The captioned organization is a militant Miami, Florida, anti-Castro organization which has previously been engaged in carrying out attacks on Cuba.

We recently received information concerning plan of MIRR to bomb Cuban sugar mill using base in Bahamas. We disseminated this data to State; Central Intelligence Agency (CIA); Army; Navy; Air Force; Defense Intelligence Agency (DIA); Immigration and Naturalization Service; Federal Aviation Agency; U. S. Coast Guard; Coordinator of Cuban Affairs, Department of State; British; and Customs. Customs in Miami had been conducting active investigation of previous MIRR plan to attack Cuban ship. Customs advised it was taking steps to prevent attack on sugar mill. By letter dated 6/16/64 we furnished data to Assistant Attorney General J. Walter Yeagley and advised him that in view of action being taken by Customs no investigation was being conducted by Bureau.

Miami Office on 6/20/64 advised that press quoted Havana Radio as stating that "pirate" plane which had bombed sugar mill in Cuba had been shot down. Press reported that Orlando Bosch, head of MIRR, stated he was afraid that this plane was theirs.

On 6/20/64 Customs, Miami, which is conducting active investigation of this matter advised it was checking activities of one Luis Diaz who had recently rented single engine Cessna aircraft from American Aviation in Miami and that Diaz was supposed to have gone to West Palm Beach, Florida, but had not yet returned the aircraft. (It is noted that State Department on 6/20/64 with reference to plane shot down in Cuba advised its occupants, Luis Diaz Lopez; Luis Veraga; and Ines Maragon had been captured but that Diaz had died.)
