Committed to the House Calendar and ordered to be printed

# **A BILL**

To rename the Oyster Bay National Wildlife Refuge as the  
Congressman Lester Wolff Oyster Bay National Wildlife  
Refuge.

1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. FINDINGS.**

4        The Congress finds the following:

5            (1) The Oyster Bay National Wildlife Refuge  
6 was created in 1968. It is located on the north shore  
7 of Long Island in eastern Nassau County, is the  
8 largest refuge in the Long Island National Wildlife  
9 Refuge Complex, and receives the most public use of  
10 all the refuges in the Complex.

11           (2) The State of New York designated Oyster  
12 Bay a significant coastal fish and wildlife habitat. It  
13 is especially important for wintering waterfowl such  
14 as black duck, greater scaup, bufflehead, canvasback  
15 and long-tailed ducks. Management activities include  
16 wetland restoration and protection of the natural  
17 shoreline and vegetation.

18           (3) The refuge is unique in consisting solely of  
19 bay bottom and adjacent shoreline up to the mean  
20 high-tide mark. Ninety percent of New York's com-  
21 mercial oyster harvest comes from the refuge. Visi-  
22 tors enjoy fishing, wildlife observation, photography  
23 and environmental education. The refuge is truly a  
24 national treasure.

1           (4) Many visitors are unaware that were it not  
2 for the tireless work and advocacy of then-freshman  
3 Congressman Lester Wolff, this area would today be  
4 an 8.5-mile causeway and bridge across Long Island  
5 Sound between Oyster Bay and Rye, New York, con-  
6 necting Nassau and Westchester Counties.

7           (5) The bridge was first proposed by Robert  
8 Moses, the well-known New York City Planner, to  
9 divert traffic from New York City. Former Governor  
10 Nelson Rockefeller signed into law legislation cre-  
11 ating the bridge authorized by the New York State  
12 Legislature in 1967.

13           (6) Congressman Wolff, elected in 1964, quick-  
14 ly decided the bridge would be an intrusion in a pris-  
15 tine area, and that Long Island Sound was a very  
16 precious resource that was despoiled. The conserva-  
17 tion threats in the mid-1960s were suburban devel-  
18 opment, wetland filling, and industrial pollution. The  
19 fight to preserve this land became an enormous po-  
20 litical fight and is considered to be a turning point  
21 in New York State's environmental legacy.

22           (7) With State and local political and commu-  
23 nity leaders, and especially the North Shore leaders  
24 and the Committee to Save the Long Island Sound,  
25 Congressman Wolff arranged a meeting with De-

1       partment of the Interior representatives and local  
2       leaders where the idea of creating a wildlife refuge  
3       from municipal and privately owned wetlands was  
4       created.

5           (8) The Town of Oyster Bay, in which one end  
6       of the bridge was to be located, deeded 5,000 acres  
7       of wetlands to the United States to be maintained  
8       as a Federal wildlife preserve. It was stipulated that  
9       if the Department of the Interior agreed to an intru-  
10      sion of the property, it would revert to the town.  
11      Creating a Federal wildlife preserve provided the  
12      land with Federal protection.

13           (9) Because of the vision, dedication, and perse-  
14      verance of Congressman Lester Wolff, all of us and  
15      future generations can enjoy the beauty and mag-  
16      nificence of this refuge.

17 **SEC. 2. RENAMING THE OYSTER BAY NATIONAL WILDLIFE**  
18                   **REFUGE AS THE CONGRESSMAN LESTER**  
19                   **WOLFF OYSTER BAY NATIONAL WILDLIFE**  
20                   **REFUGE.**

21           (a) RENAMING.—The unit of the National Wildlife  
22      Refuge System known as the Oyster Bay National Wildlife  
23      Refuge and located near Oyster Bay, New York, shall be  
24      known as the “Congressman Lester Wolff Oyster Bay Na-  
25      tional Wildlife Refuge”.

1           (b) REFERENCES.—Any reference in a law, map, reg-  
2 ulation, document, paper, or other record of the United  
3 States to the unit of the National Wildlife Refuge System  
4 known as the Oyster Bay National Wildlife Refuge is  
5 deemed to be a reference to the “Congressman Lester  
6 Wolff Oyster Bay National Wildlife Refuge”.
