The informant could furnish no information regarding those persons. The informant has been well acquainted with BENNY BINION for many years and knows most of BINION's contacts. LV 223-C-TE on 11/7/66 examined photographs of the above 12 persons. The informant is closely associated with BENNY BINION. According to the informant, BINION did not know TOM BONKO, although BONKO, a Crow Indian, has claimed to know BINION. No information was developed at Scottsdale, Arizona, to indicate that "JEANIE" was ever known as JANET. The Phoenix Office also advised that on June 8, 1966, a copy of Arizona driver's license number I-39171 issued to DELL ROY ADAMS was obtained. The data on the license was hand-printed, except for ADAMS' signature. This license was, therefore,
