which the grant would leverage non-  
15 Federal funds.

16 (b) ELIGIBILITY FOR GRANTS.—Grants may be made  
17 under this section with respect to any national heritage  
18 area designated under this Act only if the Secretary, in  
19 consultation with the chief executive officer of the State  
20 in which the area is located (or if the area is located in  
21 more than one State, the chief executive officers of all such  
22 States, acting together), has designated a local coordi-  
23 nating entity for the area.

24 (c) AUTHORIZED USES OF GRANTS.—

1           (1) IN GENERAL.—Grants under this section  
2           may be used by a local coordinating entity for—

3                   (A) reports, studies, interpretive exhibits

6                   agement plan for the national heritage area;  
7                   and

8                   (B) operational expenses of the local co-  
9                   ordinating entity incurred in the first 3 fiscal

20           50 percent of the total cost of the activity for which the  
21           grant is provided.

22           (e) APPLICABILITY OF RESTRICTIONS TO SUB-  
23           GRANTS.—For purposes of subsection (c), any subgrant  
24           made from funds received as a grant (or subgrant) under

1 this section shall be treated as a grant made under this  
2 section.

3 (f) PROTECTION OF FEDERAL INVESTMENT.—The  
4 Secretary shall require that each grant under this section  
5 shall be subject to an agreement that conversion, use, or  
6 disposal of the project assisted with the grant for purposes  
7 contrary to the purposes for which the grant was made  
8 shall result in a right of the United States to compensa-  
9 tion from the beneficiary of the grant. Any such agree-  
10 ment shall provide for a schedule for such compensation  
11 based on the level of Federal investment and the antici-  
12 pated useful life of the project.

13 (g) DURATION OF ELIGIBILITY FOR GRANTS.—

14 (1) TEN-YEAR ELIGIBILITY PERIOD.—Subject  
15 to paragraphs (2) and (3), the Secretary may not  
16 provide any grant under this section with respect to  
17 a national heritage area for any period occurring  
18 after the expiration of the 10-year period beginning  
19 on the date on which the national heritage area is  
20 designated.

21 (2) THREE-YEAR ELIGIBILITY FOR NEW AREAS  
22 UNLESS MANAGEMENT PLAN SUBMITTED.—The Sec-  
23 retary may not, with respect to a national heritage  
24 area designated after the date of enactment of this  
25 Act, provide any grant under this section after the

1 expiration of the 3-year period beginning on the date  
2 of the designation of the local coordinating entity for  
3 the area unless—

4 (A) the entity submits to the Secretary a  
5 management plan for the area that the Sec-  
6 retary determines has been endorsed by a pre-  
7 ponderance of the units of the local government  
8 within the boundaries of the national heritage  
9 area; and

18 of the following:

19 (A) The last day on which the local coordi-  
20 nating entity is eligible for Federal funding or  
21 assistance under the statute designating the na-  
22 tional heritage area.

23 (B) The expiration of the 10-year period  
24 beginning on the date of the enactment of this  
25 Act.

13                  list of any property in the national heritage  
14                  area that is related to the themes of the na-  
15                  tional heritage area and that is found to merit
