CONFIDENTIAL

Reference is made to your confidential memorandum of May 14, 1952, in the above-referenced subject. You requested that I advise whether or not the facts detailed in the referenced memorandum regarding the activities in the United States of persons alleged to be planning a revolutionary attempt against the Batista Government of Cuba might constitute a violation of 18 U.S.C. 960 and, if so, whether, in view of the recent overthrow of the Prio Government by Batista, investigation concerning this matter is desirable or warranted.

In view of the alleged revolutionary meeting with ex-President Prio in Miami, the possession of a store of firearms and the flight pattern of Edward William Murphy, it appears that there may be a violation of the cited section of the Neutrality Laws. It is, therefore, requested that you institute full investigation of this matter and that you furnish me with current reports of such investigation as soon as they are available.

It is further requested that you furnish a copy of your memorandum of May 14, 1952, and copies of investigative reports in this matter to the Department of State and that you furnish copies of investigative reports to the United States Attorney for the Southern District of Florida.
