AN ACT

To designate the medical center of the Department of Veterans Affairs in San Diego, California, as the Jennifer Moreno Department of Veterans Affairs Medical Center, and to support the designation of a component of such medical center in honor of Kathleen Bruyere.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. FINDINGS.**

2 Congress finds the following:

3 (1) As of January 2021, of 1,255 health care
4 facilities of the Department of Veterans of Affairs,
5 two are named for women veterans.

6 (2) From 2002 through 2006, Jennifer Madai
7 Moreno was an active member of the San Diego
8 High School Junior Reserve Officer Training Corps
9 (JROTC), which is a Department of the Army
10 Honor Unit with Distinction, the highest rating by
11 the Army. She was also chosen to be a member of
12 the San Diego Unified School District Brigade Staff.
13 As a high school senior, she rose quickly to become
14 the top junior marksman in California through the
15 Civilian Marksmanship Program.

16 (3) Moreno accepted a JROTC scholarship to
17 the University of San Francisco (USF) for Nursing,
18 becoming the first person in her family to go to col-
19 lege. While at USF, she was chosen for Leadership
20 Development Training. She ultimately achieved the
21 highest level of physical fitness in her ROTC unit.

22 (4) Following her graduation from USF with a
23 Bachelor of Science degree in Nursing in 2010,
24 Moreno received her commission in the United
25 States Army as a Second Lieutenant Nurse Corps
26 Officer.

1 (5) Upon commissioning, Moreno served as a
2 Gold Bar Recruiter from July 2010 to September
3 2010.

4 (6) Moreno was chosen to attend and completed
5 the Basic Airborne Course in Fort Benning, Georgia
6 and Army Medical Department Officer Basic Course
7 at Ft. Sam Houston, Texas.

8 (7) Moreno was then assigned to Madigan
9 Army Medical Center, Joint Base Lewis McCord,
10 Washington in January 2011, where she served as
11 a Clinical Staff Nurse on medical-surgical unit.
12 Moreno earned her certification as a Medical Sur-
13 gical Registered Nurse in February 2011.

14 (8) Moreno volunteered for a position with U.S.
15 Army Special Operations Command in 2011. She
16 was selected into the SOC Cultural Support Team
17 program. She was deployed to Afghanistan in June
18 2013 with the Army's 75th Ranger Regiment.

19 (9) On October 6, 2013, Moreno was attached
20 to a U.S. Army Ranger unit on a night mission in
21 the Zhari district in Kandahar province to capture
22 a high-value target when four explosive devices were
23 triggered.

24 (10) During the last moments of Moreno's life,
25 she reportedly heard a call to help a wounded soldier

1 struck by a blast. Moreno did not hesitate to re-
2 spond to the call for help. As she made her way to
3 help a fallen soldier, she triggered the fifth explo-
4 sion, which ended her life.

5 (11) Moreno was the first Nurse CST member
6 to die in action. Part of her legacy is the number of
7 young women coming from medical fields seeking
8 out voluntary assignments to join the CST program.

9 (12) Moreno was the first combat casualty to be
10 buried at Fort Rosecrans National Cemetery in San
11 Diego since the post-9/11 conflicts began. She re-
12 ceived full military honors.

13 (13) After graduating from college in 1966,
14 Kathleen Mae Bruyere was accepted into U.S. Navy
15 Officer Candidate School, after which she was as-
16 signed as an on-campus Navy recruiting officer in
17 California.

18 (14) Bruyere was named to the staff of Rear
19 Admiral Allen Hill in 1975, becoming the first
20 woman to serve as flag secretary to an admiral.

21 (15) In January 1976, Bruyere was chosen as
22 one of 12 Women of the Year on the cover of Time
23 Magazine.

24 (16) In 1977, Bruyere joined five other women
25 officers who sued the United States Secretary of the

1 Navy and the United States Secretary of Defense
2 over restrictions that prevented women from serving
3 on combat aircraft and ships. This led to the 1948
4 Women's Armed Services Integration Act being
5 struck down as unconstitutional, overturning a ban
6 on women serving at sea.

7 (17) In 1987, as Special Assistant to the Chief
8 of Naval Operations for women's policy, Bruyere
9 helped conduct an examination of the status of Navy
10 women, including career opportunities and com-
11 plaints of sexism. The study led to 9,000 sea-duty
12 and command jobs opening up for women on 24
13 combatant ships.

14 (18) In 1991, Bruyere was assigned as Com-
15 manding Officer for the Navy Recruit Training
16 Command at Orlando, Florida. At the time, it was
17 the Navy's only boot camp that included women.
18 Bruyere oversaw the training of 30,000 enlistees,
19 one third of them women.

20 (19) In 1994, Bruyere retired from the Navy as
21 a Captain after 28 years of service.

22 (20) From 2012 until shortly before her death
23 in September 2020, Bruyere was an active volunteer
24 at Miramar National Cemetery, devoting almost
25 4,300 hours to helping visitors locate their loved

1 ones' graves and providing information about vet-
2 erans' burial benefits.

3 (21) Bruyere was buried at Miramar National
4 Cemetery with full military honors.

5 (22) In May 2021, a panel of San Diego-area
6 members of the Armed Forces, veterans, and mili-
7 tary spouses recommended that the San Diego VA
8 Medical Center be renamed in honor of Jennifer
9 Moreno and an internal space be renamed in honor
10 of Kathleen Bruyere.
